Part I Mortgage Loan

Chapter 1 Overview

Section 101 Using the Guide

101.01 Organization

Requirements

The Guide is divided into 3 categories:

- Requirements are mandatory conditions that must be satisfied for all Lender-delegated Mortgage Loans and activities. You must obtain Fannie Mae's prior approval to Deliver a Mortgage Loan or perform an activity that does not comply with any requirement.
- Guidance are best practices to inform and support a Lender's delegated analysis and decision-making. Fannie Mae expects you to exercise your delegated authority in a prudent manner, and will review your analysis and delegated decisions.
- Operating Procedures are required steps or processes that must be followed.

The Lender Contract provides Fannie Mae with certain rights, remedies, and corrective actions if you fail to satisfy requirements, follow the operating procedures, or exercise delegated authority in a prudent manner.

If the Guide does not specify a category, then the information is a requirement.

101.02 References

Requirements

The following rules apply:

- a reference to the Guide includes any:
 - update, amendment, restatement, modification, or supplement; and
 - referenced exhibits, appendices, or other forms;
- a reference to any Person also includes the Person's successors and assigns;
- a reference to any Loan Document, statute, regulation, or standard, also

includes all amendments, modifications, or restatements made from time to time; and

- whenever you make a representation “to your knowledge” or “to the best of your knowledge,” you mean the actual state of knowledge of your officers and employees responsible for the underwriting, origination, servicing, or sale of the Mortgage Loan regarding the matters expressly set forth in the representation, in each case without having conducted any independent inquiry into such matters, and without any obligation to do so (except as expressly set forth herein). All information contained in documents which are part of or required to be part of your Servicing File is deemed to be within your knowledge.

Registered and unregistered trademarks can be found on Fannie Mae’s trademarks website. You must include the appropriate trademark symbols when using Fannie Mae’s protected words and phrases, and comply with the instructions on the website.

Section 102 Delegation and Underwriting

Requirements

You must comply with the Guide in its entirety. Your Lender Contract describes your delegated authority to underwrite and Deliver Mortgage Loans.

For underwriting and Delivery to be fully delegated to you, you must underwrite the Mortgage Loan to meet the requirements provided in

- the Multifamily Underwriting Standards (Form 4660),
- Part I,
- Part II, and
- the applicable chapters of Part III based on the specific products and features of the Mortgage Loan.

If the Mortgage Loan does not comply with the applicable requirements, it is a Pre-Review Mortgage Loan (see [Part I, Chapter 2: Mortgage Loan, Section 203: Pre-Review Mortgage Loans](#)).

Section 103 Transaction Approval Memo

Requirements

Your Transaction Approval Memo must:

- document your analysis of all reasonably identifiable strengths and

weaknesses of the proposed Mortgage Loan transaction; and

- address and mitigate the following:
 - Property's financial performance, trends, and value;
 - Property's current physical condition and expected condition over the term of the Mortgage Loan;
 - environmental conditions and seismic risk impacting the Property;
 - ability of the Property to be refinanced at the Maturity Date;
 - Borrower's, Key Principals', and Guarantors' financial capacity and experience;
 - Property market's performance and trends;
 - any other factors that could impact the transaction during the Mortgage Loan term or at the Maturity Date; and
 - analysis and support for your decisions on any matters covered by requirements or guidance in Parts I, II, and III.

Guidance

Fannie Mae will consider the quality and thoroughness of your analysis, and the appropriateness and quantity of adjustments made

- in the underwriting,
- during the monitoring process, and
- when exercising the remedies or corrective actions provided in the Lender Contract.

Section 104

Representations

Requirements

When you Deliver a Mortgage Loan to Fannie Mae you represent that:

- At all times during the origination and underwriting of the Mortgage Loan, you were authorized to transact business in the Property's jurisdiction. If you were not authorized, then none of your activities related to the Mortgage Loan requires authorization to transact business in the Property's jurisdiction.
- If the laws of the Property's jurisdiction do not require you to be authorized to do business, then this lack of authorization will not adversely affect the mortgagee's ability to enforce the Mortgage Loan.

- You are the sole owner and holder of the Mortgage Loan and have full right and authority to sell the Mortgage Loan to Fannie Mae.
- Your right to sell the Mortgage Loan to Fannie Mae is not subject to any other party's interest or Lien, or to any agreement with any other party.
- You complied with all applicable federal or state laws, regulations, or other requirements regarding
 - fair lending,
 - fair housing,
 - consumer credit,
 - equal credit opportunity,
 - truth-in-lending, and
 - the prohibition of redlining and other forms of discrimination.
- Unless modified by Fannie Mae's Pre-Review approval, the Mortgage Loan meets
 - the requirements of the Guide,
 - the Form 4660, and
 - all applicable requirements of your Lender Contract.
- No Person on the Restricted Vendor List performed any service for, or was involved in any way with, the Mortgage Loan's
 - underwriting, or
 - Delivery.
- The Mortgage Loan either meets or is exempt from any usury laws or regulations.
- The Loan Documents you deliver to Fannie Mae are the appropriate and correct forms for the particular transaction under the Guide and contain the same provisions as those provided to you by Fannie Mae (except for completion of blanks, deletion of bracketed information which is not applicable, and other changes approved by Fannie Mae).
- The Borrower is not in default under any of the terms of the Loan Documents and would not be in default under any of the terms of the Loan Documents with the passage of time, the giving of notice, or both.
- The terms and conditions of the Mortgage Loan (as reflected in the Loan Documents) have not been amended, modified, or supplemented by
 - any other agreement or understanding of the parties, or
 - waiver of any of the material provisions of those Loan Documents.

- All documents that evidence, secure, or otherwise relate to the Mortgage Loan have been delivered to Fannie Mae. If you are not the actual party assigning the Mortgage Loan to Fannie Mae because of the financing structure (e.g., a variable rate bond transaction), you make this representation only to the best of your knowledge.
- The Mortgage Loan has not been satisfied, cancelled, released, or subordinated, and Fannie Mae has approved in writing any material modification to the Mortgage Loan occurring after the Mortgage Loan Origination Date, including any change in the:
 - Mortgage Loan amount, Gross Note Rate, Maturity Date, amortization period, or timing of payments;
 - Collateral or Lien priority;
 - reserve types required per the Loan Documents or their release provisions;
 - Mortgage Loan recourse provisions, including the addition of new non-recourse carveouts;
 - Borrower's organization type; or
 - Persons personally liable for the Mortgage Loan, including any Payment Guaranty or additional credit enhancement.
- The Lien on the Collateral identified in the Transaction Approval Memo is valid.
- The Borrower has properly signed the Loan Documents; they are valid and enforceable obligations of the Borrower, subject to bankruptcy, reorganization, or insolvency laws, or other general principles of equity.
- To the best of your knowledge, as of the Delivery of the Mortgage Loan:
 - the Property does not have any subordinate loans that have not been pre-approved by Fannie Mae;
 - the Property has not been damaged by any Catastrophic Event;
 - the Property has not been condemned or been a part of any proceeding that would impair
 - the value of the Mortgage Loan,
 - the value of the Property, or
 - the usefulness of the Property for the contemplated purpose; and
 - there are no proceedings – pending or contemplated – to partially or totally condemn the Property.
- To the best of your knowledge:

- the credit reports and financial statements relating to the Borrower(s) (and to any other person or entity required by the Guide) correctly reflect the financial condition of these person(s) without material exception; and
- as of the Delivery of the Mortgage Loan, none of the following is the subject of an existing or contemplated bankruptcy, reorganization, insolvency, or comparable proceeding
 - any Borrower,
 - any general partner of a Borrower,
 - any Key Principal,
 - any Guarantor, or
 - any other party whose bankruptcy could negatively impact one of these parties.
- If the Mortgage Loan is insured or guaranteed by any Person, including any governmental authority
 - you have ensured that insurance or Guaranty is in effect, and
 - you have complied with all applicable provisions of the insurance or Guaranty that covers the Mortgage Loan.
- The Property is free of all mechanics', materialmen's, or similar Liens, and there are no rights outstanding that could cause such liens. (The only exceptions are mechanics' or materialmen's Liens which attach automatically under the laws of any governmental authority when work is started or materials are delivered to the Property and the Borrower is not delinquent in the payment for this work or materials).
- You have not made or knowingly received from others, any advance of funds (directly or indirectly) on behalf of the Borrower connected with the Mortgage Loan transaction, except for funds permitted in the Guide or related to interest paid from the earliest of the:
 - date of the Note;
 - date the Mortgage Loan proceeds were disbursed to the Borrower; or
 - date 1 month before the first installment of P&I on the Mortgage Loan is due.
- To the best of your knowledge, based solely on the survey and the title insurance policy connected with the origination of the Mortgage Loan (except for encroachments that do not materially and adversely affect the current marketability or principal use of the Property, or that are insured against by the title insurance policy):

- all material improvements used to determine the appraised value of the Property when the Mortgage Loan was originated are within the boundaries of the Property;
 - no material improvements on adjoining parcels encroach onto the Property; and
 - no material improvements encroach onto any easements.
- To the best of your knowledge, nothing involving the Mortgage Loan, the Property, or the Borrower can reasonably be expected to:
 - cause private institutional investors to regard the Mortgage Loan as an unacceptable investment;
 - cause the Mortgage Loan to become delinquent; or
 - adversely affect the Mortgage Loan's value or marketability.
 - If the Mortgage Loan provides that the interest rate or principal balance may be adjusted, Fannie Mae may enforce the terms of the Mortgage Loan, and these adjustments will not affect the priority of the Lien.
 - All Mortgage Loan proceeds were funded on the Mortgage Loan Origination Date
 - directly to or for the benefit of the Borrower, or
 - to fund reserves or escrows per the Loan Documents.
 - All electronic data you submit is accurate and complete.
 - If Fannie Mae's interest in the Mortgage Loan is a Participation Interest, all of the information and statements in any participation certificate that you deliver are complete, correct, and true.

Guidance

Redlining is illegal and occurs when a lender provides unequal access to credit, or offers unequal credit terms, because of the race, color, national origin, or other prohibited characteristics of the residents of the area in which the mortgaged property is located.

You may consider locational factors when appraising and underwriting if your risk analysis applies Fannie Mae's guidelines in a consistent, equitable, and legal manner.

Section 204 Letters of Credit

204.01 Generally

Requirements

You must comply with this Section for all Letters of Credit posted as Collateral for a Mortgage Loan.

You must obtain Fannie Mae's approval for any new or renewal Letter of Credit, regardless of whether the Letter of Credit is required by you or Fannie Mae.

All Letters of Credit must:

- Name Fannie Mae as the sole beneficiary.
- Have a minimum term of 1 year.
- Be issued or confirmed by a financial institution that meets the eligibility criteria in [Part I, Chapter 2: Mortgage Loan, Section 204.02: Issuers and Ratings](#).

All Letters of Credit must meet the requirements in the Irrevocable Letter of Credit Instructions ([Form 4663](#)), including the form of sight draft on the Issuer.

Operating Procedures

Step 1: Complete the Letter of Credit Authorization and Certification Form ([Form 4664.B](#)) that states

- whether the Letter of Credit is new or will renew or confirm an existing Letter of Credit, and

Step 2: Indicate whether the Letter of Credit is required by the Guide or is required by you as additional collateral. If you require the Letter of Credit, include the Loan Document imposing the requirement.

204.02 Issuers and Ratings

Operating Procedures

A financial institution that satisfies the ratings criteria may issue or confirm a Letter of Credit.

You, one of your Affiliates, or an Affiliate of the Borrower, may issue a Letter of Credit, but only if it is confirmed by a financial institution that is not an Affiliate of you or the Borrower.

Fannie Mae, in its sole discretion, may prohibit you from obtaining a Letter of Credit (or confirming a Letter of Credit) from a specific financial institution.

What ratings do Issuers need to satisfy?

A financial institution is eligible to issue or confirm a Letter of Credit if it satisfies the following ratings criteria:

- a Standard and Poor's long-term issuer rating of "A" or better; or
- a Moody's long-term issuer rating of "A2" or better.

204.03 Verifying Issuer Ratings

Requirements

You must monitor and verify the rating of any financial institution issuing or confirming a Letter of Credit

- throughout the term of the Letter of Credit,
- on each anniversary of the date of issuance, and
- on the date of any renewal, replacement, or amendment.

If the ratings of the financial institution issuing or confirming the Letter of Credit fall below the ratings criteria you must

- contact Multifamily Business Operations promptly, and
- use a financial institution that satisfies the ratings criteria to replace or confirm the Letter of Credit.

A change from "stable" or "positive outlook" to "negative outlook" or "on watch for downgrade" would represent a fall below the ratings criteria.

204.04 Restrictions on Issuer Collateral

Requirements

You must ensure that the Issuer does not collateralize the Letter of Credit with a lien on

- the Property, or
- any personal property that secures the Mortgage Loan.

Chapter 3

Borrower, Guarantor, Key Principals, and Principals

Section 301

Generally

Requirements

You must:

- perform a risk assessment of the Borrower, Guarantor, Key Principals, and Principals based solely on objective credit standards; and
- ensure all:
 - Potential Red Flags for Mortgage Fraud and Other Suspicious Activity were evaluated; and
 - unresolved red flags were reported per Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 308: Compliance.

Prohibited practices include:

- basing the risk assessment on any characteristic protected by any fair housing or fair lending law, including
 - race,
 - color,
 - religion,
 - sex,
 - handicap,
 - familial status, or
 - national origin of the prospective
 - Borrowers,
 - Guarantors,
 - Key Principals,
 - Principals,
 - Property occupants, or
 - residents of the Property's neighborhood; or
- using
 - unsupported assumptions,

- personal opinions, or
- unsupported perceptions.

➔ Guidance

You should:

- Complete a credit review by analyzing information about their
 - organizational structure,
 - multifamily business experience and qualifications,
 - general credit history, and
 - current and prospective financial condition.
- Ensure the financial strength, experience, qualifications, and credit history of the Borrower, Guarantor, Key Principals, and Principals support the size, complexity, structure, and risk of the transaction.

Section 302 Borrower Organizational Structure

302.01 Single-Asset Entity

Requirements

You must ensure that

- the Borrower is a domestic single-asset entity, and
- if the Borrower is ultimately owned by foreign persons or entities, it has at least 1 domestic tier of ownership.

➔ Guidance

As you analyze the Borrower and its organizational documents to confirm that it is a single-asset entity, consider the following questions:

- Can the Borrower acquire any additional real property, personal property, or assets?
- Can the Borrower participate in any business other than managing and operating the Property?
- Are the Borrower's assets or funds commingled with anyone else's? If so, can these assets or funds be separated and identified?
- Are the Borrower's financial statements, accounting records, and other

organizational documents maintained with anyone else's?

- Except for the Mortgage Loan, has the Borrower assumed, guaranteed, or obligated itself to cover anyone else's liabilities?

Requirements

If the Borrower owns more than a single asset, the Borrower may still qualify as a single asset entity if you:

- Obtain an operating statement for each real property owned.
- Obtain proof that the Borrower has no existing debt secured by a Lien on any of the Borrower's real property, other than a Mortgage Loan purchased by Fannie Mae.
- Obtain proof that the Borrower does not have any direct or indirect equity interest subject to mezzanine financing.
- Ensure that the Loan Documents prohibit the Borrower from
 - acquiring any additional debt (except for supplemental debt on existing Fannie Mae loans),
 - increasing any existing debt, or
 - acquiring any additional real property.

Guidance

As you analyze the Borrower that owns more than a single asset, you should consider whether its other real estate assets are only

- multifamily properties, or
- other types of real estate that do not pose an environmental risk to the Borrower.

302.02 Co-Tenant Borrowers

Requirements

You must ensure that any Co-Tenant Borrower meets these eligibility requirements:

- the Borrower has no more than 10 co-tenants;
- no co-tenant is an individual;
- each co-tenant is a single-asset entity complying with [Part I, Chapter 3](#):

Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity; and

- each co-tenant has jointly and severally executed the Loan Documents.

302.02A Tenancy-in-Common Agreement

Requirements

You must ensure that a validly executed Tenancy-in-Common Agreement is in place prior to or at the Mortgage Loan closing.

You must review the agreement to ensure that:

- Each co-tenant is bound by the terms of the agreement.
- The Property has a manager of its day-to-day business and affairs, which can be
 - a single co-tenant (or the Key Principal of such co-tenant) known as the “co-tenant representative”, or
 - a validly-appointed property manager.
- Distributions to the co-tenant representative are subordinate to
 - all payments under any Mortgage Loan secured by a Lien on the Property, and
 - the terms and conditions of any such Mortgage Loan.

Guidance

As you analyze the Tenancy-in-Common Agreement, consider the following questions. The term “co-tenant” also includes any Key Principal who has the rights of the co-tenant.

Representation

- Have the Co-Tenant Borrowers given the co-tenant representative the power to deal with the Lender through the Tenancy-in-Common Agreement or an irrevocable power-of-attorney?
- Has each Co-Tenant Borrower waived its right to reside in the Property?

Buy outs

- Does each Co-Tenant Borrower have buy out rights to any other co-tenant?
- Is each Co-Tenant Borrower financially able to buy out any other co-

tenant?

Communication

- Does each Co-Tenant Borrower have a name, address, telephone number, and percentage of ownership interest listed?
- Has each Co-Tenant Borrower agreed to promptly notify all other Co-Tenant Borrowers and you if their address or telephone number changes?
- Has a single Key Principal of the co-tenant representative agreed to receive any communication from you on behalf of all Co-Tenant Borrowers?

302.02B Key Principal Execution of Guaranty

Requirements

You must ensure that:

- each Co-Tenant Borrower names at least 1 Key Principal; and
- if a Guaranty is required per [Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 309: Execution of Non-Recourse Guaranty](#), a Key Principal from each Co-Tenant Borrower must become a Guarantor and execute either a Non-Recourse Guaranty or Payment Guaranty.

302.03 Joint and Several Borrowers with Multiple Properties

Requirements

If a Mortgage Loan not in a Credit Facility is secured by multiple Properties and any Property is owned by a different Borrower, you must require each Borrower to:

- execute a single set of Loan Documents with joint and several liability for the Mortgage Loan;
- comply with the “single purpose entity” requirements per Modifications to Multifamily Loan and Security Agreement (Co-Borrowers) ([Form 6274](#));
- be owned by the same Persons having the same percentage ownership interests (whether direct or indirect);
- be Controlled by the same Sponsor or Key Principal;
- execute [Form 6274](#), restricting Property Transfer/Assumption or release during the Mortgage Loan term;

- execute an acceptable Contribution Agreement complying with [Form 6274](#); and
- if separate Security Instruments are recorded to encumber Properties in different counties, execute separate Modifications to Security Instrument (Co-Borrowers) ([Form 6322](#)) for each Security Instrument.

Each Property securing the Mortgage Loan must:

- be in the same State; and
- comply with [Part II, Chapter 1: Attributes and Characteristics, Section 102.01: Single Borrower Ownership](#).

Section 303

Key Principals, Principals, and Guarantors

Requirements

For every Mortgage Loan, you must:

- Identify and underwrite any Guarantor and all Key Principals and Principals of the Borrower.
- Ensure the Guarantor
 - is not a foreign person or a foreign entity, and
 - either has an ownership interest in the Borrower or ensure that the Guarantor has adequate consideration to enter into the Guaranty.

You must:

- not deliver a Mortgage Loan with
 - undisclosed Principals, or
 - a Blocked Person as a
 - Borrower,
 - Guarantor,
 - Key Principal, or
 - Principal; and
- identify the Principals based on the aggregate of all direct and indirect ownership interests in the Borrower held per the following table.

If the Borrower is a...	Then a Principal is...

Land Trust	any Person who has <ul style="list-style-type: none"> • the power of direction, and • a 25% or more beneficial ownership interest in the land trust.

303.01 Entity Review

Guidance

When you review an entity, consider the following questions:

- Is it an existing entity (e.g., a corporation, limited liability company, limited liability partnership, or other acceptable structure) that is not newly formed?
- Is it a well-capitalized, stable, ongoing business that would be expected to:
 - Remain financially healthy?
 - Support the Property?
 - Meet all Guarantor requirements and obligations under the Guaranty?
 - Have assets and net worth that are significantly greater than what would be minimally acceptable for an individual Key Principal?

➔ Guidance

When you review a fund, consider the following questions:

- What is the experience and performance history of the fund manager with similar funds?
- Can the fund raise equity from financially substantial investors?
- What is the performance of the fund?
- What is the leverage level of the fund?
- What is the net worth and liquidity of the fund?
- What is the type and quality of
 - the Property and market,
 - other existing properties and markets, and
 - any potential additional properties and markets targeted by the fund pursuant to its agreements?

Additionally, you should review the organizational documents and private placement memorandum (if applicable) for the following information:

- the fund's expiration date;
- any extension to the fund's existence and conditions to approve that extension; and
- the process for winding up the business affairs of the fund, including whether the fund is organized in a state that requires the orderly dissolution of investment funds, such as Delaware or Illinois.

- obtain signed financial statements dated within 15 months of the Commitment Date from all parties relevant to the Mortgage Loan; and

Requirements

You must:

- obtain the appropriate Multifamily Underwriting Certificate (Form 6460) from
 - the Borrower,
 - any Guarantor, and

You must ensure the Form 6460:

Section 306

Fraudulent Conveyance

Requirements

You must not obtain a Commitment for any Mortgage Loan if you believe that the Borrower, Key Principals, Principals, or Guarantors intend to delay, hinder, or defraud creditors.

→ Guidance

To show that you have made the Mortgage Loan in good faith, consider the following questions:

- Have you carefully reviewed the facts so that you have a clear defense to potential fraudulent conveyance or fraudulent transfer claims?
- Have you obtained a [Form 6460](#) that confirms the Borrower's good faith?

Section 307 Applicant Experience Check

Requirements

For both initial applications, Supplemental Mortgage Loans, and any Transfer/Assumption, you must perform an ACheck™ and receive a "Continue Processing" response for

- the Borrower,
- each Key Principal of the Borrower,
- each Principal of the Borrower,
- each Guarantor, and
- any person who owns or controls an entity Key Principal.

Operating Procedures

Where can you find ACheck?

You can find the ACheck application at <https://multifamily.fanniemae.com/applications-technology/acheck>.

When do you use the ACheck application?

As soon as you receive an application request and the necessary tax identification numbers and/or social security numbers, enter the information into ACheck.

- If you have not yet identified all parties at this stage, you must enter all Key Principals, Principals, and Guarantors of the Borrower into ACheck as soon as you identify them.
- If more than 90 days pass between the initial ACheck and Commitment Date, you must repeat an ACheck.

How do you view ACheck results?

The ACheck application will provide either a "Continue Processing" or "Do

Not Process” electronic response instantaneously.

■ “Continue Processing” Response

You must receive a “Continue Processing” response in order to proceed with the application.

This does not mean that the Borrower, Key Principal, Principal, Guarantor, or Principal is approved; you are still required to complete full Mortgage Loan credit underwriting.

■ “Do Not Process” Response

If you receive a response stating “do not continue processing an application for a Fannie Mae loan that involves this applicant” (or similar wording), then:

- Do not proceed with the application by omitting any Key Principal, Principal, or Guarantor for which a “Do Not Process” response was given.
- Use the “Do Not Process” response to indicate that you need to have direct communication with Fannie Mae.
- Follow the instructions provided by the ACheck application and contact Fannie Mae before proceeding to underwrite the Mortgage Loan.
- Never use the “Do Not Process” response as the sole reason for rejecting or denying credit in any cases not involving Fannie Mae.

You will not be provided any information as to why a particular Borrower, Key Principal, Principal, or Guarantor received a “Do Not Process” response.

What about confidentiality?

You must establish procedures to ensure that all ACheck responses obtained for Borrowers, Key Principals, Principals, and Guarantors are kept confidential.

Section 308

Compliance

Requirements

You must:

- unless you are subject to, and complying with, the Bank Secrecy Act, establish and maintain effective procedures and controls (including employee training), similar to those required by the Bank Secrecy Act, to prevent, identify, and report potential:

- mortgage fraud; and
- other suspicious activity; and
- confirm every Borrower, Key Principal, Principal, or Guarantor is not a Blocked Person.

Operating Procedures

If you identify Potential Red Flags for Mortgage Fraud and Other Suspicious Activity:

1. Do not inform the Borrower, any Borrower Affiliate, Key Principal, Principal, or Guarantor.
2. Evaluate the red flags to determine if a plausible business explanation exists.
3. Immediately report any unresolved red flags indicative of mortgage fraud or other suspicious activity to:
 - <https://fims.my.salesforce-sites.com/MortgageFraudReport> or (800) 232-6643; and
 - Lender Assessment Oversight.

5. Promptly provide all related documentation to Fannie Mae upon request.
6. Do not provide any information to Fannie Mae that would indicate whether you have filed a Suspicious Activity Report (SAR) with the Financial Crimes Enforcement Network (FinCEN).

If you identify any Borrower, Key Principal, Principal, or Guarantor as a Blocked Person:

1. Report the Blocked Person to Lender Assessment Oversight within 24 hours.
2. Maintain all documentation relating to your searches.
3. Promptly provide all related documentation to Fannie Mae upon request.
4. Do not
 - Deliver the Mortgage Loan, or
 - proceed with the Mortgage Loan by omitting any Person that is a Blocked Person.

- an Underwritten DSCR less than
 - 1.35 for fixed rate or
 - 1.10 for variable rate, or
- an LTV greater than 65%.

You do not need to obtain a Non-Recourse Guaranty if the Borrower is a Cooperative Organization or if the Key Principal (who would otherwise be the Guarantor) is a publicly traded entity.

Part II

Property

Chapter 1

Attributes and Characteristics

Section 101

Eligible Properties

Requirements

For a Mortgage Loan to be eligible for purchase, it must be secured by a multifamily residential property that meets all of the following:

- contains at least 5 dwelling units;
- does not include a stand-alone building containing less than 5 dwelling units (e.g., a single-family structure), unless it:
 - was originally constructed as part of a single multifamily development; or
 - is situated on the same tax parcel, or shares a tax parcel boundary, with a
 - multifamily property, or
 - MH Community;
- has suitable bathroom and cooking facilities within each unit;
- is located in 1 of the 50 states of the United States, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, or Guam;
- is located on a publicly dedicated, all-weather road, or is accessible by a satisfactory easement from this type of road;
- consists of either a single parcel or multiple parcels per [Part II, Chapter 1: Attributes and Characteristics, Section 102.01: Single Borrower Ownership](#);
- any commercial space is:
 - physically part of, and connected to, the multifamily space; or

- either complies with all applicable statutes, rules, regulations, and housing and building codes, or is being appropriately remediated;

- does not contain any Modular Housing; and
- has access to police and emergency services.

➔ Guidance

To determine if a single-family structure was originally constructed as part of a single multifamily development, you should consider if all buildings:

- were originally constructed at the same time;
- were historically bought, operated, and sold as 1 Project since originally constructed;
- are generally consistent in physical appearance, with distinct boundaries such as
 - signage,
 - gates/fencing,
 - shared parking, or
 - dedicated streets;
- are located on a single tax parcel or adjacent tax parcels;
- are configured without any non-Borrower owned parcels or buildings separating/splitting or within the multifamily development; and
- are not part of a predominately homeowner development.

Section 102 Multiple Properties

102.01 Single Borrower Ownership

Requirements

If more than 1 Property secures a Mortgage Loan, you must determine if all multifamily buildings are part of the same Project. Buildings on multiple Properties are a single Project if all Properties:

- are only separated by publicly dedicated or private streets primarily intended for local residents or access to the Property, and not by major arteries or thoroughfares (i.e., streets primarily intended for traffic traveling through the area); and
- have the following characteristics:
 - all buildings have been operated as a single complex (e.g., no buildings are marketed separately to tenants);

- the Properties are within
 - 0.5 miles or less of each other, and
 - the same submarket;
- amenities at any building are available to tenants in other buildings;
- amenities located in one building do not materially, adversely affect the rents at other buildings without similar amenities; and
- the overall building configuration across the Properties does not result in elevated vacancy levels at any building.

If multiple Properties are not part of the same Project, you must:

- collect detailed individual data for each Property, including separate
 - rent rolls, and
 - operating statements;
- enter each Property in the “Properties” section of DUS Gateway;
- complete a Multifamily Affordability Estimator (MAE) for each Property per [Part I, Chapter 2: Mortgage Loan, Section 201: Registration and Multifamily Affordability Estimator](#);
- require every third-party report to assess
 - the Properties in each Project separately, and
 - all Properties in the aggregate; and
- enter each Property as a separate Property Collateral record in C&D.

When a Mortgage Loan not in a Credit Facility is secured by multiple Properties (whether in the same or multiple Projects), each multifamily Property must individually:

- comply with the minimum occupancy requirements in
 - [Part II, Chapter 1: Attributes and Characteristics, Section 105: Minimum Occupancy](#), or
 - [Part III, Chapter 9: Small Mortgage Loans, Section 903: Occupancy](#);
- be located in the same MSA; and
- have an acceptable Property condition based on
 - your site inspection, and

- any required PCA.

Guidance

For a Mortgage Loan secured by multiple Properties not part of the same Project, you may:

- accept a consolidated third-party report for multiple Projects, if each Property is identified and assessed separately; and
- consolidate the Underwritten NCF and overall underwriting in a single Transaction Approval Memo.

102.02 Joint and Several Borrower Ownership

Requirements

If...	Then...
<p>A Mortgage Loan</p> <ul style="list-style-type: none"> • is made to joint and several Borrowers, • is secured by multiple Properties, and • has a Property owned by a different Borrower. 	<p>The Mortgage Loan and each Borrower must comply with</p> <ul style="list-style-type: none"> • Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity, • Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.03: Joint and Several Borrowers with Multiple Properties , and • Part II, Chapter 1: Attributes and Characteristics, Section 102.01: Single Borrower Ownership.

You must ensure that the Ground Lease complies with the Ground Lease Review Checklist ([Form 6479](#)), unless

- the ground lessor joins with the Borrower in executing the Security Instrument and grants a Lien on the ground lessor's fee estate, or
- the absence of the Leasehold estate would not have a material adverse effect on the Property's operation or value.

104.02 Ground Lease Rents

Requirements

You must:

- establish an escrow for ground rents;
- ensure the Borrower deposits sufficient funds; and
- make all payments due per the Ground Lease.

Section 105 Minimum Occupancy

105.01 Residential Occupancy

Requirements

You must ensure the Property meets these minimum occupancy levels:

- 85% physical occupancy; and
- 70% economic occupancy.

These minimum levels apply on the Commitment Date and for the preceding 3-month period.

105.02 Qualified Occupants

Requirements

When calculating physical occupancy, you must only include tenants who

- physically occupy the unit, and
- have commenced paying rent.

Guidance

You may include any tenant who:

- was under a standard lease for at least 6 months, then converted to a month-to-month lease when the lease expired; or
- is under a lease with a term of less than 6 months, if shorter-term leases
 - are commonly accepted in the market area, and
 - do not reflect weakness in the market.

You may include non-revenue producing units such as

- management units,
- employee occupied units,
- maintenance units, and
- model units.

Such units should not exceed what is usual and customary for stabilized properties in the market.

☑ Requirements

If the Property is a Phased Property, you must evaluate

 - accessible from a public roadway.

In assessing the impact of future phases on a Property, you should consider:

- the short-term impact of construction activity; and
- long-term implications for the continued economic viability of the Property, taking into account the allocation of costs for shared facilities (such as roadways).

Requirements

You may only Deliver a Mortgage Loan on a Phased Property if Fannie Mae holds all other Mortgage Loans secured by other phases of the complex.

When the Phased Property is owned or Controlled by the same Borrower or Principals as the other phases in the complex:

- when any new Phased Property Mortgage Loan is underwritten, the actual amortizing DSCR (per [Form 4254.DEF](#)) and current LTV for all existing Mortgage Loans on each phase must comply with Form 4660 for the same loan term, product, and Pricing and Underwriting Tier, where each property value is determined by
 - dividing the current NCF by the capitalization rate (i.e., a Direct Cap with Sales Comparables analysis),
 - broker's opinion of value, or
 - most recent Appraisal; and
- the new Phased Property Mortgage Loan must have a Prepayment Premium Period End Date on or before the Prepayment Premium Period End Date of the Mortgage Loans on the other phases.

Section 203 Income Analysis

203.01 Underwritten Net Cash Flow (Underwritten NCF)

Guidance

When calculating the Property's Underwritten NCF, you should:

- use objective measures to determine the revenue generated and the expenses incurred;
- use the best information available, including
 - historical performance, and
 - anticipated operations;
- use best efforts to obtain operating statements for the prior 3 years;
- obtain the prior full-year operating statement or, at a minimum, one covering the trailing 6 months (annualized);
- request trailing 3-month physical and economic vacancy history if not included on the operating statement provided;
- use best efforts to obtain a current aged receivables report, listing rent delinquencies at day
 - 30,
 - 60, and
 - 90;
- review operating statement and rent roll updates, ensuring no inexplicable variances compared to previously provided statements;
- if variances are identified compared to previously provided statements, they should be
 - investigated,
 - reconciled, and
 - documented in the Transaction Approval Memo; and
- consider if the Property can achieve the Underwritten NCF within 12 months after the Mortgage Loan Origination Date, absent
 - unexpected market conditions, or

- other unforeseen events.

You may, for:

- acquisitions only, rely on the Borrower's budgeted operating statements; and
- all Mortgage Loans, calculate the Underwritten NCF more conservatively, if warranted by specific Property circumstances.

Requirements

You must:

- determine the reasonableness of the Property's current income and expenses based on historical data from external real estate data aggregator services; and
- use the following table to calculate Underwritten NCF for all Mortgage Loans unless another table is provided in the applicable Part III chapter based on the specific product.

203.02 Underwritten DSCR

Requirements

You must calculate Underwritten DSCR per the following table.

Item	Function	Description

When calculating Underwritten DSCR for a Mortgage Loan with an interest-only period, you must use the same level debt service payment, including amortization, regardless of the length of the interest-only period.

The Underwriting Interest Rate Floor, if applicable, is the lowest interest rate you may use to determine the Mortgage Loan amount.

If the Gross Note Rate is below the required Underwriting Interest Rate Floor, per Form 4660, you must use the Underwriting Interest Rate Floor to establish the permitted Mortgage Loan amount.

All underwriting Tier requirements must be based on the Underwritten NCF.

Section 204

Refinance Risk Analysis

Requirements

You must prepare an exit strategy analyzing the Borrower's ability to refinance the Mortgage Loan in the year after the Maturity Date (e.g., use the projected NCF in year 11 for a Mortgage Loan with a 10-year term), by calculating a:

- "reversion" cap rate, which is the expected capitalization rate able to be supported per the projected NCF; and
- Refinance Interest Rate.

204.01 Base Assumptions

Requirements

Insurance and Other Expenses	<ul style="list-style-type: none"> • Structured Transactions, and • Mortgage Loans secured by multiple Properties 	3%.
	All other Mortgage Loans	the growth rates published in DUS Gateway for the Property.

You must estimate the Mortgage Loan UPB at the Maturity Date as follows:

For...	Use...
Amortization	<ul style="list-style-type: none">• 30 years, or• the amortization for the applicable product or features.
DSCR	The minimum Tier 2 DSCR for the applicable product or features, per Form 4660 .
LTV	The maximum Tier 2 LTV for the applicable product or features, per Form 4660 .

➔ Guidance

In most cases, the combined effect of principal amortization and NCF growth should result in a refinancing at the minimum DSCR and maximum LTV for Tier 2, using a reasonable interest rate.

You should consider the following refinance parameters:

- A target reversion capitalization rate at least 2.0% greater than the initial capitalization rate used for determining Underwriting Value.
- A Refinance Interest Rate at least 2.25% greater than the current 10-year Amortizing Nationwide Underwriting Floor rate, per Form 4660.

204.02 Alternative Assumptions

☑ Requirements

You must:

- present an alternative risk analysis using assumptions that deviate from the base assumptions if:
 - you determine the base assumptions do not appropriately estimate the Property's NCF over the Mortgage Loan term; or
 - third-party data providers project rent growth materially below Fannie Mae growth rates published in DUS Gateway;
- identify and support any deviations with
 - reliable evidence, and
 - historical and projected market trends; and
- state your conclusions, discussing any mitigating factors, such as the:

- strength of the
 - Sponsor, or
 - submarket; and
- Property's
 - characteristics,
 - operating history, and
 - performance.

➔ Guidance

Income and Expense Growth Rates: Income and expense trending should incorporate projected market rates based on general economic, market, and submarket conditions from reliable sources, as well as the Property's characteristics. For example:

- Rents on recently signed leases should only be used for estimating income growth in Loan Years 1 and 2.
- Rent projections greater than the Base Assumption Income Growth Rate should not be used beyond Loan Year 4.
- When improvements in market economic occupancy or sustained market rental rate increases are widely anticipated, growth trends above the Base Assumption Income Growth Rate may be supported.
- Projections of income growth resulting from Property renovations or improved operations should be limited to the first 3 Loan Years.
- When a Property is subject to a scheduled reassessment or a tax abatement phase-in period, tax expense should be adjusted appropriately.
- If a tax abatement, exemption, deferral, or PILOT begins phase out or expires more than 5 years after the Maturity Date, consider if the increased expense within 10 years after the Maturity Date may affect the Borrower's ability to refinance, and warrants
 - a lower Mortgage Loan amount,
 - faster amortization, or
 - a reduced interest only period.
- When you expect to incur costs for tenant improvement allowances and leasing commissions, or to realize rent increases from the rollover of

tenants, commercial income should be adjusted appropriately.

- A substantially renovated Property, with improved in-unit finishes and/or new/renovated amenities, may experience different income and expense growth rates than properties of the same age; therefore, growth trends differing from the Base Assumption Income Growth Rate may be supported.

Economic Vacancy: Properties in submarkets with depressed economic conditions due to temporary demand or supply issues may be modeled to reflect the economic vacancy projected by a reliable source. If you expect a decrease in vacancy to achieve stabilized levels, you should consider

- the anticipated timing, and
- effect of decreased economic vacancy on projected income growth over the same time period.

Section 205

Cash Out Analysis

Requirements

You must:

- examine the risk of allowing cash out to the Borrower (see Form 4660 for a description of cash out transactions); and
- for New Construction, consider the Mortgage Loan amount relative to the Property's total development cost basis.

When underwriting a cash-out transaction, you must consider and document in the Transaction Approval Memo:

- the amount of hard equity remaining in the Property's debt structure, excluding prior permanent financing costs, such as interest or prepayment premium;
- the length of time the Borrower has owned the Property;
- the Property's
 - effective age, and
 - current physical condition;
- over the ownership period, any improvement in
 - asset quality,
 - the Property's operations (i.e., its NCF), or

- value;
- if the Property's value increased due to an increase in NCF, rather than a decrease in the capitalization rate; and
- for New Construction, the Property's total development costs basis per the New Construction table:

New Construction	
For...	The Property's total development cost basis includes...

Section 206

Borrower Business Plan

Requirements

For acquisitions or refinances where the Property is being repositioned through a substantial capital improvement plan, you must analyze (and document in your Transaction Approval Memo) the:

- Sponsor's:
 - business plan (either through a written plan or by a conversation with the Sponsor), including
 - market rent growth expectations,
 - any planned capital improvements,
 - any expected rent premiums after renovations,
 - operating expense management, and
 - value appreciation through capitalization rate compression;
 - expected ownership period for the Property relative to the Mortgage Loan term; and
 - expected investment returns from owning/operating the Property, assuming
 - acquisition at the Underwriting Value, and
 - a hypothetical disposition at the Mortgage Loan's Maturity Date;
- Mortgage Loan's Underwritten Capitalization Rate; and
- motivation in the Property's investment compared to the Borrower's other investment alternatives.

Section 207

Rent-Stabilized Properties

Guidance

For Rent-Stabilized Properties (e.g., located in New York State), you should:

- underwrite Property income based on current rents;

- exclude any potential rent increase for units converting to market rate from the projected NCF in the refinance risk analysis;
- assess and stress the cap rate used to determine the Underwriting Value, and consider obtaining an Appraisal before Rate Lock;
- for fund Sponsors or other Sponsors requiring minimum investment returns, consider whether the Sponsor's interests are aligned with the limited rent increases allowed under the law; and
- fund the Replacement Reserve to maintain the Property's physical condition.

Chapter 3 Legal Compliance

Section 301 Zoning and Legally Non-Conforming Status

301.01 Zoning

Requirements

For each Property, you must:

- identify the current zoning or land use designation;
- determine if the existing Property use (e.g., multifamily, single-family, mixed use, Manufactured Housing Community, etc.) is expressly permitted per current zoning and land use laws and regulations; and
- confirm the Property's characteristics (e.g., building height, density, set-back lines, etc.):
 - conform to current zoning requirements and land use designations; or
 - are legally non-conforming per applicable zoning or land use laws and regulations.

If you order a Zoning Report from a zoning consultant, you must:

- upload the zoning report to DUS Docway in Folder II; and
- deliver structured data per the Zoning Report Data Supplement ([Form 4089](#)).

301.02 Legal Non-Conforming Use

Requirements

If the Property is a legal non-conforming use, you must:

- ensure the Borrower executes Modifications to Multifamily Loan and Security Agreement (Legal Non-Conforming Status) ([Form 6275](#));
- confirm, following a casualty, the percentage of damage to the Property's Improvements (i.e., the destruction threshold) at which the Property jurisdiction would prohibit the rebuilding of all impacted Improvements to the pre-casualty use and condition under current
 - laws,
 - zoning requirements, and
 - building codes; and

- if the destruction threshold is less than 50%, not Deliver the Mortgage Loan.

301.03 Legal Non-Conforming Characteristics

☑ Requirements

If the Property's characteristics are legally non-conforming, you must:

- ensure the Borrower executes the Modifications to Multifamily Loan and Security Agreement (Legal Non-Conforming Status) ([Form 6275](#));
- confirm whether, if fully or partially destroyed, the Property's Improvements can be fully rebuilt to the pre-casualty condition per current
 - laws,
 - zoning requirements, and
 - building codes; and
- if the Property's Improvements cannot be fully rebuilt to the pre-casualty condition,
 - evaluate if the as-rebuilt Property will support the Mortgage Loan at the current Tier, and
 - document your analysis in the Transaction Approval Memo.

➔ Guidance

To assess the Borrower's ability to rebuild Improvements on a non-conforming Property to a level that will support the Mortgage Loan at the current Tier, you should consider:

- conducting a threshold analysis to determine the resulting actual amortizing DSCR if the reconstructed Improvements cannot be rebuilt as-is per current law;
- the likelihood of a casualty event (e.g., wind, earthquake, fire, flood, mine subsidence, etc.);
- the percentage of damage to the Improvements at which the Property's jurisdiction will require the Property be rebuilt to current zoning and land use requirements (i.e., the destruction threshold);
- which Property characteristics the destruction threshold percentage applies to, such as
 - market value,

- assessed value,
- replacement cost, or
- unit count;
- for Properties with multiple buildings, if the destruction threshold percentage applies to
 - each building, or
 - all buildings as a whole;
- the replacement cost to rebuild per current requirements for
 - zoning, and
 - land use;
- the Property's continued
 - marketability, and
 - economic viability;
- the amount and type of Borrower-maintained insurance coverage required per [Part II, Chapter 5: Property and Liability Insurance, Section 501.02C: Ordinance or Law Insurance](#);
- insurance loss proceeds payout, compared to increased rebuilding costs, including from
 - building code changes,
 - Americans with Disabilities Act compliance, and
 - the municipality's local zoning requirements (e.g., green compliance for new buildings, etc.);
- the sufficiency of estimated insurance proceeds from ordinance or law insurance and other coverages to repay the Mortgage Loan in the event of partial or full
 - casualty, or
 - condemnation; and
- for a Tier 3 or Tier 4 Mortgage Loan, if requiring execution of the Limited Payment Guaranty ([Form 6020.LPG](#)) would mitigate the risk of the as-rebuilt Property not supporting a Tier 2 Mortgage Loan.

