## 303.02 Entity Review

### Guidance

When you review an entity, consider the following questions:

- If it is an existing entity (e.g., a corporation, limited liability company, limited liability partnership, or other acceptable structure) that is not newly formed, does it comply with the requirements for a Borrower owning more than a single asset per Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity?
- Is it a well-capitalized, stable, ongoing business that would be expected to:
  - Remain financially healthy?
  - Support the Property?
  - Meet all Guarantor requirements and obligations under the Guaranty?
  - Have assets and net worth that are significantly greater than what would be minimally acceptable for an individual Key Principal?
