Part I Mortgage Loan

Chapter 1 Overview

Section 101 Using the Guide

101.01 Organization

Requirements

The Guide is divided into 3 categories:

- Requirements are mandatory conditions that must be satisfied for all Lender-delegated Mortgage Loans and activities. You must obtain Fannie Mae's prior approval to Deliver a Mortgage Loan or perform an activity that does not comply with any requirement.
- Guidance are best practices to inform and support a Lender's delegated analysis and decision-making. Fannie Mae expects you to exercise your delegated authority in a prudent manner, and will review your analysis and delegated decisions.
- Operating Procedures are required steps or processes that must be followed.

The Lender Contract provides Fannie Mae with certain rights, remedies, and corrective actions if you fail to satisfy requirements, follow the operating procedures, or exercise delegated authority in a prudent manner.

If the Guide does not specify a category, then the information is a requirement.

101.02 References

✓ Requirements

The following rules apply:

- a reference to the Guide includes any:
 - update, amendment, restatement, modification, or supplement; and
 - referenced exhibits, appendices, or other forms;
- a reference to any Person also includes the Person's successors and assigns;
- a reference to any Loan Document, statute, regulation, or standard, also

includes all amendments, modifications, or restatements made from time to time;

- for any inconsistency between the Guide and the Loan Documents regarding a Mortgage Loan or Portfolio Mortgage Loan, the Loan Documents will govern; and
- whenever you make a representation "to your knowledge" or "to the best of your knowledge," you mean the actual state of knowledge of your officers and employees responsible for the underwriting, origination, servicing, or sale of the Mortgage Loan regarding the matters expressly set forth in the representation, in each case without having conducted any independent inquiry into such matters, and without any obligation to do so (except as expressly set forth herein). All information contained in documents which are part of or required to be part of your Servicing File is deemed to be within your knowledge.

Registered and unregistered trademarks can be found on Fannie Mae's trademarks website. You must include the appropriate trademark symbols when using Fannie Mae's protected words and phrases, and comply with the instructions on the website.

Section 102

Delegation and Underwriting

✓ Requirements

You must comply with the Guide in its entirety. Your Lender Contract describes your delegated authority to underwrite and Deliver Mortgage Loans.

For underwriting and Delivery to be fully delegated to you, you must underwrite the Mortgage Loan to meet the requirements provided in

- the Multifamily Underwriting Standards (Form 4660),
- Part I,
- Part II, and
- the applicable chapters of Part III based on the specific products and features of the Mortgage Loan.

If the Mortgage Loan does not comply with the applicable requirements, it is a Pre-Review Mortgage Loan (see Part I, Chapter 2: Mortgage Loan, Section 203: Pre-Review Mortgage Loans).

Effective: 10/01/2025

Section 103 Transaction Approval Memo

Your Transaction Approval Memo must:

- document
 - your analysis of all reasonably identifiable strengths and weaknesses of the proposed Mortgage Loan transaction, and
 - all due diligence findings required by the Guide; and
- address and mitigate the following:
 - Property's financial performance, trends, and value;
 - Property's current physical condition and expected condition over the term of the Mortgage Loan;
 - environmental conditions and seismic risk impacting the Property;
 - ability of the Property to be refinanced at the Maturity Date;
 - Borrower's, Key Principals', and Guarantors' financial capacity and experience;
 - Property market's performance and trends;
 - any other factors that could impact the transaction during the Mortgage Loan term or at the Maturity Date; and
 - analysis and support for your decisions on any matters covered by requirements or guidance in Parts I, II, and III.

Guidance

Fannie Mae will consider the quality and thoroughness of your analysis, and the appropriateness and quantity of adjustments made

- in the underwriting,
- during the monitoring process, and
- when exercising the remedies or corrective actions provided in the Lender Contract.

Section 104 Representations

✓ Requirements

When you Deliver a Mortgage Loan to Fannie Mae you represent that:

At all times during the origination and underwriting of the Mortgage Loan, you were authorized to transact business in the Property's jurisdiction. If you were not authorized, then none of your activities related to the

Mortgage Loan requires authorization to transact business in the Property's jurisdiction.

- If the laws of the Property's jurisdiction do not require you to be authorized to do business, then this lack of authorization will not adversely affect the mortgagee's ability to enforce the Mortgage Loan.
- You are the sole owner and holder of the Mortgage Loan and have full right and authority to sell the Mortgage Loan to Fannie Mae.
- Your right to sell the Mortgage Loan to Fannie Mae is not subject to any other party's interest or Lien, or to any agreement with any other party.
- You complied with all applicable federal or state laws, regulations, or other requirements regarding
 - fair lending,
 - fair housing,
 - consumer credit,
 - equal credit opportunity,
 - truth-in-lending, and
 - the prohibition of redlining and other forms of discrimination.
- Unless modified by Fannie Mae's Pre-Review approval, the Mortgage Loan meets
 - the requirements of the Guide,
 - the Form 4660, and
 - all applicable requirements of your Lender Contract.
- No Person on the Restricted Vendor List performed any service for, or was involved in any way with, the Mortgage Loan's
 - underwriting,
 - closing, or
 - Delivery.
- The Mortgage Loan either meets or is exempt from any usury laws or regulations.
- The Loan Documents you deliver to Fannie Mae are the appropriate and correct forms for the particular transaction under the Guide and contain the same provisions as those provided to you by Fannie Mae (except for completion of blanks, deletion of bracketed information which is not applicable, and other changes approved by Fannie Mae).

Effective: 10/01/2025

■ The Borrower is not in default under any of the terms of the Loan

Documents and would not be in default under any of the terms of the Loan Documents with the passage of time, the giving of notice, or both.

- The terms and conditions of the Mortgage Loan (as reflected in the Loan Documents) have not been amended, modified, or supplemented by
 - any other agreement or understanding of the parties, or
 - waiver of any of the material provisions of those Loan Documents.
- All documents that evidence, secure, or otherwise relate to the Mortgage Loan have been delivered to Fannie Mae. If you are not the actual party assigning the Mortgage Loan to Fannie Mae because of the financing structure (e.g., a variable rate bond transaction), you make this representation only to the best of your knowledge.
- The Mortgage Loan has not been satisfied, cancelled, released, or subordinated, and Fannie Mae has approved in writing any material modification to the Mortgage Loan occurring after the Mortgage Loan Origination Date, including any change in the:
 - Mortgage Loan amount, Gross Note Rate, Maturity Date, amortization period, or timing of payments;
 - Collateral or Lien priority;
 - reserve types required per the Loan Documents or their release provisions;
 - Mortgage Loan recourse provisions, including the addition of new non-recourse carveouts;
 - Borrower's organization type; or
 - Persons personally liable for the Mortgage Loan, including any Payment Guaranty or additional credit enhancement.
- The Lien on the Collateral identified in the Transaction Approval Memo is valid.
- The Borrower has properly signed the Loan Documents; they are valid and enforceable obligations of the Borrower, subject to bankruptcy, reorganization, or insolvency laws, or other general principles of equity.
- To the best of your knowledge, as of the Delivery of the Mortgage Loan:
 - the Property does not have any subordinate loans that have not been pre-approved by Fannie Mae;
 - the Property has not been damaged by any Catastrophic Event;

- the Property has not been condemned or been a part of any proceeding that would impair
 - the value of the Mortgage Loan,

- the value of the Property, or
- the usefulness of the Property for the contemplated purpose; and
- there are no proceedings pending or contemplated to partially or totally condemn the Property.
- To the best of your knowledge:
 - the credit reports and financial statements relating to the Borrower(s)
 (and to any other person or entity required by the Guide) correctly
 reflect the financial condition of these person(s) without material
 exception; and
 - as of the Delivery of the Mortgage Loan, none of the following is the subject of an existing or contemplated bankruptcy, reorganization, insolvency, or comparable proceeding
 - any Borrower,
 - any general partner of a Borrower,
 - any Key Principal,
 - any Guarantor, or
 - any other party whose bankruptcy could negatively impact one of these parties.
- If the Mortgage Loan is insured or guaranteed by any Person, including any governmental authority
 - you have ensured that insurance or Guaranty is in effect, and
 - you have complied with all applicable provisions of the insurance or Guaranty that covers the Mortgage Loan.
- The Property is free of all mechanics', materialmen's, or similar Liens, and there are no rights outstanding that could cause such liens. (The only exceptions are mechanics' or materialmen's Liens which attach automatically under the laws of any governmental authority when work is started or materials are delivered to the Property and the Borrower is not delinquent in the payment for this work or materials).
- You have not made or knowingly received from others, any advance of funds (directly or indirectly) on behalf of the Borrower connected with the Mortgage Loan transaction, except for funds permitted in the Guide or related to interest paid from the earliest of the:
 - date of the Note:
 - date the Mortgage Loan proceeds were disbursed to the Borrower; or
 - date 1 month before the first installment of P&I on the Mortgage Loan

is due.

- To the best of your knowledge, based solely on the survey and the title insurance policy connected with the origination of the Mortgage Loan (except for encroachments that do not materially and adversely affect the current marketability or principal use of the Property, or that are insured against by the title insurance policy):
 - all material improvements used to determine the appraised value of the Property when the Mortgage Loan was originated are within the boundaries of the Property;
 - no material improvements on adjoining parcels encroach onto the Property; and
 - no material improvements encroach onto any easements.
- To the best of your knowledge, nothing involving the Mortgage Loan, the Property, or the Borrower can reasonably be expected to:
 - cause private institutional investors to regard the Mortgage Loan as an unacceptable investment;
 - cause the Mortgage Loan to become delinquent; or
 - adversely affect the Mortgage Loan's value or marketability.
- If the Mortgage Loan provides that the interest rate or principal balance may be adjusted, Fannie Mae may enforce the terms of the Mortgage Loan, and these adjustments will not affect the priority of the Lien.
- All Mortgage Loan proceeds were funded on the Mortgage Loan Origination Date
 - directly to or for the benefit of the Borrower, or
 - to fund reserves or escrows per the Loan Documents.
- All electronic data you submit is accurate and complete.
- If Fannie Mae's interest in the Mortgage Loan is a Participation Interest, all of the information and statements in any participation certificate that you deliver are complete, correct, and true.

Guidance

Redlining is illegal and occurs when a lender provides unequal access to credit, or offers unequal credit terms, because of the race, color, national origin, or other prohibited characteristics of the residents of the area in which the mortgaged property is located.

You may consider locational factors when appraising and underwriting if your

risk analysis applies Fannie Mae's guidelines in a consistent, equitable, and legal manner.

What do you do after Fannie Mae has approved a Letter of Credit?

Step 1: Send the original Letter of Credit:

- to be delivered the following business day; and
- addressed to Multifamily Certification and Custody, Attention: Manager, Multifamily Operations - Recourse and Collateral.

Step 2: Include Form 4664.B in the Mortgage Loan Delivery Package

Step 3: Retain a copy of Form 4664.B in your Servicing File.

204.02 Issuers and Ratings

Who is eligible to issue a Letter of Credit?

A financial institution that satisfies the ratings criteria may issue or confirm a Letter of Credit.

You, one of your Affiliates, or an Affiliate of the Borrower, may issue a Letter of Credit, but only if it is confirmed by a financial institution that is not an Affiliate of you or the Borrower.

Fannie Mae, in its sole discretion, may prohibit you from obtaining a Letter of Credit (or confirming a Letter of Credit) from a specific financial institution.

What ratings do Issuers need to satisfy?

A financial institution is eligible to issue or confirm a Letter of Credit if it satisfies the following ratings criteria:

- a Standard and Poor's long-term issuer rating of "A" or better; or
- a Moody's long-term issuer rating of "A2" or better.

204.03 Verifying Issuer Ratings

✓ Requirements

You must monitor and verify the rating of any financial institution issuing or confirming a Letter of Credit

- throughout the term of the Letter of Credit,
- on each anniversary of the date of issuance, and
- on the date of any renewal, replacement, or amendment.