Section 302

Easements

Requirements

You must evaluate the impact of all easements (public and private), including their effect on:

- the Property's value and marketability; and
- life safety issues, environmental risks, and acceptability in the market area for certain types of easements, such as for
 - transcontinental pipelines,
 - high power electric transmission lines, or
 - drainage channels.

Guidance

Easements for normal utilities are generally acceptable, including those that provide natural gas, water, sewer, electricity, or telephone service to the Property.

Easements that serve other properties will generally be acceptable if they

- do not interfere with Improvements on the Property,
- are limited to residential and reasonable commercial use, and
- are covered by appropriate insurance.

Section 303 Liens and Encumbrances

303.01 Generally

Requirements

You must ensure that the Property is free of all Liens and rights of others, except for

- Permitted Encumbrances, and
- cable and laundry leases per [Part II, Chapter 1: Attributes and Characteristics, Section 109: Commercial Leases](#).

You must analyze any restrictions on Improvements or the use of the Property, in order to

- determine whether the restrictions are acceptable, and
- make recommendations for addressing the restrictions.

Examples of restrictions that must be analyzed include restrictive covenants and any restrictions that have been offered, or accepted, in order to obtain a zoning approval or building permit.

If a non-MAH Property has an Affordable Regulatory Agreement, it must be subordinated to the Security Instrument Lien per [Part III, Chapter 7: Multifamily Affordable Housing Properties, Section 705: Restrictive Covenants and Affordable Regulatory Agreements](#).

➔ Guidance

When determining whether a restriction is acceptable, you should consider whether a restriction could negatively impact the Property's

- value,
- use,
- security,
- marketability, or
- ability to generate NCF sufficient to pay debt service.

☑ Requirements

You must analyze the impact of any restriction on the conversion of a Property to a condominium or similar development.

➔ Guidance

A restrictive covenant on condominium conversions will generally not have a negative impact if all of the following apply:

- The conversion restriction is for a period of 10 years or less.
- Any repurchase option or right of reversion in favor of a benefitted party:
 - is unconditionally subordinated to the Lien of the Security Instrument and to the Mortgage Loan;
 - includes an unconditional “standstill” provision prohibiting the exercise of such option or right while the Mortgage Loan is outstanding; and
 - automatically ends if a Foreclosure Event occurs.
- The covenant provides that no mortgagee, trustee, or beneficiary under any mortgage or deed of trust will be liable for any act, omission, or indemnification obligation of the Borrower or any prior or subsequent owner of the Property.
- The covenant does not require any mortgagee, trustee, or beneficiary

under a mortgage or deed of trust to execute an assumption or similar agreement if a Foreclosure Event occurs.

303.02 Property Previously Secured Bond Financing

Requirements

If the Property...	You must...
Previously secured taxable or tax-exempt bonds	<ul style="list-style-type: none"> • determine if the Property is subject to any requirements, restrictions or other features that survived repayment, and • analyze whether the surviving features will have a material adverse impact on you, Fannie Mae, or the Mortgage Loan.
Currently secures taxable or tax-exempt bonds that are being retired with proceeds of the Mortgage Loan	<ul style="list-style-type: none"> • review the bond documents, and • analyze the impact of any surviving features of the financing.

Guidance

A Property that secures, or has secured, bonds may be subject to certain requirements, restrictions, or other features that survive repayment of the bonds such as:

- rent, income, transfer, or other restrictions;
- master lease requirements that support such restrictions; and
- indemnification or other requirements that could
 - burden a future owner,
 - depress the value or marketability of the Property, or
 - prevent or inhibit foreclosure of a lien securing new financing.

Operating Procedures

For any bonds being retired with the proceeds of a Mortgage Loan, you must prepare a written summary of the bond documents that:

- explains why any surviving features of the financing will not have a materially adverse effect on the Mortgage Loan, the Property, you, or

Fannie Mae;

- gives an overview of the redemption process for retiring the bonds; and
- is uploaded into DUS Gateway prior to Commitment.

Section 304

Title Insurance

Requirements

You must ensure that every Mortgage Loan is covered by an ALTA title policy or comparable title policy approved for use in the applicable jurisdiction.

The title policy must:

- be issued by a title company that is authorized to issue title policies where the Property is located;
- be in the original amount of the Mortgage Loan, including all advances held in escrow or reserves;
- be no less than the amount of the Mortgage Loan allocated to each Property, if the Mortgage Loan is secured by multiple properties;
- insure for the benefit of Fannie Mae;
- insure the first priority Lien of the Mortgage Loan, subject only to the Permitted Encumbrances, unless it is a Supplemental Mortgage Loan;
- be in full force and effect with
 - all premiums paid,
 - no claims made by you or another lender, and
 - no claims paid;
- insure the legal description of the insured property is identical to the legal description of the property shown on any required survey;
- contain:
 - a Comprehensive Endorsement (ALTA Form 9 or equivalent);
 - an Environmental Protection Lien Endorsement (ALTA Form 8 or equivalent) that only takes exception for a statute that could give an environmental protection Lien priority over the Mortgage Loan;
 - a Mortgage Tax Endorsement (ALTA Form 38.06 or equivalent) if the Mortgage Loan is secured by an amended and restated Security Instrument, such as a New York Consolidation, Extension, and Modification Agreement ([Form 6025.NY.CEMA](#)), or a Florida Consolidated, Amended, and Restated Mortgage ([Form](#)

6025.FL.AR); and

- appropriate Endorsements such as:
 - Zoning (where available);
 - Condominium;
 - PUD;
 - Variable Rate;
 - Leasehold Mortgage;
 - Location;
 - Unlocated Easements; and/or
 - Contiguity-Multiple Parcel;
- delete the standard survey exception;
- include a note on Schedule B, Part II listing you as the secured party and Fannie Mae as the assignee, for any financing statement filed in the recording office;
- not list any financing statement as an exception on Schedule B, Part I; and
- insure that any taxes, assessments, or other lienable items are not yet due and payable.

304.01 Title Insurance Company

Guidance

The title company should have a satisfactory rating and adequate reserves.

304.02 Policy Form

Guidance

If the policy form meets all requirements of this Section, Fannie Mae will accept the standard 2021 or 2006 ALTA forms of title insurance policies.

In those states where ALTA forms of coverage are not approved by the state insurance board or commission, you should get the closest equivalent alternative coverage.

304.03 Electronic Policies

→ Guidance

You may use electronically issued title policies if the coverage is enforceable against the insurer.

304.04 Insured

→ Guidance

The title policy should

- name you as the insured, and
- insure Fannie Mae when the Mortgage Loan is delivered (either by reference to your “successors and assigns, as their interests may appear” or by direct reference to Fannie Mae).

304.05 Effective Date

☑ Requirements

You must have title coverage in effect (i.e., the date of the signed pro forma policy or marked-up commitment) when you fund the Mortgage Loan.

→ Guidance

The issued title policy should be later-dated to cover the Assignment of Security Instrument’s recording date.

304.06 Survey Exception

→ Guidance

If the title policy includes exceptions to matters shown on a recorded map or plat, the exceptions should be specifically described.

304.07 Exception for Taxes, Assessments, or Other Lienable Items

→ Guidance

If any taxes could become delinquent within 60 days after closing, you should require payment at closing.

304.08 Financing Statements

→ Guidance

Any financing statement not filed in the recording office (such as a Uniform Commercial Code filing) may be shown as an informational note on Schedule B, Part II.

304.09 Endorsements

304.09A Generally

→ Guidance

You should get an appropriate ALTA form of endorsement that is incorporated into the “base” title policy. In jurisdictions where an ALTA form is not available, you may include in Schedule B an equivalent form of endorsement or affirmative coverage.

304.09B Environmental Protection Lien Endorsement

→ Guidance

Super Lien statutes that may be included in the ALTA Form 8.1 endorsement are listed in the Acceptable Super Lien Statutes ([Form 6506](#)).

304.09C Comprehensive Endorsement

→ Guidance

You should consider whether an adverse circumstance affecting the Property would be an acceptable exception on Schedule B, Part I. Examples include:

- encroachments onto the Property;
- easements or rights of way over the Property;
- encroachments by the Improvements onto adjoining land; and
- violations of existing covenants, conditions, and restrictions.

304.10 Document Retention

→ Guidance

You should keep copies of any restrictions shown as exceptions in the title policy (such as easements and encumbrances) in your Servicing File.

Section 305 Survey

305.01 Decision to Obtain a Survey

Requirements

You must decide whether to get an as-built survey and comply with:

- Part II, Chapter 3: Legal Compliance, Section 305.02: Survey, if you require a survey; or
- Part II, Chapter 3: Legal Compliance, Section 305.03: Decision Not to Obtain a Survey, if you do not require a survey.

305.02 Survey

Requirements

If you require an as-built survey, it must:

- meet the requirements of an ALTA/NSPS Land Title Survey (made per the 2021 Minimum Standard Detail Requirements), including the required certification; and
- allow the title company to delete the standard survey exception from the title policy.

Guidance

An acceptable as-built survey:

- should include these items from Table A to all the ALTA/NSPS Minimum Standard Detail Requirements: 1, 2, 3, 4, 6(a) and (b), 7(a), 8, 9, 10, 13, 16, and 18;
- may omit the following from Table A:
 - item 1 for a Property with a lot and block legal description; and/or
 - item 10, if there are no party walls; and
- should be dated within 360 days before recording the Security Instrument.

Requirements

If an existing survey dated more than 360 days before the effective date of the title insurance policy is used, it must satisfy all Title Insurance Company requirements for the deletion of the standard survey exception.

→ Guidance

The Title Insurance Company may require a “no new improvements” affidavit from the Borrower certifying that no changes have been made to the Property since the date of the survey. An existing survey dated within 360 days before the effective date of the title insurance policy, but not prepared in connection with the origination of the Mortgage Loan, may be recertified to you, the Title Insurance Company, and Fannie Mae for the Mortgage Loan.

You should consider whether an adverse circumstance found by a survey would be acceptable. Examples include:

- encroachments over boundary lines, setback lines, or easements; and
- the absence of necessary appurtenant easements, such as a storm or sanitary sewer easement.

305.03 Decision Not to Obtain a Survey

Requirements

If you do not require an as-built survey:

- either you or the Appraiser must conduct a visual inspection of the Property;
- any visible site condition (such as an easement, right-of-way, or encroachment) must be disclosed and insured under the title policy; and
- the title company must delete the standard survey exception from the title policy.

305.04 Location of Improvements

Requirements

Whether or not you decide to get an as-built survey, [Part II, Chapter 5: Property and Liability Insurance, Section 501.03: Catastrophic Risk Insurance](#) requires you to determine if any Improvements are located in an SFHA Zone A or Zone V.

Section 306 Security Interests in Personal Property

306.01 Uniform Commercial Code (UCC) Financing Statements

Requirements

You must:

- Ensure that the Security Instrument creates a Lien on all Personal Property.
- Ensure that the Lien is a perfected first priority Lien.
- Assign each UCC security interest to Fannie Mae.

306.02 Creating and Perfecting the Security Interest

→ Guidance

Article 9 of the UCC covers the perfection of a security interest in Personal Property.

The following table describes how to create and perfect a security interest.

To...	Do the following...
Establish whether the Borrower or a third party owns the Personal Property	Confirm that the Borrower has provided a representation of ownership in the Underwriting Certificate (Borrower) (Form 6460.Borrower).
Verify that no other party has a Lien on the Personal Property	Conduct searches for UCC financing statements, tax Liens, and judgments on all relevant parties to the transaction.
Obtain a perfected first security interest in the Personal Property	<ul style="list-style-type: none">• Obtain a security agreement from each third party that owns Personal Property.• Verify that the Security Instrument and each third party security agreement contains a granting clause creating a security interest in all Personal Property.• File a UCC-1 financing statement in the appropriate filing and recording office(s), with a description that matches the security interest granted in the Security Instrument.
Assign the security interest from you to Fannie Mae	File an appropriate assignment (e.g., UCC-1Ad; UCC-3) in the same office(s) where the UCC-1 is filed or recorded.

Chapter 4 Inspections and Reserves

Section 401 Site Inspection and Lease Audit

Requirements

Before the Commitment Date, you must ensure:

- your qualified employee per [Part V, Chapter 5: Surveillance, Section 502.05A: Qualifications](#):
 - performs a physical inspection of the Property; and
 - completes the MBA Standard Inspection Form; and
- a lease audit was conducted reconciling the inspection findings with the:
 - rent roll; and
 - lease terms.

You must:

- randomly select Property units for inspection; and
- not Deliver any Mortgage Loan secured by a Property that has an overall rating of 4 or 5 per the Comprehensive Assessment tab of the MBA Standard Inspection Form.

If the Property's rent roll indicates an inspected unit is occupied:

- the inspector must confirm the unit is occupied; and
- you must:
 - confirm the inspector's findings during your lease audit; and
 - complete a lease audit form or document your reconciliation of lease terms with the rent roll.

Guidance

When auditing the leases:

- include a:
 - minimum of 5 leases; and
 - maximum of the lesser of
 - 30 leases, or

- 10% of the leases;
- at least 50% of the audited leases should include a combination of
 - inspected units,
 - recent renewals, and
 - newly signed leases sufficient to verify rent trends;
- if you detect material discrepancies during the initial review, increase the number of lease reviews;
- include a tenant file review; and
- review the cash ledger or receipts journal to validate rent collections.

Section 402 Brokered Transactions

Requirements

For any Brokered Transaction, you must order:

- all third-party underwriting reports; and
- a Brokered Transaction Inspection per [Form 4229](#), unless the Property had an overall rating of 1 on your most recent inspection per [Part V, Chapter 5: Surveillance, Section 502: Property Inspections](#), for a
 - Supplemental Mortgage Loan, or
 - Choice Refinance Loan.

Operating Procedures

To obtain a Brokered Transaction Inspection, you must:

- use a Fannie Mae-approved Brokered Transaction inspector per [Form 4229](#);
- request an exterior inspection; and
- not discuss the Property's rating with the Brokered Transaction inspector.

Requirements

After receiving the Brokered Transaction Inspection report, you must:

- review

- the Brokered Transaction Inspection report,
- any required PCA Report, and
- the MBA Standard Inspection Form;
- ensure all rating differences among these 3 reports are:
 - reconciled;
 - approved by your Chief Underwriter; and
 - documented in your Transaction Approval Memo; and
- not Deliver a Mortgage Loan if the Brokered Transaction Inspection's overall rating is 4 or 5.

You must:

- determine if any of these reports identifies
 - deferred maintenance,
 - near-term capital item replacement,
 - necessary life safety or critical repairs, or
 - major components exhibiting a declining trend;
- incorporate all associated costs into the
 - Completion/Repair Schedule, or
 - Replacement Reserve Schedule; and
- document the items in your Transaction Approval Memo.

Operating Procedures

At Delivery, upload the Brokered Transaction Inspection report to DUS DocWay.

Data Entry	
For...	You must complete the following data fields...
DUS Gateway	<ul style="list-style-type: none">• Broker/Correspondent Company Name; and• Broker/Correspondent Individual Name.

Section 403 Property Condition Assessment (PCA)

403.01 When to Perform a PCA

Requirements

Before the Commitment Date, you must:

- complete a PCA for each Property unless it is a Supplemental Mortgage Loan that complies with [Part III, Chapter 14: Supplemental Mortgage Loans, Section 1402.05: Streamlined Underwriting](#); and
- ensure all:
 - [Potential Red Flags for Mortgage Fraud and Other Suspicious Activity](#) were considered; and
 - unresolved red flags were reported per [Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 308: Compliance](#).

403.02 Date of PCA Report and PCA Site Visit

Requirements

A PCA Report ([Form 4099](#)) containing an HPB Module (or any standalone HPB Report) must be dated as of the date of the site visit by the PCA Consultant, and must be less than 6 months before the Commitment Date.

A PCA report that does not include an HPB Module may be dated up to 12 months before the Commitment Date if you:

- ensure a site visit is performed within 90 days before the Commitment Date; and
- confirm that there has been no material adverse change to the physical condition of the Property since the date of the PCA report.

403.03 Conducting the PCA

Requirements

When conducting the PCA, you must:

- comply with [Form 4099](#), and order all applicable PCA modules;
- identify all conditions that impact resident safety, marketability, or value of the Property; and

- properly mitigate those conditions.

If you retain a PCA Consultant that does not meet the educational qualifications or professional certifications, registrations, or training required by [Form 4099](#), you must:

- determine that the PCA Consultant is qualified based on their alternative qualifications; and
- attach your description of the PCA Consultant's qualifications to the final PCA.

You must have an annual quality control program to review

- the quality of the PCAs performed by your PCA Consultant, and
- your compliance with the requirements in this Section and the [Form 4099](#).

Section 404 Completion/Repairs

404.01 Property Evaluation

Requirements

You must determine whether the Borrower will need to fund the Completion/Repair Escrow by evaluating

- the physical condition of the Property,
- the financial condition of the Borrower, and
- all necessary life safety Completion/Repairs.

You must include the estimated expense of all Completion/Repairs with the cost of all other Rehabilitation Work to determine whether you need to follow the requirements of [Part III, Chapter 3: Moderate Rehabilitation Mortgage Loans](#) for a Moderate Rehabilitation Property.

Guidance

The Completion/Repair Schedule should include:

- Property needs identified as Immediate Repairs in the PCA, including:
 - life safety repairs;
 - critical repairs;
 - deferred maintenance; and

- short-term replacement of capital items; and
- any capital improvements not recommended by the PCA Consultant that
 - the Borrower will make after the Mortgage Loan Origination Date, and
 - you want the Appraiser to include in its opinion of the market value of the Property on an “as completed” basis.

404.02 Completion/Repairs Funding

Requirements

When full or partial funding of the Completion/Repair Escrow is required, you must complete the Completion/Repair Schedule.

Guidance

The amount funded into the Completion/Repair Escrow on the Mortgage Loan Origination Date should be at least 125% of the estimated cost of the required Completion/Repairs.

You may choose not to fund the Completion/Repair Escrow entirely if you determine the Borrower has the financial capacity to fully address all Completion/Repairs in the PCA.

Requirements

If you choose not to fund the Completion/Repair Escrow entirely, you must obtain written assurances from the Borrower in the Multifamily Loan Agreement that all necessary Completion/Repairs will be completed within a stated period of time following the Mortgage Loan Origination Date.

404.03 Life Safety Issues

Requirements

You must ensure that all life safety repairs and remediation work for code violations are included on the Completion/Repair Schedule.

All life safety repairs must be completed

- for an acquisition, within 60 days after the Mortgage Loan Origination Date, or

- in all other cases, before delivering the Mortgage Loan to Fannie Mae.

➔ Guidance

You should consider requiring an escrow deposit (for at least 125% of estimated costs) to cover these required Completion/Repairs.

404.04 Verifying Completion/Repairs

☑ Requirements

You must verify that the Borrower has made all required Completion/Repairs

- whether the Completion/Repair Escrow was funded or not, and
- during your Property inspections before the required completion date.

Section 405 Replacement Reserve

405.01 Determining Replacement Reserve

☑ Requirements

You must ensure that the Borrower has sufficient reserves to cover anticipated capital replacement and major maintenance costs. The total amount in the Replacement Reserve should equal or exceed the anticipated costs (adjusted for inflation) of all necessary capital item replacements and major maintenance needs and repairs for the period from the Mortgage Loan Origination Date to whichever is sooner:

- 2 years after the Maturity Date of the Mortgage Loan; or
- 12 years after the Mortgage Loan Origination Date.

In order to determine the minimum amount of the Replacement Reserve, you must:

- Obtain a PCA ([Form 4099](#)).
- Complete the schedule of items to be included in the Replacement Reserve Schedule
 - using the cost estimates in the PCA, and
 - taking into account any items not already included on the Completion/Repair Schedule.

405.02 Replacement Reserve Funding

Requirements

You must ensure that the costs of all items included in the Replacement Reserve Schedule have been fully funded for

- any Tier 2 Mortgage Loan, and
- any Mortgage Loan, regardless of Tier, that requires Completion/Repairs costing more than
 - 4% of the Property's Underwriting Value for refinance transactions, or
 - 6% of the Property's Underwriting Value for acquisition transactions.

If you choose to modify the Loan Documents to not fund a Replacement Reserve for a Tier 3 or Tier 4 Mortgage Loan, you must use the appropriate Replacement Reserve Schedule.

Guidance

You may choose not to fund a Replacement Reserve for any Tier 3 or Tier 4 Mortgage Loan if

- the required Completion/Repairs do not exceed the levels specified in this Section, and
- you determine that the Borrower has the financial capacity to fully address future capital expenditures as outlined in the PCA.

405.03 Alternative Replacement Reserve Funding

Guidance

Instead of full funding, you may choose this alternative method for funding the Replacement Reserve.

Requirements

If you choose this alternative funding, you must have the Borrower deposit the following amounts on the Mortgage Loan Origination Date:

- Monthly deposits for at least 2 years.
- For any significant capital item replacement or major maintenance need that you deem appropriate, an amount sufficient to cover anticipated costs for the period from the Mortgage Loan Origination Date to whichever is sooner:

- 2 years after the Maturity Date of the Mortgage Loan; or
- 12 years after the Mortgage Loan Origination Date.

You must hold these amounts in the Replacement Reserve for the entire term of the Mortgage Loan, and may not make them available for refund to the Borrower until the Mortgage Loan has been paid in full.

Section 406 Escrow Requirements for Taxes and Insurance

406.01 Escrows

Requirements

You must require any Tier 2 Mortgage Loan Borrower to make monthly escrow deposits for real estate taxes and insurance premiums.

406.02 Real Estate Tax Escrow Funding

Guidance

You may choose not to fund monthly escrow deposits for real estate taxes for a Tier 3 or Tier 4 Mortgage Loan.

Requirements

If you choose not to fund monthly deposits for real estate taxes then you must ensure all taxes are paid timely.

406.03 Insurance Escrow Funding

Guidance

You may choose not to fund monthly escrow deposits for insurance premiums for a Tier 3 or Tier 4 Mortgage Loan.

Requirements

If you choose not to fund monthly deposits for insurance premiums, you must require the Borrower to provide annual proof of payment of all insurance premiums.

Chapter 5 Property and Liability Insurance

Section 501 Property and Liability Insurance

501.01 General Insurance – Applies to All Policies

501.01A Generally

Guidance

When terms or acronyms for insurance forms and policies are capitalized in this Chapter, they refer to Insurance Services Office (ISO) forms and policies or their equivalent. Other capitalized terms and acronyms have standard insurance industry meanings.

Requirements

Each Property must be covered by compliant property insurance and liability insurance for the term of the Mortgage Loan. If the Borrower fails to maintain any required insurance on a Property, you must obtain the required coverage.

All insurance policies must:

- list the Borrower as a named insured;
- be written on a per occurrence basis, except for earthquake insurance and professional liability Insurance, which may be written on a per occurrence or claims-made basis;
- include a provision requiring the carrier to notify each Mortgagee and/or Additional Insured in writing at least 10 days before policy cancellation for non-payment of premium and 30 days before cancellation for any other reason, unless the Loan Documents expressly require the Borrower to notify the Lender promptly of any notice of cancellation it receives;
- except for professional liability insurance, name Fannie Mae as Additional Insured on all liability insurance and excess/umbrella insurance; and
- contain a mortgagee clause and loss payable clause for the benefit of Fannie Mae, its successors, and assigns.

All property insurance policies must use Replacement Cost valuation, however, coverage for roofs may use Actual Cash Value or Replacement Cost valuation.

Guidance

All requirements apply to the review you perform before closing as well as to the Servicer's annual compliance review.

You are expected to obtain the advance cancellation notice for the benefit of each Mortgagee and Additional Insured from the insurance carriers whenever possible. When that is not possible, you should ensure that the final Loan Documents have not been modified in any manner that limits

- the Borrower's obligation to provide prompt notice to the Lender of any notice of cancellation it receives from an insurance carrier, or
- any recourse liability of the Borrower or any Guarantor as a result of any failure to maintain all insurance coverages required by the Loan Documents.

Below is an acceptable mortgagee clause.

Fannie Mae, its successors and/or assigns, as their interest may appear
c/o [Lender Name]
Lender's Street Address or PO Box
Lender's City, State and Zip Code

Operating Procedures

If you are not able to obtain the advance cancellation notice from any insurance carrier, you must retain evidence of your attempts to obtain such notice provisions in your Servicing File.

501.01B Blanket and Other Policies Covering Multiple Properties

Requirements

The coverage provided by a blanket policy must be as good as, or better than, a single property insurance policy. The Property must be listed and identified in the policy or associated schedules.

Guidance

A blanket policy includes

- blanket policies,
- blanket programs,
- first loss limit policies,
- first loss policies,
- layered programs,
- master policies,
- master programs,
- property programs,

- pooled insurance,
- pooled programs,
- shared limit policies, and
- similar programs insuring multiple locations under the same insurance policy.

Blanket policies are acceptable as long as

- all other requirements are met, and
- the Terms and Conditions endorsement does not reduce, limit, or exclude any required coverage.

When evaluating a blanket policy or multiple property policies, you should consider the following:

- Are the required coverages adequate for the subject property or properties?
- If the blanket policy limits are less than 100% of the total insurable value of the covered properties, is the shortfall warranted by high policy limits and geographic dispersion?
- If the blanket policy covers high catastrophic exposure in a geographically concentrated area, is the limit adequate for the exposure, or should the Borrower obtain additional coverage?

Programs insuring properties that are not under common ownership with the Borrower or a Key Principal, Principal, or Affiliate of the Borrower, or managed by the same property management company may provide evidence of insurance that appears to be a standard layered program.

You should look for red flags signaling that a program may not be a standard layered program, such as:

- a significant savings in premium when a Borrower adds the Property to an existing policy; or
- a large, rounded coverage limit for property insurance.

You may confirm common ownership through an insurance broker or agent. If the covered properties are not related by ownership or under the same property management, you are expected to evaluate the insurance administrator, considering factors such as the acceptability of its business practices, possible payment of claim by the administrator, years in business, etc. This evaluation is in addition to the other analysis expected for blanket policies.

Operating Procedures

You must document your analysis of any blanket policy in your Servicing File.

501.01C Insurance Carrier Rating

Requirements

All property and liability insurance carriers for new policies must:

- if rated by A.M. Best Company, have a
 - general policyholder rating of A- or better, and
 - financial size category of VI or better; or
- if rated by Demotech, Inc., have a
 - Financial Stability Rating of A or better, and
 - policyholder surplus of at least \$40 million.

For any existing insurance policy (at origination or afterward), the carrier must:

- if rated by A.M. Best Company, have a
 - general policyholder rating of B++ or better, and
 - comply with the rating requirements for new policies at renewal; or
- If rated by Demotech, Inc., comply with the rating requirements for new policies.

This rating requirement does not apply to the following coverages:

- state wind pools or state funds, if they are the only coverages that can be obtained for a Property; or
- flood insurance issued by the National Flood Insurance Program (NFIP) or written by companies approved under the NFIP's Write Your Own program.

Per the Loan Documents, you must require the Borrower to immediately obtain replacement coverage with a compliant carrier, even if the policy has not yet expired, if a carrier is downgraded below

- B++, if rated by A.M. Best Company, or
- A, if rated by Demotech, Inc.

→ Guidance

A new policy is one that is not already in force, and is most common for an acquisition. An existing policy is most common for a refinance or when the Property is added to a policy that the Borrower already has in force.

✦ Operating Procedures

If a carrier providing an existing insurance policy has an A.M. Best Company rating below A-, you must retain evidence of the insurance carrier's rating in your Servicing File until the policy is renewed. You must also monitor it on a quarterly basis to confirm that the rating is not downgraded below B++.

501.01D Term

→ Guidance

Policies should have a term of at least 12 months. For new Mortgage Loans, a Property may be added mid-term to an existing 12-month policy.

You may accept a policy term of less than 12 months if:

- when it expires, the policy will be renewed for at least 12 months; and
- the shorter-term is not because of non-renewal or cancellation by the carrier.

501.01E Payment of Premium

☑ Requirements

Premiums for all required insurance policies must either be:

- paid in full annually; or
- payable in installments, for which you have receipts confirming timely payment.

Premium financing is permitted if the financing agreement has no negative impact on you, Fannie Mae, or the Mortgage Loan collateral, and does not include any conditions that could prevent you or Fannie Mae from receiving the insurance proceeds. If the Borrower finances premiums, you must review a copy of the financing agreement and confirm that timely payment of each premium has been made.

→ Guidance

You should attempt to reinstate the annual payment of premiums at renewal of any policy.

Any financing agreement should include a requirement that you receive a notice of cancellation for any nonpayment of premium.

Operating Procedures

For Mortgage Loans where no insurance escrows are being collected, you must obtain evidence annually that all policies have been paid in full.

If the Borrower finances premiums, you must retain a copy of the financing agreement in your Servicing File. You must also keep receipts confirming timely payments.

501.01F Evidence of Insurance

Requirements

You must have temporary or permanent evidence of insurance at the closing of the Mortgage Loan and by each renewal date.

You must have permanent evidence of insurance within 90 days of delivering the Mortgage Loan to Fannie Mae and each renewal date.

Guidance

For temporary evidence of insurance, the following forms are acceptable:

- ACORD 28 – Evidence of Commercial Property Insurance (most recent version or, if applicable, the state-approved form), combined with ACORD 25 – Certificate of Liability Insurance;
- ACORD 75 – Insurance Binder;
- MBA Evidence of Insurance – Commercial Property Form; and
- if an ACORD certificate is not available, a joint letter from the Borrower and its licensed insurance broker/agent certifying that all coverages, terms, and conditions meet the requirements.

For permanent evidence of insurance, the following forms are acceptable:

- An original or duplicate copy of the insurance policy.
- For Properties securing Mortgage Loans with a UPB of \$10 million or less, the MBA Evidence of Insurance – Commercial Property Form.
- For Properties securing a Mortgage Loan with a UPB in excess of \$10 million, or for blanket policies with multiple layers, duplicate copies of the primary insurance policies, which should:

- include a letter (signed and dated on company letterhead) from an individual authorized to execute evidence of insurance on behalf of the insurance carriers issuing each policy; and
 - state that all policies follow the same terms, conditions, and exclusions as the primary policy, with any differences specified.
- For NFIP flood insurance, the Policy Declaration page.

The following are not acceptable forms of permanent evidence:

- insurance policy declarations pages (except for an NFIP policy);
- single policy endorsement;
- insurance binders; and
- certificates of insurance.

If an MBA Evidence of Insurance - Commercial Property Form is used, it should:

- be the most recent version or, if applicable, the state-approved form;
- be completed in its entirety;
- have an original signature of an individual authorized to execute the Evidence of Insurance on behalf of the insurance carriers issuing each policy; and
- in states where the form is filed and approved, be on the appropriate state form.

Some insurance carriers use boilerplate policies that do not change from year to year. In such cases, you should keep a specimen kit or library of such policies and endorsements and may place only the renewal Declarations Page in your Servicing File as permanent evidence along with a list of endorsements.

Operating Procedures

Permanent evidence must be retained in your Servicing File. Policies must be collected annually.

501.01G Insurance Compliance and Data

Operating Procedures

You must complete an annual insurance compliance checklist, including the following information for all insurance coverages, and place it in your

Servicing File:

- name of carrier, all insured parties, and the Borrower;
- coverage amount;
- deductible amount(s);
- policy term;
- description of property insured; and
- coinsurance percentage, if applicable.

501.01H Post Closing Insurance Exceptions

Requirements

You must determine compliance with this Section on an annual basis. Any request for an exception to the insurance requirements after origination and delivery of the Mortgage Loan must be submitted on the Multifamily Exception Review Form – Insurance ([Form 4638](#)) through the MAMP. All supporting documentation must be included with the submission.

Guidance

Insurance exceptions granted by Fannie Mae are for the entire term of the Mortgage Loan, unless otherwise specified in the approval.

501.02 Property Insurance

501.02A Minimum Coverage Amounts

Requirements

Each Property must have property insurance throughout the term of the Mortgage Loan. Coverage must be written on a Special Causes of Loss Form.

The coverage amount must be at least

- 100% of estimated insurable value for single-building Properties, and
- 90% of estimated insurable value for multiple-building Properties.

Coinsurance cannot exceed 90%.

The maximum deductible amount is based on the total insurable values of the Property insurance policy.

If the insurable value is...	The maximum deductible amount per occurrence is...
Less than \$5 million	\$15,000
Equal to or greater than \$5 million, but less than \$50 million	\$25,000
Equal to or greater than \$50 million, but less than \$100 million	\$100,000
Equal to or greater than \$100 million	\$250,000

These deductible amounts apply to all insurance coverages required by [Part II, Chapter 5: Property and Liability Insurance, Section 501.03: Catastrophic Risk Insurance](#) and [Part II, Chapter 5: Property and Liability Insurance, Section 501.04: Liability Insurance](#), unless a different amount is specified.

Guidance

100% coinsurance with the Agreed Value endorsement is acceptable. Renewal of the Agreed Value endorsement is not automatic.

501.02B Business Income (including Rental Value) Insurance

Requirements

Each Property must have business income insurance (including rental value insurance), covering all perils, including windstorm, flood, earthquake, and terrorism.

Coverage must be based on either

- Actual Loss Sustained for 12 months, or
- Effective Gross Income for the most recent annual reporting period.

The maximum deductible for business income insurance cannot exceed the greater of the maximum deductible for the property insurance policy or a waiting period of up to 72 hours.

Coverage for a Mortgage Loan with a UPB of \$25 million or more must include a 90-day Extended Period of Indemnity option.

Guidance

If a type of coverage is required but is excluded by the property insurance

policy (e.g., ordinance or law), and the Borrower purchases the coverage separately, or adds it to the property insurance policy, you should confirm that business income insurance is also provided for the covered peril in order to satisfy the requirement.

501.02C Ordinance or Law Insurance

Requirements

Each Property that is non-conforming under any current land use law or was constructed 25 years or more before closing must have ordinance or law insurance. In this case, the Property must have:

- Coverage A: Loss of Undamaged Portion, in an amount equal to
 - 100% of the insurable value of the Property, less the damage threshold specified by the local building ordinance, or
 - 50% of the insurable value, if the local ordinance does not specify a threshold;
- Coverage B: Demolition/Debris Removal Cost, in a minimum amount of 10% of the insurable value of the Property; and
- Coverage C: Increased Cost of Construction, in a minimum amount of 10% of the insurable value of the Property.

Guidance

A Property is non-conforming if it cannot be rebuilt "as is" under current law. Examples of land use laws include building, zoning, energy management, green, and similar ordinances.

Rebuilding "as is" refers to the ability to build the same square footage within the same building footprint without increasing the non-conformity, as defined by the local ordinance. You should determine the feasibility of rebuilding within any time frame required by the ordinance.

Ordinance and law insurance is needed for an older Property, even if it is legally conforming under current zoning law, because the cost of construction will likely be significantly higher due to changes in building codes and construction requirements.

For example:

- When a Property has an insurable value of \$10 million and the damage threshold of the local building ordinance is 75%, \$2.5 million is the amount of coverage required for Coverage A. If A, B, and C are combined, then the required amount is \$2.5 million plus \$2 million, or \$4.5 million total.

- When Coverages A, B, and C are combined, the minimum limit is the Coverage A amount plus 20% of the insurable value of the Property.
- When Coverages B and C are combined, the minimum limit is 20% of the insurable value of the Property.

Properties that closed before February 3, 2014 are not required to have ordinance or law coverage if they are Legal Conforming and have a build date of 25 years or more before closing.

501.02D Boiler and Machinery / Equipment / Mechanical Breakdown Insurance

Requirements

Each Property located in a state that regulates centralized HVAC boiler, water heater, or other high-pressure vessels must have boiler and machinery insurance if it has such equipment.

The coverage amount must be at least 100% of the insurable value of each building that houses the equipment.

501.02E Builder's Risk Insurance

Requirements

If property insurance coverage is excluded during construction or significant renovation or restoration, the Property must have builder's risk insurance during such activity.

The coverage amount must be at least 100% of the completed value, on a non-reporting basis.

501.02F Fidelity Bond / Crime Insurance

Requirements

Each Property owned by a Cooperative Organization must have fidelity bond/crime insurance in an amount covering scheduled Cooperative Maintenance Fees for at least 3 months.

The deductible for fidelity bond/crime insurance may not exceed \$25,000.

501.02G Regional Perils Insurance

Requirements

If a Property is in an area prone to geological phenomena, the property insurance coverage must include those phenomena.

The coverage amount must be 100% of the insurable value.

➔ Guidance

Examples of geological phenomena include sinkhole, mine subsidence, volcanic eruption, and avalanche.

501.03 Catastrophic Risk Insurance

501.03A Generally

☑ Requirements

If a Property is in an area prone to Catastrophic Events, it must have the coverages required by this Section 501.03.

501.03B Windstorm Insurance

☑ Requirements

The Property must have separate windstorm insurance if the Special Causes of Loss Form excludes any type of wind-related Catastrophic Event.

The coverage amount must be at least 100% of the insurable value. This valuation may not rely solely on Probable Maximum Loss (PML) calculations.

The deductible amount may not exceed the greater of

- 10% of the insurable value,
- the applicable maximum amount in [Part II, Chapter 5: Property and Liability Insurance, Section 501.02A: Minimum Coverage Amounts](#), or
- for the business income insurance (including rental value insurance), 15 days of income or equivalent.

➔ Guidance

A state insurance plan, state-managed windstorm, or beach erosion insurance pool is acceptable for catastrophic windstorm coverage (i.e., not for non-catastrophic windstorm or other perils), if no other catastrophic windstorm coverage is available.

501.03C Flood Insurance

☑ Requirements

The Property must have flood insurance if any income-producing Improvements or any non-income producing Improvements that support amenities are located in an SFHA Zone A or Zone V.

The coverage amount must be 100% of the insurable value of

- the first 2 floors above grade and any Improvements below grade, plus
- all Fixtures and Goods located on the first 2 floors above grade and/or below grade (as defined in the Security Instrument).

The deductible amount may not exceed the greater of

- 5% of the insurable value of the Property,
- the applicable maximum amount in [Part II, Chapter 5: Property and Liability Insurance, Section 501.02A: Minimum Coverage Amounts](#), or
- for business income insurance (including rental value insurance), 15 days or equivalent.

If the coverage available under the NFIP is not sufficient to meet the requirements set forth above, then the Borrower must have excess flood insurance or difference in conditions (DIC) insurance that either

- covers the difference, up to the required coverage amount, or
- if the required coverage amount is not economically feasible, covers an amount that you determine is reasonable, given the exposure.

During the Letter of Map Amendment (LoMA) process only NFIP insurance is required. The maximum term for NFIP insurance during the LoMA process is 12 months.

If any Improvements are reclassified as within an SFHA Zone A or Zone V after you deliver the Mortgage Loan, you must require the Borrower to obtain compliant flood insurance.

Guidance

Flood insurance is not required if only unimproved portions of the Property, or non-income producing Improvements that do not support amenities at the Property, are located in an SFHA. Improvements that support amenities include structures such as clubhouses and pool houses. Improvements that do not support amenities are structures such as sheds, pump houses, and storage buildings. Business income insurance is not required for non-income producing Improvements.

Keep in mind that conditions may change over time and flood zones may be remapped. In certain cases, you or Fannie Mae may require flood insurance

for Improvements outside of an SFHA Zone A or V, but within an area designated by FEMA as Zone X or Zone D (for example, if a Property is in an area subject to flooding due to storm water, or within close proximity to an SFHA boundary).

When determining whether excess flood insurance or DIC insurance is economically feasible, you may consider a DSCR reduction of 10 or more basis points as a reasonable measure or guide.

Before determining a lesser amount of excess flood insurance or DIC Insurance, or not requiring such coverage, you should have the Borrower provide you with at least 3 quotes or declination letters, and determine whether the Borrower is attempting to avoid purchasing coverage by applying to companies that do not write flood insurance or give artificially high quotes. If you are provided with a combination of quotes and declinations, quotes should be used to determine feasibility of coverage, and a limit of coverage that is economically feasible should be secured.

An acceptable deductible for DIC insurance is the coverage limit of the underlying NFIP policy.

You should obtain flood zone determinations from qualified third-party flood-zone determination firms, and exercise care and sound judgment when selecting the firm. You should require the determination firm, and any monitoring company (if different), to

- notify you whenever flood insurance is or becomes required, and
- continue monitoring after any servicing transfer.

Operating Procedures

You must obtain life-of-loan monitoring for each Property from a third-party flood-zone determination firm.

You are required to complete the most recent version of the Standard Flood Hazard Determination form issued by FEMA to determine whether any of the Improvements are located in an SFHA. You must keep a completed copy of this form in your Servicing File, including a signed copy of the Notice to Borrower of Special Flood Hazard and Federal Assistance (included in the Flood Determination Certificate).

If you permitted a reduction in the amount of excess flood insurance or DIC insurance, your analysis and related documentation supporting the economic feasibility and the amount of the reduction must be

- included in your Servicing File, and
- submitted via the MAMP.

501.03D Earthquake Insurance

Requirements

The Property must have earthquake insurance if required by Fannie Mae based on the Seismic Risk Assessment.

The coverage amount must be at least 100% of the insurable value.

The deductible amount may not exceed the greater of

- 10% of the insurable value, or
- the applicable maximum amount in [Part II, Chapter 5: Property and Liability Insurance, Section 501.02A: Minimum Coverage Amounts](#).

501.03E Terrorism Insurance

Requirements

Each Property must have terrorism insurance for property damage/casualty and liability exposures, unless

- it secures a Mortgage Loan with a UPB of less than \$25 million, and
- you performed a risk assessment, and it indicated no or low terrorism risk.

The coverage amount must be at least 100% of the insurable value of the Improvements.

The deductible amount may not exceed the greater of

- 20% of the insurable value, or
- the applicable maximum amount in [Part II, Chapter 5: Property and Liability Insurance, Section 501.02A: Minimum Coverage Amounts](#).

Guidance

Your risk assessment should consider the Property location in relation to potential terrorist targets, such as tourist attractions, mass transportation facilities, urban areas, and government buildings. You should also consider concentrations of risk and overall exposures.

Operating Procedures

You must retain a copy of your risk assessment in your Servicing File.

501.04 Liability Insurance

Requirements

Each Property and Borrower must be covered by liability insurance for bodily injury, Property damage, and personal injury throughout the term of the Mortgage Loan.

501.04A Commercial General Liability Insurance

Requirements

The general liability insurance coverage amount must be at least

- \$1 million per occurrence/\$2 million general aggregate limit, plus
- excess/umbrella insurance as follows:

If the number of stories in the building is...	The minimum excess/umbrella insurance coverage is...
1-4	\$2 million
5-10	\$5 million
11-20	\$10 million
Over 20	\$25 million

The maximum deductible amount is based on the total insurable values of the Property insurance policy.

If the insurable value is...	The maximum deductible amount per occurrence is...
Less than \$5 million	\$40,000
Equal to or greater than \$5 million, but less than \$50 million	\$50,000
Equal to or greater than \$50 million, but less than \$100 million	\$125,000
Equal to or greater than \$100 million	\$275,000

You may satisfy the maximum deductible amounts by any combination of the deductibles on the primary liability insurance and excess/umbrella insurance policies.

The maximum deductibles apply to all liability insurance.

→ Guidance

You may satisfy the insurance coverage requirements with any combination of primary liability insurance and excess/umbrella insurance coverage, so long as they add up to the sum of the required minimum limits.

You may satisfy the insurance coverage requirements for excess/umbrella insurance when the coverage limit meets the requirement for the location with the most stories.

501.04B Professional Liability Insurance

☑ Requirements

If any level of healthcare is provided at a Seniors Housing Property, it must have professional liability insurance covering professional errors and omissions, medical malpractice, and all types of abuse.

The coverage amount must be at least

- \$1 million per occurrence/\$2 million general aggregate limit, plus
- excess/umbrella insurance as follows:

If the number of licensed beds is...	The minimum excess/umbrella insurance coverage is...
1-100	\$2 million
101-500	\$5 million
501-1,000	\$10 million
Over 1,000	\$25 million

For a Property with Assisted Living beds, Independent Living beds are not counted when determining the minimum coverage limit.

When general liability insurance and professional liability insurance coverages are combined under an excess/umbrella insurance policy, the required coverage is the higher minimum limit of the 2 underlying coverages.

The maximum deductible for professional liability insurance must not exceed the applicable maximum amount in [Part II, Chapter 5: Property and Liability Insurance, Section 501.04A: Commercial General Liability Insurance](#).

→ Guidance

When using a claims-made policy, you should consider whether an adequate “retroactive date” is in place. A retroactive date provides coverage for acts

that took place before a specified date – usually before the effective date of the current policy. A retroactive date of 3 - 5 years before the current policy's effective date is common.

If the Borrower changes carriers during the term of the Mortgage Loan, the addition of tail coverage or an extended reporting period endorsement, which extends coverage after the cancellation or termination of a claims-made policy, is important. These provisions help ensure that there is no lapse in coverage.

You may satisfy the insurance coverage requirements with any combination of primary liability insurance and excess/umbrella insurance coverage, as long as they add up to the sum of the required minimum limits.

You may satisfy the insurance coverage requirements for excess/umbrella insurance when the limit meets the requirement for the covered location with the most beds.

501.04C Risk Retention Groups and Captive Insurance

Requirements

Only a Seniors Housing Property may use liability insurance from a Risk Retention Group or a Captive Insurer. Captive Insurance is only acceptable for

- professional liability insurance, and
- general liability insurance when combined with professional liability insurance.

Any Risk Retention Group or Captive Insurer must have a rating of at least

- A- / VI from A.M. Best Company, or
- A from Demotech, Inc., with policyholder surplus of at least \$40 million.

You must get an annual report on the Captive Insurer from an independent firm that is:

- familiar with captive domiciles, operations, and insurance structures;
- experienced analyzing captive actuarial studies and audited financial statements; and
- unrelated to the Captive Insurer, you, the Borrower, Guarantor, or any of its sponsors or Principals.

The firm's report must include:

- an analysis of the Captive Insurer's annual independent actuarial study;

- an actuarial memorandum/reserve analysis provided by the Captive Insurer;
- a review of the annual independent audited financial statements for the Captive Insurer; and
- a conclusion regarding the Captive Insurer's operations and financial viability.

Guidance

Captive Insurance and similar arrangements have lower capitalization requirements than traditional insurance companies, and are usually not rated by a recognized rating agency.

In order to be rated, a Captive Insurer will typically provide the following to a rating provider:

- detailed updated accrual runs;
- updated loss history (minimum 5 years, brief summary, and detailed list);
- current updated audited financial statements for the past 2 years:
 - for the captive, audited financials typically are on a stand-alone basis (if audited are not available, then unaudited financials are acceptable); and
 - for the parent company's, the financials should be on a consolidated basis;
- financials, audited or unaudited, from the captive and parent company for the most recent quarter;
- description of any changes from previous years with applicable updated resumes of all officers;
- description of any reinsurance and/or fronting company, if applicable;
- description of internal claims management procedures;
- status of market update;
- description of funding sources;
- business plan;
- projected volume over the next year;
- actuarial memorandum/reserve analysis as provided by the Captive Insurer;
- state insurance examination report or, if a report is not available,
 - date of examination,

- description of any adverse findings, and
 - steps taken to remediate; and
- exposure to the Captive Insurer or Risk Retention Group, based on the UPB of loans made to date.

501.05 Small Loans

Requirements

All insurance requirements of this Chapter apply to Small Mortgage Loans, except as noted in this Section.

501.05A Permanent Evidence

Guidance

If you are unable to obtain the original or a duplicate copy of the insurance policy or the MBA Evidence of Insurance, the Borrower's insurance agent or broker may deliver a written statement that it has reviewed the policy and confirmed that it meets the following requirements:

- Named insured is listed as Fannie Mae and the Borrower.
- Mortgagee Clause meets Fannie Mae's requirements.
- Each insurance carrier has a compliant A.M. Best Company or Demotech, Inc. rating.
- Policy term is 12 months.

- No Coinsurance or, if there is Coinsurance, an Agreed Value Endorsement is attached to the policy.
- Limits of insurance are included for all required coverages, including any sub-limits or other restrictions (such as catastrophic limits) that may differ from the standard coverage amount.
- A Statement of Values is included where applicable.
- Coverage is subject to Replacement Cost valuation.

501.05B Excess/Umbrella Insurance

Requirements

The minimum excess/umbrella insurance is \$1 million if

- no building on the Property has more than 4 stories, and
- the Mortgage Loan has a UPB of \$3 million or less.

501.05C Terrorism Insurance

Guidance

Terrorism insurance is not required for Small Mortgage Loans.

Section 502 Environmental Matters

Guidance

Any environmental conditions or risks impacting the Property should be fully understood and considered in the underwriting.

502.01 Environmental Site Assessments

Requirements

You must comply with the Environmental Due Diligence Requirements (Form 4251), which include obtaining a Phase I Environmental Site Assessment (Phase I ESA) of the entire Property. The Phase I ESA must:

- be performed per the instructions in Form 4251, including meeting the current requirements of ASTM E1527;
- be prepared by an environmental professional as that term is defined in 40 C.F.R. § 312.10 (an Environmental Professional);
- identify all environmental conditions and risks that may potentially impact resident safety, marketability, or value of the Property; and
- clearly identify how to properly mitigate those conditions and risks, including where applicable,
 - the Environmental Professional's recommendations regarding additional investigation, or requirements of government authority or regulatory agency, or
 - action to remediate or abate any Recognized Environmental Condition (REC)/Controlled Recognized Environmental Condition (CREC), as those terms are defined in ASTM E1527.

If the Phase I ESA identified any RECs/CRECs, you must obtain Fannie Mae's approval before Rate Lock.

→ Guidance

You may rely on a preliminary or draft Phase I ESA to obtain a Commitment.

502.02 Lender's Responsibilities

Requirements

You must:

- Obtain all investigations recommended or indicated by the Phase I ESA.
- Conduct a thorough review and analysis of the Phase I ESA.
- Provide the Environmental Professional with all available prior Phase I ESAs, investigations, and any relevant and readily available environmental materials.
- Provide the Appraiser with any documentation from the Phase I ESA that is necessary to accurately assess the Property's market value.
- Identify whether the state where the Property is located has an environmental “super-lien” statute and, if so, confirm that conditions on the Property are not likely to result in the imposition of such a Lien.
- Disclose to Fannie Mae your knowledge of any actual or suspected environmental conditions affecting the Property, whether or not disclosed in the Phase I ESA.
- Ensure that any required Operations and Maintenance Plans (O&M Plans) are obtained and located on the site throughout the loan term.
- Assess the Borrower's ability to carry out any O&M Plan. A Mortgage Loan is ineligible for purchase if the Borrower or its agents are not financially or organizationally capable of satisfying the requirements of the O&M Plan.
- Evaluate the potential risk of loss and liability to the Property, the Borrower, you, or Fannie Mae posed by any
 - REC/CREC,
 - Business Environmental Risk, or
 - other environmental condition, whether or not disclosed in the Phase I ESA.

If you become aware of any REC/CREC, you must:

- Obtain a Remediation Plan from the Borrower that
 - is prepared by an Environmental Professional, as required by [Form 4251](#),

- will protect the health and safety of the residents and bring the Property into regulatory compliance, and
 - includes a cost estimate and schedule for completing the work.
- Add the estimated cost of the Remediation Plan to the Completion/Repair Escrow requirement of the Loan Documents.

Guidance

The amount funded into the Completion/Repair Escrow on the Mortgage Loan Origination Date should be at least 125% of the estimated cost of the Remediation Plan.

502.03 Environmental Indemnity Agreement

Requirements

You must consider revisions to the Environmental Indemnity Agreement (Form 6085) to protect you and Fannie Mae from liability associated with any REC/CREC (including the cost to investigate/remediate any such condition) and any violation of Environmental Laws by the Borrower. You must document your evaluation of potential revisions, including at a minimum, whether the following revisions are appropriate:

- additional representation and warranty where the Borrower disclaims responsibility for any REC/CREC, if appropriate and accurate;
- additional covenant(s) requiring
 - implementation of the Remediation Plan,
 - compliance with any Environmental Activity and Use Limitations and/or institutional or engineering controls, and
 - maintenance of Borrower eligibility for applicable liability protection status;
- specifically identifying any liability associated with the REC/CREC in the indemnification provisions; and
- other terms and conditions as may be required based on Fannie Mae environmental counsel review.

Section 503 Seismic Risk

503.01 Seismic Hazard and Risk Factors

→ Guidance

Any seismic risk impacting the Property should be understood before the Commitment Date. Seismic risk is assessed by analyzing the PGA at the location of the Property.

After purchase of the Mortgage Loan, no additional seismic risk evaluation is required.

☑ Requirements

Each Property must have an acceptable level of seismic risk.

A Mortgage Loan is ineligible for purchase if the Property has

- a PGA equal to or greater than 0.15g, and
- 1 of these Structural Risk Factors:
 - an unreinforced masonry building that has not been seismically retrofitted; or
 - a building constructed on a slope with an angle exceeding 30 degrees (a 50% slope).

If the Property is located in a High Seismic Risk area, you must complete [Form 4099.C](#). If a Structural Risk Factor is present, you must also obtain a Seismic Risk Assessment (SRA).

503.02 Seismic Risk Assessment (SRA)

☑ Requirements

You must obtain a Level 1 SRA dated within 12 months before the Commitment Date for any Property with one of the Structural Risk Factors listed in [Form 4099.C](#).

The SRA must:

- meet the ASTM seismic standards (ASTM E2026 – Standard Guide for Seismic Risk Assessment of Buildings and ASTM E2557 – Standard Practice for Probable Maximum Loss (PML) Evaluations for Earthquake Due Diligence Assessments);
- include estimates for the Scenario Expected Loss (SEL) and the Scenario Upper Loss (SUL);
- use a 10% probability of exceedance in a 50-year period;
- meet ASTM seismic standard professional qualifications;

- include structured data per Seismic Risk Assessment Data Supplement (Form 4093); and
- include a report narrative.

➔ Guidance

For Small Mortgage Loans, the SRA field investigation may be performed by a PCA consultant or field observer if that professional has at least 2 years of experience performing seismic risk assessments of buildings.

A new SRA is not required for Supplemental Mortgage Loans; you may rely on the original underwriting seismic analysis.

503.03 Acceptable Levels of Seismic Risk

➔ Guidance

The SEL percentage of the Property and the building stability assessment will determine whether the seismic risk is acceptable.

☑ Requirements

The Property's seismic risk is acceptable if all income-producing Improvements or any non-income producing Improvements that support amenities

- comply with this Section 503.03,
- have an SEL of 20% or less, and
- meet the current building stability requirements of ASTM E2026.

A Mortgage Loan is ineligible for purchase if it is secured by a Property that has any Improvements with an SEL greater than 40%.

➔ Guidance

Your analysis should include:

- a Level 1 SRA, including Appendix X4 (ASTM E2557);
- your analysis of the seismic issues and recommendation, describing in detail
 - the severity and pervasiveness of the conditions driving the SEL and stability issues,
 - the risks presented to building stability, building damageability, site

stability, and life safety, and

- the recommended retrofit or remediation requirements;
- a retrofit letter or the Borrower's retrofit plan, timetable, and cost estimate;
- Form 4099.C; and
- a minimum of 6 Property photos, including
 - photos of those areas significant to the seismic calculation or stability issue, and
 - elevation views of any Improvements having an SEL over 20% or a stability issue.

503.04 Seismic Retrofit Ordinances

Requirements

If a Property is required to be retrofitted under any law, regulation, or ordinance,

- the SRA must describe a proposed retrofit plan, including associated costs, and
- the retrofit must be completed before the Commitment Date.

503.05 Seismic Risk Mitigants

Guidance

For any Property where any Improvements have an SEL greater than 20% or a building stability issue, you should consider the following to mitigate seismic risk:

- perform a seismic retrofit sufficient to resolve all stability issues and reduce the SEL of all Improvements to 20% or below; and
- obtain earthquake insurance coverage per [Part II, Chapter 5: Property and Liability Insurance, Section 501.03D: Earthquake Insurance](#).

Earthquake insurance does not mitigate building collapse risk.

Part III Products and Features

- What is the Property's proximity to campus? Can students walk to class and other campus locations?
- Is the Property conveniently located to a college/university-sponsored transportation line?
- Is the Property subject to a Ground Lease? If so, what are the structure and terms of the Ground Lease?

Requirements

If a Student Housing Property or Dedicated Student Housing Property is subject to a master lease, you must complete the Master Lease Review Checklist ([Form 6480](#)).

Section 103 Dedicated Student Housing Property

- any impact of military housing plans; and
- ability of the Property to be re-tenanted if the base closes.

Chapter 3

Moderate Rehabilitation Mortgage Loans

Section 301

Description

Requirements

A Moderate Rehabilitation Mortgage Loan is secured by a Property that will undergo at least \$8,000 per unit of Rehabilitation Work. This Chapter does not apply to Properties with a lesser amount of rehabilitation work.

Product Description	
Minimum Per Unit Cost for Rehabilitation Work	<p>\$8,000 per unit:</p> <ul style="list-style-type: none">• based on the total number of residential units at the Property, not the number of units being rehabilitated; and• includes the estimated cost of all Completion/Repairs identified in the PCA (or MBA Standard Inspection Form, if applicable).
Rehabilitation Timing	<p>The Rehabilitation Work must be completed as follows:</p> <ul style="list-style-type: none">• items identified as Completion/Repairs in the PCA, per Part II, Chapter 4: Inspections and Reserves, Section 404: Completion/Repairs;• Efficiency Measures qualifying for a Green Rewards Mortgage Loan, per Part III, Chapter 4: Green Mortgage Loans;• if the Moderate Rehabilitation Mortgage Loan meets the requirements for using the Appraised Value on an as completed basis (per Part II, Chapter 2: Valuation and Income, Section 202: Appraisal and Valuation), then the Rehabilitation Work may be completed after the 12-month period, but not later than 36 months after the Mortgage Loan Origination Date; and• all other Rehabilitation Work, in a timely manner, but not later than 36 months after the Mortgage Loan Origination Date.

Product Description	
Completion/Repair Escrows	For Completion/Repairs identified in aPCA, if you require full or partial funding of a Completion/Repair Escrow, any higher funding amount you require above the estimated cost of Completion/Repairs must be funded.
Mezzanine Financing	If the Rehabilitation Work is funded through Mezzanine Financing, you must also comply with Part III, Chapter 16: Mezzanine Financing and Preferred Equity .

Section 302

Underwriting

Requirements

For all Moderate Rehabilitation Mortgage Loans...	
Rent or Income Restrictions	For Multifamily Affordable Housing Properties, you must ensure that the rents expected to be charged after Rehabilitation Work is completed are consistent with any rent or income restrictions.
Tenants, Guests, and Employees	You must identify and mitigate any risks that the Rehabilitation Work may have during the renovation period on <ul style="list-style-type: none">• the health and safety of tenants, guests, or employees at any time, and• tenant displacement, and consider a relocation plan to minimize the effects of the displacement.

Guidance

For all Moderate Rehabilitation Mortgage Loans, you should consider the following questions about the Rehabilitation Work:

- Are at least 60% of the budgeted improvements for interior unit upgrades?
- Are the projected cost estimates reasonable and sufficient to complete the entire scope of work?
- Does the budget, including the sources, uses, and schedule, provide adequate capital availability during the term of the work?

- Are construction contracts guaranteed maximum price contracts that specify a completion date?
- Given the scope of work, is a fully-funded Completion/Repair Escrow or Rehabilitation Reserve Account appropriate?
- Is the Sponsor's net worth and liquidity adequate to fund any unexpected cost overruns or operating deficits?
- Does the Sponsor have demonstrated experience with the scope of work in the same or similar real estate markets?
- Does the Borrower have sufficient economic incentive to complete the entire scope of work, including the feasibility of achieving projected post-rehabilitation rents sufficient to meet the target effective gross income?
- Should a Key Principal execute a Completion Guaranty ([Form 6018](#)) that covers a portion or the entire scope of the Rehabilitation Work?
- Should additional collateral (e.g., deposits into the Rehabilitation Reserve Account that are greater than the budget for the Rehabilitation Work, operating deficit reserve, Letter of Credit, etc.) be required?

Section 303 Rehabilitation Work Costing More than \$20,000 Per Unit

303.01 Rehabilitation Work Evaluation Report

Requirements

If the Rehabilitation Work will cost more than \$20,000 per unit and includes structural additions or modifications, then in addition to the other requirements in this Chapter, you must obtain a rehabilitation work evaluation report from either the PCA Consultant or a licensed architect or engineer.

This rehabilitation work evaluation report must include:

- a review and evaluation of the Property;
- the scope of Rehabilitation Work; and
- all significant construction contracts related to the Rehabilitation Work.

The report must also address, and you must evaluate, the following:

- Is the planned Rehabilitation Work structurally sound and physically feasible?
- Is the estimated cost of the Rehabilitation Work reasonable?
- Will the work be completed within the Borrower's scheduled time frame, but not later than 36 months after the anticipated Mortgage Loan

Origination Date?

- Will the work comply with all zoning, building, and fire code regulations?
- Is there any additional work that is not already planned but that should be undertaken?

303.02 Rehabilitation Reserve Agreement

Requirements

You must ensure that the Borrower:

- Executes a Modifications to Multifamily Loan and Security Agreement (Rehabilitation Reserve – Moderate Rehabilitation) (Form 6222) that identifies the planned scope of the Rehabilitation Work on the Rehabilitation Work Schedule, including
 - all of the Rehabilitation Work items,
 - estimated costs,
 - allowance for cost overruns, and
 - completion dates.
- Completes a budget for the planned Rehabilitation Work.
- Funds a Rehabilitation Reserve Account with the:
 - entire budgeted amount (or a higher amount that you require) for all Rehabilitation Work that is not identified as Completion/Repairs by the PCA; and
 - estimated cost (or a higher amount that you require per Part II, Chapter 4: Inspections and Reserves, Section 404: Completion/Repairs) for Completion/Repairs.

Section 304 Supplemental Mortgage Loans

Requirements

Moderate Rehabilitation Supplemental Mortgage Loans must comply with Part III, Chapter 14: Supplemental Mortgage Loans, except as modified by this Section.

Supplemental Mortgage Loans

Chapter 4 Green Mortgage Loans

Section 401 Generally

401.01 Description

Requirements

A Green Mortgage Loan is secured by a Property that incorporates features expected to have a positive environmental outcome including, but not limited to, reducing energy and water consumption at a property, generating energy, or meeting criteria set by a third-party green building certification organization.

A Green Rewards Mortgage Loan is secured by a Property on which the Borrower agrees to undertake 1 or more Energy- and Water-Efficiency Measures (Efficiency Measures or EWEM) that comply with [Part III, Chapter 4: Green Mortgage Loans, Section 403: Green Rewards Mortgage Loans](#).

401.02 High Performance Building Module

Requirements

For a Green Rewards Mortgage Loan, you must:

- retain a consultant to provide either:
 - a High Performance Building (HPB) module (HPB Module), including Appendix H: HPB Module Report Tables ([Form 4099.H](#)) as part of a required PCA; or
 - a standalone HPB report (HPB Report), including [Form 4099.H](#); and
- complete the HPB Module or HPB Report and [Form 4099.H](#) per the requirements of [Form 4099](#).

Guidance

Notwithstanding the prohibition in the Pricing Memo regarding a Lender paying third-party costs, you may use the Origination Fee to reimburse the Borrower for

- the cost of a standalone HPB Report, or
- the incremental cost of the HPB Module over the cost of the base PCA.

If you use the Origination Fee to pay the Borrower's costs for the HPB

Report or HPB Module, Fannie Mae will reimburse you when you deliver the Green Mortgage Loan.

Operating Procedures

To submit the invoice for the HPB Module or HPB Report for reimbursement, use the [Green Mortgage Loan Job Aid](#).

401.03 Technical Solar Report

Requirements

For a Green Rewards Mortgage Loan where the Borrower wants to install a Solar Photovoltaic System (Solar PV System) as an Efficiency Measure, you must retain a Solar Technical Consultant that is certified by the North American Board of Certified Energy Practitioners (NABCEP) to complete a Technical Solar Report, including Appendix I: Analysis Tool for a Technical Solar Assessment ([Form 4099.I](#)), per the Instructions for Performing a Multifamily Property Condition Assessment ([Form 4099](#)).

Guidance

If you use the Origination Fee to pay the Borrower's costs for the Technical Solar Report, Fannie Mae will reimburse you when you deliver the Green Mortgage Loan if a Solar PV System is selected as an Efficiency Measure.

Operating Procedure

You must ensure:

1. The HPB Consultant completes the HPB Module.
2. The Solar Technical Consultant completes a Technical Solar Report, including [Form 4099.I](#), that
 - identifies and quantifies the renewable energy generation potential at the Property, and
 - details the system design specifications of any recommended Solar PV System.
3. If the Technical Solar Report confirms the Property is suitable for a Solar PV System, and the Borrower elects to install a Solar PV System at the Property as an Efficiency Measure, the HPB Consultant incorporates the Solar PV System design specifications, and any required roof replacement or additional structural support, from the Technical Solar Assessment ([Form 4099.I](#)) into [Form 4099.H](#).
4. For reimbursement, you submit the Technical Solar Report invoice per

the Green Mortgage Loan Job Aid.

- for a Manufactured Housing Community,
 - the 15% energy consumption savings is achieved only through the installation of a Solar PV System or other renewable energy system,
 - all Efficiency Measures, including the Solar PV System, are made only to Borrower-owned property,
 - electricity is metered at the whole Property level (master-metered) by the utility to the Property owner (even if reimbursed by the tenants), and
 - the energy or water consumption reduction is based only on utilities that are metered at the whole Property level (master-metered).

Energy consumption savings may represent reductions in whole-Property consumption of energy supplied by utilities or energy suppliers (including delivered energy such as fuel oil or propane) compared to the previous 12-month baseline through a combination of the installation of an onsite renewable energy system and energy efficiency measures.

Chapter 6 Manufactured Housing Communities

Section 601 Description

Requirements

An MH Community is a residential real estate development with lots on which Manufactured Homes are located, together with amenities, utility services, landscaping, roads, and other infrastructure.

Section 602 Lender Eligibility

Requirements

You must be approved in writing to Deliver MH Community Mortgage Loans.

Section 603 Legal and Property Compliance

603.01 Borrower and the MH Community

603.01A Borrower Ownership

Requirements

If the Borrower is a non-profit entity, then you must ensure that each of the following complies with [Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals](#):

- the Borrower;
- Key Principals;
- Guarantors; and
- Principals.

Guidance

If the Borrower is a non-profit entity, you may reimburse the Borrower from the Origination Fee for up to a combined total of \$10,000 for the cost of any required MH Community Mortgage Loan third-party reports (e.g., Appraisal, Environmental Site Assessment).

Operating Procedures

Fannie Mae will reimburse the cost of any third-party report within 2 months after the delivery of the Mortgage Loan. To receive reimbursement, you must:

- request an invoice from the vendor with the report cost listed as a separate line item from any ancillary charges (Fannie Mae will not reimburse other costs such as fees for expediting a report);
- within 1 month after the Mortgage Loan Origination Date:
 - complete [Form 4829](#), detailing the Lender's information, the commitment number or loan number, Property information, wiring instructions, and listing the third-party cost as "Other" (note that any fields related to servicing may be left blank); and
 - manually sign or e-sign [Form 4829](#), scan or save it as a PDF file, and email the signed PDF [Form 4829](#) and the third-party report invoice to: mhc_report_reimbursement@fanniemae.com.

603.01B Collateral; Tenant-Occupied and Affiliate-Owned Homes

Requirements

The collateral for an MH Community Mortgage Loan consists of

- the MH Community's land and infrastructure,
- the rents for the MH Sites, and
- any other Borrower-owned property used for the MH Community.

The percentage of tenant-occupied Manufactured Homes must not exceed 35%. If the percentage of tenant-occupied Manufactured Homes is greater than 25%, then:

- the Borrower's business plan must reflect the conversion of tenant-occupied Manufactured Homes to owner-occupied over time; and
- ongoing business related to the sale, financing, or rental of a Manufactured Home located on the Property must be performed by an Affiliate.

If any Affiliate-Owned Manufactured Homes are leased to tenants by an Affiliate of either the Borrower or a Key Principal, then:

- The MH Site lease must be at a market rate rent.
- If the tenant's rent payment includes both the rent for the Affiliate-Owned Manufactured Home and the rent for the MH Site, then either:
 - the check must be payable to and deposited by the Borrower, which must pay all required P&I, and escrows before remitting the rent payment to the Affiliate; or
 - you must consider whether it is appropriate to require a lockbox

arrangement with the Borrower and the Affiliate

- into which all rent checks for the Manufactured Homes and MH Sites must be deposited, and
- from which you can control the disbursement of funds for P&I, required escrows, and the Manufactured Home rentals, with the remainder disbursed to the Borrower.

603.01C MH Community

Requirements

An eligible MH Community must:

- have a minimum of 50 MH Sites;
- consist of contiguous parcels or, if the MH Community is made up of Non-Contiguous Parcels:
 - all parcels must be located within the same MSA; and
 - each separate parcel (individually), and all Non-Contiguous Parcels (together), must comply with the Guide; and
- achieve at least a Level 3 Quality Rating per the Manufactured Housing Community Quality Rating Standards table in [Part III, Chapter 6: Manufactured Housing Communities, Section 603.02: MH Community Score](#).

An MH Community must be served by either

- public underground utilities, or
- private sewage treatment plants, septic systems, and private water wells which are:
 - common for the market;
 - owned by the Borrower or an Affiliate; and
 - in compliance with all applicable government requirements.

Guidance

The Mortgage Loan may be secured by either an Age-Restricted MH Community or an All-Age MH Community.

You should consider the following:

- For an MH Community that is more than 25 years old, does the Borrower have a plan for placing new Manufactured Homes in the MH Community as MH Sites with older Manufactured Homes are vacated?
- Are the landscaping and entrance signage high quality and well maintained?
- For an MH Community served by a private sewage treatment plant, septic system, or a private water well, then:
 - Address the availability and cost of obtaining a backup source for water if the MH Community has a private water well.
 - Ensure that the operator of the facility, including its employees and contractors, meet all applicable government requirements to perform ongoing operation and maintenance.
 - If the operator is an employee of the Borrower, identify a local, qualified vendor that could be retained if substitute services are needed.
 - Exercise reasonable due diligence, including contacting municipal agencies, to confirm that
 - the MH Community's connection to a municipal system has not been mandated, and
 - no mandate is expected to occur during the term of the Mortgage Loan.
 - If hookup is imminent, determine if an escrow for the cost is appropriate.

603.02 MH Community Score

Requirements

You must determine the MH Community Score using the MH Community Quality Rating Standards table. The overall MH Community Quality Rating is based on the lowest rating for any 1 characteristic.

The MH Community must:

- meet a Level 3 Quality Rating; or
- achieve most of the minimum Quality Rating characteristics and either
 - the unsatisfactory characteristics are not materially detrimental to the performance, overall appearance, desirability, and quality of the MH Community, or
 - any failed characteristic must be remediated as a Completion/Repair

item.

603.03 Code Standards

Requirements

You must:

- determine if all Manufactured Homes in the MH Community meet the requirements of the Manufactured Home HUD Code; and
- ensure the Loan Documents require Borrower certification that no additional Manufactured Homes predating the Manufactured Home HUD Code will be added to the MH Community during the Mortgage Loan term.

Guidance

Fannie Mae may allow Manufactured Homes predating the Manufactured Home HUD Code if

- they are Borrower-owned Manufactured Homes or Affiliate-Owned Homes that comply with local codes with no identified life safety issues, and
- you document the number of Manufactured Homes predating the Manufactured Home HUD Code.

Fannie Mae may allow rental units that do not comply with the Manufactured Home HUD Code (e.g., certain park model recreational vehicles) if the rental income is included as commercial income in [Part III, Chapter 6: Manufactured Housing Communities, Section 606: Property Income and](#)

Underwritten NCF.

603.04 Flood Zone

603.04A Rising Water

Requirements

For an MH Community located in a flood zone with rising water (e.g., flood water that quickly dissipates and flood zone A or AE) you must ensure the Borrower notifies all Homeowners and all tenants of Borrower-owned or Affiliate-Owned Homes occupying an MH Site located in the flood zone before the Mortgage Loan Origination Date.

For Manufactured Homes located in a rising water flood zone...	
<p>If you</p> <ul style="list-style-type: none"> • do not know the base flood elevation for the flood zone (e.g., flood zone A), or • know that the living floor levels are below the base flood elevation 	<p>Then:</p> <ul style="list-style-type: none"> • you must calculate the Underwritten DSCR excluding the site rent for Manufactured Homes with living floor levels within the flood zone; and • if the resulting Underwritten DSCR decreases to more than 10 basis points below the minimum Tier 2 standard, you cannot underwrite the site rent for those Manufactured Homes.

603.04B Moving Water

Requirements

For an MH Community located in a flood zone with the potential for flooding due to moving water (e.g., typically in flood zone A and AE and located next to a stream, river, etc.), you must ensure:

- your underwriting assumes that MH Sites located in the flood zone are considered non-income producing MH Sites; and
- the Borrower notifies all Homeowners and all tenants of Borrower-owned or Affiliate-Owned Homes occupying an MH Site located in the flood zone before the Mortgage Loan Origination Date.

603.05 Lease Terms

603.05A Master Leases

Requirements

You must ensure there are no master lease arrangements affecting any of the MH Sites.

603.05B MH Site Leases

Requirements

MH Site Leases must

- be in writing, and
- not contain an option to purchase the MH Site.

The Borrower must agree to implement the Tenant Site Lease Protections for all MH Sites by the end of the first loan year.

Operating Procedures

The Tenant Site Lease Protections may be incorporated

- by amending each MH Site Lease; or
- within the MH Community's rules and regulations, if the MH Site Lease incorporates the rules and regulations by reference.

The Multifamily Loan Agreement must include a:

- covenant to implement the Tenant Site Lease Protections by the end of the first loan year;
- requirement that, if the Tenant Site Lease Protections were implemented within the MH Community's rules and regulations:
 - the rules and regulations are publicly posted; and
 - each lessee of an MH Site Lease receives written notice of the Tenant Site Lease Protections; and
- Borrower:
 - representation stating the percentage of MH Site Leases with the Tenant Site Lease Protections;
 - covenant to continue the Tenant Site Lease Protections over the entire Mortgage Loan term; and

- requirement to annually submit to you a:
 - certified copy of the MH Community's current Rules and Regulations;
 - certified copy of the notice sent to all MH Site Lease tenants if the Tenant Site Lease Protections were implemented by the Rules and Regulations;
 - certified copy of the current form of Residential Leases for MH Sites;
 - copy of any requested MH Site Leases; and
 - certification of the percentage of MH Site Leases with the Tenant Site Lease Protections.

Guidance

You may allow

- month-to-month lease terms,
- lease terms for up to 2 years, and
- lease terms longer than 2 years, but only if the lease provides for:
 - an annual rent increase sufficient to cover the current and/or projected Consumer Price Index (CPI);
 - the pass-through of real estate taxes over a base year;
 - the pass-through of any utilities provided by the Borrower; and
 - cannot result in the Manufactured Home on the MH Site being titled as real estate.

603.05C Loan Document Modification

Requirements

You must modify the Loan Documents to reflect the use of short-term or long-term leases.

Section 604 Property Insurance

Requirements

You must ensure that the security for an MH Community Mortgage Loan (per [Part III, Chapter 6: Manufactured Housing Communities, Section](#)

603.01B: Collateral; Tenant-Occupied and Affiliate-Owned Homes) complies with Part II, Chapter 5: Property and Liability Insurance.

Section 605

Survey

Requirements

If you obtain an acceptable as-built survey of the Property, it must comply with Part II, Chapter 3: Legal Compliance, Section 305: Survey.

Guidance

You should ensure that the survey only shows the location or dimensions of

- the individual MH Sites,
- any individual Manufactured Homes or recreational vehicles, and/or
- the related MH Site or recreational vehicle site, piers, and/or foundations, that constitute encroachments.

605.01 Public Roadways, Private Interior Roadways, and Drives

Guidance

You should ensure that the survey accurately shows all public roadways.

For any private interior access roads, streets, drives, parking areas, visible utilities, and structures without foundations, the survey:

- does not need to show them accurately from field measurements, unless they constitute encroachments;
- should include a sketch showing their approximate location; and
- may locate them by photogrammetric or other approximate methods.

605.02 Setbacks

Guidance

You should identify and show 2 different types of setbacks on the survey:

- setback restrictions shown in documents of record; and
- setbacks imposed by applicable zoning ordinances or building codes.

You should ensure that the survey:

- states that the zoning setbacks apply only to permanent buildings and not to the Manufactured Homes; and
- includes recorded references or citations to authority for the zoning setbacks, or gives the reason why this information is not available.

605.03 Encroachments

Guidance

You may show the following encroachments by a simple indicating mark (i.e., a distinctive mark or symbol identified in the legend), without indicating dimensions:

- nonpermanent outbuildings or other structures; and
- recreational vehicles that are not set upon a supporting foundation, MH Site, or pier.

Chapter 7 Multifamily Affordable Housing Properties

Section 701 Generally

701.01 Description

Requirements

An MAH Property is a Property that is encumbered by a regulatory agreement, land use restriction agreement, extended use agreement, or similar restriction (an Affordable Regulatory Agreement) that

- limits rents that can be charged to tenants, or
- imposes income limits on tenants.

An Affordable Preservation Transaction is any transaction involving an MAH Property that:

- currently has rent or income restrictions meeting the eligibility criteria of an MAH Property, but the Property is potentially at risk of being lost from the affordable housing inventory through conversion to market-rate housing;
- is not receiving new LIHTCs; and
- is being acquired or refinanced, but excludes a Mortgage Loan paying off the initial construction loan.

701.02 Eligible Lenders

Requirements

You must be approved in writing to Deliver MAH Mortgage Loans.

Section 702 MAH Property Eligibility

702.01 Eligible Characteristics and Underwriting

Requirements

You must ensure that an MAH Property has rent or income restrictions that meet or exceed 1 of the following:

- **20% @ 50%:** at least 20% of all units have rent or income restrictions in place making them affordable to households earning no more than 50% of AMI as adjusted for family size.
- **40% @ 60%:** at least 40% of all units have rent or income restrictions in

place making them affordable to households earning no more than 60% of AMI as adjusted for family size (except for New York City, where at least 25% of all units have rent or income restrictions in place, making them affordable to households earning no more than 60% of AMI as adjusted for family size).

- **HAP contract:** at least 20% of all units are subject to a project-based HAP contract.
- **Special Public Purpose:** the Property
 - is subject to an Affordable Regulatory Agreement imposed by a government entity, containing other rent and/or income restrictions,
 - has rent or income restrictions that meet or exceed **20% @ 80%:** at least 20% of all units have rent or income restrictions in place making them affordable to households earning no more than 80% of AMI as adjusted for family size, and
 - meets a noteworthy special public purpose.
- **Sponsor-Initiated Affordability:** the Borrower may voluntarily self-impose rent and income restrictions to preserve or create multifamily affordable housing. These restrictions must:
 - require the Property to have
 - rent and income restrictions that meet or exceed **20% @ 80%:** at least 20% of all units have rent and income restrictions in place making them affordable to households earning no more than 80% of AMI as adjusted for family size, and
 - restricted unit rent limits not exceeding 30% of the adjusted AMI;
 - be placed on record against the Property by executing the Sponsor-Initiated Affordability Agreement ([Form 6490](#));

Requirements

You must:

- Reflect the impact of the rent or income restrictions in your underwriting.
- Maintain a copy of the applicable Affordable Regulatory Agreement or Property restrictions in your Servicing File.

Operating Procedures

For any Property with Sponsor-Initiated Affordability, the Borrower must execute the:

- Sponsor-Initiated Affordability Agreement ([Form 6490](#)); and
- Modifications to Multifamily Loan and Security Agreement (Sponsor-Initiated Affordability Restrictions) ([Form 6271](#)).

To commit and Deliver a Mortgage Loan that qualifies as Special Public Purpose or Sponsor-Initiated Affordability, refer to:

- [Multifamily Affordable Housing Property Definition – Special Public Purpose FAQs](#); and
- [Sponsor-Initiated Affordability FAQs](#).

702.02 Ineligible Characteristics and Underwriting

Requirements

- less than 3 years of rent or income restrictions remaining on the

Affordable Regulatory Agreement and is expected to transition to market rents during the term of the Mortgage Loan; or

- 3 or more years of LIHTC restrictions remaining, but the Borrower intends to enter into the Qualified Contract Process (per Section 42 of the Internal Revenue Code) within 3 years after the Mortgage Loan Origination Date.

Operating Procedures

If a Property will have existing rent, income, and/or occupancy restrictions when you Deliver the Mortgage Loan, you must indicate the “MAH type” in C&D under “Other Attributes”, even if you cannot underwrite the Property as an MAH Property or Affordable Preservation Transaction per this Section 702.02: Ineligible Characteristics and Underwriting.

 - comparable multifamily market rate rental properties,
 - the Property's submarket, and
 - full taxes if rental income restrictions are required by a tax abatement or exemption.
- Ensure that each Appraised Value is based on a market cap rate without any upward or downward adjustment for:
 - special financing (other than adjusted cap rates for Credit Enhancement Mortgage Loans); or
 - tax credit benefits.
- Determine the appropriate Appraised Value for the Underwriting Value per [Part II, Chapter 2: Valuation and Income, Section 202: Appraisal and Valuation](#).

703.02B Market Study

- identifies the absorption rate, lease-up period, and rent level for comparable market rate rental properties in the submarket.

703.02C Affordable Regulatory Agreement Restrictions

- the Borrower's intention to renew the Affordable Regulatory Agreement;
- the amount of time between the Maturity Date and when the Affordable Regulatory Agreement restrictions expire;
- market strength; and

- What is the rent advantage, especially for units above 60% of AMI?
- For a Forward Commitment,
 - is the Property not a resyndication of a property previously developed or preserved using LIHTCs and subject to an existing extended use agreement, or
 - if the Property is a resyndication, have you confirmed the property has completed its extended use period?
- Does the market study include capture rates for each unit designation supporting LIHTC Income Averaging?

For Fannie Mae to consider the cash flow from an IRP, the Borrower must decouple the IRP from the existing Section 236 note and mortgage by

- prepaying the Section 236 Loan, and
- having the IRP transferred to a new Mortgage Loan (which will be then considered a Section 236 Loan for purposes of continuing the IRP).

708.01 No Additional Proceeds

Requirements

If the Borrower is not seeking additional proceeds based on the IRP, you must exclude the amount of the IRP from the LTV and Underwritten DSCR.

708.02 Additional Proceeds from Mortgage Loan

Requirements

If the Borrower is seeking additional proceeds from the Mortgage Loan

based on the IRP, then you must ensure that:

- The Mortgage Loan has equal monthly payments of P&I.
- The portion of the Mortgage Loan sized based on the Underwritten NCF meets Fannie Mae's LTV and Underwritten DSCR requirements without considering the IRP cash flow.
- The portion of the Mortgage Loan sized based on the IRP cash flow has an Underwritten DSCR of at least 1.00.
- The financing structure reflects the remaining term of the IRP through a bifurcated note or amortization structure.

In a Forward Commitment transaction, if the IRP is decoupled from the original Section 236 Loan, you do not need to ensure principal amortization during the construction phase.

708.03 Additional Proceeds from Other Sources

Requirements

If the Borrower is seeking additional proceeds from sources other than the Mortgage Loan based on the IRP, you must:

- factor the debt into the Property's overall LTV; and
- comply with [Part III, Chapter 7: Multifamily Affordable Housing Properties, Section 704: Subordinate Financing](#).

Section 709 LIHTC Properties – Lender Equity Interest

Requirements

Fannie Mae will only purchase a Mortgage Loan secured by a LIHTC Property in which you are an equity investor (directly or indirectly) in the Borrower if the following conditions are met:

- Your equity interest in the Borrower is solely for obtaining the LIHTCs in the Property, and you have no
 - management authority for the Property, or
 - equity interest (other than the LIHTCs) in
 - the Borrower,
 - any Key Principal,
 - any Person holding a Controlling Interest in the Borrower or Key Principal,

- any Principal, or
- any Guarantor.

- You and the equity syndicator are organized to ensure independent analysis and decision making occurs in the
 - underwriting and approval of the debt,
 - equity investments, and
 - servicing of the Mortgage Loan.

- Your underwriting submission includes:
 - a description of the relationship among the
 - Lender,
 - Borrower, and
 - applicable Lender Affiliate; and
 - an organizational chart or diagram showing:
 - the complete Borrower ownership structure, including any Lender or Lender Affiliate equity interest; and
 - each entity's ownership interest.

Section 710 Transactions with Fannie Mae Debt and Equity Interests

710.01 Transactions Funded with Tax-Exempt Bond Proceeds

Requirements

If a Mortgage Loan will be funded with tax-exempt bond proceeds and the Property securing the Mortgage Loan qualifies for LIHTCs, you must confirm:

- If Fannie Mae owns or plans to acquire a direct or indirect equity interest in the Borrower, it does not own or intend to acquire an interest in the tax-exempt Bonds.
- If Fannie Mae owns or plans to acquire an interest in the tax-exempt Bonds, it does not own or intend to acquire a direct or indirect equity interest in the Borrower.

710.02 Fannie Mae Credit-Enhanced Tax-Exempt Bond Issuance

Requirements

You must confirm that if Fannie Mae credit enhances tax-exempt Bonds issued to fund a Mortgage Loan, it does not also own or intend to acquire a direct equity interest in the Borrower.

If Fannie Mae owns or intends to acquire an indirect equity interest in the Borrower through a fund, you must confirm:

- Fannie Mae's indirect equity interest in the Borrower is less than 50%;
- in the case of a LIHTC transaction:
 - the IRS documentation filed in connection with the Bond issuance shows that none of the Bond proceeds were applied to pay any portion of Fannie Mae's credit enhancement fee;
 - the Bond issuer and the Borrower have either
 - entered into a LIHTC agreement that acknowledges Fannie Mae's equity interest, or
 - consented in writing to Fannie Mae's equity interest; and
 - any required notices to the Borrower and the issuer under a LIHTC agreement have been provided; and
- in the case of a non-LIHTC transaction, the issuer and the Borrower have consented in writing to Fannie Mae's equity interest.

Section 711

FHA Risk Sharing

711.01 Description

Guidance

Fannie Mae and the HUD have a risk sharing agreement to share risk on Mortgage Loans for certain MAH transactions. HUD's risk sharing is in the form of mortgage insurance from FHA. HUD takes 50% of the risk of loss, and the remaining 50% of the loss is shared by you and Fannie Mae.

711.02 Eligibility

711.02A Borrowers, Key Principals, Guarantors, and Principals

Requirements

You must ensure that the Borrower (and each Key Principal, Guarantor, and Principal) is not on the most current "List of Parties Excluded from Federal Procurement or Nonprocurement Programs".

711.02B Generally

Requirements

You must ensure:

- All FHA Risk Sharing Mortgage Loans are fixed rate with no interest-only period.
- The minimum Mortgage Loan term is 15 years.
- The Property has an affordability restriction where
 - at least 20% of the units are rent-restricted and occupied by families with incomes no more than 50% of AMI as adjusted for family size, or
 - at least 40% (25% in New York City) of the units are rent-restricted and occupied by families with incomes no more than 60% of AMI as adjusted for family size.
- The residential unit's gross rent is restricted to no more than 30% of the unit's Imputed Income Limitation per Section 42 of the Internal Revenue Code.
- Rent, income, and/or occupancy restrictions are in effect for at least the term of the Mortgage Loan. For MAH Properties with remaining affordability restrictions of less than 18 years, the affordability restrictions will be considered senior to the Lien of the Mortgage Loan when enforcing restrictions.