If the ratings of the financial institution issuing or confirming the Letter of Credit fall below the ratings criteria you must

- contact Multifamily Business Operations promptly, and
- use a financial institution that satisfies the ratings criteria to replace or confirm the Letter of Credit.

A change from "stable" or "positive outlook" to "negative outlook" or "on watch for downgrade" would represent a fall below the ratings criteria.

Section 302 Borrower Organizational Structure

302.01 Single-Asset Entity

▼ Requirements

You must ensure:

- the Borrower is a domestic single-asset entity formed for the sole purpose of owning the Property;
- if the Borrower is ultimately owned by foreign persons or entities, it has at

least 1 domestic tier of ownership; and

- you review
 - the Borrower's complete formation documents, and

- the Property has a manager of its day-to-day business and affairs, which can be
 - a single co-tenant (or the Key Principal of such co-tenant) known as

Effective: 10/01/2025

the "co-tenant representative", or

- a validly-appointed property manager; and
- distributions to the co-tenant representative are subordinate to
 - all payments under any Mortgage Loan secured by a Lien on the Property, and

- Has each Co-Tenant Borrower waived its right to reside in the Property?

Equity Owner	Role	Direct Ownership % in Borrower	Member Equity Owner and % Interest	Aggregate Indirect Ownership % in Borrower
Member E,	Non- managing	19.80%	Bob Smith - 50%	9.9%
LLC	Member		Others - 50%	9.9%

In addition, the ownership interest of XYZ Owner, LP is:

- Sally White as a Principal of ABC Realty based on her aggregate 25.58% indirect ownership interest in the Borrower.

It is immaterial that:

- neither Bob Smith nor Sally White has any direct ownership interest in the Borrower or the managing member of the Borrower; and
- none of the non-managing members of the Borrower owns greater than the 25% direct interest in the Borrower that would qualify for being identified as a Principal.

303.02 Entity Review

When you review an entity, consider the following questions:

If it is an existing entity (e.g., a corporation, limited liability company, limited liability partnership, or other acceptable structure) that is not newly formed, does it comply with the requirements for a Borrower owning more

Effective: 10/01/2025

than a single asset per Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity?

- Is it a well-capitalized, stable, ongoing business that would be expected to:
 - Remain financially healthy?
 - Support the Property?
 - Meet all Guarantor requirements and obligations under the Guaranty?
 - Have assets and net worth that are significantly greater than what would be minimally acceptable for an individual Key Principal?

303.03 Fund Review

- Can the fund raise equity from financially substantial investors?
- What is the performance of the fund?
- What is the leverage level of the fund?
- What is the net worth and liquidity of the fund?
- What is the type and quality of
 - the Property and market,
 - other existing properties and markets, and

Additionally, you should review the organizational documents and private placement memorandum (if applicable) for the following information:

- the fund's expiration date;
- any extension to the fund's existence and conditions to approve that extension; and
- the process for winding up the business affairs of the fund, including whether the fund is organized in a state that requires the orderly dissolution of investment funds, such as Delaware or Illinois.

Section 304 Limited Experience Owner

✓ Requirements

You must determine if any Sponsor, Key Principal, or Guarantor is a Limited Experienced Owner.

To determine if a Co-Tenant Borrower is a Limited Experienced Owner, you:

- must analyze the Person named as the co-tenant representative per Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.02: Co-Tenant Borrowers; and
- may exclude from the analysis any:
 - passive Tenant in Common Member, who is solely named a Key Principal to comply with Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.02: Co-Tenant Borrowers; or
 - Borrower whose Controlling Interest is owned by a Key Principal or Guarantor that does not meet the definition of a Limited Experienced Owner.

For each Limited Experienced Owner:

- verify the identity of the Sponsor and each Key Principal or Guarantor, or any Person who owns a Controlling Interest in the Borrower, using a current
 - driver's license or passport,
 - personal residence, and
 - business address (not a P.O. Box);

 - identified as, or on behalf of, the Key Principal or Guarantor; or
 - who owns, directly or indirectly, a Controlling Interest in
 - the Borrower,
 - any Key Principal, or

obtain a resume; and

- verify employment history using
 - a Lexis-Nexis report, or
 - other industry standard background reporting tool;
- review, for each Key Principal or Guarantor, or Person who owns a Controlling Interest in the Borrower, their:
 - investment profile;
 - business goals; and
 - primary sources of income, which must be consistent with business activities;
- obtain evidence of the origin of transaction funds for
 - an Acquisition, or
 - cash-in refinances requiring the Borrower to deposit additional funds at closing; and
- determine any appropriate adjustments to the reported liquidity and net worth of the Sponsor and each Key Principal or Guarantor, including:
 - verifying liquidity based on 3 consecutive months of bank or brokerage statements for accounts (a bank or brokerage letter alone is insufficient to verify liquidity); and
 - using best efforts to verify the value (including ownership interest and debt outstanding) of all real estate owned, directly or indirectly, using
 - K-1 statements.
 - CoStar or similar service, or
 - mortgage loan verification from other creditors.

Guidance

You should consider if the additional underwriting requirements are appropriate for any Borrower, Sponsor, Guarantor, or Key Principal with whom you have never originated a multifamily Mortgage Loan, even if they are not a Limited Experienced Owner.

Part II Property

Chapter 1 Attributes and Characteristics

Section 101 Eligible Properties

Requirements

For a Mortgage Loan to be eligible for purchase, it must be secured by a multifamily residential property that meets all of the following:

- contains at least 5 dwelling units;
- does not include a stand-alone building containing less than 5 dwelling units (e.g., a single-family structure), unless it:
 - was originally constructed as part of a single multifamily development;
 or
 - is situated on the same tax parcel, or shares a tax parcel boundary, with a
 - multifamily property, or
 - MH Community;
- has suitable bathroom and cooking facilities within each unit;
- is located in 1 of the 50 states of the United States, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, or Guam;
- is located on a publicly dedicated, all-weather road, or is accessible by a satisfactory easement from this type of road;
- consists of either a single parcel or multiple parcels per Part II, Chapter
 1: Attributes and Characteristics, Section 102.01: Single Borrower
 Ownership;
- any commercial space is:
 - physically part of, and connected to, the multifamily space; or
 - a stand-alone building that is on the same tax parcel;
- has adequate water and sewer service, which may be delivered by a public utility or, where commercially acceptable for the market area, by a private system or utility;
- offers a suitable level of utility service (e.g., electrical, natural gas, refuse removal, etc.) for the market area;

Effective: 10/01/2025

 either complies with all applicable statutes, rules, regulations, and housing and building codes, or is being appropriately remediated;

- does not contain any Modular Housing; and
- has access to police and emergency services.

You must search the internet to confirm, and justify in the Transaction Approval Memo, if the Property has:

- any negative press;
- current or prior lawsuits;
- fair housing violations or other sanctions; and/or
- association with bad actors.

Guidance

To determine if a single-family structure was originally constructed as part of a single multifamily development, you should consider if all buildings:

- were originally constructed at the same time;
- were historically bought, operated, and sold as 1 Project since originally constructed;
- are generally consistent in physical appearance, with distinct boundaries such as
 - signage,
 - gates/fencing,
 - shared parking, or
 - dedicated streets;
- are located on a single tax parcel or adjacent tax parcels;
- are configured without any non-Borrower owned parcels or buildings separating/splitting or within the multifamily development; and
- are not part of a predominately homeowner development.

Section 102 Multiple Properties

102.01 Single Borrower Ownership

▼ Requirements

If more than 1 Property secures a Mortgage Loan, you must determine if all multifamily buildings are part of the same Project. Buildings on multiple Properties are a single Project if all Properties:

Effective: 10/01/2025

- are only separated by publicly dedicated or private streets primarily intended for local residents or access to the Property, and not by major arteries or thoroughfares (i.e., streets primarily intended for traffic traveling through the area); and
- have the following characteristics:
 - all buildings have been operated as a single complex (e.g., no buildings are marketed separately to tenants);
 - the Properties are within
 - 0.5 miles or less of each other, and
 - the same submarket:
 - amenities at any building are available to tenants in other buildings;
 - amenities located in one building do not materially, adversely affect the rents at other buildings without similar amenities; and
 - the overall building configuration across the Properties does not result in elevated vacancy levels at any building.

If multiple Properties are not part of the same Project, you must:

- collect detailed individual data for each Property, including separate
 - rent rolls, and
 - operating statements;
- enter each Property in the "Properties" section of DUS Gateway;
- complete a Multifamily Affordability Estimator (MAE) for each Property per Part I, Chapter 2: Mortgage Loan, Section 201: Registration and Multifamily Affordability Estimator;
- require every third-party report to assess
 - the Properties in each Project separately, and
 - all Properties in the aggregate; and
- enter each Property as a separate Property Collateral record in C&D.

When a Mortgage Loan not in a Credit Facility is secured by multiple Properties (whether in the same or multiple Projects), each multifamily Property must individually:

- comply with the minimum occupancy requirements in
 - Part II, Chapter 1: Attributes and Characteristics, Section 105: Minimum Occupancy, or

- Part III, Chapter 9: Small Mortgage Loans, Section 903: Occupancy;
- be located in the same MSA; and
- have an acceptable Property condition based on
 - your site inspection, and
 - any required PCA.

Guidance

For a Mortgage Loan secured by multiple Properties not part of the same Project, you may:

- accept a consolidated third-party report for multiple Projects, if each Property is identified and assessed separately; and
- consolidate the Underwritten NCF and overall underwriting in a single Transaction Approval Memo.

Section 103 Property Ownership; Leasehold

✓ Requirements

You must ensure that the Property is owned in fee simple, unless the Property is held under an acceptable Leasehold estate.

Section 104 Ground Leased Properties

104.01 Generally

✓ Requirements

If the Property has a Ground Lease, the Mortgage Loan collateral must include a Lien on the Leasehold estate.

You must ensure that the Ground Lease complies with the Ground Lease Review Checklist (Form 6479), unless

- the ground lessor joins with the Borrower in executing the Security Instrument and grants a Lien on the ground lessor's fee estate, or
- the absence of the Leasehold estate would not have a material adverse effect on the Property's operation or value.

104.02 Ground Lease Rents

✓ Requirements

You must:

- establish an escrow for ground rents;
- ensure the Borrower deposits sufficient funds; and
- make all payments due per the Ground Lease.

104.03 Ground Lease Estoppel Certificate

✓ Requirements

You must obtain an executed Ground Lessor Estoppel Certificate (Form 6495).

104.04 Ground Lease Review

Requirements

You must:

review and analyze the Ground Lease to ensure compliance with the

Effective: 10/01/2025

requirements of this Section; and

retain the completed Form 6479 in your Servicing File.

Section 105 Minimum Occupancy

105.01 Residential Occupancy

✓ Requirements

You must ensure the Property meets these minimum occupancy levels:

- 85% physical occupancy; and
- 70% economic occupancy.

These minimum levels apply on the Commitment Date and for the preceding 3-month period.

105.02 Qualified Occupants

Requirements

When calculating physical occupancy, you must only include tenants who

- physically occupy the unit, and
- have commenced paying rent.

Guidance

You may include any tenant who:

- was under a standard lease for at least 6 months, then converted to a month-to-month lease when the lease expired; or
- is under a lease with a term of less than 6 months, if shorter-term leases

Effective: 10/01/2025

- are commonly accepted in the market area, and
- do not reflect weakness in the market.

You may include non-revenue producing units such as

- management units,
- employee occupied units,
- maintenance units, and

model units.

Such units should not exceed what is usual and customary for stabilized properties in the market.

Section 106 Certificates of Occupancy

☑ Requirements

Certificates of Occupancy	
For any	You must
Property with construction or rehabilitation work completed within the last 12 months	 Ensure all units have a certificate of occupancy. Obtain copies of all certificates of occupancy from the Borrower. Retain them in your Servicing File.
Other Property	 Determine if each unit had a certificate of occupancy at some point. Attempt to obtain copies of them. Retain them in your Servicing File.