Guidance

The Property is not located in:

- a 500-year floodplain and likely occupied by tenants who may not be sufficiently mobile to avoid injury or death during floods or storms;
- a Federal Emergency Management Agency-mapped Special Flood Hazard Area 100-year floodplain (except where no buildings or Improvements other than minor grubbing) will be in the floodplain and the floodplain area will be permanently dedicated to non-development;
- the Coastal Barrier Resources System per the Coastal Barrier Resources Act, 16.U.S.C.3501; and
- a Runway Clear Zone (at a civil airport) or Clear Zone (at a military airfield) if the Property is newly constructed or substantially rehabilitated.

711.02C Cash Out

→ Guidance

There is no limit on the amount of cash out in an FHA Risk Sharing transaction.

711.03 Mortgage Insurance Premium

☑ Requirements

Your pricing for an FHA Risk Sharing Mortgage Loan must include a sufficient amount to pay the mortgage insurance premium due to FHA.

→ Guidance

Fannie Mae will make this FHA premium payment on or before its due date.

711.04 Subsidy Layering Review

☑ Requirements

You must ensure the Borrower obtains a subsidy layering review when required by federal laws. FHA Risk Sharing Mortgage Loans are a source of federal government assistance.

✦ Operating Procedures

After the subsidy layering review is complete, the applicable reviewing office will issue a certification to the Borrower stating the total amount of governmental assistance is not more than is necessary to provide affordable housing after taking into account other government assistance. You must receive the certification before

- Rate Lock, or
- obtaining a Commitment for a tax-exempt Bond transaction.

711.05 Lender FHA Risk Sharing Reserve and Loss Sharing Modifications

✦ Operating Procedures

If a Mortgage Loan was approved for FHA Risk Sharing, you must indicate an "FHA risk sharing" Mortgage Loan Type on the Mortgage Loan Certificate (Form 6505).

 - maximum lifetime interest rate limit, and
 - Fixed Rate Test per Form 4660;

Section 1104 ARM 5/5 Loan Optional 5-Year Adjustable Rate Term Renewal Eligibility

Requirements

A performing ARM 5/5 Loan is eligible to renew the adjustable rate term for an additional 5-year adjustable rate term if:

Section 1202

Underwriting

Requirements

You must calculate the minimum Underwritten DSCR based on an amortizing debt service constant.

Minimum Underwritten DSCR	
Term	Equals the sum of the...
Maximum Note Rate	<ul style="list-style-type: none"> minimum Cap Strike Rate as set by Fannie Mae for the Mortgage Loan, plus Mortgage Loan margin equal to the sum of the <ul style="list-style-type: none"> Investor spread, Guaranty Fee, and Servicing Fee.
Debt Service Constant	<ul style="list-style-type: none"> Maximum Note Rate, plus applicable amortization factor based on the Maximum Note Rate.

You must ensure the maximum SARM Loan amount is the lesser of the amount:

- calculated using the:
 - minimum DSCR per Form 4660 for both the
 - Maximum Note Rate for the adjustable interest rate, and
 - Fixed Rate Test described in Form 4660; and
 - maximum LTV Ratio per Form 4660; or
- you determined is appropriate.

You must use the Fixed Rate Test interest rate to determine the UPB for the refinance risk analysis per [Part II, Chapter 2: Valuation and Income, Section 204: Refinance Risk Analysis](#).

Guidance

The amortization used to underwrite the SARM Loan is different than the actual SARM Loan amortization schedule, which uses fixed monthly principal installments.

Section 1203

Actual Amortization Calculation

Requirements

You must amortize SARM Loans on a straight-line basis over the total loan term. The amount of amortization due during the Mortgage Loan term is the same amount that would be due, in total, for a comparable fixed rate loan. When you calculate the amortization due, you must consider

- the loan term,
- the amortization schedule,
- any interest only period, and
- the Pricing and Underwriting Tier.

To calculate SARM Loan amortization, you must use fixed rate pricing with an interest rate equal to:

- an indicative MBS investor yield; plus
- the lower of the:
 - lowest Guaranty Fee and Servicing Fee in the Pricing Memo for a hypothetical actual/360 fixed rate Mortgage Loan with the same loan

term and Pricing and Underwriting Tier as the SARM Loan; or

- Guaranty Fee and Servicing Fee quoted by the Fannie Mae Deal Team for a fixed rate Mortgage Loan when you request pricing for the SARM Loan.

Operating Procedures

You must...	Process
Obtain Fixed Rate Quote	<ul style="list-style-type: none"> • Obtain a quote for a hypothetical actual/360 fixed rate Mortgage Loan. • Use the quoted fixed interest rate to calculate the amortization for the SARM Loan.
Calculate the Fixed Monthly Principal Installment Over the SARM Loan Term	<ul style="list-style-type: none"> • Step 1: Using an actual/360 interest accrual method, calculate the aggregate amortization amount to be collected over the SARM Loan term based on the: <ul style="list-style-type: none"> - SARM Loan principal amount; - lowest interest rate for a hypothetical actual/360 fixed rate Mortgage Loan with the same loan term and Pricing and Underwriting Tiers as the SARM Loan, rounded to 3 decimal places; and - required amortization period. • Step 2: Divide the aggregate amortization amount from Step 1 by the number of amortizing monthly installments in the SARM Loan term. The result is the fixed monthly principal installment. <p>For example, the number of monthly installments would be:</p> <ul style="list-style-type: none"> • 120, for a 10-year amortizing Mortgage Loan; or • 108, for a 10-year Mortgage Loan with 1 year of interest-only.

Guidance

The following is an example for calculating the fixed monthly principal installment for a Tier 2 SARM Loan with a

- 10-year term,
- 30-year amortization period,
- actual/360 interest accrual method, and
- \$25 million Mortgage Loan amount.

Example: Hypothetical Actual/360 Fixed Rate Quote	
Guaranty Fee quoted by Fannie Mae	0.95%
Servicing Fee quoted by Fannie Mae	+ 0.55%
U.S. Treasury and Investor spread (quoted by Fannie Mae or Third Party MBS Investor)	+ 4.00%
Gross Note Rate	= 5.50%

Step 1: Calculate the aggregate principal amortization amount collected over the Mortgage Loan term if it had a fixed rate.

Determine the...	Assuming...	Result
<ul style="list-style-type: none"> • Month and year when the first full monthly loan payment would be made, based on an actual/360 amortization schedule. • Total amortization amount depends on: <ul style="list-style-type: none"> - the number of days (i.e., 28, 29, 30, or 31) in the month before each loan payment date; and - when the next leap year occurs. 	<ul style="list-style-type: none"> • a debt service constant calculated using the hypothetical fixed Gross Note Rate of 5.500% (6.8134680% debt service constant); • an issue date of December 1, 2018; and • a first loan payment date of January 1, 2019. 	<p>The aggregate principal amortization amount over 120 payments is \$4,114,494.17.</p>

Step 2: Calculate the fixed monthly principal installment by dividing the aggregate amortization amount by the total number of amortizing payments during the SARM Loan term.

Calculate the Fixed Monthly Principal Installment	
Aggregate amortization	\$4,114,494.17
Divided by total payments	120
Equals fixed monthly principal	\$34,287.45

Section 1204 Prepayment Terms

1204.02 Prepayment Option 1 – Declining Prepayment Premium Schedule

Requirements

Fannie Mae defines 2 types of Preferred Equity.

Type	Definition

For example, [Part III, Chapter 16: Mezzanine Financing and Preferred Equity, Section 1602: Preferred Equity](#) does not apply to:

- Soft Preferred Equity that is Preferred Equity only because of “promoted interest” or priority “waterfall” distributions in the organizational structure of the Borrower, but does not otherwise benefit from remedial rights when distributions are not paid or made.
- Instances where a provision in the Borrower’s organizational documents allows or requires a forced sale of the Property to a third party in an arm’s length transaction

- for Hard Preferred Equity, not be less than \$1 million.

Operating Procedures

Fannie Mae will engage outside counsel at your expense to review all Interest Rate Cap-related documents.

1907.04 Cap Strike Rate

Operating Procedures

The Borrower must purchase an Interest Rate Cap with a Cap Strike Rate that is determined

- for a Credit Enhancement Instrument, by Fannie Mae, or
- for an MBS for Bonds, per Part III, Chapter 12: Structured Adjustable Rate Mortgage (SARM) Loans, Section 1205.02: Determining the Cap Strike Rate.

1907.05 Cap Cost Factor Included in Maximum Note Rate

Requirements

When determining the Maximum Note Rate used to calculate the minimum required Underwritten DSCR, you must include a cap cost factor based on the term of the

- Credit Enhancement Mortgage Loan, and
- initial Interest Rate Cap.

You do not need to include a cap cost factor if the initial Interest Rate Cap term equals the Credit Enhancement Mortgage Loan term.

You must ensure the cap cost factor equals the

- estimated cost of the replacement cap (when the term of the initial cap expires), divided by
- term of the initial cap.

Operating Procedures

For example, to calculate the cap cost factor assuming a 5-year Interest Rate Cap and 10-year Credit Enhancement Mortgage Loan term:

- You must include an annual cap cost factor in the Maximum Note Rate.
- If the Credit Enhancement Mortgage Loan term is 10 years and an initial cap is purchased for a 5-year term, the cap cost factor equals the estimated cost of a replacement cap divided by 5 (the number of years of the initial interest rate term).
- The replacement cap has a 5-year term and a Cap Strike Rate equal to that of the initial cap.
- If a 5-year Interest Rate Cap at the initial Cap Strike Rate costs 20 basis points, you must divide 20 by 5, then add the result (4 basis points) to the Maximum Note Rate.

1907.06 Interest Rate Cap Reserve

Requirements

You must ensure the Borrower fully funds a cash reserve to purchase replacement Interest Rate Caps.

Operating Procedures

- If the initial Interest Rate Cap Agreement term is 5 years, you must ensure the Borrower funds the cash reserve with each monthly Mortgage Loan payment during the term.
- Calculate the monthly reserve payments for the first 6 months using the estimated cost of a replacement Interest Rate Cap with a 5-year term and the initial Cap Strike Rate.
- If the initial Interest Rate Cap term is more than 5 years, you must ensure the Borrower's monthly reserve payments for the replacement cap begin no later than 5 years before the existing Interest Rate Cap expires.

Guidance

For example, if

- a 5-year initial Interest Rate Cap is purchased with a 10-year term and a 6.00% Cap Strike Rate, and
- the cost of a replacement 5-year cap with a 6.00% Cap Strike Rate is \$140,000, then
- the monthly reserve for the first 6 months would be \$2,333.33 ($\$140,000 \div 60$ months).

1907.07 Interest Rate Cap Reserve Adjustments

Requirements

You must evaluate the Interest Rate Cap reserve every 6 months. If the replacement Interest Rate Cap cost:

- increased, you must raise the monthly reserve payment to purchase the replacement Interest Rate Cap before the existing Interest Rate Cap expires; or
- decreased, do not adjust the reserve.

When a replacement Interest Rate Cap is purchased, the reserve cycle resets to match the term of the new Interest Rate Cap. Any amount remaining in the reserve after purchasing the replacement Interest Rate Cap must be used to fund the subsequent reserve.

1907.08 Interest Rate Cap Contract Documentation and Delivery

Requirements

For credit enhancements using:

- an MBS, you must comply with [Part III, Chapter 12: Structured Adjustable Rate Mortgage \(SARM\) Loans, Section 1205.04: Interest Rate Cap Contract Documentation and Delivery](#); or
- a Credit Enhancement Instrument, this Section applies.

Operating Procedures

Topic	Process
Cap Provider Payment	<p>You must ensure the Interest Rate Cap provider pays you or the Bond Trustee directly</p> <ul style="list-style-type: none">• on the 1st or 15th day of the month corresponding with the Bond payment dates, and• when the Bond interest rate index is greater than the average Cap Strike Rate for a month. <p>Only disburse a provider payment to the Borrower if</p> <ul style="list-style-type: none">• there is no Mortgage Loan default, and• you received all payments due under the Indenture and Bonds for that month. <p>If the Borrower defaults under the Mortgage Loan or Reimbursement Agreement, you must</p> <ul style="list-style-type: none">• promptly notify Fannie Mae and any applicable Bond Trustee, and• direct the Bond Trustee to suspend its payment to the Borrower.
Timing	The Borrower must accept a bid for the initial Interest Rate Cap in writing from a Fannie Mae approved provider before you request a Commitment.
Purchase Price	The Borrower must pay the entire purchase price for an Interest Rate Cap to the provider when the Interest Rate Cap Agreement is issued.
Pledge to Fannie Mae	The Borrower must pledge its interest in the Interest Rate Cap and any reserve to Fannie Mae using the documentation provided by Fannie Maes counsel.

Chapter 2 Reporting and Remitting

Section 201 Generally

This Chapter:

- outlines the reporting and account reconciliation policies and procedures for Mortgage Loans;
- applies to both Cash Mortgage Loans and Securitized Mortgage Loans, except where noted that a particular procedure is applicable only to one or the other execution;
- describes the methods for accounting for scheduled monthly payments, payment shortages, additional principal payments, repayments of advances, and payments in full; and
- describes Fannie Mae's remittance requirements, the method for remitting, and the format for reporting Mortgage Loan information on all transactions.

Fannie Mae purchases Mortgage Loans for cash or in exchange for the issuance of a Security. Fannie Mae reserves the right to later place any of the Mortgage Loans purchased for cash into a Security (e.g., PFP MBS). If Fannie Mae securitizes a Mortgage Loan, the Servicer may be required to make certain changes to its reporting and remitting procedures. If such an event occurs and changes to a Servicer's reporting and remitting procedures will be required, Fannie Mae will notify the Servicer in writing.

Fannie Mae reserves the right to modify its Remittance Accounting system and forms to accommodate future changes to its overall systems applicable to Mortgage Loans.

Section 202 Collection, Tracking and Reporting of Monthly P&I Payments and T&I Amounts

The Servicer is responsible for collecting monthly P&I payments from the Borrower in accordance with the terms of the Note executed by the Borrower. All P&I payments and T&I amounts collected by the Servicer in connection with Mortgage Loans must be deposited in the applicable P&I and T&I Custodial Accounts maintained in accordance with the requirements of [Part V, Chapter 3: Custodial Accounts](#).

The Servicer must track and account separately for all P&I payment activity relating to each Mortgage Loan. The Servicer must report to Fannie Mae on the P&I payment activity relating to each Mortgage Loan as provided in this Chapter.

Section 203 Reporting Loan Activity and Security Balance

203.01 Use of Fannie Mae eServicing System

The Servicer must use Fannie Mae's eServicing System to report Mortgage Loan level information on all Cash Mortgage Loans and Securitized Mortgage Loans. The Servicer must register to use the eServicing System prior to use. Information regarding registering for the eServicing System can be found on <https://multifamily.fanniemae.com/applications-technology/eservicing>. The Servicer must segregate its Cash Mortgage Loan servicing portfolio from its Securitized Mortgage Loan servicing portfolio for reporting purposes.

203.02 Reporting Specific Transactions

All reportable transactions will fall into one or more categories. Some transactions update the status of a Mortgage Loan or summarize collection activity, while others update the information in Fannie Mae's records (e.g., Property addresses, Servicer Mortgage Loan identification numbers, Mortgage Loan terms, subservicing status, etc.).

203.03 Monthly Activity Reporting

203.03A When to Begin Reporting

The Servicer must use the eServicing System to report its monthly Mortgage Loan activity to Fannie Mae following the end of each Reporting Period, commencing with the month following the:

- date Fannie Mae acquired the Cash Mortgage Loan or PFP Mortgage Loan; or
- Issue Date for Securitized Mortgage Loans (other than PFP MBS).

203.03B Cutoff Dates for Loan Activity Reporting

The following are the cutoff dates for activity reporting on Mortgage Loans:

Monthly Activity Cutoff Date	Monthly Activity Report Due Date
Servicer may establish as its cutoff date any day from the 25th of the month to the last day of the month.	Not later than the second Business Day of the month following the cutoff date for the Reporting Period.

203.04 Monthly Securitized Mortgage Loan Security Balance Reporting

203.04A Reporting Security Balances

For each Security Pool serviced by the Servicer, the Servicer must submit a monthly Security Balance report that references:

- the Security Balance; and
- the Security Pool number.

203.04B Same Month Pooling – Security Balance for First Reporting Cycle

For Same Month Pooling Mortgage Loans, the Borrower will have made no payment as the monthly debt service payment will not yet have come due. Because the Servicer's Security Balance report for the month following the Issue Date of the Security Pool under the Same Month Pooling Delivery option will not include an amount for principal curtailment for amortizing Mortgage Loans, the Servicer must report the Issue Date Principal Balance of the Mortgage Loan as the first reporting cycle Security Balance. As long as the Servicer reports the Issue Date Principal Balance of the Securitized Mortgage Loan in its first Security Balance report, there will be no impact on the Pool-to-Security balance reconciliation for that month.

203.04C Security Balances Due by Second Business Day

The Servicer must have transmitted all of its Security Balances (or corrections to balances reported in error) to Fannie Mae by 5:00 p.m. Eastern Time on the second Business Day of each month following the Reporting Period. If the Servicer anticipates a problem in meeting this reporting deadline or has a transmission problem that will result in late reporting, the Servicer must contact its Fannie Mae Representative.

203.04D Failure to Meet Reporting Deadline

If the Servicer fails to meet Fannie Mae's reporting deadline, Fannie Mae may estimate the Servicer's Security Balances so Fannie Mae can pass-through payments to Investors and publish Security Balances in a timely manner. When Fannie Mae does this, Fannie Mae's estimate will be both the published Security Balance, and the beginning Security Balance used for the next month's Security Balance report. Fannie Mae will send the Servicer written notification of any published estimated Security Balance within 10 days after publication by Fannie Mae.

203.05 Due Dates for Reports

The exact due date of the Servicer's submission of its reports depends on the type of transaction being reported.

203.05A Removal Transactions

The Servicer must report removal activity (e.g., payoff, repurchase,

liquidated-held for sale, and liquidated third-party sale/condemnation) by the second Business Day of the month following the cutoff date for the Reporting Period in which the activity occurred. The Servicer may correct any removal activity reporting error by resubmitting the corrected information in time to reach Fannie Mae by the second Business Day of the month following the Reporting Period. If the Servicer is unable to correct the error, the Servicer must notify its Fannie Mae Representative about the error.

203.05B All Other Transactions

The Servicer must make sure that all other transactions (which are the transactions that comprise the bulk of its reports) are transmitted in sufficient time for receipt by Fannie Mae by the second Business Day of the month following the cutoff date for the Reporting Period.

203.06 Mortgage Loan Activity Record

The Loan Activity Record is used to provide Mortgage Loan-level detail of amounts due to Fannie Mae or the Investor for each Mortgage Loan on the Servicer's trial balance.

203.06A Payment Collection

Payment collection relates to the receipt and application of the monthly payment. The information that must be reported includes:

- actual last paid installment ("LPI") date;
- actual UPB; and
- remittance amount (distributed between P&I).

Under the Same Month Pooling option, the Servicer must not report a principal distribution amount for the first reporting cycle following the Issue Date of the Security Pool because no payment will have come due from the Borrower. For the first reporting cycle, the actual UPB of the Mortgage Loan will equal the Issue Date principal balance, as no principal payment will be subtracted from the Security Balance or passed through to the Investor.

203.06B Fee Collection

Fee collection relates to any special fees that were collected from the Borrower during the Reporting Period.

203.06C Mortgage Loan Status

Mortgage Loan status relates to special actions that have occurred (e.g., a payoff or a repurchase). An action code and an action date

(specifying when the reported action occurred or will occur) must be reported. The User Manual for the eServicing System provides detailed information regarding action codes and action dates.

203.07 Fannie Mae-Generated Monthly Reports

203.07A MBS Mortgage Loan P&I Draft Report

On approximately the 10th day of the month, reports are available in the eServicing System for Servicers to verify the amount to be drafted on the Remittance Date, including P&I and Prepayment Premiums due to Fannie Mae or the MBS Investor.

203.07B Cash Mortgage Loan P&I Draft Reports

3 Business Days before the Remittance Date, reports are available in the Cash Loan Drafting Application for Servicers to review, update, and certify the amount to be drafted on the Remittance Date, including Prepayment Premiums due to Fannie Mae. Amounts must be reviewed, updated, and certified by 4:30 p.m. ET 1 Business Day before the Remittance Date.

203.07C Month-End Report

By the 23rd day of the month, the Summary of Processed Activity and other reports are available in the eServicing System for the Servicer to reconcile with its internal records.

203.08 Monthly MBS Mortgage Loan Reconciliations - Pool-to-Security Balance Reconciliations (Not Applicable to PFP MBS)

203.08A Reconciliation Required

At the end of each Reporting Period, the Servicer must reconcile the actual ending Mortgage Loan balance for the Mortgage Loan in any given Security Pool to the ending Security Balance for that Security Pool. To perform this reconciliation, the Lender must use the following calculation:

Function	Ending Principal Balance for the Mortgage Loan in Security Pool (from current month)
PLUS	Prepaid Principal (as of current month)
MINUS	Delinquent Principal (as of current month)
MINUS	Scheduled Principal (as of current month)

EQUALS	Difference

203.08B Rounding Adjustment

Because the total amount of the Mortgage Loan that is issued for a Security Pool is rounded down to the next lowest whole dollar amount of the actual “Issue Date Principal Balance of the Mortgage Loan”, the Security Balance will be smaller than the actual UPB of the Mortgage Loan. The difference will never be greater than \$0.99 for a single Security Pool. The Servicer must adjust for this difference in the first monthly accounting report it submits after the Issue Date of the Security, classifying it as an “unscheduled” principal adjustment.

203.08C Required Annual Adjustment to Correct Principal Balance vs. Security Balance Difference

Other differences may arise in the reconciliation between the UPB of the Mortgage Loan in a Security Pool and the outstanding Security Balance. These differences cannot exceed more than \$0.25 for any Mortgage Loan in the Security Pool. At least once a year, the Servicer must make an adjustment to correct any differences.

1. If Security Balance is Greater than UPB

If the Security Balance is higher than the UPB of the Mortgage Loan, the Servicer must immediately deposit the funds in the “scheduled/scheduled” P&I Custodial Account for Security Pools so that the funds can be passed through to Fannie Mae (as an “unscheduled” principal collection) with the Servicer’s next monthly remittance.

2. If Security Balance is Lower than UPB

If the Security Balance is lower than the UPB of the Mortgage Loan, the Servicer may adjust a subsequent pass-through amount that includes an “unscheduled” principal collection to correct for this difference.

203.08D Pool-to-Security Reconciliation Certification

The eServicing System produces a Pool-to-Security Reconciliation on a monthly basis to assist Servicers with review. Servicers are required to review and certify any pool-to-security difference each month by month end. Differences occur when the MBS pool security balance does not match the sum of the scheduled UPB of the Mortgage Loan. Fannie Mae calculates

pool-to-security differences after monthly Mortgage Loan and Security reporting is complete. For each pool with a difference, the Servicer must review the deficiency, research the difference, and determine the appropriate remedy. The Servicer's certification includes the identification and selection of a deficiency reason, and a statement of how it should be resolved.

Section 204 Calculation of Interest Due

204.01 Generally

Generally the Borrower's monthly payment consists of P&I and deposits for insurance, taxes, replacement reserves and replacement hedges or some combination of such items. In some instances, the payment may include additional funds to be applied toward the UPB or to repay funds advanced by the Servicer. The Servicer must account for each portion of the Borrower's monthly payment in the Servicer's records. The Servicer must track both actual and scheduled Mortgage Loan balances (a.k.a., Security Pool and Security balances) and reconcile any outstanding difference (e.g., the Servicer advances for insufficient Borrower payments).

204.02 Calculating Interest Due

The interest calculation method is generally specified in the Loan Documents. Servicers are required to calculate interest due for each Mortgage Loan as required by the Loan Documents. If the Loan Documents do not contain any information regarding the interest calculation method, then Servicers should assume a 30/360 accrual method.

204.02A Actual/360 Interest Calculation Method

Interest will accrue based upon the actual number of days in a calendar month and a 360-day year.

204.02B 30/360 Interest Calculation Method

Interest will accrue based upon a 30-day month and a 360-day year.

Section 205 ARM Loan Interest Rate and Monthly Payment Changes

205.01 Adjustable Rate Mortgage Loan Interest Rate Changes and Required Monthly Payments

The Servicer must enforce each Mortgage Loan in accordance with the terms of the executed Loan Documents. This includes making periodic interest rate and payment adjustments in connection with any type of Adjustable Rate Mortgage Loans. The Servicer must change the Mortgage

Loan interest rate and monthly payments to the fullest extent permitted or required, maintaining at all times the Mortgage Loan margin specified in the executed Loan Documents. Factors used to determine the new interest rate for ARM Loans include:

- the Index on which the rate is to be based;
- the “look back” period;
- any applicable interest rate change limitations; and
- the Mortgage Loan margin.

If the Servicer fails to make a timely interest rate or payment adjustment, the Servicer must use its own funds to satisfy any shortage.

205.01A The Adjustable Rate Mortgage Loan Index

The Servicer must determine the Index on which the rate is to be based as specified in the Loan Documents. To assist the Servicer in monitoring indexes, Fannie Mae offers an ARM Loan Index service through its website on <https://multifamily.fanniemae.com>. The Servicer must establish procedures to monitor the Index to assure that the Servicer uses the latest available Index to determine an interest rate change.

205.01B Determining the New Monthly Payment

Except for Fannie Mae Structured ARM Loans, a Required Monthly Payment change occurs at established intervals and corresponds to any change in the interest rate. The new monthly payment is calculated by determining the amount required to repay the UPB of the Mortgage Loan in substantially equal payments over the remaining amortization period of the Mortgage Loan at the interest rate in effect following the latest interest rate change utilizing the applicable Interest Calculation Method. If the Mortgage Loan is an interest-only Mortgage Loan, the new monthly payment is the monthly interest payment at the interest rate in effect following the latest interest rate change utilizing the applicable Interest Calculation Method. The new Required Monthly Payment becomes effective on the first day of the month following the month in which the interest Rate Change Date occurs.

205.02 Monthly Reporting for ARM Loan Payment/Rate Changes

Prior to the effective date of the Monthly Payment/Rate Change the Servicer must submit a Monthly Payment/Rate Change via the eServicing System. For assistance with rate and/or payment changes, the Servicer must contact its Fannie Mae Representative.

In order for Fannie Mae to account for ARM Loans on its books, Fannie Mae must receive the Monthly Payment/Rate Change on a timely basis.

205.03 Structured ARM Loans

Structured ARM Loans are subject to the same reporting and remittance requirements as other ARM Loans except for the differences described in this section.

The interest rate for Structured ARM Loans will be determined based on the applicable interest period (typically either 1-month or 3-months) for the applicable Index using a 1-Business Day look-back period per the Loan Documents and the requirements of the applicable Structured ARM Loan Plan Number. The applicable interest rate will be determined by adding the Mortgage Loan margin specified in the Loan Documents to the applicable Index value. No periodic or lifetime interest rate limitations apply to this computation.

Rate changes for Structured ARM Loans with a:

- 1-month interest period (Plan Numbers 03488 and 04932) will occur on the first payment date and the first day of each month thereafter until maturity as specified in the Loan Documents; and
- 3-month interest period (Plan Number 03487) will occur on the first day of the month which is the second month following the first payment date and the first day of every third month thereafter until maturity as specified in the Loan Documents.

The first payment date will be:

- the 1st day of the month following the Mortgage Loan Origination Date, if the Mortgage Loan Origination Date is the 1st calendar day of the month; or
- the 1st day of the second full calendar month following the Mortgage Loan Origination Date for all other Mortgage Loans.

For example, if the Mortgage Loan closes on June 15th, the First Payment Date is on August 1st, and if the Mortgage Loan closes on June 1st, the First Payment Date is on July 1st.

A Required Monthly Payment change occurs at established intervals and corresponds to any change in the interest rate, the number of days in an accrual period, or the UPB of the Mortgage Loan.

If the Mortgage Loan amortizes, the Required Monthly Payment is the sum of the monthly interest installment and the monthly principal installment. The monthly interest installment is calculated by multiplying the UPB of the Mortgage Loan by the interest rate in effect following the latest interest rate change utilizing an actual/360 interest accrual method. Equal monthly principal installments will be made over the term of the Mortgage Loan in the amount set forth in the Loan Documents.

If the Structured ARM Loan is interest-only, the Required Monthly Payment is the monthly interest payment which is calculated by multiplying the UPB of the Mortgage Loan by the interest rate in effect following the latest interest rate change utilizing an actual/360 interest accrual method as set forth in the Loan Documents. The new Required Monthly Payment becomes effective for Structured ARM Loans with a:

- 1-month interest period (Plan Numbers 03488 and 04932), on the 1st day of the month following the month in which the Rate Change Date occurs; or
- 3-month interest period (Plan Number 03487), on the 1st day of each month following any change in the interest rate or if the number of days in an accrual period is different from the prior month, as set forth in the Loan Documents.

Section 206 Application of Monthly Payments

206.01 Fannie Mae Form Loan Documents

For Mortgage Loans originated using Fannie Mae published Note forms, the Borrower's monthly payments must be applied in the following order:

- any delinquent interest (other than interest attributable to the default interest rate);
- any delinquent principal;
- interest for the current month at the Gross Note Rate;
- principal for the current month;
- reimburse the Servicer or Fannie Mae for any T&I payments;
- reimburse the Servicer or Fannie Mae for any delinquency resolution costs, attorney fees, Appraisal fees, environmental assessment costs, or PCA costs;
- reimburse the Servicer or Fannie Mae for any payments to protect the Property;
- late charges;
- default interest;
- T&I Custodial Account deposits; and
- Collateral Agreement Custodial Account deposits.

206.02 Non-Fannie Mae Form Loan Documents

For Mortgage Loans not originated using Fannie Mae published Note forms, the Servicer must apply monthly payments received from the Borrower as required by the relevant Loan Documents. If the Loans Documents do not provide for the order of application of monthly payments, then the Servicer must follow the requirements for the Fannie Mae Post-1998 Loan Documents as provided in [Part V, Chapter 2: Reporting and Remitting, Section 206.01: Fannie Mae Form Loan Documents](#).

Section 207 **Payment Shortages**

When payments received from the Borrower are less than the total amount then due under the Mortgage Loan (including P&I and T&I, but may also include required deposits to the Replacement Reserve or other monies due as required in the Loan Documents), the Mortgage Loan is in default and the Servicer must follow the default procedures specified in:

- Part VI, Chapter 3: Non-Performing Primary Risk Mortgage Loans; or
- Part VI, Chapter 5: Non-Performing Secondary Risk Mortgage Loans.

The Servicer may not supplement partial payments received from the Borrower with funds from any Collateral Agreement Custodial Account without Fannie Mae's prior written consent.

Section 208 **Delinquency and Servicing Advances**

208.01 **Generally**

208.01A **Applicability**

This Section 208 shall apply to all loans purchased by Fannie Mae (i) under the DUS product line and (ii) under any contracts entered into after June 1, 2012, unless any such contract provides that this Section 208 shall not apply to such contract.

208.01B **Delinquency Advances on a Mortgage Loan other than a Credit Enhancement Mortgage Loan**

Whether or not the Borrower pays to the Lender the full amount due under a Mortgage Loan (other than a Credit Enhancement Mortgage Loan), the Lender will remit to Fannie Mae Delinquency Advances in an amount equal to all monthly P&I installments then owed under each Mortgage Loan, net of Servicing Fees, in the manner and at the time the Lender is required to make remittances under the Guide or the Lender's Contract. The Lender's agreement to make Delinquency Advances in respect of a Mortgage Loan constitutes a separate contractual obligation of

the Lender to Fannie Mae and is not a guaranty or surety of any obligation of the related Borrower. The Lender's obligation to fund Delinquency Advances, except in the case of Secondary Risk Mortgage Loans, is not intended to require advances of the principal balance due on the scheduled or accelerated maturity date for payment in full of a Mortgage Loan. The Lender's obligation to fund Delinquency Advances with respect to Secondary Risk Mortgage Loans shall include the obligation to fund the principal balance due on the scheduled or accelerated maturity date for payment in full of a Mortgage Loan.

208.01C Delinquency Advances on a Credit Enhancement Mortgage Loan

Whether or not the Borrower pays to the Lender the full amount due on a Credit Enhancement Mortgage Loan, and whether such amounts are payable under the Financing Agreement, the Note, the Reimbursement Agreement or other transaction documents, the Lender shall make Delinquency Advances in amounts as follows, each in the amount as required to be made under the Financing Agreement, the Note, the Reimbursement Agreement or other applicable transaction document, net of any Servicing Fee otherwise payable to the Lender:

- interest payments as required by the definition of Delinquency Advances, net of Servicing Fees;
- monthly installments of principal owed on the Credit Enhancement Mortgage Loan, or, if the transaction documents of the Credit Enhancement Mortgage Loan require the Borrower to make deposits to a PRF in lieu of amortizing the principal of the Credit Enhancement Mortgage Loan in whole or in part, deposit in a special custodial account meeting the requirements of the Guide ("Special Custodial Account") any amounts that the Borrower was obligated under the Note, the Reimbursement Agreement or other applicable transaction document to pay as deposits to the PRF and transfer such funds in the Special Custodial Account to the applicable Bond Trustee at such time as the funds are required for a mandatory payment of P&I under the Bonds;
- the annual or other periodic fee of the Issuer as a continuing fee for the issuance of the Bonds and the provision of the financing for the Property;
- the annual or other periodic continuing trust administration fee of the Bond Trustee;
- the annual or other periodic continuing fee of the rebate analyst, if any, for its rebate calculation services;
- the annual or other periodic continuing fee of the remarketing agent, if any, for its remarketing services;

- the Credit Enhancement Fee;
- if the transaction documents of the Credit Enhancement Mortgage Loan require the Borrower to make deposits to a PRF in lieu of amortizing the principal of the Credit Enhancement Mortgage Loan in whole or in part, the PRF Fee; and
- if the Credit Enhancement Instrument contains a liquidity facility for the Bonds, the Liquidity Fee.

The Lender shall make such advances to the party, in the manner and at the time the Lender is required to make such remittances under the Guide. The Lender's agreement to make Delinquency Advances in respect of a Credit Enhancement Mortgage Loan constitutes a separate contractual obligation of the Lender to Fannie Mae and is not a guaranty or surety of any obligation of the related Borrower.

208.01D Servicing Advances on a Mortgage Loan other than a Credit Enhancement Mortgage Loan

Whether or not Borrower makes payments to the Lender, the Lender shall make Servicing Advances as and when such amounts constituting Servicing Advances are required to be paid.

208.01E Servicing Advances on a Credit Enhancement Mortgage Loan

Whether or not the Borrower makes payments to the Lender, the Lender shall make Servicing Advances on a Credit Enhancement Mortgage Loan as and when such amounts constituting Servicing Advances are required to be paid. For each Credit Enhancement Mortgage Loan, Servicing Advances shall include, in addition to those items set out in the definition of Servicing Advances, all fees, costs and expenses, whether recurring or non-periodic, not covered by a Delinquency Advance but necessary, as determined by Fannie Mae, to preserve or protect the Bonds or to exercise any legal or equitable remedies under the Bond Indenture, the Bonds or any of the other transaction documents (other than the Loan Documents).

208.02 Duration of Payment of Delinquency Advances or Servicing Advances

208.02A Obligation to Make Delinquency Advances

Unless the Lender's Contract expressly provides otherwise, the Lender must make Delinquency Advances until the earliest of:

- the Lender's purchase of the Mortgage Loan from Fannie Mae;
- the date on which Borrower cures the Mortgage Loan default;

- the date on which the Lender makes the fourth of four continuous months of Delinquency Advances;
- the Asset Valuation Date established in accordance with Section 6.02 of the Loss Sharing Addendum; or
- the date on which the Borrower pays off the Mortgage Loan.

Notwithstanding the foregoing, (i) for Securitized Mortgage Loans, the Lender must make Delinquency Advances to Fannie Mae as long as the Mortgage Loan is held by the trust established in connection with such securitization, and (ii) for Credit Enhancement Mortgage Loans, the Lender must make Delinquency Advances to Fannie Mae as long as the Bonds are outstanding. However, in either case, Lender will receive reimbursement for such Delinquency Advances upon request as required by [Part V, Chapter 2: Reporting and Remitting, Section 208.02C: Reimbursement for Delinquency and Servicing Advances](#) following the date on which Lender makes the fourth of four consecutive months of Delinquency Advances or, if earlier, immediately following the Maturity Date of the Mortgage Loan and, thereafter, the Lender will receive reimbursement for each Delinquency Advance upon request. If the Lender believes that Delinquency Advances with respect to a Mortgage Loan are no longer required to be made pursuant to this Section 208.02, the Lender shall notify Fannie Mae, in writing, and upon written confirmation by Fannie Mae that it concurs that no further Delinquency Advances are required, the Lender shall cease making Delinquency Advances with respect to such Mortgage Loan.

208.02B Obligation to Make Servicing Advances

Unless the Lender's Contract expressly provides otherwise, the Lender must make Servicing Advances until the earliest of:

- the Lender's purchase of the Mortgage Loan from Fannie Mae;
- the date on which the Borrower cures the Mortgage Loan default;
- the Asset Valuation Date related to a Foreclosure Event, a sale of the Property directed by a court of competent jurisdiction, a Discounted Loan Payoff, or Note Sale; or
- the date on which the Borrower pays off the Mortgage Loan.

The Lender shall not be required to make Servicing Advances to fund escrows or custodial accounts for taxes, assessments, and insurance premiums or to make payments to the accounts established for the Mortgage Loan; provided, however, that the Lender must apply any partial payments (including any Net Cash Flow from the Property that, under applicable state law, is then available for use by Fannie Mae) in the manner specified in the Loan Documents and the Guide.

208.02C Reimbursement for Delinquency and Servicing Advances

Upon the expiration of the Lender's obligation to make Delinquency Advances as provided above or, with respect to any Securitized Mortgage Loan, following the date on which the Lender makes the fourth of four consecutive months of Delinquency Advances, the Lender may, by written notice to Fannie Mae submitted on Fannie Mae [Form 4828](#), together with any supporting documentation required by Fannie Mae, request reimbursement for any and all Delinquency Advances made by the Lender with respect to the Mortgage Loan.

Upon making a Servicing Advance with respect to a Mortgage Loan, Lender may, by written notice to Fannie Mae submitted on Fannie Mae [Form 4829](#), together with any supporting documentation required by Fannie Mae, request reimbursement for such Servicing Advance.

Fannie Mae shall reimburse the Lender for such Delinquency Advances and Servicing Advances within 60 days following Fannie Mae's receipt and approval of the Lender's written request.

This Section 208.02.C shall not apply to Delinquency Advances or Servicing Advances made by the Lender with respect to any Non-Performing Mortgage Loan with a Last Paid Installment prior to March 1, 2012.

208.03 Repayment of Servicing Advances from Borrower

Unless otherwise directed in writing by Fannie Mae, the Lender must seek restitution of any Servicing Advances from the Borrower. For this repayment, the Lender may require the Borrower to make full restitution on the next occurring Mortgage Loan payment due date or may permit the Borrower to make restitution payments over several months. Amounts due from the Borrower for which a Servicing Advance was made may include default interest on the Servicing Advances as permitted in the Loan Documents. Interest must be calculated from and including the date the Servicing Advance is made to but excluding the date the repayment is received. If the Lender permits restitution over several months, such restitution payments will not be included in any required calculation of DSCR.

If the Lender has been reimbursed by Fannie Mae for any Servicing Advances and receives restitution of such Servicing Advances from the Borrower, the Lender shall promptly remit such amounts to Fannie Mae.

208.04 No Capitalization of Servicing Advances for Securitized Mortgage Loans

For the purpose of calculating monthly distributions to the Security certificate holders or other investors, Servicing Advances will not be added to the scheduled principal balance of the related Mortgage Loan, even

though the terms of the Mortgage Loan may permit increases to the outstanding principal balance of the Mortgage Loan for such advances and may permit Fannie Mae or the Lender, as applicable, to pursue recovery of those advances from the Borrower. Servicing Advances do not reduce or modify the Borrower's obligation under the Loan Documents.

208.05 Entitlement to Default Interest

Between Fannie Mae and the Lender, unless the Lender's Contract expressly provides otherwise, so long as the Lender is obligated to make or has made Delinquency Advances as provided in [Part V, Chapter 2: Reporting and Remitting, Section 208.02A: Obligation to Make Delinquency Advances](#), the Lender is entitled to retain 50 percent of the default interest collected from or on behalf of the Borrower. The other 50 percent of such default interest, to the extent collected from or on behalf of the Borrower, is remitted to and retained by Fannie Mae. Notwithstanding anything in this Section 208.05 to the contrary, with respect to any Non-Performing Mortgage Loan with a Last Paid Installment prior to March 1, 2012, if the Lender is obligated to make Delinquency Advances then the Lender is entitled to all default interest collected from or on behalf of the Borrower with respect to such Mortgage Loan. If the Lender is not obligated to make any Delinquency Advances on a Non-Performing Mortgage Loan, all default interest shall be remitted to and retained by Fannie Mae. Without regard to whether the Lender is making Delinquency Advances, Fannie Mae is always entitled to the interest that accrues at the stated interest rate on the Mortgage Loan net of the Lender's Servicing Fee.

Section 209 Remittance Procedures

The Servicer must remit to Fannie Mae collections and other amounts due by the specified Remittance Date established for each product type.

209.01 Definitions

For purposes of this Section, the following terms shall have the definitions set forth below.

209.01A Interest Distribution Amount

For each Mortgage Loan, the interest portion, adjusted to the Pass-Through Rate of the monthly installment (without regard as to whether such amount was collected), due on the first day of the month in which a Remittance Date occurs or which becomes due at any time during the preceding month except the first day thereof.

209.01B Principal Distribution Amount

For each Mortgage Loan, the total of (1) the principal portion of the monthly installment due during the period beginning on the second day of the month preceding the month in which a Remittance Date occurs and ending on the first day of the month in which a Remittance Date occurs, without regard as to whether such amount was collected, and (2) any unscheduled principal recovery collected on a Mortgage Loan during the month preceding the month in which a Remittance Date occurs.

209.01C Monthly Remittance

The total of the Interest Distribution Amount and Principal Distribution Amount to be remitted to Fannie Mae on each Remittance Date.

209.02 Monthly P&I Remittance Due Dates for Cash and MBS Transactions

Monthly P&I remittances begin on the initial Remittance Date.

Mortgage Loan Type	Initial Remittance Date
Cash Mortgage Loans (including Mortgage Loans backing a PFP MBS)	The month after Fannie Mae purchased the Mortgage Loan.
Securitized Mortgage Loans	The month after the month the MBS was issued.

The final Remittance Date occurs:

- for Mortgage Loans paying off on the scheduled Maturity Date: in the month the Mortgage Loan matured and the security balance dropped to \$0.00 (e.g., if the Mortgage Loan pays off on its scheduled May 1 Maturity Date, the final Remittance Date will be May 18); or
- for Mortgage Loans being prepaid: in the month after the month the Mortgage Loan was prepaid (e.g., if the Mortgage Loan prepays anytime between May 2 and May 31, the final Remittance Date will be June 18).

209.03 Cash Remittance System

209.03A Drafting Account Use

The Servicer must make the monthly remittance funds available for drafting by ACH via the Cash Remittance System on the Business Day before the Remittance Date.

209.03B Drafting Account Setup

To set up a Drafting Account before the initial Remittance Date:

1. Open a Drafting Account with an Eligible Depository per [Part V, Chapter 3: Custodial Accounts, Section 301: Generally](#);
2. Use the Cash Remittance System to designate the custodial bank and Drafting Account to be electronically debited or credited.

209.03C Remittance Transaction Codes

The Cash Remittance System uses remittance codes linked to the:

- Servicer's unique 9-digit Servicer number; and
- specific Drafting Account identified for the applicable product and execution.

Only 1 Drafting Account per remittance code is permitted, either the:

- P&I Custodial Account for the Mortgage Loan category per [Part V, Chapter 3: Custodial Accounts, Section 303.01: Accounts and Deposits](#); or
- consolidated Drafting Account.

The Servicer must ensure the:

- individual account drafting instructions, including assigned remittance codes, are coordinated with the Servicer's internal fund processing; and
- transmissions to Fannie Mae include all necessary detail to ensure timely and accurate processing.

209.04 Additional Requirements for Monthly Remittance for Security Transactions

209.04A Amount of Security Monthly Remittance

The Security monthly remittance is the total of the Security Interest Distribution and Security Principal Distribution Amounts. For each month, the Security monthly remittance must include the scheduled principal payment due on the first day of that month plus a full month's interest (calculated at the Security Pass-Through Rate) due in arrears for the previous month. It also may include unscheduled prepayments of principal.

The Servicer is required to pass through to Fannie Mae in each Security monthly remittance, the full scheduled amounts of P&I, regardless of whether such amounts actually have been collected from the Borrower. A

full month's interest (calculated at the Security Pass-Through Rate) must be included in each Security monthly remittance, regardless of whether there has been any partial or full prepayment during the month.

209.04B Security Interest Distribution Amount

The Security Interest Distribution Amount due is based on the Security Balance remaining after application of the scheduled Mortgage Loan payment due on the first of the previous month. For example, the Security Interest Distribution Amount due on November 18 would be based on the Security Balance remaining after application of the scheduled Mortgage Loan payment due on October 1 (not November 1).

209.05 Securitized Mortgage Loans – Remitting Fees to Fannie Mae

209.05A Guaranty Fee Due on 7th Calendar Day of Month

To compensate Fannie Mae for the liability it assumes in issuing the Security, Fannie Mae receives a Guaranty Fee. The Guaranty Fee is an obligation of the Servicer and must be paid in arrears on the 7th calendar day, or the preceding Business Day if the 7th calendar day is not a Business Day, of each month, even if there is no collection on the Mortgage Loan or the Mortgage Loan reaches its Maturity Date during the month. Payment of the Guaranty Fee begins with the month following the month in which the Security is issued. Fannie Mae will draft the Guaranty Fee from the Servicer's applicable designated P&I Custodial Accounts for Securitized Mortgage Loans.

The Guaranty Fee amount due Fannie Mae in any month is equal to either (a) for 30/360 interest accrual Mortgage Loans, one-twelfth of the annual Guaranty Fee rate times the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on the first day of the previous month, or (b) for actual/360 interest accrual Mortgage Loans, the annual Guaranty Fee rate divided by 360 times the number of days occurring in the month immediately preceding the Guaranty Fee payment date times the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on the first day of the previous month. For example, for Securitized Mortgage Loans the Guaranty Fee amount due to Fannie Mae on November 7 is calculated on the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on October 1.

209.05B Guaranty Fee Remittance

The monthly Guaranty Fee must be remitted as long as the Security is outstanding, even if there is no collection activity on the Mortgage Loan.

The Servicer must make funds available for the Guaranty Fee draft

on the 7th calendar day of the month, or the preceding Business Day if the 7th is not a Business Day.

Under this process, Fannie Mae will send an electronic notice (or “bill”) on the 2nd or 3rd calendar day of each month. The draft notice will show the amount due for the Guaranty Fees. When the Servicer receives the transmission, the Servicer must review the draft notice for accuracy. If discrepancies are identified, the Servicer must contact Fannie Mae by the 5th calendar day of the month to provide details on the amount and nature of the discrepancy. Fannie Mae will then review its records to validate the discrepancy and make any necessary adjustments to the Guaranty Fee bill. On the 7th calendar day of the month, Fannie Mae will draft the Guaranty Fees from the Servicer's designated P&I Custodial Account for Securitized Mortgage Loans. If the 7th calendar day is not a Business Day, the draft will take place on the preceding Business Day.

209.05C Same Month Pooling – Interest and Guaranty Fee Remittance for First Reporting Cycle

The Servicer's first remittance to Fannie Mae for a Mortgage Loan submitted under the Same Month Pooling delivery option is an "interest-only" remittance because the Borrower will not have made the first payment. Accordingly, because the Borrower will not be required to send a monthly payment to the Servicer under Same Month Pooling until the month following the date the Servicer's first remittance is due to Fannie Mae, the Servicer will have to use some of its own funds to remit the interest that is "scheduled" to be passed through to Fannie Mae for the Mortgage Loan in that month and to make the first required Guaranty Fee remittance. The interest remittance will represent one month's full interest, and will be equal to the Issue Date principal balance of the Mortgage Loan times either (a) for 30/360 interest accrual Mortgage Loans, one-twelfth of the annual Pass-Through Rate of the Security, or (b) for actual/360 interest accrual Mortgage Loans, the annual Pass-Through Rate of the Security divided by 360 times the number of days occurring in the month of issuance of the Security. The Guaranty Fee payment will represent one month's full Guaranty Fee, and be calculated as provided in [Part V, Chapter 2: Reporting and Remitting, Section 209.05A: Guaranty Fee Due on 7th Calendar Day of Month](#) based on Issue Date principal balance of the Mortgage Loan.

Fannie Mae will not reimburse the Servicer for its interest or Guaranty Fee remittance. However, the Servicer must:

- receive a partial month's interest based on the Note Rate from the Borrower at closing (from the date of closing through the end of the month), and
- receive interest based on the Pass-Through Rate from the purchaser of the Security (from the first day of the month in which the Security is issued to the Book-Entry Delivery Date)

as part of the sales proceeds for the Security.

209.06 Notification to Fannie Mae if Unable to Have Funds Available on any Remittance Date

If, for any reason, the Servicer cannot make funds available for drafting on the Business Day prior to the designated Remittance Date, it must immediately notify Fannie Mae by calling the Servicer's Fannie Mae Representative. The Servicer must describe to Fannie Mae all circumstances and conditions that prevent the monthly remittance from being made on time.

Section 210 Full Prepayments

210.01 Review of Applicable Loan Documents Required

When the Servicer receives a Borrower's notification of intent to prepay the Mortgage Loan, it must examine the specific Note (including any applicable addendum, exhibit, modification, or amendment) and Security Instrument (and any applicable rider, exhibit, modification or amendment) to determine whether prepayment of the Mortgage Loan is permitted and, if so, under what conditions. The prepayment provisions of the actual Mortgage Loan Documents govern in each case.

210.02 Notification of Prepayment; Timing of Prepayment

210.02A Notice and Timing Consistent with Loan Documents

The Borrower's proposed prepayment date and the timing of its advance notification of its intent to prepay must be consistent with the provisions of the Loan Documents.

210.02B Borrower Notice Must Contain Date of Intended Prepayment and Comply with Notice Requirements of the Loan Documents

The Servicer must obtain from the Borrower the date on which the Borrower will prepay the Mortgage Loan. The Borrower must give the Servicer advance notice of its intent to make a full prepayment as required by the Loan Documents.

210.02C Loan Document Requirements for Payoff and Lockout Dates

If a Fannie Mae form Multifamily Note evidences the Mortgage Loan, a prepayment may be made only on the last Business Day before a scheduled Mortgage Loan payment date. Non-Fannie Mae form Notes may not contain the same requirement. Some Notes may contain lockout provisions that prohibit full prepayment for a specified period of time. The

Servicer must not permit a payoff that does not comply with the requirements contained in the Loan Document.

210.02D Notice to Fannie Mae of Proposed Payoff; Use of Fannie Mae Payoff Calculator

The Servicer must notify Fannie Mae, in writing or through the Fannie Mae Payoff Calculator, upon receiving notice from the Borrower of a planned prepayment. Notice of the planned prepayment must be received by Fannie Mae not later than 10 Business Days prior to the contemplated payoff date. The Fannie Mae Payoff Calculator may only be used when the Fannie Mae form Multifamily Note evidences the Mortgage Loan.

210.03 Timing of Confirmation of the Full Prepayment Payoff Amount

The Servicer must ensure that the payoff figure quoted to the Borrower is correct. Accordingly, before the Servicer advises the Borrower of the full prepayment payoff amount, the Servicer must confirm such amount with Fannie Mae. The Servicer's request for confirmation of the full prepayment payoff amount must be submitted to Fannie Mae at least 10 Business Days before the scheduled prepayment date. At least 5 Business Days prior to the scheduled prepayment date, the Servicer must provide the Borrower written confirmation of the amount required to pay off the Mortgage Loan in full.

210.04 Full Prepayment for Cash Transactions and PFP MBS

210.04A Confirming the Full Prepayment Payoff Amount

1. Calculating the Full Prepayment Payoff Amount

To obtain Fannie Mae's confirmation of the full prepayment payoff amount, the Servicer must either submit a written statement detailing all amounts that it believes will be due and payable by the Borrower on the prepayment date or submit the information through the Payoff Calculator, including:

- the UPB of the Mortgage Loan (as of the prepayment date);
- all accrued and to-be accrued interest, broken down into the net interest portion due to Fannie Mae (calculated at the Pass-Through Rate) and the portion to be retained by the Servicer as a Servicing Fee, calculated as if the payoff is occurring on the last day of the month in which the prepayment is occurring;
- any unpaid late fees, if applicable;
- any Prepayment Premium that is due in connection with the full prepayment, broken down into the portions due to Fannie Mae and the Servicer, respectively; and

- any other amounts due under the Note, Security Instrument, or any other Mortgage Loan Document, including, if applicable, any unpaid fee due under any Collateral Agreement.

2. Fannie Mae Will Not Confirm Nor Is Responsible for Amounts Owing to Servicer

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the prepayment (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement must clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes any amounts that are owed exclusively to the Servicer, as Fannie Mae will not reimburse the Servicer for such amounts from any of the funds that the Borrower remits to cover the amounts confirmed as being due to Fannie Mae.

3. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Primary Risk Mortgage Loans

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond in writing to the Servicer's verification request. In its response, Fannie Mae will confirm the total payoff amount due to Fannie Mae, as well as the individual items comprising such total amount, including:

- the UPB of the Mortgage Loan;
- the net accrued interest due Fannie Mae;
- any applicable Prepayment Premium (broken down into the portions due to Fannie Mae and the Servicer); and
- any previously unpaid fees or other amounts owed to Fannie Mae.

Fannie Mae will provide any pertinent instructions for completing the prepayment payoff process, including any specific instructions that the Servicer must include in its payoff quote to the Borrower.

4. No Quote to Borrower until Fannie Mae Confirmation for Primary Risk Mortgage Loans

To ensure that the Borrower is quoted the correct payoff amount, including any applicable accrued interest, Prepayment Premium, late fees, or other amounts that might be owed under the terms of the Note, the Security Instrument, or the other Mortgage Loan Documents, the Servicer must not quote a final payoff amount to the Borrower without first obtaining Fannie Mae's confirmation of the accuracy of the Servicer's figures.

5. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Secondary Risk Mortgage Loans

Unless the Lender's Contract provides otherwise, Fannie Mae will not review the Servicer's payoff calculation for Secondary Risk Mortgage Loans. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes all amounts that are owed to Fannie Mae and to the Servicer.

6. Servicer Liability

Whether confirmed by Fannie Mae through the Payoff Calculator or the payoff calculation is performed by the Servicer, the Servicer is required to collect all amounts owing by the Borrower on a Mortgage Loan payoff. If Fannie Mae determines that Servicer has provided the Borrower incorrect information because of an error in the calculation of the payoff quote, the Servicer will be responsible for any shortfall and must remit all amounts due to Fannie Mae whether or not it has collected such amounts from the Borrower.

210.04B Reporting Full Prepayment Payoff Amount

1. Full Prepayment Payoff Amount Received on First Business Day of Month

Notwithstanding anything to the contrary above, any full prepayment of a Mortgage Loan from or on behalf of a Borrower that is received by the Servicer on the first Business Day of a month will be deemed received in the prior calendar month for purposes of reporting and remitting such full prepayment.

2. Full Prepayment Reported through the eServicing System Due By 2nd Day of Month

The full prepayment must then be reported electronically to Fannie Mae through the eServicing System. The report of the full payment must be transmitted in time to reach Fannie Mae by the 2nd calendar day of the month following the month of prepayment.

210.04C Remitting Full Prepayment Payoff Amount

1. Using Pass-Through Rate to Calculate Remittance to Fannie Mae

The Servicer must use the Pass-Through Rate to calculate its P&I remittance to Fannie Mae. After collecting payoff proceeds, calculated in the manner described above at the Gross Note Rate, the Servicer must subtract its Servicing Fee, calculated using a per diem rate based on the interest accrual method provided for in the Loan Documents.

2. Remittance Due on Remittance Date

The Servicer must remit the prepayment amount on the Remittance Date in the month after the prepayment occurs per the remittance requirements in this Chapter.

210.05 Full Prepayment for Securitized Transactions (Not Applicable to PFP MBS)

210.05A Confirming the Full Prepayment Payoff Amount

1. Calculating the Full Prepayment Payoff Amount

To obtain Fannie Mae's confirmation of the final payoff amount for a Securitized Mortgage Loan, the Servicer must submit a statement, detailing:

- All amounts that it has determined will be due and payable by the Borrower on the prepayment date, including:
 - the UPB of the loan (as of the prepayment date);
 - all accrued and to-be accrued interest, broken down into the net interest portion due to Fannie Mae (calculated at the Pass-Through Rate) and the portion to be retained by the Servicer as a Servicing Fee, calculated as if the payoff is occurring on the last day of the month in which the prepayment is occurring;
 - any unpaid late fees, if applicable;
 - any Prepayment Premium, if any, that is due in connection with the full prepayment specifying the respective portions due Fannie Mae, the Security certificate holder and Servicer; and
 - any other amounts due under the Note, Security Instrument, or any other Loan Document, including, if applicable, any unpaid fee due under any Collateral Agreement.
- All amounts that will be due and payable to Fannie Mae by the Servicer on the Remittance Date in the month following the month of prepayment, including:
 - the UPB of the loan;
 - a full month's accrued interest, calculated at the MBS Pass-Through Rate;
 - any applicable Prepayment Premium broken down into the portions due to the MBS investor, the Servicer, and Fannie Mae calculated in accordance with the Guide; and
 - any previously unpaid fees or other amounts owed to

Fannie Mae.

2. Fannie Mae Will Not Confirm Nor Is Responsible for Amounts Owing to Servicer

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the prepayment (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement must clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae, and the MBS investor, if applicable.

3. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Primary Risk Mortgage Loans

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies for Primary Risk Mortgage Loans. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond (in writing) to the Servicer's verification request. In its response, Fannie Mae will confirm the total payoff amount due to the Servicer from the Borrower, and will also separately confirm the amounts due to Fannie Mae from the Servicer, as well as individual items comprising such total amounts, including:

- the UPB of the Mortgage Loan; and
- accrued interest due:
 - to the Servicer from the Borrower;
 - a full month's accrued interest due Fannie Mae;
- any applicable Prepayment Premium (broken down into the portions due to Fannie Mae, the Servicer, and the MBS investor); and
- any previously unpaid fees or other amounts owed to Fannie Mae.

4. No Quote to Borrower Until Fannie Mae Confirmation for Primary Risk Mortgage Loans

To ensure that the Borrower is quoted the correct payoff amount, including any applicable accrued interest, Prepayment Premium, late fees, or other amounts that might be owed under the terms of the Note, the Security Instrument, or the other Mortgage Loan Documents, the Servicer must not quote a final payoff amount to the Borrower without first obtaining Fannie Mae's confirmation of the accuracy of the Servicer's figures.

5. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Secondary Risk Mortgage Loans

Fannie Mae will not review the Servicer's payoff calculation for Secondary Risk Mortgage Loans. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes all amounts that are owed to Fannie Mae and to the Servicer.

6. Servicer Liability

Whether confirmed by Fannie Mae through the Payoff Calculator or the payoff calculation is performed by the Servicer, the Servicer is required to collect all amounts owing by the Borrower on a Mortgage Loan payoff. If Fannie Mae determines that Servicer has provided the Borrower incorrect information because it quotes a final payoff amount to the Borrower prior to Fannie Mae confirmation or has erred in its calculation of the payoff quote where Fannie Mae confirmation is not provided, the Servicer will be responsible for any shortfall and must remit all amounts due to Fannie Mae whether it has collected such amounts from the Borrower.

210.05B Reporting Full Prepayment Payoff Amount

1. Security Reporting

By the second Business Day of the month following the month of prepayment, the Servicer must report the amount of the Prepayment Premium collected to Fannie Mae via the eServicing System in accordance with the reporting requirements provided in this Chapter.

2. Mortgage Loan Reporting Requirements

The Servicer must report the prepayment amount, including any applicable Prepayment Premium, to Fannie Mae by the second Business Day of the month following the month in which the prepayment occurs in accordance with the reporting requirements provided in this Chapter.

210.05C Remitting Full Prepayment Payoff Amount

Under MBS, the Servicer must remit a full month's accrued interest (calculated at the MBS Pass-Through Rate) for each month that the MBS is outstanding, even if a full or partial prepayment occurs during that month. Any shortfall between the interest collected from the Borrower and the full month's interest that is due to Fannie Mae must be deposited in the Servicer's MBS P&I Custodial Account from the Servicer's own funds and remitted to Fannie Mae. The Servicer must also remit a full month's Guaranty Fee for each month that the MBS is outstanding, even if a full or partial prepayment occurs during that month.

The Servicer must remit the prepayment amount on the Remittance Date in the month after the payoff occurs per the remittance requirements in this Chapter.

Section 211 Partial Prepayments Not From Insurance or Condemnation Proceeds

211.01 Partial Prepayments Generally Prohibited

Partial prepayment of the outstanding balance of any Mortgage Loan is prohibited unless explicitly permitted in the Mortgage Loan Documents. Under certain circumstances, to the extent permitted in the Mortgage Loan Documents, the proceeds of a Letter of Credit held pursuant to an Achievement Agreement or deposits held under a Replacement Reserve Schedule or other Collateral Agreement may be applied as a partial prepayment of the Mortgage Loan.

211.02 Partial Prepayment Procedures

211.02A Servicer's Analysis of Loan Documents

Any request from the Borrower for permission to make a partial prepayment must be forwarded to the Servicer's Fannie Mae Representative, along with the Servicer's analysis and recommendation. The Servicer must carefully examine the Mortgage Loan Documents to determine if partial prepayments are permitted and, if so, under what conditions and whether a Prepayment Premium is required. The Servicer's analysis of the request must include information about:

- the event or condition precipitating the prepayment request;
- the amount of principal that would be prepaid;
- the estimated Prepayment Premium, if any, that would be due in connection with the partial prepayment;
- any proposed recasting of the Mortgage Loan or other modification of the repayment terms; and
- the proposed timing of the prepayment.

211.02B Fannie Mae Approval Required for Partial Prepayments

Unless the Loan Documents expressly permit partial prepayments, Fannie Mae's approval is required before any partial prepayment is made. If the Servicer's Fannie Mae Representative agrees to allow or requires a partial prepayment to be made, it will advise the Servicer in writing of any specific conditions that will apply to such partial prepayment. Such specific conditions may include:

- when and how the prepayment must occur;
- whether a Prepayment Premium must be paid; and

- whether the Mortgage Loan repayment terms will be altered and, if so, how the Mortgage Loan Documents would have to be modified to reflect such alterations, etc.

Any decision to modify the Mortgage Loan repayment terms in connection with the partial prepayment will be made by Fannie Mae, in its sole and absolute discretion.

211.02C Prepayment Premium Due on Partial Prepayment

When a Prepayment Premium is required in connection with any partial prepayment, the Prepayment Premium is assessed on the amount of principal being prepaid and not on the outstanding UPB of the Mortgage Loan calculated and verified in the same manner as is required for full prepayments.

211.02D Reporting and Remitting Partial Prepayments When Not Permitted in Loan Documents

Partial prepayments must be reported in the same manner as is required for full prepayments. When Fannie Mae's approval is received, the proceeds representing the partial prepayment, including the Prepayment Premium (when required pursuant to the terms of the Loan Documents), must be remitted to Fannie Mae in the same manner and timeframe as required for full prepayments.

211.02E Reporting and Remitting Partial Prepayments When Permitted in Loan Documents

Fannie Mae approval is not required when the Loan Documents permit partial prepayments. Any such partial prepayments must be reported and remitted to Fannie Mae in the same manner and timeframe as is required for monthly remittances.

Section 212 Prepayments (Full or Partial) Involving Insurance Proceeds or Condemnation Awards

212.01 Partial Prepayments Generally Permitted

Partial prepayment of the Mortgage Loan is generally permitted for the application of the proceeds of an insurance claim or a condemnation award. Servicer must follow the requirements contained in the Loan Documents in connection with any such partial prepayment.

212.02 No Prepayment Premium Required

The Borrower is **not** required to pay a Prepayment Premium in

connection with any prepayment that occurs as a result of the application to the Mortgage Loan of insurance proceeds or condemnation award proceeds, regardless of when during the Mortgage Loan term such prepayment occurs.

212.03 Reporting and Remitting Partial Prepayments

The proceeds representing the partial prepayment must be reported and remitted to Fannie Mae in the same manner and timeframe as is required for monthly remittances.

Section 213 Prepayment Premium Sharing

213.01 General

The Lender Contract governs over the requirements of the Guide if it specifies whether the Lender or Servicer is entitled to retain a portion of any Prepayment Premium paid by the Borrower. If the Lender Contract provides that the Lender or Servicer is entitled to retain a portion of the Prepayment Premium, then the Servicer must calculate the applicable share of the Prepayment Premium owed to the Lender or Servicer, and remit to Fannie Mae that portion of the Prepayment Premium owed to Fannie Mae or the Investor. If the Lender Contract provides that the Lender or Servicer is not entitled to retain a portion of the Prepayment Premium, then the entire Prepayment Premium must be remitted to Fannie Mae.

If the Lender Contract does not specify whether the Lender or Servicer is entitled to retain a portion of any Prepayment Premium, then the Servicer is entitled to retain a portion of any Prepayment Premium only as provided below.

The Servicer must always remit the portion of the Prepayment Premium due to the Investor and to Fannie Mae with the final Mortgage Loan payment, retaining the balance of the Prepayment Premium due the Servicer as provided above. Upon receipt, Fannie Mae will pass through the portion of the Prepayment Premium due to the Investor.

213.02 Yield Maintenance Prepayment Premiums – Prepayment Occurs Before the Yield Maintenance Period End Date

213.02A Calculation of Total Prepayment Premium

For any prepayment that occurs before the Yield Maintenance Period End Date, the Servicer must first determine the total Prepayment Premium owing by the Borrower in accordance with the Loan Documents. The Loan Documents generally require the Borrower to pay a Prepayment Premium equal to the greater of (i) 1% of the UPB (the “Minimum 1% Prepayment Premium”), or (ii) yield maintenance.

213.02B Calculation of Investor's Share of Total Prepayment Premium for a Securitized Mortgage Loan

Fannie Mae does not guarantee payment of any portion of the Prepayment Premium to the Investor. The Investor only receives a share of any Prepayment Premium actually received from the Borrower. For a Securitized Mortgage Loan, the Servicer must calculate the Investor's share of the total Prepayment Premium as follows using the yield rate specified per the Loan Documents:

$(\text{Principal prepaid}) \times (\text{Pass-Through Rate} - \text{yield rate}) \times (\text{present value factor}).$

If the result is negative, the Investor receives no Prepayment Premium share.

213.02C Calculation of Fannie Mae's Share of Total Prepayment Premium

For both Securitized Mortgage Loans and Cash Mortgage Loans, the Servicer must calculate Fannie Mae's share of the total Prepayment Premium.

If the Prepayment Premium is greater than the Minimum 1% Prepayment Premium, the difference between the total Prepayment Premium and the Investor's portion will be shared between Fannie Mae and the Servicer. Fannie Mae's share equals:

$(\text{total Prepayment Premium} - \text{Investor's portion}) \times (\text{Guaranty Fee} / (\text{Guaranty Fee} + \text{Servicing Fee})).$

If the total Prepayment Premium equals the Minimum 1% Prepayment Premium, Fannie Mae's share equals the entire remaining Prepayment Premium above the Investor's portion.

213.02D Calculation of Servicer's Share of Total Prepayment Premium

The Servicer receives a portion of the Prepayment Premium only if the Prepayment Premium exceeds the Minimum 1% Prepayment Premium. The Servicer's share equals:

$(\text{total Prepayment Premium} - \text{Investor's portion}) \times (\text{Servicing Fee} / (\text{Guaranty Fee} + \text{Servicing Fee})).$

213.03 Yield Maintenance Prepayment Premiums – Prepayment Occurs On or After the Yield Maintenance Period End Date

213.03A Prepayment On or After Yield Maintenance Period End Date

The Loan Documents may provide that any full prepayment that occurs on or after the Yield Maintenance Period End Date but before a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs), must be accompanied by a Prepayment Premium equal to a stated amount (usually 1% of the UPB of the Mortgage Loan). Neither the Investor nor the Servicer is entitled to any portion of any Prepayment Premium paid on or after the Yield Maintenance Period End Date. The entire Prepayment Premium must be remitted to Fannie Mae.

213.03B Prepayment During Open Period

The Loan Documents may provide that the Borrower is not required to pay any Prepayment Premium in connection with a full prepayment made on or after a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs).

213.04 Fixed Rate Mortgage Loans with Graduated Prepayment Premiums

For fixed rate Mortgage Loans where the Loan Documents require a graduated Prepayment Premium, the Servicer is not entitled to retain any portion of the Prepayment Premium. The entire Prepayment Premium must be remitted to Fannie Mae.

213.05 Prepayment Premiums for ARM Loans and Structured ARM Loans

Unless the prepayment of an ARM Loan that used Prepayment Option 1 or Prepayment Option 2, or of a Structured ARM Loan is the result of a casualty or condemnation, any prepayment made before a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs) must include a Prepayment Premium that will be shared between Fannie Mae and the Servicer. The Investor is not entitled to receive any portion of the Prepayment Premium for either an ARM Loan or a Structured ARM Loan. In each case, Fannie Mae's share will be a percentage determined by the following formula:

$$\frac{\text{Guaranty Fee}}{\text{Guaranty Fee} + \text{Servicing Fee}}$$

For example, if the Guaranty Fee is 62.5 basis points and if the Servicing Fee is 45 basis points, then Fannie Mae's share will be:

<u>62.5</u> (62.5 + 45)	or	58.14%.
--------------------------------	----	---------

The Servicer must remit the portion of the Prepayment Premium due Fannie Mae with the final Mortgage Loan payment. The Servicer may retain the balance of the Prepayment Premium.

No Prepayment Premium is due in connection with an ARM Loan with a conversion option or with a Structured ARM Loan that is converting to a fixed rate Mortgage Loan.

213.06 Prepayment Premium Waivers; Servicer's Share of Prepayment Premium

The Servicer may not waive any portion of the Prepayment Premium due and owing under the Loan Documents, except as provided in [Part III, Chapter 18: Choice Refinance Loans, Section 1803: Prepayment Premiums](#) in connection with a Choice Refinance Loan.

No portion of the Servicer's share of the Prepayment Premium may be:

- waived by the Lender;
- used as a rebate to the Borrower, or any party related to the Borrower, for any purpose; or
- used for the payment of any expenses related to any loan used to refinance the Mortgage Loan.

Section 214 **Maturing Mortgage Loans/Payoffs**

214.01 Balloon Mortgage Loans

Fannie Mae expects any Borrower with a Balloon Mortgage Loan to refinance or otherwise pay off the Mortgage Loan in full on (or before) the scheduled Maturity Date. Failure to pay off the Mortgage Loan in full on (or before) the scheduled Maturity Date is a default and puts the Borrower at risk that Fannie Mae will exercise any available remedy under the Security Instrument and the other Loan Documents. Whenever a Borrower fails to pay off a Balloon Mortgage Loan on its Maturity Date, the Servicer must notify its Fannie Mae Representative of such failure as soon as possible, and must report the balloon payment default on the Multifamily Delinquency System®. Any acceptance of a payoff amount occurring after the Balloon Mortgage Loan's stated Maturity Date must be approved by Fannie Mae.

214.02 Servicer Notification of Payoff Amount to Borrower

At least 5 days prior to the scheduled Maturity Date of the Mortgage Loan, the Servicer must advise the Borrower in writing of the amount required to pay off the Mortgage Loan in full. The Servicer must ensure that the payoff figure quoted to the Borrower is correct.

214.03 Calculating and Obtaining Confirmation of Payoff Amount

214.03A Calculating the Full Payoff Amount

The Servicer's request for verification of the final payoff amount must be submitted to Fannie Mae at least 10 days before the scheduled Maturity Date. To obtain Fannie Mae's confirmation of the final payoff amount, the Servicer must submit a statement, detailing all amounts that it believes will be due and payable by the Borrower on the payoff date, including:

- the UPB of the Mortgage Loan (as of the payoff date);
- accrued interest, up to the payoff date, broken down into the net interest portion due to Fannie Mae (calculated at the Pass-Through Rate) and the portion to be retained by the Servicer as a Servicing Fee;
- any unpaid late fees, if applicable; and
- any other amounts due under the Note, Security Instrument, or any other Mortgage Loan Document, including, if applicable, any unpaid fee due under any Collateral Agreement.

214.03B Fannie Mae Will Not Confirm Nor Is Responsible for Amounts Owing to Servicer

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the payoff (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement must clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes any amounts that are owed exclusively to the Servicer, as Fannie Mae will not reimburse the Servicer for such amounts from any of the funds that the Borrower remits to cover the amounts confirmed as being due to Fannie Mae.

214.03C Fannie Mae Confirmation of Full Payoff Amount

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond (in writing) to the Servicer's verification request. In its response, Fannie Mae will confirm the total payoff amount due to Fannie Mae, as well as the individual items

comprising such total amount, including:

- the UPB of the Mortgage Loan;
- the net accrued interest due Fannie Mae;
- any applicable Prepayment Premium; and
- any previously unpaid fees or other amounts owed to Fannie Mae.

Fannie Mae also will provide any pertinent instructions for completing the payoff process, including any specific instructions that the Servicer must pass along to the Borrower with the payoff quote.

214.03D No Quote to Borrower Until Fannie Mae Confirmation

To ensure that the Borrower is quoted the correct payoff amount, including any applicable accrued interest, Prepayment Premium, late fees, or other amounts that might be owed under the terms of the Note, the Security Instrument, or the other Mortgage Loan Documents, the Servicer must not quote a final payoff amount to the Borrower without first obtaining Fannie Mae's confirmation of the accuracy of the Servicer's figures.

214.04 Reporting the Payoff and Remitting the Payoff Funds

214.04A Reporting Full Payoff Amount Through the eServicing System Due By 2nd Business Day of Month

The full payoff must be reported electronically to Fannie Mae through the eServicing System. The report of the full payment must be transmitted in time to reach Fannie Mae by the 2nd Business Day of the month following the month of payoff.

214.04B Remitting Full Payoff Amount

1. Using Pass-Through Rate to Calculate Remittance to Fannie Mae

The Servicer must use the Pass-Through Rate to calculate its P&I remittance to Fannie Mae. After collecting payoff proceeds, calculated in the manner described above at the Gross Note Rate, the Servicer must subtract its Servicing Fee, calculated using a per diem rate based on a 360-day year.

2. Remittance Due on Next Remittance Cycle for Cash Mortgage Loans and Securitized Mortgage Loans

For Cash Mortgage Loans and Securitized Mortgage Loans, the Servicer must follow the reporting and remitting procedures for monthly installment reporting and remitting.

Section 215 Post-Payoff Actions

215.01 Servicer Required Actions

215.01A General

To facilitate the return of release documents from Fannie Mae, at all times the Servicer must maintain on file with Fannie Mae a master file copy of the Custody Document Transmittal ([Form 276](#)) completed with the following information:

- the Lender's nine digit Servicer number;
- "MASTER FORM" entered for the Fannie Mae Loan Number;
- "Payoff" checked as the liquidation reason; and
- the Lender's mailing address.

The completed form must be sent to Multifamily Master Servicing. If the mailing information for the Lender changes at any time, the Lender must update the master file copy of the Custody Document Transmittal ([Form 276](#)) with Fannie Mae.

215.01B Individual Mortgage Loan Releases

For each Mortgage Loan, upon receipt of the payoff funds from the Borrower, the Servicer must:

- refund to the Borrower any T&I escrow funds and any Replacement Reserve funds still held by the Servicer in connection with the Mortgage Loan (must be accomplished within 30 days of the payoff); and
- send the following to Fannie Mae:
 - if the release documents are to be sent to a different mailing address than that listed on the master file copy of the Custody Document Transmittal ([Form 276](#)) with Fannie Mae, a transaction-specific Custody Document Transmittal ([Form 276](#)), requesting Fannie Mae to return the original Note and indicating the different address to which the release documents for that specific Mortgage Loan should be sent;
 - for all recorded Loan Documents (e.g., Security Instrument) that require a release, the appropriate release document for the state in which the Property is located; and
 - a request to Multifamily Servicing to release any additional collateral still held by Fannie Mae in connection with the

Mortgage Loan.

Fannie Mae will execute the necessary releases, and return them, along with the original Note (appropriately marked or stamped to evidence full satisfaction), to the Servicer. The Servicer must return the Note to the Borrower, file the appropriate UCC termination forms and arrange to have the release documents recorded. Fannie Mae will be responsible for returning any applicable Achievement Letter of Credit to the issuer for cancellation.

215.02 Post Payoff Document Retention Requirements

Following its return to the Servicer of the Note and the releases for all recorded Loan Documents, Fannie Mae will forward its file for the Mortgage Loan to the Servicer. The Servicer must retain the entire Mortgage Loan Servicing File for 7 years after a Mortgage Loan payoff.

Section 216 DUS Bond Credit Enhancement Transactions – Reporting and Remitting Requirements

The requirements of this Section are applicable to Bond Credit Enhancement Transactions only and the Servicer's reporting, collection, and remitting of prepayments must be done in accordance with the procedures described below.

216.01 Monthly Bond Credit Enhancement Reporting

For reporting purposes, the Servicer must segregate its DUS Bond Credit Enhancement portfolio into 2 groups:

- DUS Bond Credit Enhancement by Credit Enhancement Instrument and Collateral Agreement; or
- DUS Bond Credit Enhancement by a Security.

The Servicer must electronically submit a Credit Enhancement Activity Report (Form 4090) using the Credit Enhancement Servicing and Investor Reporting System (CESIR) for each DUS Bond Credit Enhancement Mortgage Loan and Bond each month. The date that the Credit Enhancement Activity Report is due is dependent on whether the Mortgage Loan's monthly P&I payments are due on the first of the month or on the 15th of the month.

The Servicer must register to use CESIR prior to use. Information regarding registering for CESIR can be found on <https://multifamily.fanniemae.com/applications-technology/cesir>.

For most DUS Bond Credit Enhancements, the monthly reporting

rule is applied as follows:

- If the Mortgage Loan payments are due on the first of the month, the report is due on the fourth calendar day of the month or the next Business Day if the fourth calendar day of the month is not a Business Day; or
- If the Mortgage Loan payments are due on the 15th day of the month, the report is due on the 15th calendar day of the same month or the next Business Day if such day is not a Business Day.

The monthly report must include:

- all scheduled Mortgage Loan payments to be made by the Borrower whether or not such payments are actually made by the Borrower; and
- bond redemptions reported by the Bond Trustee for the current calendar month.

216.02 Monthly Remittance Procedures

216.02A Monthly Remittances of Scheduled Payments to Bond Trustee

Monthly remittances to the Bond Trustee depend on the execution type for the transaction and applicable transaction requirements.

1. Standby Execution

For Standby executions, the Servicer must pay the Scheduled Payments (net of the Facility Fee) to the Bond Trustee. The Servicer must make the payment to the Bond Trustee by wire transfer of same day funds on or before the 5th Bond Business Day before the day on which the bond payment is due to be made by the Bond Trustee to the bondholders. Bond Business Day is determined under the Bond Indenture for each separate Bond transaction.

2. Direct Pay Execution

For direct pay executions, the Servicer must perform the following:

- a. The Servicer must pay to the Bond Trustee, by wire transfer of same day funds on the Bond Payment Date, the following components of the Scheduled Payment:
 - (1) the PRF deposit;
 - (2) the periodic fees payable to the Issuer, Bond Trustee, Rebate Analyst, any Compliance Monitor, Remarketing Agent and Tender Agent and any other similar person; and
 - (3) any other requirement, as specified in the

Reimbursement Agreement.

b. The Servicer must remit the following components of the Scheduled Payment to Fannie Mae in reimbursement of any related Advance under the credit enhancement as provided in this Section:

(1) the interest component; and

(2) any principal component which is to amortize immediately the Mortgage Loan and is not to be deposited into the PRF.

c. For Direct Pay Weekly Variable Rate transactions where the Borrower is obligated to make its payments 2 Business Days prior to the 15th of each month and the bondholders must be paid on the 15th of each month, the Servicer must make its payments by wire transfer of same day funds on the 1st or 15th calendar day of each month. Other requirements may apply, as specified in the Reimbursement Agreement.

216.02B Replenishment of Withdrawals from the PRF

If the Borrower pays the Servicer any amount to replenish a withdrawal from the PRF, the Servicer shall pay such amount to the Bond Trustee not later than 2:00 p.m. Eastern Time, no later than the Business Day immediately after receipt of such monies from the Borrower.

216.02C Collection and Remittance of Borrower Reimbursement Obligations for Fannie Mae Advances

The Servicer must pay the following amounts to Fannie Mae:

1. The interest component of the Scheduled Payment and principal component of the Scheduled Payment which is to amortize immediately the Mortgage Loan and is not to be deposited into the PRF. Such amounts reimburse Fannie Mae for the related Advance under a Credit Enhancement Instrument or Collateral Agreement.

2. Any accrued and unpaid Activity Fee.

3. Any other amounts due to Fannie Mae under the Reimbursement Agreement other than the Facility Fee.

Fannie Mae will draft such amounts so as to be received by Fannie Mae no later than the Business Day immediately after the receipt of such monies from the Borrower.

The Servicer must also collect from the Borrower and remit to Fannie Mae any other fees, expenses or additional costs due from the Borrower to Fannie Mae under the Reimbursement Agreement. Fannie Mae and/or the Bond Trustee will notify the Servicer regarding any such amounts to be invoiced by the Servicer for payment by the Borrower under the Reimbursement Agreement, the Financing Agreement or other Transaction

Document.

216.02D Monthly Remittance of Fees to Fannie Mae

Fannie Mae will draft the Facility Fee, net of the Servicer's Servicing Fee each month. Fannie Mae will draft such amounts 4 calendar days after such amount is scheduled to be paid by the Borrower under the applicable Transaction Document. If the fourth calendar day is not a Business Day, then such draft will be made on the next Business Day.

216.02E Notice and Collection of Other Fees and Expenses

At the written request of the Bond Trustee or if the Reimbursement Agreement or the Financing Agreement requires the Borrower to make such payments through the Servicer, the Servicer will invoice the Borrower for any fees and expenses payable by the Borrower to the (1) Issuer, (2) Bond Trustee, (3) Rating Agency, (4) Remarketing Agent, (5) Rebate Analyst, (6) Compliance Monitor or (7) Custodian.

The Servicer's invoice must require the Borrower to pay all such amounts to the Servicer not later than the earlier of ten days following the receipt of the invoice or the Business Day such amounts become due. The Servicer will remit all such payments received from the Borrower to the Bond Trustee, the Rating Agency, or Custodian, as applicable, and, if to the Rating Agency or Custodian, with notice to the Bond Trustee of such payment.

216.03 Prepayments – General Introduction

When a Borrower prepays a Mortgage Loan in a DUS Bond Credit Enhancement in whole or in part, the bonds also will be prepaid or redeemed in whole or in part on a corresponding basis. This is the starting point for the analysis of the obligations of the Borrower to account for any fees payable on account of the prepayment or redemption.

216.03A Bond Redemption Premiums Payable to Bondholders

All relevant rules regarding bond redemption premiums will be contained in the related Bond Indenture. The Borrower is obligated to pay any bond redemption premium. Fannie Mae does not provide credit enhancement for the bond redemption premium.

Not all types of bond redemptions are subject to redemption premiums and the Servicer must consult the related Bond Indenture documentation to determine whether a redemption premium is due. As a general rule, only bond redemptions initiated voluntarily or optionally by the Borrower will potentially have a redemption premium. Mandatory redemptions almost never have a redemption premium. Mandatory redemptions include redemptions paid from condemnation proceeds and insurance proceeds from casualty losses.

1. Variable Rate Bond Redemption

Weekly variable rate bonds may typically be redeemed at any time, or at least on any bond interest payment date, without restriction or redemption premium to the bondholders subject to the terms of the related Bond Indenture.

2. Fixed Rate Bond Redemption

Fixed rate bonds are typically restricted from optional or voluntary redemption by the Borrower for a specific period following the original bond issuance date, known as a lockout period. A lockout period may approximate 10 years from the initial bond issuance. Following the expiration of the lockout period, any voluntary redemption during the subsequent 3 to 5 year period typically requires the payment of a redemption premium to bondholders.

NOTE: Most transactions require the Borrower to pay the bond redemption premium with money that is not subject to being treated as a voidable preference under applicable bankruptcy and insolvency laws. This usually means the redemption premium cannot come from regular resources of the Borrower. The Bond Indenture must be consulted for requirements applicable to sources of payment of the Bond Redemption Premium and legal counsel should be consulted.

216.03B Termination Fee or Prepayment Premium Payable to Fannie Mae

Any Prepayment Premium payable to Fannie Mae on the credit enhancement is separate and distinct from any redemption premium payable to bondholders. This is true for all executions: Direct Pay, Standby and MBS.

In most instances, Fannie Mae requires the Borrower to pay a Prepayment Premium (or “Termination Fee” if required in the applicable documents) if the prepayment occurs within a certain number of years after original delivery of Fannie Mae’s credit enhancement. In earlier Bond Credit Enhancement transactions, the premium will be called a Prepayment Premium and will be addressed in the Note. In later transactions, the premium will be called a Termination Fee and will be addressed in the Reimbursement Agreement.

216.03C Termination When No Prepayment Occurs; Weekly Variable Rate Transactions

In DUS Variable Rate Credit Enhancements, there is the possibility that neither the Mortgage Loan nor the bonds are actually being prepaid, but only that the Borrower is replacing Fannie Mae as the provider of the credit enhancement and liquidity, terminating Fannie Mae’s involvement in the transaction. For purposes of this section, that too is treated as a prepayment. In the event that the Mortgage Loan is being prepaid or Fannie Mae is being replaced as credit enhancer, the result is that the credit

enhancement is being terminated. In recent years, to take this into account, the general term “Termination” has been used to refer to the events and “Termination Fee” to refer to the fee which may be payable on account of those events.

The Servicer must remit any Termination Fee due Fannie Mae in accordance with remittance requirements contained below in this Section by 2:00 p.m. Eastern Time on the next Business Day following the day on which the Borrower’s termination of Fannie Mae’s credit enhancement and liquidity is effective.

216.04 Prepayments – Processing

216.04A General

The Note requires the Borrower to give advance notice of a full or partial prepayment to the Servicer, the Bond Trustee, and, if a DUS Variable Rate Credit Enhancement, the Remarketing Agent. Any partial prepayment must be in an amount corresponding to an authorized denomination of the Bonds. Typically, Fannie Mae will require its consent to an optional redemption of Bonds.