Guidance

No Certificate of Occupancy		
If you cannot obtain	You should	
Copies of certificates of occupancy for a Property (for example, because of the Property's age, or the records of the jurisdiction where the Property is located)	 Exclude the income generated by any units without a certificate of occupancy, but include all expenses (including replacement reserves) for the maintenance of these units. Look for other evidence that certificates of occupancy had been issued. 	

No Certificate of Occupancy

Copies or other sufficient evidence of a certificate of occupancy

Analyze the risk to the Property if one had never been issued, by considering if:

- your physical inspection reveals any life safety issues;
- all units are accessible through normal access routes (and not, for example, through a former janitorial closet);
- the insurance excludes coverage of a casualty originating from a unit without a certificate of occupancy; and
- the Property is located in a market that exhibits low vacancies and barriers to entry.

Section 107 Phased Properties

✓ Requirements

If the Property is a Phased Property, you must evaluate

- how the Property will be affected by other phases, and
- if the Property can succeed independently from other phases.

Guidance

In determining if a Phased Property is viable as a separate Property, you should consider if:

- its ownership and operation are separate from all other phases of the complex;
- the Borrower is able to provide a separate leasing office;
- your underwriting has discounted any benefits derived from staff or facilities shared with other phases;
- the records and accounts used to underwrite the Property are separate from those of other phases;
- any cross-easements for the complex will survive an adverse action against another phase;
- any development of a future phase could materially interfere with or disturb the Property's

- occupancy,
- marketability,
- or living environment; and
- the Property is:
 - marketable to tenants or a new owner, separately from other phases;
 - visible to the public without passing through another phase of the complex; and
 - accessible from a public roadway.

In assessing the impact of future phases on a Property, you should consider:

- the short-term impact of construction activity; and
- long-term implications for the continued economic viability of the Property, taking into account the allocation of costs for shared facilities (such as roadways).

▼ Requirements

You may only Deliver a Mortgage Loan on a Phased Property if Fannie Mae holds all other Mortgage Loans secured by other phases of the complex.

When the Phased Property is owned or Controlled by the same Borrower or Principals as the other phases in the complex:

- all Fannie Mae Mortgage Loans on each phase must be cross-defaulted and cross-collateralized;
- when any new Phased Property Mortgage Loan is underwritten, the actual amortizing DSCR (per Form 4254.DEF) and current LTV for all existing Mortgage Loans on each phase must comply with Form 4660 for the same loan term, product, and Pricing and Underwriting Tier, where each property value is determined by
 - dividing the current NCF by the capitalization rate (i.e., a Direct Cap with Sales Comparables analysis),
 - broker's opinion of value, or
 - most recent Appraisal; and
- the new Phased Property Mortgage Loan must have a Prepayment Premium Period End Date on or before the Prepayment Premium Period End Date of the Mortgage Loans on the other phases.

Guidance

If a future phase is expected, consider issuing the first phase MBS with a potential future cross.

109.01E Subordination, Non-Disturbance and Attornment

You must use Form 6415 if:

- the Material Commercial Lease contains provisions for the Borrower to assume liability or other risks as landlord that would be unacceptable to the Lender in case of a Foreclosure Event; or

REQUIRED UNDERWRITTEN NCF (CONVENTIONAL LOANS)			
Item	Function	Description	
CALCULATION OF NET RENTAL INCOME			

	REQUIRED UNDERWRITTEN NCF (CONVENTIONAL LOANS)			
Item	Function	Description		
1		GROSS RENTAL INCOME actual rents in place for occupied units, plus market rents for vacant units based on a current rent roll (multiplied by 12). The Property must have Stabilized Residential Occupancy by Qualified Tenants.		
		If the Property is located in New York City and subject to the J-51 Tax Incentive Program where the Borrower has decontrolled rent-stabilized units (a Decontrol Event), you must adjust the current rents to reflect no rent decontrol benefits:		
		 Calculate the base rent as the rent amount per unit prior to the Decontrol Event date. Use the base rent for each applicable unit to determine the Gross Rental Income. Increase the base rent by the appropriate percentage allowed per New York City Rent Stabilization laws per annum through the present rent roll date. 		
2	PLUS	To the extent deducted as an operating expense, rents for other non-revenue units (e.g., model units deducted in the "model apartment" operating expense in the "general and administrative" category, or actual rent from employee units deducted in the "employee" operating expense in the "payroll and benefits" category).		
	EQUALS	GROSS POTENTIAL RENT (GPR)		
3	MINUS	Premiums (e.g., identifiable additional income from furnished units or short term leases) and/or corporate premiums (e.g., identifiable additional income from corporate units, housekeeping services, etc.).		
4	MINUS	Physical vacancy market rents for vacant units based on a current rent roll (multiplied by 12).1		
5	MINUS	Concessions - the aggregate amount of forgone residential rental income from incentives granted to tenants for signing leases, such as free rent for 1 or more months, move-in allowance, etc. ¹		

REQUIRED UNDERWRITTEN NCF (CONVENTIONAL LOANS)			
Item	Function	Description	
6	MINUS	Bad debt - the aggregate amount of unpaid rental income determined to be uncollectable, including any adjustments to other income for bad debt. ¹	
	EQUALS	NET RENTAL INCOME (NRI) ²	

- 1 The total of Items 4, 5, and 6 must equal the greater of
- the difference between the trailing 3-month net rental collections (annualized) and GPR, or
- 5% of GPR.
- 2 NRI must reflect projected operations for the underwriting period.
- a. You must assess the NRI using these parameters and fully support any changes:
- Assess the individual month NRI within the prior full-year operating statement or, at a minimum, an operating statement covering at least the trailing 6 months (annualized).
- If rents and collections are stable or increasing, and any negative fluctuation can be reconciled and adequately explained, you may use an NRI that exceeds the trailing 3-month NRI, provided the NRI does not exceed the highest 1-month NRI used in the trailing 3-month NRI calculation.
- b. You must assess declines in NRI using these parameters:
- Assess if any decline occurred in NRI for the trailing 3-month period compared to the trailing 6-month period and the trailing 12-month period.
- If the decline in NRI for the trailing 3-month period is greater than 2% compared to either the trailing 6-month period or the trailing 12-month period, you must adjust the NRI downward to an amount that is 2% less than the lowest NRI for the trailing 1-month, 3-month, 6-month, or 12-month period.
- You must make a minimum 2% adjustment to NRI; however, you are expected to make additional downward adjustments as appropriate to reflect current market conditions not reflected in historical operations.

		If there are fluctuations, you may use other income that exceeds the trailing 3-month other income (annualized), provided it does not exceed the highest 1-month other income used in the trailing 3-month other income calculation.
		When determining the other income, you must
		 adjust Items 8 through 12, and include specific income for Items 13 through 15 when applicable.
	CALCU	ILATION OF COMMERCIAL INCOME

- underwritten management fee is at least \$500 per unit;
- actual management fee is equal to or less than the underwritten management fee (provided you exclude any portion of a non-arm's length property management fee that is subordinated to the Mortgage Loan);
- Mortgage Loan has an original principal amount greater than \$9 million; and
- market management fees support the underwritten management fee for similarly sized properties.

203.02 Underwritten DSCR

☑ Requirements

You must calculate Underwritten DSCR per the following table.

Item	Function	Description	
1		Underwritten NCF per Part II, Chapter 2: Valuation and Income, Section 203.01: Underwritten Net Cash Flow (Underwritten NCF).	

Item	Function	Description
2	DIVIDED BY	Annual debt service for the Mortgage Loan amount.
		You must base debt service on a level debt service payment, including amortization, and the greater of the
		 actual note rate, or required Underwriting Interest Rate Floor per Form 4660 .

When calculating Underwritten DSCR for a Mortgage Loan with an interestonly period, you must use the same level debt service payment, including amortization, regardless of the length of the interest-only period.

The Underwriting Interest Rate Floor, if applicable, is the lowest interest rate you may use to determine the Mortgage Loan amount.

If the Gross Note Rate is below the required Underwriting Interest Rate Floor, per Form 4660, you must use the Underwriting Interest Rate Floor to establish the permitted Mortgage Loan amount.

All underwriting Tier requirements must be based on the Underwritten NCF.

Section 204 Refinance Risk Analysis

✓ Requirements

You must prepare an exit strategy analyzing the Borrower's ability to refinance the Mortgage Loan in the year after the Maturity Date (e.g., use the projected NCF in year 11 for a Mortgage Loan with a 10-year term), by calculating a:

- "reversion" cap rate, which is the expected capitalization rate able to be supported per the projected NCF; and
- Refinance Interest Rate.

204.01 Base Assumptions

✓ Requirements

For Loan Year 1, use the Underwritten NCF. For all subsequent Loan Years, you must derive proforma NCF as follows:

Effective: 10/01/2025

© 2025 Fannie Mae. Trademarks of Fannie Mae.

Factor	For	Use
Income Growth Rate	 Structured Transactions, and Mortgage Loans secured by multiple Properties 	2%.
	All other Mortgage Loans	the growth rates published in DUS Gateway for the Property.
Economic Vacancy	All Mortgage Loans	the underwritten economic vacancy rate.
Real Estate Taxes	California Properties	• for Acquisitions, 2%; or • for refinances, no trending is required until the year when the actual tax bill would surpass the underwritten taxes, then trend by 2%.
	Non-California Properties	3% for - Structured Transactions, and - Mortgage Loans secured by multiple Properties; and for all other Mortgage Loans, the growth rates published in DUS Gateway for the Property.

Factor	For	Use
Real Estate Tax Abatements, Exemptions, Deferrals, or PILOTs	All Mortgage Loans	if an abatement, exemption, deferral, or PILOT begins phase out or expires within 5 years after the Maturity Date, fully assessed real estate taxes; and if an abatement expires or taxes are expected to rise during the Mortgage Loan term, increase taxes to the expected level, then trend by: - 3% for - Structured Transactions, and - Mortgage Loans secured by multiple Properties; or - the growth rate published in DUS Gateway in the year prior to the adjustment for all other Mortgage Loans.
Management Fee	All Mortgage Loans	the underwritten rate.
Replacement Reserves	All Mortgage Loans	the underwritten value.
Insurance and Other Expenses	Structured Transactions, and Mortgage Loans secured by multiple Properties	3%.
	All other Mortgage Loans	the growth rates published in DUS Gateway for the Property.

You must estimate the Mortgage Loan UPB at the Maturity Date as follows:

For	Use
Amortization	 30 years, or the amortization for the applicable product or features.
DSCR	The minimum Tier 2 DSCR for the applicable product or features, per Form 4660 .
LTV	The maximum Tier 2 LTV for the applicable product or features, per Form 4660 .

Guidance

In most cases, the combined effect of principal amortization and NCF growth should result in a refinancing at the minimum DSCR and maximum LTV for Tier 2, using a reasonable interest rate.

You should consider the following refinance parameters:

- A target reversion capitalization rate at least 2.0% greater than the initial capitalization rate used for determining Underwriting Value.
- A Refinance Interest Rate at least 2.25% greater than the current 10-year Amortizing Nationwide Underwriting Floor rate, per Form 4660.

Alternative Assumptions 204.02

Requirements

You must:

- present an alternative risk analysis using assumptions that deviate from the base assumptions if:
 - you determine the base assumptions do not appropriately estimate the Property's NCF over the Mortgage Loan term; or
 - third-party data providers project rent growth materially below Fannie Mae growth rates published in DUS Gateway;
- identify and support any deviations with
 - reliable evidence, and
 - historical and projected market trends; and
- state your conclusions, discussing any mitigating factors, such as the:

Effective: 10/01/2025

- strength of the
 - Sponsor, or
 - submarket; and
- Property's
 - characteristics,
 - operating history, and
 - performance.

Guidance

Income and Expense Growth Rates: Income and expense trending should incorporate projected market rates based on general economic, market, and submarket conditions from reliable sources, as well as the Property's characteristics. For example:

- Rents on recently signed leases should only be used for estimating income growth in Loan Years 1 and 2.
- Rent projections greater than the Base Assumption Income Growth Rate should not be used beyond Loan Year 4.
- When improvements in market economic occupancy or sustained market rental rate increases are widely anticipated, growth trends above the Base Assumption Income Growth Rate may be supported.
- Projections of income growth resulting from Property renovations or improved operations should be limited to the first 3 Loan Years.
- When a Property is subject to a scheduled reassessment or a tax abatement phase-in period, tax expense should be adjusted appropriately.
- If a tax abatement, exemption, deferral, or PILOT begins phase out or expires more than 5 years after the Maturity Date, consider if the increased expense within 10 years after the Maturity Date may affect the Borrower's ability to refinance, and warrants
 - a lower Mortgage Loan amount,
 - faster amortization, or
 - a reduced interest only period.
- When you expect to incur costs for tenant improvement allowances and leasing commissions, or to realize rent increases from the rollover of

tenants, commercial income should be adjusted appropriately.

A substantially renovated Property, with improved in-unit finishes and/or new/renovated amenities, may experience different income and expense growth rates than properties of the same age; therefore, growth trends differing from the Base Assumption Income Growth Rate may be supported.

Economic Vacancy: Properties in submarkets with depressed economic conditions due to temporary demand or supply issues may be modeled to reflect the economic vacancy projected by a reliable source. If you expect a decrease in vacancy to achieve stabilized levels, you should consider

- the anticipated timing, and
- effect of decreased economic vacancy on projected income growth over the same time period.

Section 205 Cash Out Analysis

Requirements

You must:

- examine the risk of allowing cash out to the Borrower (see Form 4660 for a description of cash out transactions); and
- for New Construction, consider the Mortgage Loan amount relative to the Property's total development cost basis.

When underwriting a cash-out transaction, you must consider and document in the Transaction Approval Memo:

Effective: 10/01/2025

- the amount of hard equity remaining in the Property's debt structure, excluding prior permanent financing costs, such as interest or prepayment premium;
- the length of time the Borrower has owned the Property;
- the Property's
 - effective age, and
 - current physical condition;
- over the ownership period, any improvement in
 - asset quality,
 - the Property's operations (i.e., its NCF), or

- value;
- if the Property's value increased due to an increase in NCF, rather than a decrease in the capitalization rate; and
- for New Construction, the Property's total development costs basis per the New Construction table:

ne Property's total development cost basis cludes Purchase price; plus Value created since Acquisition from - zoning changes,
Value created since Acquisition from - zoning changes,
 demolition, infrastructure improvements, parcel assembly over time, and other subjective entitlements.

Section 206 Borrower Business Plan

✓ Requirements

For Acquisitions or refinances where the Property is being repositioned through a substantial capital improvement plan, you must analyze (and document in your Transaction Approval Memo) the:

- Sponsor's:
 - business plan (either through a written plan or by a conversation with the Sponsor), including
 - market rent growth expectations,
 - any planned capital improvements,
 - any expected rent premiums after renovations,
 - operating expense management, and
 - value appreciation through capitalization rate compression;
 - expected ownership period for the Property relative to the Mortgage Loan term; and
 - expected investment returns from owning/operating the Property, assuming
 - Acquisition at the Underwriting Value, and
 - a hypothetical disposition at the Mortgage Loan's Maturity Date;
- Mortgage Loan's Underwritten Capitalization Rate; and
- motivation in the Property's investment compared to the Borrower's other investment alternatives.

Effective: 10/01/2025

Section 207 Rent-Stabilized Properties

Guidance

For Rent-Stabilized Properties (e.g., located in New York State), you should:

- underwrite Property income based on current rents;
- exclude any potential rent increase for units converting to market rate from the projected NCF in the refinance risk analysis;
- assess and stress the cap rate used to determine the Underwriting Value, and consider obtaining an Appraisal before Rate Lock;

- for fund Sponsors or other Sponsors requiring minimum investment returns, consider whether the Sponsor's interests are aligned with the limited rent increases allowed under the law; and
- fund the Replacement Reserve to maintain the Property's physical condition.

Chapter 3 Legal Compliance

Section 301

Zoning and Legally Non-Conforming Status

301.01 Zoning

Requirements

For each Property, you must:

- identify the current zoning or land use designation;
- determine if the existing Property use (e.g., multifamily, single-family, mixed use, Manufactured Housing Community, etc.) is expressly permitted per current zoning and land use laws and regulations; and
- confirm the Property's characteristics (e.g., building height, density, set-back lines, etc.):
 - conform to current zoning requirements and land use designations; or
 - are legally non-conforming per applicable zoning or land use laws and regulations.

If you order a Zoning Report from a zoning consultant, you must:

- upload the zoning report to DUS Docway in Folder II; and
- deliver structured data per the Zoning Report Data Supplement (Form 4089).

301.02 Legal Non-Conforming Use

▼ Requirements

If the Property is a legal non-conforming use, you must:

- ensure the Borrower executes Modifications to Multifamily Loan and Security Agreement (Legal Non-Conforming Status) (Form 6275);
- confirm, following a casualty, the percentage of damage to the Property's Improvements (i.e., the destruction threshold) at which the Property jurisdiction would prohibit the rebuilding of all impacted Improvements to the pre-casualty use and condition under current

- laws,
- zoning requirements, and
- building codes; and

if the destruction threshold is less than 50%, not Deliver the Mortgage Loan.

301.03 Legal Non-Conforming Characteristics

Requirements

If the Property's characteristics are legally non-conforming, you must:

- ensure the Borrower executes the Modifications to Multifamily Loan and Security Agreement (Legal Non-Conforming Status) (Form 6275);
- confirm whether, if fully or partially destroyed, the Property's Improvements can be fully rebuilt to the pre-casualty condition per current
 - laws,
 - zoning requirements, and
 - building codes; and
- if the Property's Improvements cannot be fully rebuilt to the pre-casualty condition,
 - evaluate if the as-rebuilt Property will support the Mortgage Loan at the current Tier, and
 - document your analysis in the Transaction Approval Memo.

Guidance

To assess the Borrower's ability to rebuild Improvements on a nonconforming Property to a level that will support the Mortgage Loan at the current Tier, you should consider:

- conducting a threshold analysis to determine the resulting actual amortizing DSCR if the reconstructed Improvements cannot be rebuilt asis per current law;
- the likelihood of a casualty event (e.g., wind, earthquake, fire, flood, mine subsidence, etc.);
- the percentage of damage to the Improvements at which the Property's jurisdiction will require the Property be rebuilt to current zoning and land use requirements (i.e., the destruction threshold);

Effective: 10/01/2025

- which Property characteristics the destruction threshold percentage applies to, such as
 - market value,

- assessed value,
- replacement cost, or
- unit count:
- for Properties with multiple buildings, if the destruction threshold percentage applies to
 - each building, or
 - all buildings as a whole;
- the replacement cost to rebuild per current requirements for
 - zoning, and
 - land use:
- the Property's continued
 - marketability, and
 - economic viability;
- the amount and type of Borrower-maintained insurance coverage required per Part II, Chapter 5: Property and Liability Insurance, Section 501.02E: Ordinance or Law Insurance;
- insurance loss proceeds payout, compared to increased rebuilding costs, including from
 - building code changes,
 - Americans with Disabilities Act compliance, and
 - the municipality's local zoning requirements (e.g., green compliance for new buildings, etc.);
- the sufficiency of estimated insurance proceeds from ordinance or law insurance and other coverages to repay the Mortgage Loan in the event of partial or full
 - casualty, or
 - condemnation; and
- for a Tier 3 or Tier 4 Mortgage Loan, if requiring execution of the Limited Payment Guaranty (Form 6020.LPG) would mitigate the risk of the asrebuilt Property not supporting a Tier 2 Mortgage Loan.

Effective: 10/01/2025

Section 302 Easements

Requirements

You must evaluate the impact of all easements (public and private), including their effect on:

- the Property's value and marketability; and
- life safety issues, environmental risks, and acceptability in the market area for certain types of easements, such as for
 - transcontinental pipelines,
 - high power electric transmission lines, or
 - drainage channels.

Guidance

Easements for normal utilities are generally acceptable, including those that provide natural gas, water, sewer, electricity, or telephone service to the Property.

Easements that serve other properties will generally be acceptable if they

- do not interfere with Improvements on the Property,
- are limited to residential and reasonable commercial use, and
- are covered by appropriate insurance.

Section 303 Liens and Encumbrances

303.01 Generally

✓ Requirements

You must ensure that the Property is free of all Liens and rights of others, except for

- Permitted Encumbrances, and
- cable and laundry leases per Part II, Chapter 1: Attributes and Characteristics, Section 109: Commercial Leases.

You must analyze any restrictions on Improvements or the use of the Property, in order to

Effective: 10/01/2025

- determine whether the restrictions are acceptable, and
- make recommendations for addressing the restrictions.

Examples of restrictions that must be analyzed include restrictive covenants and any restrictions that have been offered, or accepted, in order to obtain a zoning approval or building permit.

If a non-MAH Property has an Affordable Regulatory Agreement, it must be subordinated to the Security Instrument Lien per Part III, Chapter 7: Multifamily Affordable Housing Properties, Section 705: Restrictive Covenants and Affordable Regulatory Agreements.

Guidance

When determining whether a restriction is acceptable, you should consider whether a restriction could negatively impact the Property's

- value,
- use,
- security,
- marketability, or
- ability to generate NCF sufficient to pay debt service.

✓ Requirements

You must analyze the impact of any restriction on the conversion of a Property to a condominium or similar development.

Guidance

A restrictive covenant on condominium conversions will generally not have a negative impact if all of the following apply:

- The conversion restriction is for a period of 10 years or less.
- Any repurchase option or right of reversion in favor of a benefitted party:
 - is unconditionally subordinated to the Lien of the Security Instrument and to the Mortgage Loan;
 - includes an unconditional "standstill" provision prohibiting the exercise of such option or right while the Mortgage Loan is outstanding; and
 - automatically ends if a Foreclosure Event occurs.
- The covenant provides that no mortgagee, trustee, or beneficiary under any mortgage or deed of trust will be liable for any act, omission, or indemnification obligation of the Borrower or any prior or subsequent owner of the Property.
- The covenant does not require any mortgagee, trustee, or beneficiary

under a mortgage or deed of trust to execute an assumption or similar agreement if a Foreclosure Event occurs.

303.02 Property Previously Secured Bond Financing

✓ Requirements

If the Property	You must
Previously secured taxable or tax-exempt bonds	 determine if the Property is subject to any requirements, restrictions or other features that survived repayment, and analyze whether the surviving features will have a material adverse impact on you, Fannie Mae, or the Mortgage Loan.
Currently secures taxable or tax- exempt bonds that are being retired with proceeds of the Mortgage Loan	 review the bond documents, and analyze the impact of any surviving features of the financing.

Guidance

A Property that secures, or has secured, bonds may be subject to certain requirements, restrictions, or other features that survive repayment of the bonds such as:

- rent, income, transfer, or other restrictions;
- master lease requirements that support such restrictions; and
- indemnification or other requirements that could
 - burden a future owner,
 - depress the value or marketability of the Property, or
 - prevent or inhibit foreclosure of a lien securing new financing.

% Operating Procedures

For any bonds being retired with the proceeds of a Mortgage Loan, you must prepare a written summary of the bond documents that:

explains why any surviving features of the financing will not have a materially adverse effect on the Mortgage Loan, the Property, you, or

Fannie Mae:

Section 304 Title Insurance

Requirements

You must comply with the Title and Closing Requirements for Multifamily Mortgage Loans (Form 4650).

Section 305 Survey

305.01 Decision to Obtain a Survey

Requirements

You must decide whether to get an as-built survey and comply with:

- Part II, Chapter 3: Legal Compliance, Section 305.02: Survey, if you require a survey; or
- Part II, Chapter 3: Legal Compliance, Section 305.03: Decision Not to Obtain a Survey, if you do not require a survey.