The Servicer must always keep in mind that the date on which the Borrower must transfer money to the Servicer to initiate a prepayment may not be the day that the transfer of funds is treated as a prepayment under the governing documents. For example, under some documents the Borrower must make the prepayment not later than the last Business Day before the day the Bond Trustee, under the Bond Indenture, must have received funds for redemption of the Bonds. The Mortgage Loan prepayment will not be recognized until the Bonds are actually redeemed or deemed paid and no longer under the requirements of the Bond Indenture.

216.04B Prompt Notice of Intended Prepayment

The Servicer must promptly notify Fannie Mae (Multifamily Asset Management) and the Bond Trustee in writing upon receiving notice from the Borrower of a planned prepayment. If the prepayment does not occur on such date, the Borrower may not subsequently prepay the Mortgage Loan in full without first giving the Servicer and all other parties to whom notice is required, a new notice of intent to prepay in accordance with the Loan Documents.

216.04C Critical Path Due Dates

The Servicer must ensure that the final prepayment amount quoted to the Borrower prior to prepayment is correct. Accordingly, before the Servicer advises the Borrower of the final prepayment amount, the Servicer must verify such amount with the Bond Trustee and Fannie Mae.

1. No less than 10 days prior to the scheduled prepayment date, the Servicer must obtain the Bond Trustee's written confirmation of all amounts due and payable in connection with the prepayment.

2. No less than 10 days prior to the scheduled prepayment date, and after verifying amounts due on the Bonds with the Bond Trustee, the Servicer must request verification of the full or partial prepayment amount from Fannie Mae.

3. No less than 5 days prior to the day the Borrower is required to initiate the prepayment, the Servicer must advise the Borrower in writing of the full amount necessary to make the prepayment.

NOTE: The day the Borrower is required to initiate the prepayment will be before the day the Bonds are to be redeemed.

4. For weekly variable rate bonds, immediately following the last day on which interest is determined on the Bonds before the scheduled redemption date of the bonds, the Servicer must re-verify the amount the Borrower must pay for the prepayment. The Servicer must immediately advise the Borrower of any correction required by the re-verification.

The Servicer should note that the transaction documents do not uniformly address the redemption premium, if any, payable to Bondholders and Prepayment Premium or termination fee, if any, payable to Fannie Mae on account of a prepayment of the Mortgage Loan. In some instances, the fee maintenance Prepayment Premium set out in the Note will be payable to Fannie Mae. In other instances, the Prepayment Premium payable under the Note must be remitted to the Bond Trustee for payment to bondholders as a redemption premium. In this case, the Borrower may be required to pay a Termination Fee to Fannie Mae pursuant to the Reimbursement Agreement. The Servicer must be alert to these requirements.

216.04D Fannie Mae's Confirmation Required

To obtain Fannie Mae's confirmation of the prepayment amount, the Servicer must submit a statement detailing the following:

1. the Fannie Mae Mortgage Loan number(s) and bond number(s), the Property name and address and the expected prepayment date;

2. all amounts that it has determined (and for such amounts due the Bondholders, confirmed with the Bond Trustee) will be due and payable by the Borrower on the prepayment date, including:

(a) the full or partial principal prepayment (as of the prepayment date) of the Note, separately specifying any amounts in the PRF expected to be applied to principal;

(b) accrued interest up to but not including the date of prepayment of the Note;

(c) any unpaid late fees (if applicable);

(d) any Prepayment Premium or Termination Fee required to be paid to the Bondholders or Fannie Mae, respectively, under the terms of the Note, the Financing Agreement, the Indenture or the Bonds;

(e) any termination fee payable to Fannie Mae pursuant to the Reimbursement Agreement;

(f) any other amounts due under the Loan Documents; and

(g) all other amounts due upon a redemption of Bonds under the Bond Documents, including any interest required to cover the gap between Mortgage Loan and Bond prepayment for which an escrow or collateral is not already provided. (The Servicer must request this information from the Bond Trustee.)

3. written confirmation from the Bond Trustee of all amounts due the Bondholders.

4. all amounts that will be due and payable to Fannie Mae on the day as required by this Section following prepayment, including:

(a) Credit Enhancement Fee and Liquidity Fee;

(b) any previously unpaid fees or other amounts owed to Fannie Mae; and

(c) any applicable Prepayment Premium or Termination Fee that is due, broken down into the portions due to the Servicer and Fannie Mae.

The Prepayment Premium or Termination Fee is a percentage (as specified in the Note or Reimbursement Agreement) multiplied by the UPB of the Mortgage Loan after crediting the scheduled payment due on the date regular mortgage loan payments are due (in some transactions, the first of the month and in others, the 15th of the month) in which a prepayment takes place.

Fannie Mae's share of the Prepayment Premium or Termination Fee will be a percentage determined by dividing the sum of the Credit Facility Fee and the Liquidity Fee by the sum of the Credit Facility Fee, Liquidity Fee and the Servicing Fee.

No Prepayment Premium or Termination Fee is due in connection with an application of insurance proceeds or condemnation awards, a monthly deposit to the PRF, a redemption of Bonds from amounts transferred from the PRF to a redemption account, a reduction and amortization of the Mortgage Loan as a result of a Bond redemption, or an adjustment to a Reset Rate or a Fixed Rate.

For New Construction/Substantial Rehabilitation Mortgage Loans, other prepayment criteria may apply depending on the transaction structure.

Fannie Mae is not responsible for confirming any amounts owed to

the Servicer at the time of the prepayment (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement should clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae and the Bond Trustee.

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond to the Servicer's verification request in writing. In its response, Fannie Mae will confirm the total payoff amount due to the Servicer from the Borrower, and will also separately confirm the amounts due to Fannie Mae from the Servicer, as well as individual items comprising such total amounts.

It is the Servicer's responsibility to prepare lien release documentation.

216.05 Prepayments: Prepayment Reporting

The Servicer must report the prepayment amount, including any applicable Prepayment Premium or Termination Fee due Fannie Mae and/or any redemption premium due the bondholders, to Fannie Mae in accordance with the reporting requirements contained in [Part V, Chapter 2: Reporting and Remitting, Section 216.01: Monthly Bond Credit Enhancement Reporting](#). The date the report is due depends on the execution type of the underlying transaction.

1. If the Mortgage Loan payments are due on the first of the month, the report is due on the fourth calendar day of the month in which the prepayment occurs, or the next Business Day if the fourth is not a Business Day.
2. If the Mortgage Loan payments are due on the 15th of the month, the report is due on the 15th of the month or the next Business Day if such day is not a Business Day.

216.06 Prepayments: Remittances

The Servicer must remit any Prepayment Premium and/or Termination Fee due Fannie Mae by 2:00 p.m. Eastern Time, on the next Business Day following the day on which the Borrower's prepayment is received.

Depending on the execution and transaction type, the Servicer must also be concerned with invoicing, collecting and remitting the principal amount of the Mortgage Loan to be prepaid. In all cases, the Servicer must invoice and collect the principal amount being prepaid from the Borrower. No prepayment of Direct Pay Facilities will be allowed until Fannie Mae receives the necessary funds from the Borrower.

Any prepayment of principal on any Mortgage Loan received by the Servicer shall be paid, as follows:

1. Standby Execution: Prepayments shall be remitted to the Bond Trustee not later than the Bond Business Day immediately after the date of receipt such funds by the Servicer; or
2. Direct Pay Execution: Prepayments shall be remitted to Fannie Mae on the same day as the Fannie Mae Advance to the Bond Trustee funding the corresponding bond redemption associated with the prepayment.

216.07 Reporting on Delinquency Status

The Servicer must electronically submit to Fannie Mae using the Multifamily Delinquency Early Warning System (DEWS), or any successor system selected by Fannie Mae to do such reporting, the monthly delinquency status of the Mortgage Loan on the 17th calendar day of the month. If the 15th falls on a holiday or weekend, the System is available the next Business Day. The Servicer must plan around this one day window period for the purpose of reporting delinquencies. This rule applies to all execution and transaction types for DUS Bond Credit Enhancement.

Section 217 Mezzanine Loan Reporting and Remitting

NOTE: Except as otherwise required below, the reporting and remitting requirements for Cash Mortgage Loans provided in this Chapter apply to Mezzanine Loans.

217.01 Remitting DUS Plus Mezzanine Loans

For the DUS Plus Mezzanine Loan, the Servicer is required to remit to Fannie Mae via the Cash Remittance System. On each remittance date the amount representing P&I (adjusted to the Pass-Through Rate) actually collected from the Mezzanine Borrower must be remitted. The initial remittance date for any DUS Plus Mezzanine Loan is the 18th day of the month following the month in which the DUS Plus Mezzanine Loan is purchased, with monthly remittances due on the 18th day of each month thereafter.

For each DUS Plus Mezzanine Loan, the principal distribution amount remitted must include the sum of:

- the principal portion actually collected from the Mezzanine Borrower of the monthly installment due during the period beginning on the second day of the month preceding the month in which a remittance date occurs and ending on the first day of the month in which a remittance date occurs; and
- any unscheduled principal recovery collected on a DUS Plus Mezzanine Loan during the month preceding the month in

which a remittance date occurs.

The interest distribution amount remitted includes the interest portion of the monthly installment (that portion actually collected from the Mezzanine Borrower), adjusted to the Pass-Through Rate, due on the first day of the month in which a remittance date occurs or due at any time (other than the first day) during the preceding month.

The Servicer must remit funds collected from the Mezzanine Borrower even if they do not represent a full payment. The Servicer may not deduct monthly Servicing Fees until the entire monthly payment has been collected from the Mezzanine Borrower.

The Servicer is not required to remit to Fannie Mae on the remittance date any amounts representing P&I that have not been received from the Mezzanine Borrower and are, therefore, delinquent. Any delinquent payment received after the 18th calendar day of the month in which it is due must be remitted to Fannie Mae by 1:00 p.m. ET within 24 hours of its receipt.

217.02 Payoffs

For DUS Plus Mezzanine Loans, proceeds for payments-in-full, including any applicable repayment fees, must be remitted directly to the mezzanine investor within 24 hours after receipt by the DUS Servicer. The full payment must be reported to Fannie Mae by the second Business Day of the month following the month in which the prepayment is received in accordance with Part V of this Guide.

Section 218 Defeasance

218.01 Mortgage Loan Documents Must Permit Defeasance

A Borrower may elect to defease its Mortgage Loan only if the Loan Documents permit defeasance. If the Borrower's Mortgage Loan Documents do not permit defeasance, defeasance of the Mortgage Loan is not permitted.

218.02 Borrower's Election to Defeasance

Prior to the Mortgage Loan's Maturity Date and during the Mortgage Loan's Defeasance Period, the Borrower may defease the entire outstanding balance of the Mortgage Loan in accordance with the applicable terms and conditions of the Borrower's Loan Documents and the provisions of this Section.

218.03 Defeasance Option Procedures

To accomplish the defeasance, the following procedures must be followed:

218.03A Defeasance Documents

Servicer must obtain the most current Defeasance documents from the Fannie Mae website. The Defeasance documents consist of the Defeasance Notice ([Form 4622](#)) and other closing documents required by Fannie Mae in order for the defeasance to occur.

218.03B Defeasance Notice

The Servicer must complete the Defeasance Notice ([Form 4622](#)) after verifying the Mortgage Loan is eligible for defeasance and obtaining from the Borrower the date on which the Borrower desires to consummate the Defeasance. The Defeasance Close Date may not be more than 45 calendar days nor less than 30 calendar days after the date on which the Defeasance Notice is received by the Servicer. The Servicer must use the Defeasance Calculator application on the Fannie Mae web site to estimate the Defeasance Deposit and the estimated Defeasance Deposit must be inserted in the appropriate box in the Defeasance Notice. The information on the Defeasance Notice will not be final until it is confirmed by Fannie Mae. Until then, the Defeasance Deposit and other information are estimates. The Defeasance Notice will specify (a) whether a Fannie Mae debt instrument will be offered for use as the substitute collateral and, if not, that U.S. Treasury Securities will be the substitute collateral; and (b) whether the successor entity will be designated by Fannie Mae or Borrower, and (c) the amount of the Defeasance Commitment Fee.

To be effective, the Borrower must execute and send the Defeasance Notice to the Servicer so that the Servicer receives the Defeasance Notice no earlier than 11:00 a.m. and no later than 3:00 p.m. ET on a Business Day.

The Servicer must then sign and execute the Defeasance Notice and fax the Defeasance Notice and a copy of the Note to be defeased to its Fannie Mae Representative.

Fannie Mae must receive the fax by 5:00 p.m. ET on the same day that the Defeasance Deposit was calculated for verification by Fannie Mae.

218.03C Defeasance Commitment Fee

A Defeasance Commitment Fee equal to 1% of the scheduled balance of the Mortgage Loan as of the Defeasance Close Date, must be paid by the Borrower to the Servicer no later than the date and time when the Servicer receives the executed Defeasance Notice from the Borrower. The Servicer must wire the Defeasance Commitment Fee to Fannie Mae within 24 hours after receipt of the Borrower's executed Defeasance Notice.

218.03D Verification of the Defeasance Notice

Fannie Mae will verify the Mortgage Loan information contained in the Defeasance Notice as well as the Mortgage Loan's eligibility for defeasance. After verification and within two (2) Business Days after the initial receipt of the Defeasance Notice from the Servicer, Fannie Mae will sign the Defeasance Notice and fax it back to the Servicer along with an Exhibit that details the monthly cash flows of the Fannie Mae debt instrument that will replace the Property as collateral for the Mortgage Loan.

The Servicer will then fax the verified Defeasance Notice to the Borrower on the same day that the Servicer receives the verified Defeasance Notice from Fannie Mae. In the event that Fannie Mae made changes to the Defeasance Notice, the Borrower must initial the changed portions of the Defeasance Notice and fax it back to the Servicer on that same day. The Servicer must then immediately fax the Borrower-initialed Defeasance Notice to Fannie Mae.

If the Servicer does not

- receive the Defeasance Commitment Fee, and
- provide confirmation of the Defeasance Notice to the Borrower,

then the Borrower's right to obtain Defeasance pursuant to that Defeasance Notice shall terminate. If the Borrower still wishes to defease the Mortgage Loan, the Borrower must submit a new Defeasance Notice and repeat the process outlined above.

218.03E Substitute Collateral

On or before the Defeasance Close Date, the Borrower must deliver to the Servicer a Defeasance Pledge Agreement ([Form 4529](#)), creating a perfected security interest in the substitute collateral in favor of Fannie Mae.

218.03F Assignment and Assumption

The Borrower must assign all its obligations and rights under the Note, together with the substitute collateral, to a successor entity designated by Fannie Mae or, if not so designated by Fannie Mae, designated by Borrower and acceptable to Fannie Mae. The Borrower and the successor entity shall execute and deliver to the Servicer a Defeasance Assignment and Assumption Agreement ([Form 4528](#)).

218.03G Closing Documents

The Servicer must deliver to Fannie Mae by no later than 10 a.m. ET, five (5) Business Days before the Defeasance Close Date, the following documents:

- a Borrower's Counsel Opinion Letter ([Form 6618](#)) affirming:
 - that each Defeasance Document constitutes the valid and legally binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms;
 - that the defeasance is not subject to avoidance under any applicable federal or state laws;
 - that, if the Note is held by a REMIC Trust, then the defeasance has been effected in such a way that does not adversely affect the REMIC Trust; and
 - such other opinions, certificates, documents or instruments as Servicer may reasonably request;
- the Defeasance Assignment and Assumption Agreement ([Form 4528](#)); and
- the Defeasance Pledge Agreement ([Form 4529](#)).

Transmittal of these documents shall be accompanied by a completed Multifamily Defeasance Transmittal Form ([Form 4631](#)).

218.03H Amounts Payable by Borrower

On or before the Defeasance Close Date, the Borrower must pay to the Servicer an amount equal to the sum of:

- the next scheduled P&I payment due under the Note;
- all other sums then due and payable under the Note, the Security Instrument and any other Loan Document; and
- all costs and expenses incurred by the Servicer in connection with the defeasance, including any out-of-pocket fees and disbursements of the Servicer's legal counsel.

218.03I Defeasance Deposit

If a Fannie Mae investment security will be the substitute collateral, then, on or before 3:00 p.m. ET on the Defeasance Close Date, the Borrower must pay the Defeasance Deposit (reduced by the Defeasance Commitment Fee) to the Servicer to be used by the Servicer, as the Borrower's agent, to purchase the Fannie Mae Investment Security.

The Borrower or Closing Agent must wire the Defeasance Deposit to Servicer by 3:00 p.m. ET on the Defeasance Closing Date. The Servicer must wire the Defeasance Deposit (reduced by the Defeasance Commitment Fee) to Fannie Mae for receipt by 5:00 p.m. ET on the Defeasance Closing Date.

218.03J Release

Upon the Borrower's compliance with the Defeasance requirements, the Property will be released from the lien of the Security Instrument. Upon release of the Property, the Note will be secured by the pledge of the Substitute Collateral.

218.03K Fannie Mae Security Liquidated Damages

If the Borrower timely pays the Defeasance Commitment Fee and the Servicer and the Borrower timely transmit a signed facsimile copy of the Defeasance Notice, but the Borrower fails to consummate the defeasance, Fannie Mae shall have the right to retain the Defeasance Commitment Fee as liquidated damages for the Borrower's default and, subject to the terms and conditions of the Note, the Borrower shall be released from all further obligation to defease the Note under the given Defeasance Notice.

218.03L Third-Party Costs

In the event that the Defeasance is not consummated on the Defeasance Closing Date for any reason, the Borrower must reimburse the Servicer for all third-party costs and expenses incurred by the Servicer in its reliance on the Defeasance Notice executed by the Borrower, within five (5) Business Days after the Borrower receives a written demand for this reimbursement.

218.03M Post Defeasance Closing Date

Fannie Mae will transfer the defeased Mortgage Loan from the Servicer's servicing portfolio effective on the first day of the second month following the Defeasance Closing Date. The Servicer will be required to report and remit payments for the next scheduled P&I payment collected as part of the Defeasance Closing. Thereafter, the Servicer will no longer be required to perform other servicing requirements for the defeased Mortgage Loan. Beginning on the 18th calendar day of the second calendar month after the Defeasance Closing Date (or the next Business Day if such day is not a Business Day) until the maturity of the Mortgage Loan, the Servicer will receive the remaining scheduled servicing fee for the Mortgage Loan minus five (5) basis points provided the Authorization for ACH Remittance ([Form 4630](#)) has been submitted.

Section 219 Delinquency Reporting and Certification

On the 17th calendar day of each month, Servicers must take the following actions with respect to Mortgage Loans:

- Report all delinquent Mortgage Loans to Fannie Mae using the Delinquency Early Warning System ("DEWS"), which Servicers

may access through the eServicing System. Delinquency reporting must include delinquencies for Mortgage Loans on Bond Credit Enhancements, even if the Servicer also elects to report these delinquencies through CESIR.

- Certify as to the delinquency status of all Mortgage Loans. If a Servicer's Mortgage Loan portfolio does not include any delinquent Mortgage Loans, the Servicer must certify to that effect.

Prior to the 17th calendar day of each month, Servicers may use the "Preliminary" Case Status indicator to set up initial delinquency cases in DEWS.

On the 17th calendar day of each month, Servicers must change all "Preliminary" Case Status indicators to "Open" for all Mortgage Loans still delinquent or delete remaining initial cases for all Mortgage Loans that have cured. No "Preliminary" Case Status cases can remain as of the 17th calendar day of each month.

If the 17th calendar day of a month falls on a weekend or holiday, the Servicer must report and certify on the next Business Day.

Servicers must complete the "comments section" in each report with important additional information regarding the delinquent Mortgage Loan including, at a minimum, the following:

- the Servicer's attempts to contact the delinquent Borrower;
- the cause for the missed payment(s);
- whether payment is expected before the end of the month;
- the likelihood of the Borrower making the next month's payment;
- if the payment will not be made before the end of the month of default, whether the Borrower will voluntarily turn over the monthly net operating income of the Property;
- the willingness of the Borrower to work with the Servicer to resolve the delinquency; and
- whether the Mortgage Loan is being Special Serviced by Fannie Mae's Special Asset Management (SAM) group (Primary Risk Mortgage Loans) or the Servicers' Special Servicing group (Secondary Risk Mortgage Loans).

Servicers must update at least once per week all delinquency reports with an "Open" status indicator.

Section 220

Reporting Collateral Balances in Custodial Accounts

Servicers must report, on a quarterly basis, the balances of Mortgage Loan collateral held by Servicers in their Custodial Accounts using Collateral Submission Report ([Form 4813](#)). Collateral balances that must be included in the quarterly reporting include balances for all Custodial Accounts whether the collateral is held as cash, securities or letters of credit.

220.01 P&I Custodial Accounts

Except as noted in [Part V, Chapter 2: Reporting and Remitting, Section 220.04: What to Report](#), balances in P&I Custodial Accounts are excluded from this reporting requirement.

220.02 Letters of Credit as Collateral

Balances for any original Letters of Credit held by the Servicer must be reported. Balances for any original Letter of Credit held by Fannie Mae are not required to be reported.

220.03 Report on Fair Value Basis

If the form of collateral is securities or Letters of Credit, Servicers must report the balances on a fair value basis (the price that would be received to sell an asset in a transaction between market participants).

220.04 What to Report

Collateral that must be reported using the Collateral Submission Report ([Form 4813](#)) includes:

- Short Term
 - any Replacement Reserves or repair escrows;
 - insurance proceeds held pending repair or damage to the Property; or
 - condemnation proceeds received in a condemnation action related to the Property.
- Long Term
 - any operating deficit or debt service reserve; or
 - NCF sweeps – to the extent NCF exceeds monthly P&I remitted to Fannie Mae in the ordinary course.
- Balances in any T&I Custodial Account.
- Other
 - any other escrow, collateral or achievement funds

governed by an agreement with the Borrower;

- any holdback of Mortgage Loan proceeds; or
- any tenant security deposits held by the Servicer.

220.05 When to Report

The Collateral Submission Report ([Form 4813](#)) must be submitted to Servicer's Fannie Mae Representative within thirty (30) days after the end of each calendar quarter.

Section 221 Internal Revenue Service Reporting Requirements

221.01 What to Report

The Servicer must comply with Internal Revenue Service reporting requirements for:

- reporting the receipt of \$600 or more of interest payments from any Borrower who is a natural person (IRS Form 1098);
- filing Statements for Recipients of Miscellaneous Income (IRS Form 1099-MISC) to report payments of fees and related expenses to attorneys and other third parties in connection with foreclosure or liquidation proceedings in connection with a Mortgage Loan and the related Property;
- filing notices of Acquisition or Abandonment of Secured Property (IRS Form 1099-A) to report the acquisition of a Property by foreclosure or acceptance of a deed-in-lieu or by a Borrower's abandonment of a property; and
- filing notices of Cancellation of Debt (IRS Form 1099-C) to report the cancellation of any part of a Borrower's indebtedness.

Should the Internal Revenue Service change the reporting requirements in connection with any of IRS Form 1098, IRS Form 1099-MISC, IRS Form 1099-A or IRS Form 1099-C, the Servicer must comply with those changed reporting requirements, notwithstanding anything to the contrary contained in this Chapter. The Servicer should contact Fannie Mae if it believes any portion of this Chapter to be in conflict with such Internal Revenue Service reporting requirements.

221.02 Filing IRS Form 1099 MISC

The Servicer must report all attorney (or trustee) fees paid by the Servicer to Servicer-retained attorneys or trustees or to Fannie Mae-retained

attorneys or trustees for handling foreclosure proceedings, by filing Form 1099-MISC (Miscellaneous Income) with the Internal Revenue Service and other parties. This form must be filed in the Servicer's name, using its Internal Revenue Service tax identification number.

If the Servicer pays for any expenses authorized by Fannie Mae for the maintenance, repair, or marketing of an REO Property, or when the Servicer pays directly any business that is not a corporation for recurring maintenance costs, minor repair costs, or routine costs in connection with an REO Property, the Servicer must report such payments to the Internal Revenue Service. To accomplish this, the Servicer must prepare an IRS Form 1099-MISC (Miscellaneous Income) for the appropriate tax year and submit it to the Internal Revenue Service and to the individual payee. This form must be filed in the Servicer's name, using its Internal Revenue Service taxpayer identification number.

221.03 Notifying the Internal Revenue Service about Abandonments or Acquisitions (IRS Form 1099-A)

221.03A When Required

The Internal Revenue Service requires that information returns be filed when Fannie Mae (or a third party) acquires an interest in a Property in full or partial satisfaction of the Mortgage Loan or when Fannie Mae or the Servicer has reason to know that a Property has been abandoned. The Servicer must file these notices on Fannie Mae's behalf, using IRS Form 1099-A (Acquisition or Abandonment of Secured Property), for all applicable Mortgage Loans (including Mortgage Loan participations if Fannie Mae's percentage ownership of such Mortgage Loan is 50% or greater).

The Servicer must satisfy the reporting requirements for the "owner of record" (instead of on Fannie Mae's behalf) when the Servicer purchased a delinquent Mortgage Loan from Fannie Mae before the Property was acquired by the Servicer in full or partial satisfaction of the Mortgage Loan.

For purposes of filing these reports:

- Fannie Mae (or the "owner of record") acquires an interest in the Property when any redemption period that follows a foreclosure sale ends without redemption rights being exercised (or when Fannie Mae accepts a deed-in-lieu of foreclosure);
- A third party acquires an interest in the Property at the foreclosure sale; and
- Abandonment occurs when Fannie Mae or the Servicer has "reason to know" from "all facts and circumstances concerning the status of the Property" that the Borrower intended to discard or has permanently discarded the Property from use.

The Servicer, however, will have an additional three months before its reporting obligation arises if the Servicer expects foreclosure proceedings to begin within the three months after determination that abandonment has occurred.

After an event that triggers a reporting requirement occurs, IRS Form 1099-A must be filed on or before February 28 (or March 31 if filing electronically) of the year following the calendar year in which the event occurred. The Servicer also must furnish the Borrower with an information statement on or before January 31 of that year. The requirement for notifying the Borrower can be satisfied by sending Copy B of a completed IRS Form 1099-A to the Borrower's last known address. When the form is filed on Fannie Mae's behalf, it must show Fannie Mae's name, address, and federal identification number (52-0883107), and include a legend stating that the information is being reported to the Internal Revenue Service. If it is filed by the Servicer on its own behalf or for the "owner of record," the name, address, and identification number of the Servicer or owner of record, respectively, must be provided instead.

221.03B Preparing IRS Form 1099-A

The Servicer is responsible for completing the IRS Form 1099-A accurately, for filing it with the Internal Revenue Service, and for providing the information to the Borrower and to Fannie Mae by the required dates. If the Internal Revenue Service penalizes Fannie Mae because a Servicer failed to file a return or filed an incorrect return or late return, Fannie Mae will require the Servicer to reimburse Fannie Mae for any penalty fees the Internal Revenue Service assesses (unless the Servicer can document that it met the filing requirements).

Information that must be reported on IRS Form 1099-A includes:

- the Borrower's taxpayer identification number (the Social Security number if the borrower is a natural person);
- the date of acquisition of an interest in the Property or the date the Servicer acquired knowledge of the abandonment;
- the outstanding UPB of the Mortgage Loan;
- a general description of the Property; and
- whether the Borrower is personally liable for the debt and, if personally liable, the fair market value of the Property at the time of acquisition.

221.04 Notifying the Internal Revenue Service about Cancellations of Indebtedness (IRS Form 1099-C)

221.04A When Required

The Internal Revenue Service requires certain mortgage holders, including Fannie Mae, to file information returns when \$600 or more of a Mortgage Loan is cancelled. Except as provided in [Part V, Chapter 2: Reporting and Remitting, Section 221.04D: Exceptions to IRS Form 1099-C Reporting](#), the Servicer must file these returns on Fannie Mae's behalf, using IRS Form 1099-C, for all applicable Mortgage Loans (including Mortgage Loan participations if Fannie Mae's percentage ownership of such Mortgage Loan is 50% or greater). If, in the same calendar year, a Mortgage Loan is canceled in connection with a foreclosure or abandonment of secured property, it is not necessary to file both Form 1099-A and Form 1099-C for the same Borrower. Only Form 1099-C need be filed, and the Form 1099-A filing requirement for the Borrower will be met by completing boxes 4, 5, and 7 on Form 1099-C.

221.04B Determining When a Debt Is Cancelled

A debt is cancelled (in whole or part) when any of the following occur:

- discharge in bankruptcy under Title 11 of the U.S. Code;
- receivership, foreclosure, or similar federal or state court proceeding makes the debt unenforceable;
- the statute of limitations applicable to collecting the debt expires (if so determined by a court and any appeal period has expired), or expiration of the statutory period for filing a claim or beginning a deficiency judgment proceeding;
- foreclosure remedies by law end or bar Fannie Mae's right to collect the debt (e.g., foreclosure by exercise of the "power of sale" in the Security Instrument);
- probate or similar proceeding cancels or extinguishes the debt;
- Fannie Mae and the Borrower agree to cancel the debt at less than full consideration;
- a decision or defined policy of Fannie Mae causes collection activity to be discontinued and the debt to be cancelled; or
- expiration of a "non-payment testing period".

The Internal Revenue Service presumes that a debt is cancelled during a calendar year if no payment has been received on the Mortgage Loan during a period (the "non-payment testing period") of 36 months, plus the number of calendar months when collection activity was precluded by a stay in bankruptcy or similar bar under state or local law. The presumption may be rebutted, however, if there has been significant, bona fide collection

activity at any time during the calendar year, or if facts and circumstances, existing as of January 31 of the calendar year following expiration of the 36-month period, indicate that the indebtedness has not been discharged.

221.04C Preparing IRS Form 1099-C

The Servicer is responsible for completing the Cancellation of Debt (IRS Form 1099-C) accurately, and for filing it with the Internal Revenue Service and providing the information to the Borrower and to Fannie Mae by the required dates. The form must be filed on or before February 28 (or March 31 if filing electronically) of the year following the calendar year in which the discharge of indebtedness occurs.

If the Internal Revenue Service penalizes Fannie Mae because the Servicer failed to file a return or filed an incorrect or late return, Fannie Mae will require the Servicer to reimburse Fannie Mae for any penalty fees the Internal Revenue Service assesses (unless the Servicer can document that it met the filing requirements).

The Servicer also must furnish the Borrower with an information statement before January 31 of that year. The requirement for notifying the Borrower can be satisfied by sending Copy B of a completed IRS Form 1099-C (or a substitute statement that complies with Internal Revenue Service requirements for substitute forms) to the Borrower's last known address, and the Servicer must send Copy C to those states that require it. When the form is filed on Fannie Mae's behalf, it must show Fannie Mae's name as the "Creditor," Fannie Mae's address and federal identification number (52-0883107), and include a legend identifying the statement as important tax information that is being furnished to the Internal Revenue Service.

Information that must be reported on IRS Form 1099-C includes:

- the Borrower's name, address, and taxpayer identification number (the Social Security number if the borrower is a natural person);
- the date the debt was cancelled;
- the amount of the cancelled debt, which does not include interest or any amount received in satisfaction of the debt from a foreclosure sale or other means;
- a description of the debt, such as "mortgage loan," and a description of the Property if a combined IRS Form 1099-C and 1099-A is filed;
- whether the Borrower is personally liable for the debt;
- whether the debt was cancelled in bankruptcy; and
- the fair market value of the Property if a combined IRS Form

1099-C and 1099-A is filed.

If the cancelled Mortgage Loan had an original principal amount of \$10,000 or more, was originated after 1994, and involves Borrowers who are jointly and severally liable for the debt, a separate information return for each Borrower must be filed, and each return must report the entire amount of the cancelled debt. If the Mortgage Loan was originated prior to January 1, 1995, or if the original principal amount of the cancelled Mortgage Loan was less than \$10,000, and if there are multiple Borrowers, reporting is required only with respect to the primary (or first-named) Borrower. In addition, only one information return is required, regardless of the origination date or the original principal amount, if the Servicer knows, or has reason to know, that co-Borrowers were husband and wife living at the same address when the Mortgage Loan was originated, and does not know or have reason to know that such circumstances have changed when the Mortgage Loan is cancelled.

221.04D Exceptions to IRS Form 1099-C Reporting

Interest. Interest need not be reported. If it is reported as part of the cancelled debt, the IRS Form 1099-C instructions require that it be shown in a separate box on the form.

Non-principal amounts. Cancellation of amounts other than stated principal, including penalties, fines, fees, and administrative costs charged to the Borrower, need not be reported.

Release of a co-Borrower. IRS Form 1099-C need not be filed when one Borrower is released from a Mortgage Loan as long as the remaining Borrowers are liable for the full UPB of the Mortgage Loan.

Guarantor or surety. A guarantor or surety (i.e., any Guarantor or Key Principal executing a Non-Recourse Guaranty or a Payment Guaranty) is not a Borrower for purposes of the debt cancellation reporting requirements, so IRS Form 1099-C is never required.

221.04E Coordination with Reporting Abandonments or Acquisitions

If, in the same calendar year, the Mortgage Loan is cancelled in connection with the acquisition or abandonment of the same Property securing the Mortgage Loan, filing a timely and accurate IRS Form 1099-C will satisfy the requirement to file an IRS Form 1099-A.

221.05 Reporting via Magnetic Media

The Servicer must report IRS Forms 1099-C and 1099-A information on magnetic media and must do so on Fannie Mae's behalf. Even though the Servicer reports to the Internal Revenue Service on magnetic media, it is still responsible for providing a hard copy of the IRS

Forms 1099-C or 1099-A, as applicable, to the Borrower (Copy B) and to those states that require it (Copy C). Copy B must be sent to the Borrower no later than January 31.

The Servicer must review each Borrower's Form W-9 for validity and request a new Form W-9 if any form is invalid. A valid W-9 will include the Borrower's name, tax identification number, date, and signature. In preparing Forms 1099-C or 1099-A, the Servicer must (i) utilize the IRS TIN Matching program and perform tax identification number matching for all United States non-exempt Borrowers in all circumstances, (ii) notify Fannie Mae of any Borrower that is identified as an unsuccessful TIN Match prior to preparing Form 1099, and (iii) follow up with any Borrower whose name and tax identification number combination fail the IRS TIN Match. The Servicer should also provide to Fannie Mae its TCC (Transmittal Control Code) at the beginning of each year, which will allow Fannie Mae to communicate to the Servicer any errors on its 1099 filings.

The Servicer does not need to send Fannie Mae a copy of the magnetic media filed by the Servicer with the Internal Revenue Service. However, to ensure that Fannie Mae can identify the Servicer and the loan number for a specific Mortgage Loan should the Internal Revenue Service contact Fannie Mae for additional information or clarification, the Servicer must:

- insert the following header information when the IRS Form 1099-C or 1099-A, as applicable, is filed on Fannie Mae's behalf:
 - Fannie Mae on the first "Payer" line; and
 - the Fannie Mae loan number for the related Mortgage Loan on the line for the "Payer's account number for Payee"; and
- within thirty (30) days after filing with the Internal Revenue Service, send an email to Fannie Mae at multifamily_1099_reporting@fanniemae.com, containing a summary of IRS Forms 1099-C or 1099-A, as applicable, to notify Fannie Mae what the Servicer reported to the Internal Revenue Service on magnetic media.

308.04B Insufficient Funds

Operating Procedures

If the Borrower's T&I Custodial Account funds are insufficient to timely pay all T&I Impositions, you must

- bill the Borrower for any shortage, and/or

After adjusting the Borrower's future deposits, you may use those funds for a shortfall in either taxes or insurance.

308.04C Surplus

Requirements

You must not maintain a surplus of more than 2 monthly T&I payments in the T&I Custodial Account.

Operating Procedures

If the T&I Custodial Account has a surplus of more than 2 monthly T&I payments, you must:

- refund the Borrower the amount of the surplus above the 2 monthly T&I payments; or
- reduce the Borrower's required monthly T&I Custodial Account deposit to reduce the surplus to no more than 2 monthly T&I payments within 12 months.

You cannot refund any T&I Custodial Account surplus if the Borrower or any other party has defaulted under any of the Loan Documents beyond any grace or cure period.

308.05 Annual Statements

Operating Procedures

By January 31st of each year, you must issue the Borrower a T&I Custodial Account statement reporting all activity during the preceding calendar year. You can provide this statement

- in writing, or
- via electronic access.

Guidance

Your annual T&I Custodial Account statement must include:

- Borrower's fund balance at the beginning of the year;
- total Borrower deposits into the account;
- total withdrawals you made;
- itemized list of specific T&I Impositions and other charges (e.g., real estate taxes, insurance premiums, etc.) you paid with the withdrawals;
- Borrower's fund balance at the end of the year; and
- amount of interest, if any, paid or credited to the Borrower on their funds.

Chapter 4 Asset Management: Loan Document Administration

Section 401 Servicing Requirements

401.01 General

This Chapter covers asset management of performing Mortgage Loans. This Chapter does not apply to Non-Performing Mortgage Loans, unless otherwise stated. For asset management of Non-Performing Mortgage Loans, the Servicer must comply with:

- Part VI, Chapter 1: Watchlist Management; and
- either:
 - Part VI, Chapter 3: Non-Performing Primary Risk Mortgage Loans; or
 - Part VI, Chapter 5: Non-Performing Secondary Risk Mortgage Loans.

This Chapter covers the Servicer's:

- administration of Loan Documents, including Collateral Agreements;
- review of a delegated and non-delegated Borrower request;
- approval of a delegated Borrower request;
- management of insurance matters;
- review of Transfer/Assumption requests; and
- administration of specialty product types.

The Servicer must submit all Borrower requests, along with any additional information and required documents, through the MAMP. If submitting through the MAMP is not feasible, overnight mail must be used and sent to:

Fannie Mae
Attention: (Drawer AM, Structured AM, Seniors AM,
or Assumption/Transfer)
Mailstop 8V-21
1100 15th Street, NW
Washington, DC 20005.

Fannie Mae email addresses and contact information for notices required in this Chapter are located in the Glossary.

401.02 Monitoring Compliance with Loan Documents

For each Mortgage Loan, the Servicer must monitor the Borrower's compliance with the terms and conditions of the Loan Documents, and facilitate compliance or take appropriate actions to address any instance of noncompliance. All Loan Documents and all other documents required to be retained by the Servicer must be maintained in accordance with the Program Rules.

In the event of any conflict between or among the requirements of the Guide, the Disclosure Documents, the Lender Contract, and the Loan Documents, the governing priority shall be, in order:

- **Loan Documents;**
- **Disclosure Documents;**
- **Lender Contract; and**
- **Guide.**

Section 402 Delegation of Decision-Making Authority; Retention of Outside Legal Counsel

402.01 Delegation of Decision-Making Authority

Fannie Mae delegates significant decision-making authority and responsibility to the Servicer to the extent specified in the Multifamily Asset Management Delegated Transaction Forms ([Form 4636 series](#)) (each, the "Delegated Transaction Form"), covering the following matters:

- [Transfers/Assumptions \(Form 4636.TA\)](#);
- [Commercial Leases \(Form 4636.CL\)](#);
- [Condemnations \(Form 4636.C\)](#);
- [Condominium/Cooperative Property Conversions \(Form 4636.CC\)](#);
- [Easements \(Form 4636.E\)](#);
- [Oil, Gas, or Mineral Rights Leases \(Form 4636.OGL\)](#);
- [Partial Releases of Collateral \(Form 4636.PR\)](#);
- [Property Management Changes \(Form 4636.PM\)](#); and
- [Use Conversions \(Form 4636.UC\)](#).

The Servicer must follow the instructions in the Delegated

Transaction Form, which will specify which matters are delegated and which are non-delegated. All delegated and non-delegated requests must be submitted through the MAMP, with the Delegated Transaction Form and the required supporting documents.

A transaction memo must be submitted for any unusual matters not covered in the Guide, or matters that could materially affect Fannie Mae's security interests, investment interests, or the interests of Investors in Securitized Mortgage Loans. Decision-making authority is more limited for Credit Facilities, Bulk Deliveries, and certain Seniors Housing Loan matters. Neither the Servicer nor Fannie Mae has the authority to waive any local, state, or federal law or regulation.

402.02 Retention of Outside Legal Counsel

Fannie Mae often retains outside legal counsel to review non-delegated matters or other matters that require Fannie Mae's legal review. In such instance, the Servicer must obtain the Borrower's written agreement to pay the reasonable legal fees and expenses of Fannie Mae's counsel before any legal work may commence.

If Fannie Mae outside counsel review is required or requested, the Borrower must pay the applicable legal fee, which will either be a fixed fee or an estimated fee depending on the type of request. For an estimated fee request, the Servicer must notify the Borrower that the actual legal fee may be higher or lower than the estimate, depending on the ultimate scope of the request, and the time needed to resolve the issue.

Fannie Mae will:

- apprise the Servicer of any likely increases in the estimated review fee;
- provide the Servicer the amount of the fee for any fixed fee request; and
- provide the Servicer a summary invoice directly from Fannie Mae's outside counsel.

Upon receipt of the invoice, the Servicer must arrange for payment of Fannie Mae's legal fees. The legal fee must be collected from the Borrower before engaging Fannie Mae outside counsel.

Section 403

Execution of Documents by Servicer – Limited Power of Attorney

Fannie Mae may provide the Servicer with a Limited Power of Attorney conferring the right to execute certain documents as attorney-in-fact on behalf of Fannie Mae. If granted, the actions authorized in the Limited Power of Attorney will be specifically limited, and allow the Servicer to

execute only those documents listed in the Limited Power of Attorney. To exercise the Limited Power of Attorney the Servicer must execute documents as “[Name of Servicer], as Attorney-in-Fact for Fannie Mae”. The Servicer’s designation as attorney-in-fact will be subject to review and renewal, and the power granted under the Limited Power of Attorney may be revoked by Fannie Mae at any time. Requests for new and replacement Limited Power of Attorney should be submitted through the MAMP or as required by [Part V, Chapter 4: Asset Management: Loan Document Administration, Section 401.01: General](#). As each Limited Power of Attorney expires on a specified date according to its terms, the Servicer must monitor the expiration date and request a new Limited Power of Attorney at least 30 days prior to the expiration date.

Section 404 Execution of Documents by Fannie Mae

404.01 Submission of Documents to Fannie Mae

All documents requiring execution by Fannie Mae (clearly identified by Fannie Mae Loan Number) must be sent to Multifamily Asset Management. Fannie Mae will execute the documents without prior review if the Servicer provides the certifications described in this Section.

The Servicer must include directions for returning the documents, including:

- contact name;
- overnight delivery mailing address;
- phone number; and
- email address.

404.02 Servicer Certification When Fannie Mae Approval Is Not Required

For any document submitted to Fannie Mae for execution when the servicing decision has been delegated to the Servicer, the Servicer must provide written certification to Fannie Mae that:

- the Servicer has reviewed the proposed transaction, and approval by the Servicer is in compliance with the Guide, the Loan Documents, any Disclosure Documents, and the Lender Contract;
- the Servicer has approved the proposed transaction;
- no approval or waiver is required from Fannie Mae;
- Servicer’s legal counsel has reviewed and approved all relevant documents associated with the transaction, and determined that those documents are sufficient to fully

effectuate the transaction; and

- any material changes to Fannie Mae form Loan Documents have been approved by Fannie Mae.

404.03 Servicer Certification When Fannie Mae Approval Is Required

For any document submitted to Fannie Mae for execution when the servicing decision has not been delegated to the Servicer, the Servicer must provide written certification to Fannie Mae that:

- the Servicer has reviewed the proposed transaction, and approval by the Servicer is not delegated under the Guide;
- the Servicer recommends approval by Fannie Mae of the proposed transaction;
- any required waivers have been submitted by the Servicer;
- Servicer's legal counsel has reviewed and approved all relevant documents associated with the transaction, and determined that those documents are sufficient to fully effectuate the transaction; and
- any material changes to Fannie Mae form Loan Documents have been approved by Fannie Mae.