305.02 Survey

✓ Requirements

If you require an as-built survey, it must:

- meet the requirements of an ALTA/NSPS Land Title Survey (made per the 2021 Minimum Standard Detail Requirements), including the required certification; and
- allow the title company to delete the standard survey exception from the title policy.

Guidance

An acceptable as-built survey:

should include these items from Table A to all the ALTA/NSPS Minimum Standard Detail Requirements: 1, 2, 3, 4, 6(a) and (b), 7(a), 8, 9, 10, 13, 16, and 18;

Effective: 10/01/2025

- may omit the following from Table A:
 - item 1 for a Property with a lot and block legal description; and/or
 - item 10, if there are no party walls; and
- should be dated within 360 days before recording the Security Instrument.

✓ Requirements

If an existing survey dated more than 360 days before the effective date of the title insurance policy is used, it must satisfy all Title Insurance Company requirements for the deletion of the standard survey exception.

Guidance

The Title Insurance Company may require a "no new improvements" affidavit from the Borrower certifying that no changes have been made to the Property since the date of the survey. An existing survey dated within 360 days before the effective date of the title insurance policy, but not prepared in connection with the origination of the Mortgage Loan, may be recertified to you, the Title Insurance Company, and Fannie Mae for the Mortgage Loan.

You should consider whether an adverse circumstance found by a survey would be acceptable. Examples include:

- encroachments over boundary lines, setback lines, or easements; and
- the absence of necessary appurtenant easements, such as a storm or sanitary sewer easement.

305.03 Decision Not to Obtain a Survey

✓ Requirements

If you do not require an as-built survey:

- either you or the Appraiser must conduct a visual inspection of the Property;
- any visible site condition (such as an easement, right-of-way, or encroachment) must be disclosed and insured under the title policy; and
- the title company must delete the standard survey exception from the title policy.

305.04 Location of Improvements

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 151 of 783

Requirements

Whether or not you decide to get an as-built survey, Part II, Chapter 5: Property and Liability Insurance, Section 502: Catastrophic Risk Insurance requires you to determine if any Improvements are located in an SFHA Zone A or Zone V.

Section 306 Security Interests in Personal Property

306.01 Uniform Commercial Code (UCC) Financing Statements

✓ Requirements

You must:

- Ensure that the Security Instrument creates a Lien on all Personal Property.
- Ensure that the Lien is a perfected first priority Lien.
- Assign each UCC security interest to Fannie Mae.

306.02 Creating and Perfecting the Security Interest

Article 9 of the UCC covers the perfection of a security interest in Personal Property.

The following table describes how to create and perfect a security interest.

То	Do the following
Establish whether the Borrower or a third party owns the Personal Property	Confirm that the Borrower has provided a representation of ownership in the Underwriting Certificate (Borrower) (Form 6460.Borrower).
Verify that no other party has a Lien on the Personal Property	Conduct searches for UCC financing statements, tax Liens, and judgments on all relevant parties to the transaction.

Effective: 10/01/2025

Effective: 10/01/2025

\$100,000

\$150,000

- the Mortgage Loan
 - has a Pass rating,

Less than \$10 million

\$10 million or more

- is not currently delinquent, and
- has not been delinquent within the last 12 months;
- the Property condition rating is a 2 or better; and
- you annually review the Mortgage Loan's eligibility.

Before accepting any deductibles, you should:

- assess the Borrower's ability to pay the deductible throughout the policy term;
- determine the high deductible financial exposure by considering total paid expenses rather than only the difference between the
 - maximum allowable deductible, and
 - requested/actual deductible; and
- only use the Borrower's owned or related properties to determine the maximum deductible if insurance coverage is provided on a management company's or unrelated entities' master property program.

501.02C Aggregate Deductibles

You may accept a Property and Liability policy that includes aggregate deductibles. The aggregate deductible may be higher than the maximum deductible required per Part II, Chapter 5: Property and Liability Insurance, Section 501.02B: Deductibles.

Requirements

If you accept a Property and Liability policy that includes aggregate deductibles, you must:

- confirm the aggregate deductible amount is fully funded and held by:
 - the Borrower in a segregated bank account;
 - you in the Tax and Insurance escrow; or
 - a third party for the Borrower's benefit; and
- require any claim checks to:
 - list you as payee c/o Fannie Mae; and
 - be considered insurance loss proceeds per the Loan Documents.

501.02D Business Income (including Rental Value) Insurance

✓ Requirements

You must ensure:

 each Property has business income insurance (including rental value insurance), for all required coverages, including

182 of 783

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025

- ordinance or law (Coverage D),
- windstorm,
- flood,
- earthquake, and
- terrorism, etc.;
- coverage is based on:
 - Actual Loss Sustained for 12 months; or
 - the most recent annual reported (or annualized if annual financial are unavailable):
 - EGI; or
 - NOI plus continuing expenses;
- the maximum deductible for business income insurance does not exceed:
 - the maximum deductible for the property insurance policy, or
 - a waiting period of
 - 3 days, or
 - 72 hours; and
- coverage for a Mortgage Loan with a UPB of \$35 million or more includes a 90-day Extended Period of Indemnity option.

501.02E Ordinance or Law Insurance

✓ Requirements

If the Property is non-conforming under any current land use law or ordinance, you must ensure the Property has ordinance or law insurance:

- for all perils, even if insured on a standalone policy; and
- that includes the Increased Period of Restoration (Coverage D) endorsement if any buildings are 5 stories or more.

Coverages	If ordinance or law insurance is required, you must ensure the Property has all of the following
Coverage A	Loss of Undamaged Portion, in an amount equal to • 100% of the Insurable Value, minus the damage threshold specified by the local building ordinance, or • 50% of the Insurable Value, if the local ordinance does not specify a threshold.
Coverage B	Demolition/Debris Removal Cost equal to at least 10% of the Insurable Value.
Coverage C	Increased Cost of Construction equal to at least 10% of the Insurable Value.

Guidance

Examples of ordinance or laws include

- bulk restrictions,
- building,
- zoning,
- energy management,
- green, or
- Fair Housing Act accessibility.

Some municipalities have no zoning districts. This primarily refers to use. Usually, buildings are still subject to building and safety codes; therefore, coverage is required.

Required Limits Example		
If	Then the required coverage is	
the Insurable Value equals • \$10 million, and • the damage threshold of the local building ordinance is 75%	100% of the Insurable Value, minus the damage threshold specified by the local building ordinance (e.g., \$10 million - \$7.5 million = \$2.5 million for Coverage A).	
Coverages A, B, and C are combined	the Coverage A amount plus 10% of the Insurable Value for Coverage B plus 10% of the Insurable Value for Coverage C (e.g., \$2.5 million + \$1 million + \$1 million = \$4.5 million).	
Coverages B and C are combined	10% of the Insurable Value for Coverage B plus 10% of the Insurable Value for Coverage C (e.g., \$1 million + \$1 million = \$2 million).	

Coverage D for law and ordinance insurance:

- extends the business:
 - income and extra expense coverage; and
 - additional time to restore operations when delayed due to enforcement of building or zoning laws; and
- is paid from the Property's business income/rent loss coverage.

Without this Increased Period of Restoration endorsement, business income coverage does not include any "increased period" that may be necessary due to enforcement of an ordinance or law.

When evaluating this coverage you should ensure the business income/rent loss limit is adequate to reflect the increased period of restoration.

501.02F Equipment Breakdown or Boiler and Machinery Insurance

✓ Requirements

You must ensure:

a Property with any high-pressure, centralized HVACS boiler, water heater, or other vessel in operation and regulated by the Property's state or municipality has full equipment breakdown or boiler and machinery

insurance;

- the coverage equals at least 100% of the Insurable Value of each building housing the equipment; and
- if equipment breakdown or boiler and machinery insurance is provided by a carrier other than the carrier providing the property damage policy, both policies include a Joint Loss Agreement.

501.02G Builder's Risk Insurance

✓ Requirements

You must ensure:

- if property insurance coverage is excluded during construction or significant renovation or restoration, the Property has builder's risk insurance during such activity; and
- the coverage equals at least 100% of the completed value, on a non-reporting basis.

501.02H Fidelity Bond / Crime Insurance

✓ Requirements

You must ensure:

- each Property owned by a Cooperative Organization has fidelity bond/crime insurance in an amount covering scheduled Cooperative Maintenance Fees for at least 3 months; and
- the fidelity bond/crime insurance deductible does not exceed \$25,000.

501.02I Regional Perils Insurance

▼ Requirements

You must ensure:

if a Property is in an area prone to geological phenomena, the property insurance coverage includes those phenomena; and

Effective: 10/01/2025

the coverage equals 100% of the Insurable Value.

Examples of geological phenomena include

- sinkhole,
- mine subsidence,
- volcanic eruption, and
- avalanche.

Section 502 Catastrophic Risk Insurance

502.01 Generally

✓ Requirements

You must ensure:

- a Property has the coverages required by Part II, Chapter 5: Property and Liability Insurance, Section 502: Catastrophic Risk Insurance for perils related to catastrophic loss if the Property is in an area prone to Catastrophic Events;
- the Property has a separate insurance policy if the Special Peril Coverage of Loss Form excludes a Catastrophic Event coverage that is required; and
- if ordinance or law coverage is required on the property policy, then coverage is obtained for catastrophic losses if the catastrophic peril is insured on a standalone policy.

502.02 Named Storm Insurance

✓ Requirements

You must ensure:

- the Property has separate named storm insurance if the:
 - Special Peril Coverage of Loss Form excludes any type of windrelated Catastrophic Event; and
 - Property is located in a Tier I named storm county, as defined by the insurer;
- the coverage equals at least 90% of the Total Insurable Value
 - on a standalone policy, and
 - of the largest individual property on a Blanket Policy;
- if the named storm policy does not cover costs due to flooding from storm surge, the Borrower maintains flood insurance for any buildings located in

Effective: 10/01/2025

the 500-year flood zone equal to the maximum coverage available through NFIP policies or their equivalent;

- the valuation does not rely solely on Probable Maximum Loss (PML) calculations; and
- the deductible does not exceed the greatest of:
 - 7.5% of the Insurable Value;
 - the applicable maximum amount per Part II, Chapter 5: Property and Liability Insurance, Section 501.02B: Deductibles; and
 - for business income insurance:
 - when expressed as a number of days, 15 days; or
 - when expressed as a dollar amount, \$100,000.

Guidance

If named storm coverage is unavailable, Fannie Mae will consider approving 1 of the following options:

- a State insurance plan; or
- a State-managed insurance pool for
 - windstorm, or
 - beach erosion.

502.03 Flood Insurance

502.03A Generally

% Operating Procedures

To determine if any buildings located at the Property are, or will be, fully or partially located in an SFHA, you must:

- use the FEMA Standard Flood Hazard Determination Form (SFHDF);
- evaluate all Property structures when ordering the SFHDF;
- provide the vendor supplemental Property information including the

Effective: 10/01/2025

- legal description, and
- survey or site plan;

- obtain an image overlay from Flood Vendor;
- ensure the resulting Flood Zone Determination (FZD) form, and any subsequent FZD forms, are effective for the entire Mortgage Loan term; and
- retain a signed copy in your Servicing File.

Requirements

You must ensure the Property has flood insurance if:

- any income-producing Improvements or any non-income producing Improvements that support amenities are in an SFHA Zone starting with the letter A or V; or
- the Property is located within a Coastal Barrier Resources System (CBRS) or Otherwise Protected Area (OPA), regardless of if the Property is located in an SFHA.

A Mortgage Loan is ineligible for purchase if the Property is in:

- an SFHA; and
- a community that does not participate in the NFIP.

You must:

- complete the most recent version of the Standard Flood Hazard Determination Form issued by FEMA;
- retain in your Servicing File a
 - copy of the form, and
 - signed copy of Notice to Borrower of Special Flood Hazard and Federal Assistance;
- require the determination firm, and any monitoring company, to notify you whenever there is a flood zone change; and
- ensure the coverage:
 - meets the minimum mandatory purchase requirements per:
 - the following Federal flood insurance statutes, as amended and/or restated from time to time, including the:
 - □ National Flood Insurance Act of 1968 (1968 Act);

Effective: 10/01/2025

Biggert-Waters Flood Insurance Reform Act of 2012 (Biggert Waters);

- Flood Disaster Protection Act of 1973 (FDPA); and

Homeowner Flood Insurance Affordability Act of 2014; and

- any applicable Federal agency rulemaking and publication; and
- equals at least 100% of the Insurable Value of
 - the first 2 floors above grade, and
 - any Improvements below grade;
- require contents coverage for Borrower-owned personal property;
- ensure you have an established process to obtain an inventory and the Insurable Value of Borrower-owned contents or business personal property within buildings located in SFHAs to determine required coverage; and
- retain documentation of the presence or absence of Borrower-owned contents or business personal property within the building and in your Servicing File.

Effective: 10/01/2025

Guidance

Generally, contents or business personal property:

- includes equipment and inventory
 - owned by the Borrower, and
 - used in connection with Property's
 - ownership,
 - management, or
 - operation; and
- does not otherwise constitute fixtures.

502.03B Deductibles

✓ Requirements

You must comply with the following tables.

Flood Maximum Deductibles	
For	You must ensure the
Business income insurance	 deductible does not exceed: when expressed as a number of days, 15 days; or when expressed as a dollar amount, \$100,000.
NFIP policies	maximum deductible available under NFIP is acceptable.

Private Flood Policy Maximum Deductibles	
If the Property has	Then maximum deductible per occurrence is
10 or fewer buildings in SFHA	\$50,000
More than 10 buildings in SFHA	\$500,000

502.03C NFIP Policy

☑ Requirements

You must comply with the following table.

NFIP and Excess Flood Coverage	
If	Then
Coverage available under the NFIP is insufficient	the Borrower must purchase excess flood insurance coveringthe difference, up to the required coverage amount.

NFIP and Excess Flood Coverage	
If	Then
Per elevation certificates completed by a licensed land surveyor, engineer, or architect:	 only NFIP insurance is required for those buildings, and the maximum term for only NFIPinsurance is 12 months.
 any of the building's Lowest Adjacent Grade (LAG) are above Base Flood Elevation (BFE); and the Borrower confirms application for a Letter of Map Amendment (LoMA) 	

To remove a Property/building from an SFHA, only an updated FEMA Standard Flood Hazard Determination Form (SFHDF) based on the following is acceptable:

- Letter of Map Amendment (LoMA);
- Letter of Map Revision (LoMR); or
- Letter of Determination Review (LoDR).

During the LoMA process,

- only NFIP insurance is required, and
- the maximum term for NFIP insurance is 12 months.

If any Improvements are reclassified as within an SFHA Zone starting with the letter A or V after you Deliver the Mortgage Loan, you must require the Borrower to obtain compliant flood insurance.

Guidance

To prevent the Borrower from paying for more coverage than an NFIP policy would pay out, you should evaluate the extent of recovery allowed under the NFIP policy for the type of building being insured.

If all buildings do not require flood insurance, but the Property ingress is located in an SFHA, you should consider requiring business income insurance for excess flood to cover all buildings.

Flood insurance is not required if only unimproved portions of the Property, or non-income producing Improvements that do not support amenities at the Property, are located in an SFHA.

Non-Income Producing Improvements	
Supporting amenities include	Not supporting amenities include
clubhouses,andpool houses.	sheds,pump houses,andstorage buildings.

Business income insurance is not required for non-income producing Improvements.

You should consider that

- conditions may change over time, and
- flood zones may be remapped.

You or Fannie Mae may require flood insurance for Improvements outside an SFHA Zone starting with the letter A or V, but within an area designated by FEMA as Zone X or Zone D (for example, if a Property's location is subject to flooding due to storm water, or within close proximity to an SFHA boundary).

The acceptable deductible for excess flood insurance is the coverage limit of the underlying NFIP policy.

Elevation certificates are not valid to determine if Improvements are in an SFHA.

You should:

- obtain flood zone determinations from qualified third-party flood-zone determination firms; and
- exercise care and sound judgment when selecting the firm.

Operating Procedures

You must:

- obtain life-of-loan monitoring for each Property from a third-party floodzone determination firm;
- complete FEMA's Standard Flood Hazard Determination form to determine if any Improvements are located in an SFHA; and
- retain in your Servicing File:
 - a completed copy of the form;
 - a signed copy of the Notice to Borrower of Special Flood Hazard and Federal Assistance (included in the Flood Determination Certificate);

and

- if you permitted a reduced amount of excess flood insurance,
 - your analysis, and
 - related documentation supporting the economic feasibility and reduction amount.

502.03D Private Flood Policy

✓ Requirements

You must ensure a private flood insurance policy:

- is written on a Replacement Cost Valuation basis without any deduction for depreciation; and
- provides coverage and terms as broad as or better than the coverage and terms provided under a standard flood insurance policy issued under the NFIP.

502.04 Earthquake Insurance

✓ Requirements

You must ensure the Property has earthquake insurance if required by Fannie Mae. For any required coverage, ensure the:

- coverage is at least 100% of the Insurable Value;
- waiting period is no more than 15 days; and
- deductible does not exceed the greatest of:
 - 10% of the insurable Property value;
 - the applicable maximum amount per Part II, Chapter 5: Property and Liability Insurance, Section 501.02B: Deductibles; and
 - for business income insurance, the greater of
 - the maximum deductible for the property insurance policy, or
 - a 15-day waiting period.

Earthquake insurance may be required while the Property is being retrofitted.

Effective: 10/01/2025

Guidance

For business income insurance deductible, if a dollar amount is indicated, you should calculate the per day amount ensuring the deductible does not exceed the 15-day total amount allowed. See Part II, Chapter 5: Property and Liability Insurance, Section 502.02: Named Storm Insurance for a deductible calculation example.

Operating Procedures

If retrofitting is required and not completed within the agreed timeframe, you must not accept earthquake insurance as a substitute.

502.05 Terrorism Insurance

✓ Requirements

You must ensure:

- each Property has terrorism insurance for property damage/casualty and liability exposures;
- exceptions are only made to professional liability insurance where terrorism coverage is not required;
- the coverage is at least 100% of the Insurable Value attributed only to the Improvements; and
- for business income insurance, the deductible does not exceed:
 - when expressed as a number of days, 15 days; or
 - when expressed as a dollar amount, \$100,000.

502.06 Liability Insurance

✓ Requirements

You must ensure each Property and Borrower is covered, without exclusions, throughout the Mortgage Loan term by liability insurance for

Effective: 10/01/2025

- bodily injury,
- Property damage, and
- personal injury.

502.06A Commercial General Liability Insurance

✓ Requirements

You must ensure the general liability insurance coverage is at least

- \$1 million per occurrence/\$2 million general aggregate limit, plus
- excess/umbrella insurance as follows:

If the number of stories in the building is	The minimum excess/umbrella insurance coverage is
1 - 4	\$2 million
5 - 10	\$5 million
11 -20	\$10 million
Over 20	\$20 million

The maximum deductibles:

- apply to
 - general liability,
 - umbrella/excess liability, and
 - professional liability; and
- must be based on the Total Insurable Value of the Property insurance policy as follows:

If the Total Insurable Value is	The maximum deductible amount per occurrence is
Less than \$5 million	\$50,000
Equal to or greater than \$5 million, but less than \$50 million	\$100,000
Equal to or greater than \$50 million, but less than \$100 million	\$150,000
Equal to or greater than \$100 million	\$275,000

You may satisfy the insurance coverage requirements:

with any combination of primary liability insurance and excess/umbrella insurance coverage, provided the aggregate coverage meets the required

Effective: 10/01/2025

minimum limits; and

for excess/umbrella insurance, when the coverage limit meets the requirement for the location with the most stories.

You should ensure that any liability policy does not contain exclusions for normal coverage that are normal and customary in the standard liability form, such as

- assault and battery,
- animal attacks, and
- firearms, etc.

The maximum deductible amount, per occurrence, is the combined deductible for both the

- underlying general or professional liability, and
- excess/umbrella liability.

For example, if the Total Insurable Value is \$45 million, then the maximum deductible is \$100,000 combined for the underlying liability and excess/umbrella liability in any combination (e.g., \$75,000 deductible/self-insured retention on the general liability and \$25,000 on the excess/umbrella liability).

502.06B Professional Liability Insurance

Requirements

If a Seniors Housing Property provides any level of healthcare, you must ensure the:

- Property has professional liability insurance covering
 - professional errors and omissions,
 - medical malpractice, and
 - all types of abuse; and
- coverage is at least
 - \$1 million per occurrence/\$2 million general aggregate limit, plus

Effective: 10/01/2025

excess/umbrella insurance as follows:

If the number of licensed beds is	The minimum excess/umbrella insurance coverage is
1 -100	\$2 million
101 -500	\$5 million
501 -1,000	\$10 million
Over 1,000	\$20 million

You must ensure:

- for a Property with Assisted Living beds, Independent Living beds are not counted when determining the minimum coverage limit;
- when general liability insurance and professional liability insurance coverages are combined under an excess/umbrella insurance policy, the coverage meets the higher minimum limit of the 2 underlying coverages; and
- the maximum deductible for professional liability insurance does not exceed the applicable maximum amount per Part II, Chapter 5: Property and Liability Insurance, Section 502.06A: Commercial General Liability Insurance.

Guidance

When using a Claims-Made Policy, you should consider if an adequate "retroactive date" is in place providing coverage for acts that occurred before a specified date – usually before the effective date of the current policy. A retroactive date of 3 - 5 years before the current policy's effective date is common.

If the Borrower changes carriers during the Mortgage Loan term, the addition of tail coverage or an extended reporting period endorsement, extending coverage after the cancellation or termination of a Claims-Made Policy, is important to ensure no lapse in coverage occurs.

You may satisfy the coverage requirements:

 with any combination of primary liability insurance and excess/umbrella insurance coverage, provided the aggregate coverage meets the required minimum limits; and

Effective: 10/01/2025

for excess/umbrella insurance when the coverage limit meets the requirement for the location with the most beds.

502.06C Workers' Compensation Insurance

✓ Requirements

You must ensure:

- the Property has workers' compensation and employer's liability insurance (including terrorism coverage), if required where the Property is located; and
- coverage meets the statutory limits.

502.06D Directors' and Officers' Liability Insurance

Requirements

You must ensure each Property owned by a Cooperative Organization has:

- directors' and officers' liability insurance; and
- coverage equal to at least \$1 million per occurrence.

Section 503 Environmental Matters

Any environmental conditions or risks impacting the Property should be fully understood and considered in the underwriting.

503.01 Environmental Site Assessments

Requirements

You must:

- comply with the Environmental Due Diligence Requirements (Form 4251), including obtaining a Phase I Environmental Site Assessment (Phase I ESA) of the entire Property;
- ensure the Phase LESA:
 - is performed per the instructions in Form 4251, including meeting the current requirements of ASTM E1527;
 - is prepared by an environmental professional as that term is defined in 40 C.F.R. § 312.10 (an Environmental Professional);
 - identifies all environmental conditions and risks that may potentially impact

Effective: 10/01/2025

resident safety,

- marketability, or
- Property value; and
- clearly identifies how to properly mitigate those conditions and risks, including where applicable:
 - the Environmental Professional's recommendations regarding additional investigation, or requirements of government authority or regulatory agency; or
 - action to remediate or abate any Recognized Environmental Condition (REC)/Controlled Recognized Environmental Condition (CREC), as those terms are defined in ASTM E1527; and
- obtain Fannie Mae's approval before Rate Lock if the Phase I ESA identified any RECs/CRECs.

Guidance

You may rely on a preliminary or draft Phase I ESA to obtain a Rate Lock and Commitment.