Section 405 Fees Due to Fannie Mae

Certain fees may be due to Fannie Mae in connection with a Borrower servicing request. The specified fees are for typical requests; however, higher fees may be required for complicated or non-standard requests, or for other matters not specified in this Chapter. No later than 10 Business Days following receipt of any fee by the Servicer, the Servicer must remit to Fannie Mae, by wire transfer of immediately available funds, Fannie Mae's portion of the fee. The Servicer must submit the wire transfer confirmation number, wire date, and wire amount through the MAMP immediately following each funds transfer, as follows:

ABA Number: 021 039 500
Telegraphic Abbreviation: FNMA/NYC
Account Number: 169220242
Note: Type of fee (e.g., Assumption/Transfer),
Fannie Mae Loan Number and Property Name
Attention: Trans code 507 - GL 747669921.

Section 406 Follow-Up Actions by the Servicer

The Servicer must take all applicable actions required to fully effectuate the transaction, including:

- amending the recorded Security Instrument or filed Uniform Commercial Code (UCC) financing statements;
- updating the Property survey;
- obtaining an endorsement to the mortgagee's title insurance policy showing no impairment of Fannie Mae's Lien position, and dating down title to reflect any recorded amendment to the Security Instrument;
- recording all applicable documents, and sending the required documents through the MAMP;
- sending an executed original copy of any new or amended Loan Document to Multifamily Certification and Custody within 15 Business Days;
- following the requirements of [Part V, Chapter 3: Custodial Accounts, Section 301: Generally](#) if changes are required to any existing Collateral Agreement Custodial Account, or if any new Collateral Agreement Custodial Account must be established in connection with the transaction;
- retaining copies of all documents, correspondence, and any internal notes or analysis relating to the transaction in the Servicing File; and
- taking any other actions the Servicer or its legal counsel determines are necessary.

Section 407 Subordinate Financing

407.01 Non-Fannie Mae Subordinate Financing

A Subordinate Loan is generally not permitted unless it complies with Fannie Mae's requirements. Approval of any Subordinate Loan is not delegated to the Servicer and must be approved in advance by Fannie Mae. Additionally:

- with respect to any Subordinate Loan, the Servicer must abide by the terms and conditions of the Loan Documents, the Guide, and any Disclosure Documents, provided that the Loan Documents will control in the case of any conflict;
- unless the Loan Documents explicitly allow a Subordinate Loan, the Servicer must not permit the Borrower, without prior Fannie Mae approval, to incur the Subordinate Loan or allow a Lien securing the Subordinate Loan to be placed against the Property;
- if the Loan Documents explicitly allow a Subordinate Loan without the approval of the Lender, the consent of the Servicer or Fannie Mae is not required; however, notice of the Subordinate Loan and a copy of any documents must be

submitted through the MAMP;

- the Borrower and the subordinate lender must enter into and record the appropriate Subordination Agreement ([Form 6414](#) or [Form 6456](#) for the 6000 series Loan Documents; [Form 4503](#) or [Form 4507](#) for the 4000 Series Loan Documents); and
- the proceeds of the Subordinate Loan must benefit the Property (i.e., cash-out financing is not permitted).

The Servicer must immediately notify Multifamily Asset Management in writing upon learning of any unauthorized additional unsecured debt or indebtedness secured by a Lien on the Property or of any pledge of ownership interests that is not permitted by the Loan Documents, and send the Borrower a Reservation of Rights Letter ([Form 4804](#)) with a copy submitted through the MAMP. Fannie Mae will determine whether to approve the Subordinate Loan, or exercise its remedies.

407.02 Prerequisite for Subordinate Financing

[Part III, Chapter 14: Supplemental Mortgage Loans](#), contains the requirements for Supplemental Mortgage Loans, and [Part III, Chapter 7: Multifamily Affordable Housing Properties](#) contains additional requirements for subordinate financing with respect to a Multifamily Affordable Housing Property. The Servicer must ensure adherence to all applicable requirements.

407.03 Fees for Subordinate Financing

The Borrower must pay the Servicer a \$2,500 review fee. The Servicer may increase or decrease its fee at its discretion. No Fannie Mae review fees are due. The Servicer may also seek reimbursement from the Borrower for all reasonable out-of-pocket costs, including reasonable legal fees incurred by Servicer's counsel.

If Fannie Mae outside counsel is engaged, the Borrower must pay its fee, estimated at \$2,500 for Subordinate Financing requests. The actual legal fee may be higher or lower, depending on the ultimate scope of the request and the time necessary to resolve. The Servicer will receive a summary invoice directly from Fannie Mae outside counsel and must arrange for payment. The Servicer will be apprised of any likely increases in the estimated review fee. The estimated legal fee must be collected from the Borrower before engaging Fannie Mae outside counsel.

407.04 Submitting the Request for Subordinate Financing

Any Borrower request for approval of a Subordinate Loan must be reviewed by the Servicer. If acceptable, the request must be submitted for

approval through the MAMP in accordance with the following:

- the Servicer must submit the request to Fannie Mae at least 30 days before the projected closing date of the Subordinate Loan; and
- the submission must contain:
 - an Appraisal (obtained at the Borrower's cost), dated no earlier than 90 days prior to the date of the Borrower request for approval of the Subordinate Loan, that complies with [Part II, Chapter 2: Valuation and Income, Section 202: Appraisal and Valuation](#);
 - Servicer's underwriting spreadsheet showing the Subordinate Loan's effect on the Property's income, expenses, NCF, DSCR, and LTV;
 - a copy of the final, unsigned loan documents evidencing the Subordinate Loan, with the loan amount, interest rate, payment schedules, and all other transaction related information completed;
 - the MBA Standard Inspection Form documenting a physical inspection of the Property, performed at Borrower's expense, occurring no earlier than 90 days before the date of the Borrower request for the Subordinate Loan; provided that, if the Servicer's inspection of the Property reveals that the Property is not being properly maintained, the Borrower request will not be approved by Fannie Mae unless:
 - a Replacement Reserve is sufficiently funded; and
 - the Borrower makes any Immediate Repairs identified by the Servicer prior to the closing date of the Subordinate Loan; and
 - a title policy endorsement for the Property showing no unauthorized Liens or encumbrances of any nature against the Property.

For a Cooperative Property, the Subordinate Loan is unacceptable if the potential increase in the Cooperative Maintenance Fee necessary to cover P&I on the Subordinate Loan exceeds 10% of the current Cooperative Maintenance Fee.

407.05 Fannie Mae Approval and Execution

Fannie Mae will provide the Servicer with a written decision regarding the Borrower request, after which the Servicer must notify the Borrower in writing and retain the notice in the Servicing File.

407.06 Subsequent Servicer Actions

The Servicer must:

- not permit any changes to the form Subordination Agreement (Form 6414 or Form 6456 for the 6000 series Loan Documents; Form 4503 or Form 4507 for the 4000 series Loan Documents) without the prior written consent of Fannie Mae;
- obtain a satisfactory title policy endorsement effective as of the date of recordation of the subordinate security instrument that:
 - insures the Lien of the Security Instrument as senior to the Lien of the subordinate security instrument; and
 - reflects the recordation of the Subordination Agreement;
- submit a copy of the recorded Subordination Agreement through the MAMP; and
- send the original executed copy of the recorded Subordination Agreement and the title policy endorsement to Multifamily Certification and Custody within 15 Business Days, and retain copies of each in the Servicing File.

Section 408 Administration of Collateral Agreements

408.01 General Administrative Requirements

408.01A Administration of Funds

The Servicer must:

- administer and manage funds or collateral under all Collateral Agreements; and
- ensure that any disbursements of funds, or other collateral releases or reductions, are:
 - approved only for valid reasons;
 - appropriately documented; and
 - consistent with the provisions of the Collateral Agreement and this Section.

408.01B Funds to be Held in a Custodial Account

The Servicer must deposit funds held under a Collateral Agreement in a Custodial Account that meets the requirements of [Part V](#),

Chapter 3: Custodial Accounts.

408.01C Use of Funds

Funds must be used only for the purposes stated in the Collateral Agreement, and must not supplement a partial P&I payment or cover any other Borrower obligation unrelated to the primary purposes of the Collateral Agreement.

408.01D Funds as Additional Security for Mortgage Loan

All funds or other collateral held under a Collateral Agreement constitute additional security for the Borrower's obligations under the Note and the other Loan Documents. In the event of a default under the Loan Documents, Fannie Mae reserves the right to apply (or direct the Servicer to apply) the funds or other collateral held under any Collateral Agreement in any manner allowed under the terms of such Collateral Agreement.

Following a default, unless instructed by Fannie Mae, the Servicer must not:

- **release any funds or other collateral held under a Collateral Agreement;**
- **apply any funds or collateral to the repayment of the Mortgage Loan; or**
- **reimburse itself from such funds or collateral for any expenses or losses incurred by the Servicer.**

408.01E Servicer's Fees and Costs

If the Collateral Agreement contemplates the payment of fees or costs by the Borrower, the Servicer may collect and retain such fees or costs for its own account, adhering to any specific billing provisions of the Collateral Agreement. Any fees or costs retained by the Servicer must be reasonable in relation to the nature and scope of the services provided by or on behalf of the Servicer. The Servicer must not use any of the funds or other collateral held under the Collateral Agreement to cover such fees or costs. However, the Servicer may deduct such fees or costs from any disbursement of funds to the Borrower, provided such disbursements, fees, and costs are permitted under the Collateral Agreement, or if the Borrower otherwise agrees in writing.

408.01F Waiver or Modification of Terms of Collateral Agreement

Except as noted in this Chapter, the Servicer must not waive or modify the terms of any Collateral Agreement.

408.02 Achievement Agreement or Other Agreement for Additional Collateral

408.02A General

The provisions of this Section govern Achievement Agreements and all Collateral Agreements, other than:

- Multifamily Loan Agreements, including the Completion/Repair Schedule and Replacement Reserve Schedule;
- Security Instruments;
- Replacement Reserve Agreements; and
- Completion/Repair Agreements.

The Servicer must maintain an effective system for monitoring the expiration date of any Achievement Agreement or other Collateral Agreement, and ensure that all actions required to be taken pursuant to any such agreement have been timely performed and, if not timely performed, immediately notify Multifamily Asset Management.

408.02B Releases or Reductions in Collateral

Any request for a release or reduction of collateral must be processed in accordance with this Section, unless these instructions conflict with the terms and conditions of the Achievement Agreement or other Collateral Agreement.

1. General

If the Borrower has not satisfied the requirements for a release or reduction of collateral contained in the Achievement Agreement or other Collateral Agreement, the Servicer must not approve the Borrower request, and may decline the Borrower request without notice to Fannie Mae. If the Servicer determines that the Borrower has satisfied the requirements of the Achievement Agreement or other Collateral Agreement, the Servicer must recommend the release or reduction of collateral through the MAMP, accompanied by the supporting documentation listed below. Upon receipt and review of all pertinent information, Fannie Mae will approve or deny the request and notify the Servicer of its decision.

2. Supporting Documentation and Analysis

The following documentation must be submitted through the MAMP, and maintained in the Servicing File, in connection with each request for a release or reduction of collateral

(a) Income and Expense Statements; Current Rent Roll

Property income and expense statements and a current rent roll must be obtained from, and certified by, the Borrower. The statements must cover the applicable period required by the Achievement Agreement or other Collateral Agreement. Based on the Loan Documents, Parts I - III, the certified income and expense statements, and the current rent roll, the Servicer must develop a Net Cash Flow estimate to determine whether the release or reduction provisions of the applicable Achievement Agreement or other Collateral Agreement are satisfied. The income, vacancy, collection loss, and concession information should support the Effective Gross Income that the Servicer is relying on in assessing whether a release or reduction is warranted.

In deriving its estimate of Effective Gross Income, the Servicer must adjust for:

- income that was not allowed or recognized in the original underwriting;
- the effect of a partial year's performance when the shorter period reflects the short-term, positive impact from seasonal variations that do not reflect the Property's year-round performance; and
- non-monetary concessions, requiring the Servicer to deduct the pro-rata value of the concession from the monthly rent for the applicable unit.

The Servicer must ensure that all appropriate types of expenses, including underwritten Replacement Reserve deposits, are included, and that any inappropriate expenses (e.g., capital improvement costs, repair costs covered by funds set aside for Completion/Repairs, partnership costs, etc.) are excluded. To avoid unwarranted releases or reductions of collateral, the expense figures must reflect stabilized operating conditions, and must not be understated due to efficiencies or savings that could not be replicated by a different owner or manager, or that would not be recognized for underwriting purposes.

The Servicer must perform a line-by-line expense analysis, including a comparison of the original underwriting estimates with the actual expenses shown on the Borrower's income and expense statements. The Servicer must use the greater of the underwritten or the actual expense figure shown for each item on the Borrower's statement.

(b) Servicer's Analysis

The Servicer must provide an analysis and recommendation regarding the release or reduction of collateral, including any calculations required under the terms of the applicable Achievement Agreement or other Collateral Agreement.

(c) Correspondence

The Servicer must provide any correspondence with the Borrower that pertains to the release or reduction request.

3. Property Inspection

Before approving any request for a release or reduction of collateral, the Servicer must perform a physical inspection of the Property to verify that:

- no deferred maintenance exists;
- necessary capital improvements have been made; and
- the general management and operations are acceptable and characteristic of a stabilized project.

The Servicer's inspection must occur no more than 90 days prior to the date of the submission to Fannie Mae of the release or reduction request. The Servicer must document the results of its inspection by completing the MBA Standard Inspection Form.

408.02C Draws on Letters of Credit or Application of Other Collateral

1. Draws Triggered by Adverse Events

The Servicer must promptly notify Multifamily Asset Management when any of the following events occur, which could result in a draw on a Letter of Credit issued for an Achievement Agreement or other Collateral Agreement:

- a default under the Loan Documents, including the Achievement Agreement or other Collateral Agreement;
- the failure to renew or replace an expiring Letter of Credit at least 30 days prior to its expiration date, or other deadline specified in the Achievement Agreement or other Collateral Agreement; or
- the failure to replace a Letter of Credit by the replacement deadline when the Issuer is no longer acceptably rated.

The Servicer's notice to Fannie Mae must include a recommended course of action, and be accompanied by a copy of the executed Achievement Agreement or other Collateral Agreement.

2. Draw Resulting from Noncompliance with Issuer Rating Requirements or Expiration of Letter of Credit

If a draw on the Letter of Credit occurs due to noncompliance with the rating requirements for the Issuer or because of an imminent expiration of the Letter of Credit, Fannie Mae will hold the Letter of Credit proceeds in its designated account until the earliest of the following:

- the Borrower presents a replacement Letter of Credit and Fannie Mae agrees, in its sole discretion, to accept the Letter of Credit;
(NOTE: Any agreement by Fannie Mae to accept a replacement Letter of Credit will be conditioned upon the Borrower's payment of all administrative and legal costs incurred by the Servicer and Fannie Mae in connection with the replacement of the Letter of Credit.)
- the release or reduction provisions of the applicable Achievement Agreement or other Collateral Agreement are satisfied; or
- the Borrower pays all amounts due and payable under the Loan Documents, including any required Prepayment Premium, and Fannie Mae releases the Lien of the Security Instrument.

3. Draws Occasioned by Borrower Request

If the Servicer receives a request from the Borrower to draw on the Letter of Credit and have the proceeds applied as a partial prepayment against the UPB, and the Loan Documents allow partial prepayments, the Servicer must immediately forward the request, along with an analysis and recommendation, including an estimate of the applicable Prepayment Premium, to Fannie Mae. If the Loan Documents do not allow partial prepayments, the Servicer must deny the Borrower request.

Fannie Mae will assess the Borrower request and determine if the proposed use of the Letter of Credit proceeds or other collateral would be in the best interest of Fannie Mae and/or the Investor in any Securitized Mortgage Loan. **Any decision to apply Letter of Credit proceeds or apply other collateral to a partial prepayment will be made by Fannie Mae in its sole discretion.** Fannie Mae will notify the Servicer of its determination and will provide appropriate follow-up instructions.

4. No Interest on Proceeds Held by Fannie Mae

Fannie Mae will not pay interest on the cash proceeds it holds resulting from a draw on a Letter of Credit.

408.02D Releasing Additional Escrows for Principal and Interest, Taxes and Insurance, and Replacement Reserves

Notwithstanding anything contained in this Chapter, if no Event of Default has occurred and is continuing under any of the Loan Documents (including Forbearance), the Servicer is delegated the authority to waive any Loan Document requirement prohibiting the Servicer from immediately approving a partial or final disbursement request of Additional Escrows for P&I, T&I, and Replacement Reserves required by:

- **Form 6268** – Modifications to Multifamily Loan and Security Agreement (Additional Reserve Escrows);
- **Form 6640** – Amendment to Multifamily Loan and Security Agreement (Additional P&I Escrow Agreement); or
- **Form 6641** – Additional P&I Escrow Agreement (4000 series Loan Documents).

The Servicer is delegated the authority to:

- determine whether the waiver requires a Loan Document amendment; and
- document any amendment in any form the Servicer determines to be legally enforceable.

Servicers must document all disbursement requests, including any supporting documentation and analysis, in the Servicing File.

408.03 Completion/Repairs

408.03A General

The Loan Documents for administering Completion/Repairs are:

- for Mortgage Loans documented with the 6000 series Loan Documents, the Multifamily Loan Agreement, plus the:
 - Completion/Repair Schedule;
 - Multifamily Loan Agreement and Modifications to Multifamily Loan and Security Agreement (Rehabilitation Reserve - Moderate Rehabilitation/Substantial Rehabilitation); or
 - another approved Modifications to Multifamily Loan and Security Agreement; and
- For Mortgage Loans documented with the 4000 series Loan Documents, the Completion/Repair Agreement.

The Servicer must administer the Loan Documents to ensure the timely implementation of all Completion/Repairs. Once the Completion/Repairs are completed and comply with the Guide, the Servicer must enter the final completion dates and close out the work items for the Mortgage Loan in the Completion/Repair module in the MAMP. Additional information may be required for any Mortgage Loan assigned to Loss Mitigation. If the Mortgage Loan does not have work items in the MAMP, no further action in the MAMP is required.

408.03B Extensions for Completion/Repairs

The Servicer is delegated the authority to extend the time limits for making Completion/Repairs if:

- the Completion/Repairs subject to the extension request do not involve life safety issues; and
- the Mortgage Loan does not have a Fannie Mae risk rating of Substandard or Doubtful.

Notwithstanding the above, the Servicer is delegated the authority to grant a one-time extension of 30 days for a life safety issue if the Borrower is diligently pursuing completion of the related Completion/Repair.

The duration of any permitted non-life safety extension may not exceed:

- 1 year past the original completion date specified in the Loan Documents for that Completion/Repair, for a Mortgage Loan without loss sharing; and
- 2 years past the original completion date specified in the Loan Documents for that Completion/Repair, for any Mortgage Loan with loss sharing.

The Servicer must submit a Non-Monetary Default Borrower Request in the MAMP if the required Completion/Repairs are not completed with this timeframe.

The Servicer is delegated the authority to grant a one-time extension of up to 90 days past the original completion date for any Completion/Repairs that are Efficiency Measures which the Borrower agreed to implement to qualify as a Green Rewards Mortgage Loan. The Servicer is not delegated the authority to extend the time limit beyond 90 days.

The Servicer is delegated the authority to:

- determine whether the extension requires an amendment to the Loan Documents; and
- document a required amendment in any form the Servicer

determines to be legally enforceable.

408.03C Completion/Repair Loan Document Amendments

Servicers are delegated the authority to move required Completion/Repairs from the Completion/Repair Schedule to the Replacement Reserve Schedule, or from the Completion/Repair Agreement to the Replacement Reserve Agreement, and the associated deposit from the Completion/Repair Escrow into the Replacement Reserve, provided:

- the Completion/Repair does not involve life safety issues;
- delaying the Completion/Repair will not materially negatively impact the Property; and
- the total amount of Completion/Repairs being transferred does not exceed the lesser of (i) 25% of the original Completion/Repair Escrow, or (ii) \$75,000.

Notwithstanding the above, the Servicer is not delegated the authority to move required Completion/Repairs to the Replacement Reserve Schedule for any Efficiency Measures that the Borrower agreed to implement in order to qualify as a Green Rewards Mortgage Loan.

The Servicer must:

- send the executed Loan Document amendment to Multifamily Certification and Custody within 15 Business Days;
- submit a copy of the Loan Document amendment through the MAMP for any Mortgage Loan with a Completion/Repair work item in the MAMP; and
- retain a copy in its Servicing File.

408.03D Servicer's Administrative Requirements

For all Completion/Repairs, the Servicer must:

- retain a copy of the executed Multifamily Loan Agreement and Completion/Repair Schedule or Completion/Repair Agreement in its Servicing File;
- hold all Completion/Repair Escrow funds in an account that meets the Custodial Account requirements of [Part V, Chapter 3: Custodial Accounts](#);
- ensure that all necessary permits are obtained, and that all required work is satisfactorily completed in a good and workmanlike manner by the completion dates stipulated in the

Loan Documents;

- for a Green Rewards Mortgage Loan, ensure all Efficiency Measures are completed in a timely manner and no later than:
 - 12 months after the Mortgage Loan Origination Date; or
 - any shorter time period per [Part II, Chapter 4: Inspections and Reserves, Section 403: Property Condition Assessment \(PCA\)](#) for capital improvements identified as Immediate Repairs by the PCA;
- process Borrower requisitions for funds in accordance with the terms and conditions of the Loan Documents;
- perform required inspections of completed work and, if appropriate, work in progress and, if necessary, arrange inspections by qualified professionals;
- ensure that the Completion/Repair work does not result in any mechanics' Liens, materialmen's Liens, or other Liens that have not been acceptably bonded over;
- promptly submit a Non-Monetary Default Borrower Request in the MAMP for any Completion/Repair Loan Document default;
- take appropriate steps to remedy or address any default under the Loan Documents for Completion/Repairs; and
- perform all other administrative duties required by the Loan Documents for Completion/Repairs.

408.03E Processing Borrower Requisitions

1. General

Completion/Repair Escrow funds are available to reimburse the Borrower for costs incurred for Completion/Repairs that are specifically identified in the Loan Documents. The Servicer may authorize the release of funds to cover the costs of other reasonable and necessary repairs, replacements, or improvements that are not specified in the Loan Documents only if the Loan Documents permit the disbursements, and all conditions are fully satisfied.

2. Required Documentation for Disbursement

To obtain reimbursement, the Borrower must submit a written requisition specifying the Completion/Repairs for which reimbursement is being sought, including:

- the specific Completion/Repairs completed;
- the quantity and price of all materials (grouped by type

or category) or specific replacement items (e.g., appliances) purchased in connection with the Completion/Repairs; and

- the cost of all contracted labor or other services involved in completing the Completion/Repairs.

The Borrower requisition for the specified Completion/Repairs for which reimbursement is being sought must be accompanied by:

- a Borrower certification that the specific Completion/Repairs have been completed:
 - in a good and workmanlike manner;
 - in accordance with any plans and specifications previously approved by the Servicer; and
 - in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the Property; and
- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
 - a copy of the invoice detailing the covered materials, labor, or services;
 - payment evidence; and
 - a Lien release from each contractor, subcontractor, or materialman.

3. Disbursement of Funds (Excluding Final Disbursement)

The Servicer may disburse funds to the Borrower only if it has received all required documentation and determined that all applicable conditions for disbursement have been met, including (but not limited to) the following:

- all Completion/Repairs covered by the requisition have been completed in a good and workmanlike manner, as evidenced by the Borrower's submission and, if appropriate, an inspection of the completed work (see guidance on inspections below);
- all related invoices for items and services covered by the requisition have been paid, unless the Borrower

has satisfied any applicable conditions of the Loan Documents for issuance of a joint check(s), made payable to the Borrower and the Person owed funds under such invoices;

- no mechanics' Liens, materialmen's Liens, or other Liens exist, unless acceptably bonded over;
- no default exists under any Loan Document;
- for each Green Rewards Efficiency Measure disbursement, the Efficiency Measure was reported as:
 - compliant on the Green Rewards Verification Inspection Form (Form 4221) per Part V, Chapter 4: Asset Management: Loan Document Administration, Section 408.03I: Green Rewards Efficiency Measure Verification; or
 - noncompliant, and Fannie Mae has approved and closed the remediation in DUS Property Monitor; and
- for a Green Rewards Mortgage Loan with a Solar PV System as an Efficiency Measure, Completion/Repair Escrow funds are only released after confirming commercial operation of the Solar PV System.

The amount disbursed to the Borrower for any requisition, other than the final requisition, may not exceed the actual cost of the Completion/Repairs, and may be less than the actual cost if, after disbursement, the amount of funds remaining in the Completion/Repair Escrow would be less than the anticipated cost of completing all remaining Completion/Repairs plus any holdback specified in the Loan Documents.

Notwithstanding the above, once 75% of the total dollar amount of Completion/Repairs is disbursed, the Servicer may release funds in the Completion/Repair Escrow, provided:

- funds are only released for Completion/Repairs that have been fully completed;
- the Servicer has complied with all other disbursement requirements;
- the Servicer completes an analysis showing that the remaining amount in the Completion/Repair Escrow is sufficient to complete all remaining

Completion/Repairs;

- the Borrower affirms in writing its obligation to complete the remaining Completion/Repairs by the required completion dates; and
- the Completion/Repair Escrow is not for a Green Rewards Efficiency Measure that must be released per [Part V, Chapter 4: Asset Management: Loan Document Administration, Section 408.03I: Green Rewards Efficiency Measure Verification](#).

For Green Rewards Efficiency Measures included in a Moderate Rehabilitation Mortgage Loan, funds may be periodically disbursed from the applicable Completion/Repair Escrow or Rehabilitation Reserve Escrow as with a non-Green Rewards Mortgage Loan, rather than only after a compliant verification inspection of Efficiency Measures.

4. Final Disbursement of Funds

Before making the final disbursement of funds from the Completion/Repair Escrow, the Servicer must confirm and document the absence of any mechanics' and materialmen's Liens by requiring the Borrower to obtain an updated title report or a title policy endorsement showing that no such Liens exist. The Servicer may waive the updated title report or endorsement when the total scope of work is less than \$75,000. If the Borrower fails to provide the required title documentation, the Servicer must obtain a title report or title policy endorsement, and may charge the Borrower for the cost.

The Servicer may make a final disbursement of all remaining funds upon satisfactory completion of all required Completion/Repairs, and satisfaction of all other applicable release conditions contained in the Loan Documents for Completion/Repairs.

5. Maintenance of Servicing File

The Servicer must document the action taken with respect to each Borrower requisition for funds from the Completion/Repair Escrow in its Servicing File.

408.03F Inspections

1. Use of Third Party

The Servicer may inspect the Property, or have a qualified independent third party inspect the Property, to confirm that the Completion/Repairs covered by the requisition have been satisfactorily completed. The Servicer is responsible for monitoring the third-party's performance.

2. When Periodic Inspections Are Required

Periodic inspections must be performed as the work progresses if the Completion/Repairs:

- exceed in the aggregate the lesser of:
 - \$500,000, or 20% of the UPB for any Mortgage Loan with loss sharing; or
 - \$250,000, or 10% of the UPB for any Mortgage Loan without loss sharing; and
- are likely to require more than 6 months to complete.

Inspections must occur at least every 6 months, or more frequently at the Servicer's discretion.

3. When a Final Inspection Is Required

An inspection must be performed to ensure that all Completion/Repairs have been satisfactorily completed before approving and disbursing the final requisition when the Completion/Repairs exceed the lesser of:

- \$500,000, or 20% of the UPB for any Mortgage Loan with loss sharing; or
- \$250,000, or 10% of the UPB for any Mortgage Loan without loss sharing.

4. Confirming Completion/Repairs if Inspection Is Not Required

Even if an inspection is not required by this Section, the Borrower must provide evidence to the Servicer that all Completion/Repairs covered by the requisition have been satisfactorily completed. If not inspected sooner, the Servicer must confirm the satisfactory completion of the Completion/Repairs during the next regularly scheduled Property inspection.

5. Documenting the Servicing File

In all instances, the Servicer must document in its Servicing File whether all work was satisfactorily completed.

408.03G Fees

Completion/Repair Escrow funds may not be used to cover any administrative or inspection fees due to the Servicer unless expressly permitted Loan Documents, or the Borrower agrees in writing. If permitted, the Servicer may charge the Borrower and deduct the following from any disbursement of funds:

- reasonable fees to cover the Servicer's costs of administering the Completion/Repairs; and
- additional fees to cover any reasonable inspection costs that are not adequately covered by general administrative fees collected from the Borrower.

408.03H Completion/Repair Defaults

1. Notification of Default to Fannie Mae

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP for any Completion/Repair Loan Document default.

2. No Release of Funds to Borrower

No funds may be released to the Borrower while the Borrower is in default under any of the Loan Documents.

408.03I Green Rewards Efficiency Measure Verification

For all Green Rewards Mortgage Loans, the Servicer must ensure a Green Rewards Verification inspection is performed for all Efficiency Measures to confirm correct installation, and identify any errors that may hinder the Property achieving the expected savings and benefits.

1. Green Rewards Verification Inspection

For a Green Rewards Verification inspection, the inspector must use the Green Rewards Verification Inspection Form ([Form 4221](#)) that is pre-populated with Property information and the Efficiency Measures identified as Green Rewards Repairs in the Completion/Repair Schedule. The Servicer must submit [Form 4221](#) within 60 days after the Green Rewards Verification inspection date, and timely resolve any issues identified by Fannie Mae.

2. Minimum Inspector Qualifications

Third-party or Servicer staff must attend Fannie Mae's Green Rewards Verification inspection training on the requirements, processes, and documentation before conducting Green Rewards Verification inspections.

The minimum inspector qualifications correspond to the applicable Efficiency Measure type, and may be held by the inspection project team, rather than by an individual inspector.

Efficiency Measures	Description	Minimum Inspector Qualification
----------------------------	--------------------	--

Basic	<p>Simple upgrades such as:</p> <ul style="list-style-type: none"> • low-flow water fixtures; or • lighting improvements. 	<p>Servicer must ensure the inspector is either a qualified third-party or Servicer staff per Part V, Chapter 5: Surveillance, Section 502.03: Property Inspection Protocol and Part V, Chapter 5: Surveillance, Section 502.05A: Qualifications.</p>
Complex	<p>Upgrades and changes to building systems, such as:</p> <ul style="list-style-type: none"> • heat recovery ventilation systems; or • boiler controls. 	<ul style="list-style-type: none"> • For Solar PV System Efficiency Measures, the Servicer must retain a <ul style="list-style-type: none"> - Solar Technical Consultant per Part III, Chapter 4: Green Mortgage Loans, Section 401.03: Technical Solar Report, or - qualified PCA High Performance Building Consultant per the Instructions for Performing a Multifamily Property Condition Assessment (Form 4099). • For other Efficiency Measures, the Servicer must retain a qualified PCA High Performance Building Consultant per Form 4099.

3. Unit Inspection

The inspector must inspect a minimum number of occupied and vacant units as follows:

Total number of units	Minimum number of units to be inspected
Less than 20	3 units
20 - 55	5 units
56 - 99	10% of total units
100 - 200	10 units
201 - 600	5% of total units

More than 600	30 units
---------------	----------

[Form 4221](#) calculates the required number of units and tracks the number of completed units based on the user's inputs. When unit inspections are required, the Servicer must:

- Determine the appropriate combination of vacant and occupied units for inspection.
- Determine which vacant and occupied units to inspect.
- Submit at least:
 - 1 representative photograph of each Efficiency Measure listed on [Form 4221](#); and
 - 1 photograph of each non-compliant Efficiency Measure.

For Partial Efficiency Measures, the Servicer must request a rent roll or other documentation identifying the units that received Partial Efficiency Measure installations, and conduct the Green Rewards Verification of those units.

4. Determining Compliance

An Efficiency Measure is compliant when the inspector:

- inspects each Efficiency Measure;
- verifies its proper installation within specifications using product information and field observation;
- confirms the Efficiency Measure installation meets the Multifamily Loan Agreement and Completion/Repair Schedule requirements; and
- documents it on [Form 4221](#).

5. Remediating Noncompliance

When an Efficiency Measure is noncompliant:

- The Servicer must:
 - provide a notice of the Efficiency Measure deficiencies to the Borrower and determine a course of action;
 - submit a remediation action plan through the DUS Property Monitor system that:
 - addresses the Property's Efficiency Measure deficiencies; and
 - provides a target date for remediation completion that

is no more than 60 days after the Borrower receives the notice of deficiencies.

- The Borrower must correct or complete the Efficiency Measure installation during the remediation period.
- Fannie Mae may require the Servicer to inspect the remediated Efficiency Measures based on the severity of noncompliance.

6. Verification Inspection Form Review

The Servicer must internally review all Green Rewards Verification Inspection Forms ([Form 4221](#)), whether prepared by a third party or by the Servicer before submission.

408.04 Replacement Reserve

408.04A General

The Loan Documents for administering Replacement Reserves are:

- Multifamily Loan Agreement and Replacement Reserve Schedule, for Mortgage Loans documented with the 6000 series Loan Documents; and
- Replacement Reserve Agreement, for Mortgage Loans documented with the 4000 series Loan Documents.

The Replacement Reserve funds must be held by the Servicer in a Custodial Account, and are intended to pay for necessary replacements of capital items or major maintenance work to the Property over the term of the Mortgage Loan.

408.04B Replacement Reserve Loan Document Amendments

If the Servicer's Limited Power of Attorney delegates the authority to amend the Loan Documents to revise the terms governing the Replacement Reserves, only the changes expressly permitted by this Section can be made, and the delegation does not expand the Servicer's ability to change or modify any other term of the Loan Documents.

The Servicer must send the executed Loan Document Amendment to Multifamily Certification and Custody within 15 Business Days, and retain a copy in its Servicing File.

408.04C Servicer's Administrative Requirements

For all Replacement Reserves, the Servicer must:

- retain a copy of the executed Multifamily Loan Agreement and Replacement Reserve Schedule or Replacement Reserve Agreement in its Servicing File;
- unless the Borrower has requested in writing a non-interest bearing account, hold all funds in an interest-bearing Custodial Account that meets the requirements of [Part V, Chapter 3: Custodial Accounts](#) and the Loan Documents;
- ensure that all required deposits are made to the Replacement Reserve in accordance with the Loan Documents;
- process Borrower requisitions for funds in accordance with the terms and conditions of the Loan Documents;
- perform required inspections of completed work and, if appropriate, work in progress, and arrange, if necessary, for inspections by qualified professionals;
- ensure that work funded from the Replacement Reserve does not result in any mechanics' Liens, materialmen's Liens, or other Liens that have not been acceptably bonded over;
- promptly submit a Non-Monetary Default Borrower Request in the MAMP for any Replacement Reserve Loan Document default;
- take appropriate steps to remedy or address any default under the Loan Documents for Replacements, Repairs, or Restoration; and
- reassess the adequacy of the Replacement Reserve or the schedule of required deposits; and
- perform all other administrative duties required by the Loan Documents for the Replacement Reserve.

408.04D Modifications to Replacement Reserve Deposits

Based on the results of a Property inspection or a new Property Condition Assessment as required below, the Servicer may determine that the current level of Replacement Reserve funding and scheduled deposits will be insufficient to meet all projected capital item or major maintenance needs. The Servicer must then:

- adjust the Replacement Reserve Schedule or the Replacement Reserve Agreement and the Replacement Reserve funding to a sufficient level, if warranted, in accordance with the Loan Documents and Part III, by requiring the Borrower to:
 - deposit a lump sum into the Replacement Reserve; and/or

- increase the monthly Replacement Reserve deposit; and
- give the Borrower at least 30 days advance written notice prior to implementing any of the foregoing changes.

Based on the results of the new Property Condition Assessment obtained during the underwriting and delivery of a Supplemental Mortgage Loan, the Servicer may:

- adjust the Replacement Reserve funding, scheduled deposits, and Completion/Repair Schedule of all Pre-Existing Mortgage Loans to match the Supplemental Mortgage Loan underwriting; and
- amend the Loan Documents accordingly.

408.04E New Property Condition Assessments

1. Timing and Waivers

A new full PCA per [Form 4099](#) is required for:

- all MAH Properties every 5 years; or
- for any other Mortgage Loan with a term greater than 10 years, during the 10th Loan Year, and every 10 years thereafter, while the Mortgage Loan remains outstanding, or per the Loan Documents.

Notwithstanding the above, the Servicer is delegated the authority to waive the new PCA for non-MAH Properties as follows:

Remaining Loan Term	Servicer Delegation
Less than 1 Year	The new PCA may be waived for a Mortgage Loan with a: <ul style="list-style-type: none">• Pass rating;• Property inspection less than 1 year old; and• Property condition rating of 1, 2, or 3.

1 Year to 5 Years	The new PCA may be waived for a Mortgage Loan with a: <ul style="list-style-type: none">• Pass rating;• Property inspection report less than 1 year old; and <ul style="list-style-type: none">• Property condition rating of 1 or 2.
More than 5 Years	The new PCA may be waived for 5 years for a Mortgage Loan with a: <ul style="list-style-type: none">• Pass rating;• Property Inspection report less than 1 year old; and <ul style="list-style-type: none">• Property condition rating of 1 or 2.

After 5 years, a new PCA is required unless the Mortgage Loan continues to qualify for Servicer waiver delegation. A Property may only receive a PCA waiver twice (i.e., a Mortgage Loan with a 30-year term may obtain a PCA waiver after the 10th loan year and the 15th loan year, but a new PCA is required after the 20th loan year).

All PCA waivers must be documented in the Servicing File, and any PCA waiver may be rescinded by Fannie Mae or the Servicer at any time if the Property condition warrants a new PCA.

2. Delivery and Payment of Property Condition Assessment

The Servicer must submit any new PCA to Fannie Mae through the MAMP and retain a copy in its Servicing File. Subject to the terms of the Loan Documents, the cost of the PCA may be paid from funds in the Replacement Reserve.

408.04F When Replacement Reserve Funding Was Partially or Fully Waived

If Replacement Reserve funding was partially or fully waived at the Mortgage Loan Origination Date, the Servicer must monitor the condition of the Property to ensure the Borrower preserves and maintains the Property as required by the Loan Documents.

If the Servicer or Fannie Mae determines that the Borrower is not properly preserving and maintaining the Property, the Servicer must require the Borrower to begin making monthly deposits to the Replacement Reserve in accordance with either the funding schedule set forth in the Loan Documents, or an alternative funding schedule determined by the Servicer.

408.04G Interest on Replacement Reserve Funds

If the Servicer holds the Replacement Reserve funds in an interest-

bearing Custodial Account, none of the interest earned on the Replacement Reserve funds may be retained by the Servicer. Unless the Mortgage Loan is in default, all interest must be:

- added to the balance of the Replacement Reserve; or
- paid to the Borrower if applicable law requires or the Servicer agrees.

408.04H Items Eligible for Funding from the Replacement Reserve

Replacement Reserve funds are available to reimburse the Borrower for costs incurred to replace capital items or maintain major items specifically identified in the Loan Documents.

Replacement Reserve funds also may be used for discretionary replacements of capital items or major maintenance items that are not specifically identified in the Loan Documents, but which the Servicer determines are intended to be covered by a Replacement Reserve Schedule, such as those that would:

- correct or forestall a problem that may adversely affect the physical condition, livability, marketability, or value of the Property;
- directly contribute to the maintenance or enhancement of the Property's physical condition, livability, marketability, or value; or
- likely be noted in an updated Property Condition Assessment.

If Replacement Reserve funds are used for purposes not originally contemplated in the Loan Documents, the Servicer must monitor and adjust the monthly reserve deposits to ensure sufficient funds are available to make timely replacements of capital items or major maintenance items in the manner contemplated in the Loan Documents and/or the PCA.

408.04I Items Not Eligible for Funding from the Replacement Reserve

The Servicer must not use Replacement Reserve funds to reimburse the Borrower for any item specifically identified for reimbursement as a Completion/Repair, or for any routine maintenance item, routine repair, or cosmetic repair that would normally be characterized as an operating expense. Replacement Reserve funds must never be used for P&I, T&I, or any other purpose not specifically permitted by the Loan Documents, or the Guide.

408.04J Processing Borrower Requisitions

1. General

The Loan Documents specify the frequency, timing, and size of disbursements from the Replacement Reserve.

2. Required Documentation

Each Borrower requisition must be in writing and specify, at a minimum:

- the specific capital item replaced or major maintenance items for which reimbursement is being sought, and if any item is not specifically identified in the Loan Documents, an explanation of why the Replacement Reserve funds should be released for the item;
- the quantity and price of each type of capital item replaced (e.g., refrigerators);
- the quantity and price of all materials or parts (grouped by type or category) purchased; and
- the cost of all contracted labor or other services.

Each Borrower requisition submitted to the Servicer must be accompanied by:

- a Borrower certification that the capital item replacements or major maintenance items covered by the requisition have been completed in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the Property; and
- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
 - a copy of the invoice detailing the covered materials, labor, or services;
 - payment evidence;
 - a Lien release from each contractor, subcontractor, or materialman; and
 - other relevant documentation required by the Loan Documents.

3. Disbursement of Funds

The Servicer may release funds to the Borrower only if all required documentation is received, and all applicable release conditions have been met, including, but not limited to:

- all capital item replacements or major maintenance items

covered by the requisition have been completed in a good and workmanlike manner;

- all related invoices for capital items and services have been paid, unless the Borrower has satisfied any applicable conditions of the Loan Documents for issuance of a joint check, made payable to the Borrower and the Person owed funds;
- no mechanics' Liens, materialmen's Liens, or other Liens are outstanding that have not been acceptably bonded over; and
- the Borrower is not in default under any Loan Document.

The amount disbursed to the Borrower must not exceed the actual cost of the capital item replacements or major maintenance items covered by the Borrower's requisition.

4. Maintenance of Servicing File

The Servicer must ensure that the action taken with respect to each Borrower requisition for funds from the Replacement Reserve is appropriately documented in its Servicing File.

408.04K Inspections

The Servicer may use its discretion in deciding whether to conduct an on-site inspection before approving any specific requisition for Replacement Reserve funds. If the Servicer elects not to perform an on-site inspection when a requisition is submitted, the Servicer must inspect all capital item replacements or maintenance items covered by the requisition during its next scheduled Property inspection and confirm the satisfactory completion.

408.04L Fees

If the Loan Documents permit, the Servicer may collect and retain:

- a reasonable fee to cover the Servicer's routine costs of administering the Replacement Reserve; and
- additional fees to cover:
 - reasonable inspection costs, including the fees of any qualified professional used by the Servicer; and
 - any other reasonable costs incurred in connection with collecting, holding, investing, or disbursing Replacement Reserve funds but which are not adequately covered by the general administrative fees collected from the Borrower.

Subject to the Loan Documents, the Servicer may charge the Borrower a reasonable fee for any special inspection services provided in connection with a Replacement Reserve requisition; however, no fee may be charged if such inspection is made as part of a regularly scheduled Property inspection.

Replacement Reserve funds, including any interest, may not be used to cover fees due to the Servicer unless:

- the Loan Document specifically permits the Servicer to use Replacement Reserve funds to pay Servicer inspection fees; or
- the Borrower otherwise agrees in writing.

408.04M Replacement Reserve Defaults

1. Notification of Default to Fannie Mae

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP for any Replacement Reserve Loan Document default.

2. No Release of Funds to Borrower

No funds may be released to the Borrower while the Mortgage Loan is in default.

408.04N Return of Replacement Reserve Funds to Borrower

No later than 30 days after the Mortgage Loan is paid in full, the Servicer must refund to the Borrower all remaining Replacement Reserve funds.