503.02 Lender's Responsibilities

✓ Requirements

You must:

- Obtain all investigations recommended or indicated by the Phase I ESA.
- Conduct a thorough review and analysis of the Phase I ESA.
- Provide the Environmental Professional with all available prior Phase I ESAs, investigations, and any relevant and readily available environmental materials.
- Provide the Appraiser with any documentation from the Phase I ESA necessary to accurately assess the Property's value.
- Identify if the Property's state has an environmental Super Lien Statute and, if so, confirm Property conditions are unlikely to result in the imposition of a super lien having priority over the Security Instrument.
- Disclose to Fannie Mae your knowledge of any actual or suspected environmental conditions affecting the Property, whether or not disclosed in the Phase I ESA.
- Ensure any required Operations and Maintenance Plans (O&M Plans) are obtained and located on the site throughout the Mortgage Loan term.

Effective: 10/01/2025

- Assess the Borrower's ability to carry out any O&M Plan.
- Not Deliver a Mortgage Loan if the Borrower or its agents are not financially or organizationally capable of satisfying the requirements of the O&M Plan.
- Evaluate the potential risk of loss and liability to the Property, the Borrower, you, or Fannie Mae posed by any
 - REC/CREC,
 - Business Environmental Risk, or
 - other environmental condition, whether or not disclosed in the Phase I ESA.

If you become aware of any REC/CREC, you must:

- Obtain a Remediation Plan from the Borrower that
 - is prepared by an Environmental Professional, as required by Form 4251,
 - will protect the health and safety of the residents and bring the Property into regulatory compliance, and
 - includes a cost estimate and schedule for completing the work.
- Add the estimated cost of the Remediation Plan to the Completion/Repair Escrow requirement of the Loan Documents.

Guidance

The amount funded into the Completion/Repair Escrow on the Mortgage Loan Origination Date should be at least 125% of the estimated cost of the Remediation Plan.

503.03 Environmental Indemnity Agreement

✓ Requirements

You must:

- consider revisions to the Environmental Indemnity Agreement (Form 6085) to protect you and Fannie Mae from liability associated with any
 - REC/CREC (including the cost to investigate/remediate any such condition), and

Effective: 10/01/2025

violation of Environmental Laws by the Borrower;

- document your evaluation of potential revisions, including at a minimum, whether the following revisions are appropriate:
 - additional representation and warranty where the Borrower disclaims responsibility for any REC/CREC, if appropriate and accurate; and
 - additional covenant(s) requiring
 - implementation of the Remediation Plan,
 - compliance with any Environmental Activity and Use Limitations and/or institutional or engineering controls, and
 - maintenance of Borrower eligibility for applicable liability protection status;
- specifically identifying any liability associated with the REC/CREC in the indemnification provisions; and
- other required terms and conditions based on Fannie Mae environmental counsel review.

Section 504 Seismic Risk

504.01 Seismic Hazard and Risk Factors

▼ Requirements

You must:

- assess the seismic risk before Rate Lock by analyzing the PGA at the Property's location;
- determine if the Property has an acceptable level of seismic risk;
- complete Form 4099.C if the Property is located in a High Seismic Risk area;
- obtain a Seismic Risk Assessment (SRA) if a Structural Risk Factor is identified per Form 4099.C; and
- not Deliver a Mortgage Loan if the Property has
 - a PGA equal to or greater than 0.15g, and
 - 1 of these Structural Risk Factors:
 - an unreinforced masonry building that has not been seismically retrofitted; or
 - a building constructed on a slope with an angle exceeding 30

Effective: 10/01/2025

degrees (a 50% slope).

After you Deliver the Mortgage Loan, no additional seismic risk evaluation is needed.

504.02 Seismic Risk Assessment (SRA)

▼ Requirements

You must:

- obtain a Level 1 SRA dated within 12 months before the Commitment Date for any Property with one of the Structural Risk Factors listed in Form 4099.C; and
- ensure the SRA:
 - meets the ASTM seismic standards (ASTM E2026 Standard Guide for Seismic Risk Assessment of Buildings and ASTM E2557 – Standard Practice for Probable Maximum Loss (PML) Evaluations for Earthquake Due Diligence Assessments);
 - includes estimates for the Scenario Expected Loss (SEL) and the Scenario Upper Loss (SUL);
 - uses a 10% probability of exceedance in a 50-year period;
 - meets ASTM seismic standard professional qualifications; and
 - complies with Form 4099.C, including
 - structured data per Seismic Risk Assessment Data Supplement (Form 4093), and
 - a report narrative.

Guidance

For a Small Mortgage Loan:

- the SRA field investigation may be performed by a PCA consultant or field observer if that professional has at least 2 years of experience performing seismic risk assessments; and
- a new SRA is not required for Supplemental Mortgage Loans; you may rely on the original underwriting seismic analysis.

504.03 Acceptable Levels of Seismic Risk

The Property's SEL percentage and the building stability assessment determines if the seismic risk is acceptable.

Requirements

You must:

- determine if the Property's seismic risk is acceptable by confirming all income-producing Improvements or any non-income producing Improvements that support amenities:
 - comply with Part II, Chapter 5: Property and Liability Insurance, Section 504.03: Acceptable Levels of Seismic Risk;
 - have an SEL of 20% or less; and
 - meet the current building stability requirements of ASTM E2026; and
- not Deliver a Mortgage Loan secured by a Property having any Improvements with an SEL greater than 40%.

Guidance

Your analysis should include:

- a Level 1 SRA, including Appendix X4 (ASTM E2557);
- your analysis of the seismic issues and recommendation, describing the:
 - severity and pervasiveness of the conditions driving the SEL and stability issues;

- risks presented to
 - building stability,
 - building damageability,
 - site stability, and
 - life safety; and
- recommended retrofit or remediation requirements;
- a retrofit letter or the Borrower's retrofit plan, including the
 - timetable, and

- cost estimate:
- Form 4099.C; and
- a minimum of 6 Property photos, including
 - photos of areas significant to the seismic calculation or stability issue, and
 - elevation views of any Improvements having
 - an SEL over 20%, or
 - a stability issue.

504.04 Seismic Retrofit Ordinances

Requirements

You must ensure the SRA describes a proposed retrofit plan, including associated costs, if a Property must be retrofitted under any

- law,
- regulation, or
- ordinance.

504.05 Seismic Risk Mitigants

Requirements

For any Property where any Improvements have an SEL greater than 20% or a building stability issue, you must contact Multifamily Insurance to determine acceptable mitigants for Mortgage Loan Delivery, including:

- performing a seismic retrofit sufficient to resolve all stability issues and reduce the SEL of all Improvements to 20% or below; and
- obtaining earthquake insurance coverage per Part II, Chapter 5: Property and Liability Insurance, Section 502.04: Earthquake Insurance.

Earthquake insurance does not mitigate seismic risk.

- Who are the parties to the lease agreements? For example, are they typically signed by 1 tenant or all tenants, and/or co-signed by parents?
- What is the typical lease term?
- What is the enrollment outlook at the college/university?
- What is the student composition (i.e., full-time versus part-time) at the college/university?
- What are the current and forecasted supply and demand for student housing at the college/university? Will there be any college/universitysponsored construction?
- What is the Key Principal's experience with operating Student Housing Properties and Dedicated Student Housing Properties?
- What is the Property's proximity to campus? Can students walk to class and other campus locations?
- Is the Property conveniently located to a college/university-sponsored transportation line?

Guidance

Fannie Mae may allow Manufactured Homes predating the Manufactured Home HUD Code if

- they are Borrower-owned Manufactured Homes or Affiliate-Owned Homes that comply with local codes with no identified life safety issues, and

Underwritten NCF.

603.04 Flood Zone

603.04A Rising Water

Requirements

For an MH Community located in a flood zone with rising water (e.g., flood water that quickly dissipates and flood zone A or AE) you must ensure the Borrower notifies all Homeowners and all tenants of Borrower-owned or Affiliate-Owned Homes occupying an MH Site located in the flood zone before the Mortgage Loan Origination Date.

For Manufactured Homes located in a rising water flood zone...

If you

- do not know the base flood elevation for the flood zone (e.g., flood zone A), or
- know that the living floor levels are below the base flood elevation

Then:

- you must calculate the Underwritten DSCR excluding the site rent for Manufactured Homes with living floor levels within the flood zone; and
- if the resulting Underwritten DSCR decreases to more than 10 basis points below the minimum Tier 2 standard, you cannot underwritethe site rent for those Manufactured Homes.

603.04B Moving Water

✓ Requirements

For an MH Community located in a flood zone with the potential for flooding due to moving water (e.g., typically in flood zone A and AE and located next to a stream, river, etc.), you must ensure:

- your underwriting assumes that MH Sites located in the flood zone are considered non-income producing MH Sites; and
- the Borrower notifies all Homeowners and all tenants of Borrower-owned or Affiliate-Owned Homes occupying an MH Site located in the flood zone before the Mortgage Loan Origination Date.

603.05 Lease Terms

603.05A Master Leases

MH Site Leases must

- be in writing, and
- not contain an option to purchase the MH Site.

The Borrower must agree to implement the Tenant Site Lease Protections for all MH Sites by the end of the first loan year.

% Operating Procedures

The Tenant Site Lease Protections may be incorporated

- by amending each MH Site Lease; or
- within the MH Community's rules and regulations, if the MH Site Lease incorporates the rules and regulations by reference.

The Multifamily Loan Agreement must include a:

- covenant to implement the Tenant Site Lease Protections by the end of the first loan year;
- requirement that, if the Tenant Site Lease Protections were implemented within the MH Community's rules and regulations:
 - the rules and regulations are publicly posted; and
 - each lessee of an MH Site Lease receives written notice of the Tenant Site Lease Protections; and

■ Borrower:

- representation stating the percentage of MH Site Leases with the Tenant Site Lease Protections;
- covenant to continue the Tenant Site Lease Protections over the entire Mortgage Loan term; and

- requirement to annually submit to you a:

Guidance

You may allow

- month-to-month lease terms,
- lease terms for up to 2 years, and
- lease terms longer than 2 years, but only if the lease provides for:
 - an annual rent increase sufficient to cover the current and/or projected Consumer Price Index (CPI);
 - the pass-through of real estate taxes over a base year;
 - the pass-through of any utilities provided by the Borrower; and
 - cannot result in the Manufactured Home on the MH Site being titled as real estate.

603.05C Loan Document Modification

Requirements

You must modify the Loan Documents to reflect the use of short-term or long-term leases.

Section 604 Property Insurance

☑ Requirements

You must ensure that the security for an MH Community Mortgage Loan (per Part III, Chapter 6: Manufactured Housing Communities, Section

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 257 of 783

603.01B: Collateral; Tenant-Occupied and Affiliate-Owned Homes) complies with Part II, Chapter 5: Property and Liability Insurance.

Section 605

Survey

Requirements

If you obtain an acceptable as-built survey of the Property, it must comply with Part II, Chapter 3: Legal Compliance, Section 305: Survey.

Guidance

You should ensure that the survey only shows the location or dimensions of

- the individual MH Sites,
- any individual Manufactured Homes or recreational vehicles, and/or
- the related MH Site or recreational vehicle site, piers, and/or foundations, that constitute encroachments.

605.01 Public Roadways, Private Interior Roadways, and Drives

Guidance

You should ensure that the survey accurately shows all public roadways.

For any private interior access roads, streets, drives, parking areas, visible utilities, and structures without foundations, the survey:

- does not need to show them accurately from field measurements, unless they constitute encroachments;
- should include a sketch showing their approximate location; and
- may locate them by photogrammetric or other approximate methods.

605.02 Setbacks

Guidance

You should identify and show 2 different types of setbacks on the survey:

- setback restrictions shown in documents of record; and
- setbacks imposed by applicable zoning ordinances or building codes.

You should ensure that the survey:

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 258 of 783

- states that the zoning setbacks apply only to permanent buildings and not to the Manufactured Homes; and
- includes recorded references or citations to authority for the zoning setbacks, or gives the reason why this information is not available.

605.03 **Encroachments**

Guidance

You may show the following encroachments by a simple indicating mark (i.e., a distinctive mark or symbol identified in the legend), without indicating dimensions:

- nonpermanent outbuildings or other structures; and
- recreational vehicles that are not set upon a supporting foundation, MH Site, or pier.