408.04O Alternative Funding of Replacement Reserves for Portfolio Mortgage Loans

The Servicer may amend existing the Schedule 5 to Multifamily Loan Agreement - Replacement Reserve Schedule or Replacement Reserve Agreement on Fannie Mae's behalf to match the alternative Replacement Reserve funding available for newly originated Mortgage Loans if the Borrower has a history of adequate property maintenance, and no other concerns are present (e.g., declining Property condition, declining rents, declining Net Cash Flow). The Servicer must send the executed Loan Document amendment revising the Replacement Reserve Schedule or Replacement Reserve Agreement to Multifamily Certification and Custody within 15 Business Days, and retain a copy in its Servicing File.

The Servicer must ensure the Property is properly maintained on an ongoing basis. If the Property is not being properly maintained, the Servicer must reinstate monthly deposits to the Replacement Reserve and the reimbursement requisition process.

Section 409 Interest Rate Hedge Requirements

409.01 General

An acceptable Interest Rate Hedge must be in place and maintained at all times for:

- variable rate Credit Enhancement Mortgage Loans;
- Structured ARM Loans; and
- any Mortgage Loan where (i) the Borrower executed the Fannie Mae Interest Rate Cap Reserve and Security Agreement ([Form 6442 series](#)), or a similar agreement, allowing for a “springing” Interest Rate Cap under certain circumstances, and (ii) the requirement of the Borrower to acquire and pledge to the Lender an Interest Rate Cap has been triggered under the agreement.

The Interest Rate Hedge may be either an Interest Rate Cap or Interest Rate Swap, although the prior approval of Fannie Mae is required before the Borrower may enter into an Interest Rate Swap.

Each Interest Rate Hedge Agreement and its collateral assignment must meet the requirements of [Part III, Chapter 12: Structured Adjustable Rate Mortgage \(SARM\) Loans](#).

Fannie Mae outside counsel must be engaged, at Borrower’s cost, to review the hedge bid package and documents, and prepare the amended Loan Documents for each hedge renewal. The Servicer must submit a completed Counsel Designation Request for Interest Rate Hedge Transactions ([Form 4625.A](#)).

409.02 Interest Rate Hedge Coverage

409.02A Bond Credit Enhancement Transactions

For Bond Credit Enhancement Mortgage Loans, the Interest Rate Hedge must:

- be in place whenever the variable rate mode is in effect; and
- comply with the requirements of the Reimbursement Agreement and other Loan Documents.

Per the Interest Rate Cap Reserve and Security Agreement ([Form 6442 series](#)), the Servicer must evaluate the Interest Rate Cap reserve and determine if the cost of a replacement Interest Rate Cap has increased or decreased based on market conditions.

- If the estimated cost of a replacement cap has increased, the Servicer must increase the monthly reserve payment to ensure sufficient funds will be available to purchase the replacement cap by the end of the reserve period.
- If the estimated cost of a replacement cap has decreased, the Servicer must not adjust the reserve.

409.02B Structured Transactions

When required for a Structured Transaction, the Servicer must ensure that the Interest Rate Hedge conforms to the applicable Master Credit Facility Agreement, Bulk Delivery Agreement, and/or the other Loan Document requirements.

409.02C Adjusting Interest Rate Hedge Reserves for SARM Loans Using Form 6442 Series with an Effective Date Before May 2024

Per the Interest Rate Cap Reserve and Security Agreement ([Form 6442 series](#)), the Servicer must evaluate the Interest Rate Cap reserve and determine if the cost of a replacement Interest Rate Cap has increased or decreased based on market conditions.

- If the estimated cost of a replacement cap has increased, the Servicer must increase the monthly reserve payment to ensure that sufficient funds will be available to purchase the replacement cap by the end of the reserve period.
- If the estimated cost of a replacement cap has decreased, the Servicer may:
 - opt to not adjust the reserve; or
 - calculate and adjust the monthly escrow payments needed to purchase a replacement Interest Rate Cap based on 115% of the cost of an Interest Rate Cap with the term required by the Loan Documents, provided:
 - it is a Portfolio Mortgage Loan Delivered before January 1, 2023;
 - the Interest Rate Cap escrow payments are recalculated at least every 6 months;
 - it is not part of a Variable Rate Bond Credit Enhancement Transaction;
 - it does not have an existing Payment Default or Performance Default under the Loan Documents or a Borrower, Key Principal, or Principal on ACheck; and

- no other Portfolio Mortgage Loans in your Fannie Mae portfolio with that Sponsor have an existing Payment Default or Performance Default.

The Servicer may refund to the Borrower any amount left in the reserve account after purchasing the replacement Interest Rate Cap.

409.02D Adjusting Interest Rate Hedge Reserves for SARM Loans Using Form 6442 Series with an Effective Date of May 2024 or Later

Every 6 months the Servicer must adjust the required Interest Rate Cap escrow amount based on 110% of the current cost of the replacement Interest Rate Cap.

409.03 Interest Rate Hedge Term

The Servicer must:

- monitor the term of each Interest Rate Hedge Agreement;
- hold all escrowed funds for an Interest Rate Hedge in an account meeting the Custodial Account requirements of [Part V, Chapter 3: Custodial Accounts](#);
- engage the Borrower prior to expiration of each Interest Rate Hedge to ensure that an acceptable replacement Interest Rate Hedge is in place prior to its expiration; and
- perform any required functions with respect to the Interest Rate Hedge Agreement.

409.04 Lien Filings and Collateral

The Servicer must maintain all UCC filings, and ensure that Fannie Mae's Lien in the Interest Rate Hedge is maintained. The Servicer must not direct the investment, application, or release of the collateral under any Interest Rate Hedge Agreement, without express written authorization from Fannie Mae.

409.05 Borrower Payments

409.05A Interest Rate Caps

Any payments by the Interest Rate Cap provider must be made to the Servicer and not to the Borrower. The disposition of funds depends on whether the Borrower is current on the Mortgage Loan and Reimbursement Agreement payment obligations (principal or PRF deposit, as applicable,

interest, any Interest Rate Cap escrow, and all other amounts then due) or any default exists under the Reimbursement Agreement or any other Loan Document.

If no default exists, the Servicer must remit the Interest Rate Cap provider's payment to the Borrower. If a default exists, the Servicer must retain the Interest Rate Cap provider's payment as additional collateral for the Borrower's obligations, to be held in accordance with the applicable agreements, and notify Multifamily Structured Asset Management of the receipt of the payment.

If the Bond Trustee or another third party is to receive any payments from the Interest Rate Cap provider, and the Borrower is not current on its payments or a default exists, then the Servicer must:

- notify the payee of the facts; and
- instruct the third party to withhold the payment to the Borrower, and make payment to the Servicer to be held as additional collateral for the Borrower's obligations.

409.05B Interest Rate Swaps

The Servicer must monitor the Interest Rate Swap to ensure that all payments are made on a timely basis. All payments under an Interest Rate Swap must be made directly to the Servicer, which will:

- remit the amount received from the Borrower to the Interest Rate Swap provider; or
- remit the amount received from the Interest Rate Swap provider to the Borrower, but only after the Borrower has made the required monthly P&I payment on the Mortgage Loan.

Payments due on the Interest Rate Swap must match the payment dates on the Mortgage Loan or the Bonds, as applicable. The Servicer must advance Interest Rate Swap payments and Interest Rate Swap credit enhancement fees that are not made by the Borrower or the Interest Rate Swap provider, as applicable, on a timely basis. These payments and their duration will be treated as Delinquency Advances. The Servicer is not required to advance any termination payment due on the Interest Rate Swap.

409.06 Provider Ratings

Fannie Mae lists the credit agency rating requirements and the acceptable Interest Rate Hedge providers on [Cap/Swap Counterparties for Multifamily Transactions](#). If the rating of a provider declines to a level where termination and replacement of the outstanding Interest Rate Hedges with that provider is required, Fannie Mae will notify the affected servicers

and direct them to contact their Borrowers and work with them to effect the termination and replacement. Failure to replace any Interest Rate Hedge provider whose rating no longer meets the rating requirements is a default under the Loan Documents.

409.07 Replacement Interest Rate Hedge and Notification

If the current Interest Rate Hedge expires before the Mortgage Loan Maturity Date, at least 90 days before the Interest Rate Hedge terminates, the Servicer must obtain the Borrower's written intention to:

- purchase a replacement Interest Rate Hedge; or
- convert the interest rate on a variable rate;
 - Credit Enhancement Mortgage Loan to a Bond Reset Interest Rate; or
 - SARM Loan to a fixed rate.

If the Borrower elects to purchase a replacement Interest Rate Hedge, the Servicer must:

- confirm that the possible Interest Rate Hedge providers are all on the current list of approved [Cap/Swap Counterparties for Multifamily Transactions](#);
- review the Loan Documents for the replacement Interest Rate Hedge timing requirements; and
- for a replacement Interest Rate Cap, ensure the:
 - Borrower purchases a replacement Interest Rate Cap with a term equal to the lessor of the:
 - remaining Mortgage Loan term; or
 - term specified in the Loan Documents;
 - replacement Interest Rate Cap's notional amount:
 - equals the Mortgage Loan's UPB when the replacement Interest Rate Cap becomes effective; and
 - remains at that amount throughout the replacement Interest Rate Cap's term; and
 - Cap Strike Rate of the replacement Interest Rate Cap is equal to or less than the Cap Strike Rate required per the Loan Documents.

The Borrower may purchase a replacement Interest Rate Cap in

advance if the replacement Interest Rate Cap becomes effective on the initial Interest Rate Cap's Maturity Date.

If the Interest Rate Hedge expires and the Borrower failed to provide evidence of securing the replacement Interest Rate Hedge, the Servicer must notify Multifamily Structured Asset Management immediately. Fannie Mae will instruct the Servicer's action regarding the Borrower's default.

409.08 Replacement Interest Rate Hedge Documents and Follow Up

The Servicer must send to Multifamily Certification and Custody within 15 Business Days the original replacement Interest Rate Hedge documents, including the Interest Rate Cap Agreement or Interest Rate Swap Agreement, the Assignment of Hedge Interest or Supplemental Hedge Security Agreement, and UCC Financing Statements, and retain copies in the Servicing File. The Servicer must submit a copy of the new Interest Rate Cap Agreement or Interest Rate Swap Agreement through the MAMP, and provide the new Interest Rate Hedge information as follows:

- for Credit Enhancement Mortgage Loans – upload Hedge Delivery Information ([Form 4643](#)) into CESIR;
- for all Interest Rate Hedges in Credit Facility and Bulk Delivery transactions – update hedge data in MSFMS; or
- for Structured ARM Loans (except in Credit Facility and Bulk Delivery transactions) – submit [Form 4643](#) through the MAMP.

Section 410 Ground Leases

- ensure that the Borrower complies with all provisions of the Loan Documents that relate to the Ground Lease;
- if the Ground Lease payments are escrowed, collect monthly payments from the Borrower to ensure sufficient funds will be available to pay the ground rents and any special payments required by the Ground Lease; and
- hold any escrowed ground rent payments with the Borrower's other T&I escrow funds in a T&I Custodial Account or a separate Custodial Account that meets all requirements of [Part V, Chapter 3: Custodial Accounts](#).

The Servicer is responsible for any losses incurred by Fannie Mae if the Servicer fails to make timely ground rent payments. The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP

for any Ground Lease default.

Section 411

Notice of Lien or Noncompliance with Applicable Laws, Ordinances and Regulations

The Servicer is responsible for protecting the Lien priority of the Security Instrument, and must:

- take all reasonable actions to prevent the filing of any Lien that would prime the Lien of the Security Instrument;
- immediately notify Multifamily Asset Management, in writing, upon learning of any such Lien filing, including a recommendation for resolving the situation; and

 - Fair Housing Act;
 - Americans with Disabilities Act;
 - non-discrimination;
 - environmental hazards;
 - occupancy;
 - zoning and land use;
 - health, fire, and building codes relating to immediately hazardous conditions; and
 - illegal use of the Property.

The Servicer must also provide to Fannie Mae all information concerning any lawsuit, cause of action, or claim by any third party resulting from or relating to the violation.

Section 412

Property Forfeitures and Seizures

Various federal and state statutes provide for the civil or criminal forfeiture of certain types of property, including real estate that is used, or intended to be used, to commit or facilitate the commission of certain

violations of law.

The Servicer must not provide any information about the Borrower, the Mortgage Loan, the Property, any Key Principal, or any Principal directly to any federal or state agency unless Fannie Mae specifically authorizes the release of the information. Following any contact from a federal or state official, the Servicer must immediately contact Multifamily Asset Management and Multifamily Special Asset Management. The Servicer should describe in its communication the nature of the contact, the information requested, and any document or papers received by the Servicer in connection with the contact. The Servicer must continue to service the Mortgage Loan.

Section 413 Property and Liability Insurance

413.01 Property and Liability Insurance

The Servicer must:

- ensure that the Property is continuously covered by property and liability insurance, as required by [Part II, Chapter 5: Property and Liability Insurance](#), and that all renewal premiums are paid in full and on time; and
- at least annually review the adequacy of the Borrower's insurance coverage in relation to the current requirements of [Part II, Chapter 5: Property and Liability Insurance](#).

If the existing insurance coverage or policy is inadequate, the Servicer must require the Borrower to make appropriate changes. Periodically, the Servicer may be required to make certain representations to Fannie Mae regarding the property and liability insurance coverages and policies for all of the Mortgage Loans it services.

413.02 No Financing for Property and Liability Insurance Premiums

The Servicer must not provide financing to the Borrower, or otherwise permit the Borrower to obtain financing, in order to pay any insurance premiums, except as permitted by [Part II, Chapter 5: Property and Liability Insurance](#).

413.03 Flood Map Changes; Obtaining Flood Insurance

The Servicer must monitor all flood map and community status changes, and take appropriate action when changes affecting Mortgage Loans it services occur as required by [Part II, Chapter 5: Property and Liability Insurance](#). When a Property is remapped into a Special Flood Hazard Area, the Servicer must require the Borrower to obtain flood

insurance, regardless of whether the community is “participating” in the National Flood Insurance Program. The flood insurance policy must be in place within 45 days after the effective date of the remapping. If the Borrower refuses to obtain the required coverage or pay a disputed premium, the Servicer must obtain the required coverage. The Servicer must contact Multifamily Insurance if:

- a Property is in a Special Flood Hazard Area;
- the community in which the Property is located does not participate in the National Flood Insurance Program; and
- the Borrower cannot obtain the required flood insurance.

413.04 Lender Placed Insurance

413.04A Property and Liability Insurance

413.04B Flood Insurance

If acceptable insurance coverage cannot be obtained, the Servicer must immediately contact Multifamily Insurance to determine the appropriate course of action.

413.04C Servicer’s Administrative Costs and Expenses

The Servicer is permitted to collect from the Borrower any reasonable out-of-pocket costs and expenses incurred by the Servicer to obtain insurance coverage for the Property.

Section 414 Casualty Losses – Performing Mortgage Loans

414.01 Notice

In the event of a casualty loss of \$75,000 or more, the Servicer must submit through the MAMP a:

- Report of Multifamily Hazard Insurance Loss ([Form 178](#)):
 - within 30 days if no serious injury or death occurred; or
 - within 10 days if serious injury or death occurred; and
- final [Form 178](#) indicating that the Property is fully restored, and document its Servicing File when the Property is fully restored.

A revised [Form 178](#) must be submitted if any of the information on the form changes for any casualty loss greater than the lesser of (i) \$500,000, or (ii) 20% of the UPB.

414.02 Filing Proof of Loss

For any casualty loss covered by the Borrower's insurance policy, the Servicer must ensure that the Borrower timely files a proof of loss with the insurance carrier, and effects a prompt and reasonable adjustment of the loss. If the Borrower fails to timely file a proof of loss with the insurance carrier, or take requisite actions to effect a prompt adjustment of the loss claim, the Servicer must independently contact the insurance carrier to adjust the loss claim.

414.03 Casualty Loss Assessment

The Servicer must assess the extent and impact of any damage caused by a casualty, and ensure that the Borrower appropriately addresses the damage.

Within 45 days after learning of a casualty loss, the Servicer must document its Servicing File with the results of its casualty loss assessment. At a minimum, the Servicer must include:

- when the casualty loss occurred and when the Servicer was first informed of the casualty loss;
- the scope of the damage and its effect on the Property (e.g., impact on the habitability of the buildings, safety of the residents, serious injury or loss of life, project occupancy, and project income and expenses);
- the Borrower's plan of action for securing and restoring the damaged portion of the Property, and the status of the Borrower's efforts to implement the plan, including the specific steps to be taken (e.g., temporarily relocating tenants, preparing plans and specifications, awarding contracts, and commencing repair work);
- whether any environmental problems are associated with the damage, and if so, how they will be addressed;
- the projected cost to repair and restore the damaged Improvements, including any available information on contractors' bids or awards;
- whether the casualty loss is covered by the Borrower's insurance policy, the status of any insurance claim, and an estimate of the amount and timing of the funds to be received from the insurance carrier;

- the estimated amount of additional funds that the Borrower will have to provide from its own resources to complete all necessary repair and restoration work, and the current availability of such funds; and
- any other relevant information pertaining to the loss event that is known to the Servicer and could have a material bearing on Fannie Mae's interests.

414.04 Required Casualty Loss Property Inspection

The Servicer must inspect the Property, take photographs of the damage, and complete a Multifamily Catastrophic Loss Inspection (Form 4261) if:

- the casualty loss is expected to exceed the lesser of (i) \$500,000, or (ii) 20% of the UPB of the Mortgage Loan as of the date of the casualty; or
- any of the following conditions exists:
 - a default has occurred and is continuing under the Loan Documents;
 - the combination of insurance proceeds and Borrower funds is insufficient to complete the necessary Property repairs for restoration to a condition fit for human habitation and meeting all applicable permitting requirements;
 - prior to the commencement of any restoration work, the Servicer determines that, upon completion of the repair and restoration work, the Property will not be capable of generating sufficient income to cover all operating expenses, required Replacement Reserve deposits, P&I on the Mortgage Loan, and required payments on any subordinate debt secured by the Property, or will not otherwise meet a DSCR or other test required by the Loan Documents; or
 - the repair and restoration work will not be completed by the earlier of (i) the Maturity Date, or (ii) within 1 year from the date of the casualty.

The Servicer may charge the Borrower for the cost of the inspection unless expressly prohibited by the Loan Documents.

An inspection by the Servicer is optional if the casualty loss is expected to be less than (i) \$500,000, or (ii) 20% of the UPB, and none of the above conditions exist. If the Servicer elects not to inspect the Property, the Servicer must confirm during the next Property inspection, and document

in its Servicing File, that the repair and restoration work was satisfactorily completed. If the Servicer determines that the repair or restoration work was not satisfactorily completed, the Servicer must notify Multifamily Inspections and Multifamily Loss Mitigation) in writing, as required by [Part V, Chapter 5: Surveillance](#).

414.05 Documentation for Required Casualty Loss Property Inspections

After inspecting the Property, the Servicer must:

- retain in its Servicing File a copy of the completed Catastrophic Loss Inspection ([Form 4261](#)), and photographs of the damaged portions of the Property; and
- submit a copy of the Catastrophic Loss Inspection ([Form 4261](#)) and the photographs through the MAMP within 7 days after completing the Catastrophic Loss Inspection ([Form 4261](#)).

414.06 Endorsement of Insurance Loss Draft or Check When Payable to Fannie Mae

Any insurance loss draft or check issued by the insurance carrier must be made payable to Fannie Mae in care of the Servicer, or as otherwise required by the mortgagee clause. Provided the Lender Contract contains nothing to the contrary, the Servicer is delegated the authority to endorse any insurance loss draft or check on Fannie Mae's behalf, as follows:

Fannie Mae

By: [Name of Servicer]

By: [Name of Servicer's Authorized Signer]

[Title of Servicer's Authorized Signer].

If any insurance loss draft or check made payable to Fannie Mae or the Servicer is cashed by the Borrower without proper endorsement by Fannie Mae or the Servicer, the Servicer must instruct the Borrower to send the funds to the Servicer within 5 Business Days. If the Borrower does not send the funds, the Servicer must contact Multifamily Asset Management immediately.

414.07 Endorsement of Insurance Loss Draft or Check When Not Payable to Fannie Mae

If the insurance loss draft or check is payable to the Servicer, the Servicer is authorized to endorse the draft or check and apply the proceeds in accordance with this Section. The Servicer must also send the Insurer an Insurance Loss Payee Notice Letter ([Form 4803](#)) so that all future insurance loss drafts and checks will be issued to Fannie Mae in care of the Servicer. The Servicer must retain a copy of the Insurance Loss Payee Notice Letter

(Form 4803) in its Servicing File.

414.08 Insurance Loss Draft or Check Not Payable to Either Fannie Mae or Servicer

If the insurance loss draft or check is not made payable to either Fannie Mae or the Servicer, the Servicer must return it to the insurance carrier and request the loss draft or check be reissued in the name of Fannie Mae and sent to the Servicer. If the check has already been cashed by the Borrower, the Servicer must demand those funds be either paid by the Borrower to the Servicer and/or deposited in a Custodial Account meeting the requirements of [Part V, Chapter 3: Custodial Accounts](#).

414.09 Application of Insurance Loss Proceeds

The Servicer must review the Loan Documents to confirm no contrary requirements exist regarding the application of insurance loss proceeds (e.g., where the Loan Documents require the noteholder to “reasonably” approve the application of insurance proceeds, where the noteholder is to apply commercially reasonable standards, or where the noteholder has the power to approve in its sole discretion).

414.09A Fannie Mae Determination Required

If any of the following conditions exist, Fannie Mae will determine, in its sole discretion, whether to require the insurance loss proceeds to be (i) applied to the UPB, or (ii) used to repair and restore the Property:

- a default has occurred and is continuing under the Loan Documents;
- the combination of insurance proceeds and Borrower funds is insufficient to complete the necessary Property repairs for restoration to a condition fit for human habitation and meeting all applicable permitting requirements;
- prior to the commencement of any restoration work, the Servicer determines that, upon completion of the repair and restoration work, the Property will not be capable of generating sufficient income to cover all operating expenses, required Replacement Reserve deposits, P&I on the Mortgage Loan, and required payments on any subordinate debt secured by the Property, or will otherwise meet a DSCR or other test required by the Loan Documents; or
- the repair and restoration work will not be completed by the earlier of (i) the Maturity Date, or (ii) within 1 year from the date of the casualty loss.

414.09B Disposition of Insurance Loss Proceeds

Based upon the Borrower's plan of action and the Servicer's overall assessment, and provided none of the conditions listed in [Part V, Chapter 4: Asset Management: Loan Document Administration, Section 414.04: Required Casualty Loss Property Inspection](#) exist, the Servicer has the authority to:

- hold the proceeds to incrementally reimburse the Borrower for the cost of repairing the damage and restoring the Property to habitable condition; or
- recommend to Fannie Mae that the proceeds be applied to the UPB of the Mortgage Loan by submitting a request through the MAMP.

414.10 Property Restoration Requirements

All insurance loss proceeds will be held to reimburse the Borrower in increments for the cost of repairing the damage and restoring the Property. If the Property will be restored to habitable condition, the Servicer must:

- deposit all insurance loss proceeds in a Custodial Account meeting the requirements of [Part V, Chapter 3: Custodial Accounts](#), to incrementally reimburse the Borrower for the cost of repairing the damage;
- require the Borrower to deposit, in the same Custodial Account, funds equal to the difference between (a) the Servicer's estimate of the total cost to repair and restore the Property to its pre-casualty condition, and (b) the amount of the insurance proceeds;
- for losses greater than \$75,000, prepare and have the Borrower execute the applicable Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) ([Form 6615](#)) for use with the 6000 series Loan Documents if documented before the June 2019 Loan Document publication, or Insurance Loss Proceeds Collateral Agreement ([Form 6639](#)) for use with the 4000 series Loan Documents, specifying the terms and conditions under which the funds held in the Custodial Account will be released to the Borrower ([Form 6615](#)) is not required for Mortgage Loans with Loan Documents documented after the June 2019 Loan Document publication); and
- submit a copy of any applicable Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) ([Form](#)

6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639) through the MAMP.

The Servicer may waive the above requirement that the Borrower deposit additional funds into the Custodial Account if (i) the Servicer deposits all insurance loss proceeds into the Custodial Account, and (ii) determines that the Borrower, Key Principals, and Principals have sufficient funds to repair and restore the Property when the insurance loss proceeds alone are insufficient.

Within 7 days of execution, the Servicer must submit through the MAMP copies of:

- any applicable Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639);
- any Report of Multifamily Hazard Insurance Loss (Form 178); and
- if required and completed, a copy of the Multifamily Catastrophic Loss Inspection (Form 4261).

The Multifamily Catastrophic Loss Inspection (Form 4261) must be submitted through the MAMP within 7 days after the later of:

- the execution of any Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639); or
- the completion of the Multifamily Catastrophic Loss Inspection (Form 4261).

The Servicer must send to Multifamily Certification and Custody within 15 Business Days the original executed copy of any Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639), and retain in its Servicing File the original:

- Multifamily Catastrophic Loss Inspection (Form 4261); and
- Report of Multifamily Hazard Insurance Loss (Form 178).

414.11 Commencement of Repair/Restoration Work

Before the Servicer disburses any funds to the Borrower for repair or restoration work the Servicer must:

- have any applicable executed Amendment to Multifamily Loan

and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639);

- have on deposit in a Custodial Account all insurance loss proceeds and, unless waived as provided above, sufficient Borrower funds to cover the estimated cost to complete the repair and restoration work;
- except in the case of minor casualties, have copies of all applicable building permits and other permits/authorizations required to carry out the repair and restoration work;
- except in the case of minor casualties, review (or have a qualified professional review) and approve any plans and specifications relating to the repair and restoration work;
- obtain from the Borrower the identities of each principal contractor, architect, and engineer who will be involved in the repair and restoration work, and be satisfied with their qualifications (including assurance each is appropriately licensed and bonded); and
- obtain evidence of builder's risk insurance, if required, in accordance with Part II, Chapter 5: Property and Liability Insurance, Section 501.02E: Builder's Risk Insurance.

Any emergency work required to protect the Property or correct a condition threatening the health or safety of the tenants must be undertaken immediately by the Borrower, even if the forgoing requirements have not been complied with.

414.12 Disbursements

414.12A Prerequisites for Disbursement of Funds

Before disbursing funds, including the final disbursement, to the Borrower for each disbursement request, the Servicer must be satisfied that:

- all repair and restoration work has been completed in a good and workmanlike manner and in accordance with any applicable plans and specifications, as evidenced by submissions from the Borrower and, if applicable, by the Servicer's or a qualified professional's inspection of the completed work;
- all related invoices for items and services have been paid, unless the Borrower has satisfied any applicable pre-conditions of the Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639) for issuance of a joint check made payable to the Borrower and the Person

owed funds;

- the necessary release of Lien or Lien waivers have been submitted by all contractors, and no mechanics' Liens, materialmen's Liens, or other Liens are outstanding that have not been acceptably bonded over; and

414.12B Disbursing Funds

The Servicer must approve and disburse funds related to each Borrower request in accordance with the Loan Documents, including any applicable Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639). Funds must be disbursed no more frequently than once a month, unless:

- the Servicer determines that more frequent disbursements of funds are appropriate and can be managed effectively; or
- the disbursement is equal to or greater than \$10,000, or is the final disbursement of proceeds.

414.12C Content of Disbursement Request

Each of the Borrower's disbursement requests must be in writing and must specify, at a minimum:

- the specific repair and restoration work for which reimbursement is being sought;
- the quantity and price of all materials (grouped by type or category) or specific replacement items (e.g., appliances) purchased; and
- the cost of all contracted labor or other services.

The Borrower's disbursement requests must be accompanied by:

- a Borrower certification that the repair and restoration work was completed in a good and workmanlike manner, in accordance with any plans and specifications previously approved by the Servicer, and in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the

Property;

- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
 - a copy of the invoice detailing the covered materials, labor, or services;

414.12D Disbursement Amount

The amount of each disbursement (other than the final disbursement) may not exceed the lesser of:

(i) an amount equal to:

- the actual cost of the repair and restoration work covered by the disbursement request, or, if the work was done under a contract or subcontract pursuant to which other work remains to be done, an amount equal to 90% of the actual cost of the repair and restoration work covered by the disbursement request (i.e., a 10% holdback is required if the work under the applicable contract or subcontract has not been completed in full); plus
- 100% of the cost of any materials used, or to be used, in connection with the repair and restoration work, if at the time of the disbursement request, title to the materials has passed to the Borrower and the materials have been installed, or are being properly stored, on the Property; or

(ii) an amount equal to the difference between:

- the balance of the Collateral Agreement Custodial Account at the time of the disbursement request; and
- the estimated cost of all remaining repair and restoration work at that time of the disbursement request.

414.12E Final Disbursement; Notice to Fannie Mae

Upon satisfactory completion of all required repair and restoration work, and satisfaction of all other applicable conditions of the Loan Documents, including any applicable Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639), the Servicer must:

- disburse all remaining funds to the Borrower; and
- submit through the MAMP a final Report of Multifamily Hazard Insurance Loss (Form 178) to indicate that all work was satisfactorily completed.

414.12F Documentation in Servicing File

The Servicer must ensure that all actions taken with respect to each Borrower disbursement request are appropriately documented in its Servicing File.

414.13 Borrower's Failure to Diligently Pursue Repair

The Servicer must notify Multifamily Asset Management immediately if the Borrower fails to:

- proceed diligently with any necessary repair and restoration work;
- perform the work satisfactorily; or
- perform in accordance with the terms of the Loan Documents, including any applicable Amendment to Multifamily Loan and Security Agreement (Restoration Reserve) (Form 6615) or Insurance Loss Proceeds Collateral Agreement (Form 6639).

The Servicer's notice to Multifamily Asset Management must include a description of any steps that the Servicer is taking to resolve the situation.

414.14 Reimbursement of Administrative Costs

If the insurance loss proceeds include funds specifically designated to defray administrative costs incurred by the mortgagee in connection with the casualty loss, the Servicer may reimburse itself from this designated amount for its actual, reasonable administrative costs. If no such provision is made by the insurer, the Servicer may not seek reimbursement for its administrative costs from the proceeds, nor may the Servicer seek reimbursement separately from the Borrower.

Section 415 Casualty Losses – Non-Performing Mortgage Loans

The Servicer must contact Multifamily Special Asset Management before performing a casualty loss assessment on a Property securing a Non-Performing Mortgage Loan. Fannie Mae will determine whether the Servicer should proceed with the assessment, and direct the Servicer accordingly. Any activity or action plans to repair or restore the Property must be approved by Fannie Mae. All insurance loss drafts and checks must be forwarded to Fannie Mae for endorsement and disposition.

The Borrower must initiate the release/substitution process by submitting a written request to the Servicer. Upon receipt, the Servicer must submit a release/substitution request package through the MAMP that includes:

Section 418 Credit Enhancement Mortgage Loans and Multifamily Affordable Housing Properties

418.01 Bond Transactions and Credit Enhancement Mortgage Loans

For any Credit Enhancement Mortgage Loan where Fannie Mae is providing credit enhancement for tax-exempt multifamily housing Bonds, the Borrower must provide the Servicer with a copy of the compliance monitoring statement required under the Bond Documents. If the Borrower's statement reflects noncompliance with the low- and moderate-income tenant occupancy requirements set forth in the Affordable Regulatory Agreement, or if the Borrower fails to provide the statement to the Servicer, the Servicer must notify Multifamily Asset Management, and retain the compliance monitoring statement in its Servicing File.

418.02 Compliance Issues Relative to Bond Credit Enhancement Transactions

The Servicer must monitor the Interest Reserve Requirement, if any, under the Bond Trust Indenture with respect to each Credit Enhancement Mortgage Loan.

The Servicer must monitor the rating of the institution in which the accounts under any Cash Management, Security, Pledge, and Assignment Agreement are held, and must require the Borrower to move the accounts if the rating no longer meets Fannie Mae's requirements as provided in [Part V, Chapter 3: Custodial Accounts](#).

418.03 Monitoring Compliance; Notification of Noncompliance

418.03A Affordable Regulatory Agreement

At least once in each calendar year (and more often if directed by Fannie Mae), the Servicer must obtain a Borrower certification that the Property is in full compliance with:

- the rules qualifying the interest on the Bonds for exclusion from gross income for federal income tax purposes pursuant to the Internal Revenue Code; and
- the requirements of the Affordable Regulatory Agreement.

The Servicer must review the Borrower certificate, and if the Property does not comply with all applicable regulatory requirements, the Servicer must immediately notify Multifamily Asset Management. Neither Fannie Mae nor the Servicer is responsible for determining or ensuring the Borrower's compliance under the Affordable Regulatory Agreement.

418.03B Default Notice for Failure to Comply with the Bond Documents

The Servicer must promptly notify Multifamily Asset Management, the Borrower, the Bond Trustee, and the Issuer in writing of any default by a Borrower with any provision of any Loan Document, Reimbursement Agreement, Security Agreement, the Affordable Regulatory Agreement, or other Loan Document, Credit Enhancement Document, or Bond Document.

The Servicer must promptly forward to Multifamily Asset Management copies of any notices received from a Borrower, Bond Trustee, Issuer, or any other party regarding any default by a Borrower, and shall maintain ongoing contact with Fannie Mae regarding the status of the Credit Enhancement Mortgage Loan by submitting a Non-Monetary Default Borrower Request in the MAMP.

418.04 Multifamily Affordable Housing (MAH) Properties

The Servicer must collect annual compliance documentation in the form of:

- for an MAH Property with Sponsor-Initiated Affordability, certifications from the Borrower and Administering Agent of compliance with the Sponsor-Initiated Affordability Agreement; or
- for any other MAH Property, the annual recertification of the Property's compliance with the Affordable Regulatory Agreement from the agency or entity that imposed any applicable rent or occupancy restrictions or, if not available, an explanation of why it is not available.

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP to notify Multifamily Asset Management if this documentation reveals any event of default or noncompliance with the applicable:

- Sponsor-Initiated Affordability Agreement; or
- Affordable Regulatory Agreement.

The Servicer must retain the annual compliance documentation in its Servicing File.

418.05 Low-Income Housing Tax Credits

If the Property is subject to a Low-Income Housing Tax Credit allocation, the Servicer must obtain, at least once in each calendar year (and more often if directed by Fannie Mae):

- copies of the tax and other compliance forms specified in [Part III, Chapter 7: Multifamily Affordable Housing Properties](#); and
- Borrower certifications of the Property's compliance with the requirements of the Internal Revenue Code regarding Low-Income Housing Tax Credits; and
- if the Low-Income Housing Tax Credits have not yet been syndicated, monthly reports from the Borrower detailing the Borrower's progress in syndicating the tax credit allocation until the syndication is completed.

If the Borrower indicated that the Property does not comply with all applicable regulatory requirements, the Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP. Neither Fannie Mae nor the Servicer is responsible for determining or ensuring the Borrower's compliance with Low-Income Housing Tax Credit requirements. The

Servicer also must comply with the information requirements of [Part III, Chapter 7: Multifamily Affordable Housing Properties](#).

418.06 Enhanced Resident Services

The Borrower must annually recertify the Property and submit each recertification to the Servicer within 75 days following the end of each Loan Year. The Servicer must collect the initial certification and each recertification in the Servicing File. For any recertification failure, the Servicer must promptly notify Fannie Mae through the MAMP, or such other method indicated by Fannie Mae. Additionally, the Servicer must promptly submit a Non-Monetary Default Borrower Request in the MAMP if the Property later achieves recertification. After recertification, the Servicer must then resume annual compliance monitoring at the end of each subsequent Loan Year.

418.07 Expanded Housing Choice

A Mortgage Loan with an Expanded Housing Choice pricing incentive requires additional monitoring.

Fannie Mae:

- may conduct fair housing testing for a Mortgage Loan delivered with an Expanded Housing Choice pricing incentive; and
- will notify the Servicer if the fair housing testing or any other information reveals the Borrower is not complying with [Part III, Chapter 23: Expanded Housing Choice](#); and may, for any noncompliance:
 - require the Borrower's employees to complete fair housing training;
 - require Supplemental Annual Loan Agreement Certification (Expanded Housing Choice) ([Form 6620.Supplemental.Expanded Housing Choice](#)); and/or
 - notify the Borrower it is in default.

The Servicer must:

- if not already received by April 15, notify the Borrower a rent roll or rent schedule dated as of December 31st of the previous year is due 120 days after the end of the prior calendar year;

The Servicer is delegated the authority to:

- approve renewal of the HAP Contract during the Mortgage Loan term; and
- waive any Loan Document provision requiring the HAP Contract to be fully funded by HUD through the Mortgage Loan Maturity Date.

The Servicer must submit through the MAMP a copy of the renewed HAP Contract, and retain a copy in the Servicing File, together with any Borrower request for release of the Restabilization Reserve.

Most disbursements from a Restabilization Reserve require Fannie Mae's approval. The Servicer is delegated the authority to approve, without Fannie Mae's consent, a Borrower request for a final disbursement, provided:

- the Servicer has received written evidence that the HAP contract has been extended by HUD through the Maturity Date with no material changes to its terms;
- no default has occurred and is continuing under the Loan Documents; and
- the Loan Documents explicitly allow a final disbursement under these conditions.

Section 419

Sponsor-Dedicated Workforce Housing Properties

Per the Loan Documents, to monitor an SDW Housing Property, the Servicer must:

Section 420

MH Communities with Tenant Site Lease Protections

A Mortgage Loan secured by an MH Community with Tenant Site Lease Protections requires additional monitoring. The Loan Documents

require the Borrower to annually provide:

- a certified copy of the current residential MH Site Lease form;
- a certified copy of the notice sent to all MH Site Lease tenants if the Tenant Site Lease Protections were implemented by the Rules and Regulations;
- copies of any actual MH Site Lease requested by Lender; and
- a certification of the actual percentage of MH Site Leases that include all required Tenant Site Lease Protections, and that no material changes have been made to the MH Community's rules and regulations or to the MH Site Lease form.

The Servicer must:

- confirm the Borrower's ongoing compliance with the Loan Documents;
- if the Tenant Site Lease Protections were implemented within the MH Community's rules and regulations, confirm:
 - the rules and regulations contain all Tenant Site Lease Protections and are publicly posted in the MH Community; and
 - each MH Site Lease tenant received written notice of all Tenant Site Lease Protections added to the rules and regulations;
- if the Tenant Site Lease Protections were implemented within the MH Site Lease:
 - confirm the MH Site Lease form includes:
 - all Tenant Site Lease Protections; and
 - the required percentage of MH Site Leases (i.e., 25%, 50%, or 100%) are covered by the Tenant Site Lease Protections; and
 - annually audit at least 25% of the minimum percentage of MH Site Leases required per the Loan Documents (i.e., 25%, 50%, or 100%) to ensure all Tenant Site Lease Protections are included;
- determine whether the Borrower complied with all terms of the Tenant Site Lease Protections (e.g., the Borrower only raised MH Site Lease rents after required notice);
- retain the review of the Borrower's certification and audit results in the Servicing File; and

- notify Multifamily Loss Mitigation if the Borrower fails to certify compliance, or the MH Site Lease audit discloses potential noncompliance.

Section 421 Single Asset Entity Conversion

If the Loan Documents require the Borrower to convert into a single asset entity that complies with [Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity](#) by a certain date, the Servicer is delegated the authority to:

- grant a one-time extension of the date by up to 90 days;
- determine whether the extension requires an amendment to the Multifamily Loan Agreement; and
- document it in any form that the Servicer deems legally enforceable.

Section 422 Loan Document Amendments

Provided the change does not violate the Disclosure Documents or the Fannie Mae Master Trust Agreement, the Servicer is delegated the authority to modify the Loan Documents for a Portfolio Mortgage Loan to:

- align with the approved terms for a Supplemental Mortgage Loan; or
- cross-default and/or cross-collateralize the Portfolio Mortgage Loan with a subsequent Mortgage Loan.

This delegated authority includes executing all Loan Document amendments related to:

- a subordinate lien, including any Mortgage Loan modification for a Supplemental Mortgage Loan with a confirmed Commitment;
- cross-collateralizing and/or cross-defaulting a Pre-Existing Mortgage Loan with a Supplemental Mortgage Loan with a confirmed Commitment; and
- cross-collateralizing and/or cross-defaulting a first Lien Mortgage Loan with another first Lien Mortgage Loan (e.g., for a phased property), provided that cross-collateralization and cross-default were contemplated in the Loan Documents for the Portfolio Mortgage Loan and there is a confirmed Commitment for the second first Lien Mortgage Loan.

Section 423 Maturing Mortgage Loans

423.01 Written Policy

The Servicer must establish a written policy for maturing Mortgage Loans, including:

- overall monitoring responsibilities;
- criteria for handoffs between functional groups (e.g., Special Asset Management, Special Credits, etc.);
- Fannie Mae reporting;
- sending Borrower maturity notification letters; and
- determining the Mortgage Loan's refinance eligibility.

423.02 Refinance Eligibility

On a monthly basis, beginning at least 24 months before each Mortgage Loan's Maturity Date, the Servicer must evaluate the Property's operating performance to determine the likelihood that the Mortgage Loan UPB can be refinanced based on the current cap rate, and the DSCR and NCF from the Property's most recent annual financial statement.

Participants from the Servicer's underwriting, asset management, portfolio management, and finance teams must coordinate to categorize each Mortgage Loan as either:

- "Meets Criteria" = the Mortgage Loan qualifies for refinancing based on the currently published underwriting criteria of Fannie Mae or a third party; or
- "Does Not Meet Criteria" = the Mortgage Loan does not qualify for refinancing based on the currently published underwriting criteria of Fannie Mae or a third party.

For each Mortgage Loan categorized as "Does Not Meet Criteria", the Servicer must:

- review the Property's quarterly operating statements and analyze the operating expenses (especially repairs & maintenance and capital expenses) to assess whether the Borrower is prudently managing the Property; and
- work with the Borrower and Fannie Mae to ensure the Borrower has a reasonable payoff plan.

423.03 Borrower Communications

The Servicer must send the following maturity notification letters to the Borrower:

- 18 months before the Mortgage Loan Maturity Date, send the first maturity notification letter notifying the Borrower of the upcoming Maturity Date (18 Month Notice to Borrower – Choice Refinance Loans (Form 4217)).
- 12 months before the Mortgage Loan Maturity Date, send the applicable second maturity notification letter (12 Month Notice to Borrower Marketing Oriented – Choice Refinance Loans (Form 4218) or 12 Month Notice to Borrower – In Place Loans (Form 4219)):
 - notifying the Borrower of the upcoming Maturity Date;
 - providing Servicer contact information; and
 - requesting a detailed payoff plan.
- 6 months before the Mortgage Loan Maturity Date, send the 6 Month Notice to Borrower – In Place Loans (Form 4220):
 - notifying the Borrower of the upcoming Maturity Date;
 - requesting proof of a payoff plan (e.g., a commitment letter from another lender or sale contract); and
 - advising the Borrower that the Mortgage Loan will be in default if not paid off or refinanced.

Within 6 months of the Maturity Date, the Servicer must aggressively pursue a maturity solution for any Mortgage Loan that “Does Not Meet Criteria” until the Borrower provides written proof of a payoff plan, which may include a certified escrow letter, contact information for the new lender with appropriate follow-up by the Servicer, or other reasonable evidence.

423.04 Fannie Mae Communications

On the first Business Day of each month, the Servicer must submit a Maturing Loan Report using the mandated template to Multifamily Maturity Management with information on each Mortgage Loan maturing within the next 24 months (or advising that no Mortgage Loans are maturing within the next 24 months), and categorizing each as “Meets Criteria” or “Does Not Meet Criteria” in the Performance Rating column. The Servicer must also update the Maturing Loan Report as new information becomes available with each monthly submission.

The comments section of the Maturing Loan Report must include, at a minimum:

- a report of discussions with the Borrower (e.g., potential new lender, term of new loan, proof of payoff plan received);
- the anticipated payoff date; and
- whether the Mortgage Loan is likely or not to refinance, and the rationale.

All other Fannie Mae notices related to maturing Mortgage Loans, including default notices, must be sent to Multifamily Maturity Management.