2	PLUS	To the extent deducted as an operating expense, MH Site rents for other non-revenue MH Sites, such as: • MH Sites with model Manufactured Homes deducted in the "model apartment" operating expense in the "general and administrative" category; and • actual MH Site rent from employee Manufactured Homes deducted in the "employee" operating expense in the "payroll and benefits" category.

- 5% of GPR.

If a rent increase with verified actual collections was instituted within the trailing 3 months, then NRI may be calculated based on the trailing 1-month net rental collections (annualized).

- 3 If NRI is greater than the trailing 1-month of actual NRI (annualized), then reduce to actual NRI.

Section 1102 Underwriting

▼ Requirements

You must ensure that the maximum ARM Loan amount is the lowest of the amount:

- calculated applying the applicable minimum DSCR per Form 4660 for both the
 - maximum lifetime interest rate limit, and
 - Fixed Rate Test per Form 4660;
- calculated using the applicable maximum LTV per Form 4660; and
- you determined is appropriate.

You must use the Fixed Rate Test interest rate to determine the UPB for the refinance risk analysis per Part II, Chapter 2: Valuation and Income,

Section 204: Refinance Risk Analysis.

For an ARM 5/5 Loan, you must:

- instruct the PCA Consultant to determine all required Property capital improvements over a 12-year period (i.e., the initial 5-year adjustable rate term, plus the optional 5-year adjustable rate term, plus 2 years); and
- calculate the Replacement Reserve based on the required capital improvements during the first 5-year adjustable rate term, plus 2 years.

Section 1104

ARM 5/5 Loan Optional 5-Year Adjustable Rate Term Renewal Eligibility

▼ Requirements

A performing ARM 5/5 Loan is eligible to renew the adjustable rate term for an additional 5-year adjustable rate term if:

- Fannie Mae offers the ARM 5/5 Loan.
- The Loan Documents require a second lockout period at the beginning of

the second 5-year adjustable rate term (typically the 6th Loan Year), prohibiting any voluntary prepayment.

- You comply with the Loan Documents, including calculating an updated:
 - DSCR, using the current NCF and the Maximum Lifetime Interest Rate Limit, at least equal to the DSCR per Form 4660 based on the same Tier as the initial 5-year adjustable rate term; and

 Tier as the initial 5-year adjustable rate term.

Section 1202 Underwriting

▼ Requirements

You must calculate the minimum Underwritten DSCR based on an amortizing debt service constant.

Minimum Underwritten DSCR		
Term	Equals the sum of the	
Maximum Note Rate	 minimum Cap Strike Rate as set by Fannie Mae for the Mortgage Loan, plus Mortgage Loan margin equal to the sum of the - Investor spread, Guaranty Fee, and Servicing Fee. 	
Debt Service Constant	Maximum Note Rate, plus applicable amortization factor based on the Maximum Note Rate.	

You must ensure the maximum SARM Loan amount is the lesser of the amount:

- calculated using the:
 - minimum DSCR per Form 4660 for both the
 - Maximum Note Rate for the adjustable interest rate, and
 - Fixed Rate Test described in Form 4660; and
 - maximum LTV Ratio per Form 4660; or
- you determined is appropriate.

You must use the Fixed Rate Test interest rate to determine the UPB for the refinance risk analysis per Part II, Chapter 2: Valuation and Income, Section 204: Refinance Risk Analysis.

The amortization used to underwrite the SARM Loan is different than the actual SARM Loan amortization schedule, which uses fixed monthly principal installments.

Section 1203 Actual Amortization Calculation

✓ Requirements

You must amortize SARM Loans on a straight-line basis over the total loan term. The amount of amortization due during the Mortgage Loan term is the same amount that would be due, in total, for a comparable fixed rate loan. When you calculate the amortization due, you must consider

- the loan term,
- the amortization schedule,
- any interest only period, and
- the Pricing and Underwriting Tier.

To calculate SARM Loan amortization, you must use fixed rate pricing with an interest rate equal to:

- an indicative MBS investor yield; plus
- the lower of the:
 - lowest Guaranty Fee and Servicing Fee in the Pricing Memo for a hypothetical actual/360 fixed rate Mortgage Loan with the same loan

Effective: 10/01/2025

term and Pricing and Underwriting Tier as the SARM Loan; or

 Guaranty Fee and Servicing Fee quoted by the Fannie Mae Deal Team for a fixed rate Mortgage Loan when you request pricing for the SARM Loan.

% Operating Procedures

You must	Process
Obtain Fixed Rate Quote	 Obtain a quote for a hypothetical actual/360 fixed rate Mortgage Loan. Use the quoted fixed interest rate to calculate the amortization for the SARM Loan.
Calculate the Fixed Monthly Principal Installment Over the SARM Loan Term	Step 1: Using an actual/360 interest accrual method, calculate the aggregate amortization amount to be collected over the SARM Loan term based on the: SARM Loan principal amount; lowest interest rate for a hypothetical actual/360 fixed rate Mortgage Loan with the same loan term and Pricing and Underwriting Tieras the SARM Loan, rounded to 3 decimal places; and required amortization period.
	 Step 2: Divide the aggregate amortization amount from Step 1 by the number of amortizing monthly installments in the SARM Loan term. The result is the fixed monthly principal installment. For example, the number of monthly installments would be: 120, for a 10-year amortizing Mortgage Loan;
	or • 108, for a 10-year Mortgage Loan with 1 year of interest-only.

The following is an example for calculating the fixed monthly principal installment for a Tier 2 SARM Loan with a

- 10-year term,
- 30-year amortization period,
- actual/360 interest accrual method, and
- \$25 million Mortgage Loan amount.

Example: Hypothetical Actual/360 Fixed Rate Quote		
Guaranty Fee quoted by Fannie Mae	0.95%	
Servicing Fee quoted by Fannie Mae		
U.S. Treasury and Investor spread (quoted by Fannie Mae or Third Party MBS Investor)		
Gross Note Rate	= 5.50%	

Step 1: Calculate the aggregate principal amortization amount collected over the Mortgage Loan term if it had a fixed rate.

Determine the	Assuming	Result
 Month and year when the first full monthly loan payment would be made, based on an actual/360 amortization schedule. Total amortization amount depends on: the number of days (i.e., 28, 29, 30, or 31) in the month before each loan payment date; and when the next leap year occurs. 	 a debt service constant calculated using the hypothetical fixed Gross Note Rate of 5.500% (6.8134680% debt service constant); an issue date of December 1, 2018; and a first loan payment date of January 1, 2019. 	The aggregate principal amortization amount over 120 payments is \$4,114,494.17.

Step 2: Calculate the fixed monthly principal installment by dividing the aggregate amortization amount by the total number of amortizing payments during the SARM Loan term.

Calculate the Fixed Monthly Principal Installment		
Aggregate amortization	\$4,114,494.17	
Divided by total payments	120	
Equals fixed monthly principal \$34,287.45

Section 1205 Interest Rate Caps

1205.01 Generally

▼ Requirements

	Description
Interest Rate Cap	Borrower must:
	 purchase a third-party Interest Rate Cap; and keep an Interest Rate Cap Agreement in place continually until the earlier of the effective date of any permitted conversion to a fixed rate Mortgage Loan, or SARM Loan Maturity Date.
Interest Rate Cap Provider	Borrower must only obtain bids from Fannie Mae- approved providers listed on https://multifamily.fanniemae.com.
Interest Rate Cap Documentation	Must be on forms acceptable to Fannie Mae.

Description		
Minimum Interest Rate Cap Term	5 years.	
Replacement Interest Rate Cap	You must ensure the Borrower purchases a replacement Interest Rate Cap if the Interest Rate Cap term expires before the SARM Loan conversion or Maturity Date.	
Interest Rate Cap Reserves	Borrower must fund a cash reserve equal to at least 110% of the current replacement cap cost if the Interest Rate Cap term expires before the SARM Loan Maturity Date.	
Interest Rate Cap Contract Process and Documentation	You must deliver all Interest Rate Cap-related documentation, including the

Guidance

You may require the Borrower to:

- pay Fannie Mae's costs, including legal fees; and
- fund a reserve to pay these expenses.

1205.02 Determining the Cap Strike Rate

✓ Requirements

You must:

determine the maximum Cap Strike Rate permitted for the initial Interest Rate Cap; and

Effective: 10/01/2025

ensure the sum of the following is less than or equal to the rate

(calculated using an underwritten debt service constant that includes amortization) that produces the minimum required Underwritten DSCR for the SARM Loan's Pricing and Underwriting Tier:

- the Cap Strike Rate for the initial Interest Rate Cap; plus
- Guaranty Fee; plus
- Servicing Fee; plus
- Investor spread.

Guidance

You should enter "0" in the C&D "Cap Cost Factor" field if the replacement Interest Rate Cap escrow was fully funded on the Mortgage Loan Origination Date.

You may calculate the initial Cap Strike Rate based on an interest-only underwritten debt service constant if the approved interest-only term is greater than or equal to the initial Interest Rate Cap term.

1205.03 Establishing Interest Rate Cap Reserves

▼ Requirements

You must ensure the Borrower funds a cash reserve to purchase a replacement Interest Rate Cap if the the initial Interest Rate Cap term is less than the SARM Loan term.

If the initial Interest Rate Cap term is less than the SARM Loan term, the Borrower must:

- fully fund the cash reserve on the Mortgage Loan Origination Date; and
- escrow at least 110% of the current replacement cap cost.

The Prepayment Premium is shared with Fannie Mae per Part V, Chapter 2: Reporting and Remitting, Section 213: Prepayment Premium Sharing using the applicable Prepayment Premium schedule for a fixed rate Mortgage Loan.

Section 1304 Monthly Principal and Interest Payments

1304.01 During the Fixed Rate Term

✓ Requirements

The monthly installments of P&I must equal the amount needed to repay the UPB

- in substantially equal payments over the amortization term at the fixed rate, and
- based on a 30/360 interest accrual method.

To calculate loan payments at the end of an interest only period, refer to the Loan Documents.

1304.02 On the Hybrid ARM Loan Conversion Date

✓ Requirements

On the Hybrid ARM Conversion Date, the Borrower must make the last regularly scheduled payment of P&I for the fixed rate term.

Effective: 10/01/2025

1304.03 During the Adjustable Rate Term

✓ Requirements

The Borrower must make payments of P&I based on changes to the Index:

- on the 1st day of the month immediately following the Hybrid ARM Conversion Date; and
- on the 1st day of each month thereafter, until the Maturity Date.

On the Rate Change Date, a new P&I installment will be calculated to be in effect on the 1st day of the following month.

Monthly installments of P&I, due on each payment date during the adjustable rate term, must equal the amount needed to repay the UPB

- in substantially equal payments over the amortization term at the variable rate,
- based on a 30/360 interest accrual method.

Operating Procedures

To determine the amount of each monthly installment allocated to principal, subtract the amount allocated to interest following each rate change.

For example:

A 5-year Hybrid ARM Loan with the following terms:		
Loan Amount	\$2,500,000	
Fixed Rate	5.25%	
Fixed Rate Term	60 months	
Amortization Term	360 months	
Fixed Rate Period	Standard fixed payment amortization	
Monthly Payment	\$13,805.09	
UPB at End of Month 60	\$2,303,737.20	

Upon conversion to adjustable rate in month 61, amortization is recalculated using the following terms:	
Loan Amount	\$2,303,737.20
Variable Rate	4.25%

Effective: 10/01/2025

Upon conversion to adjustable rate in month 61, amortization is recalculated using the following terms: Amortization Term 300 months Monthly Payment \$12,480.22 Interest Payment (4.25% / 360 months) x 30 days x UPB Principal Payment Monthly Payment Interest Payment UPB at End of Month 66 \$2,277,579.64

At rate change in month 67, amortization is recalculated using the following terms:	
Loan Amount	\$2,277,579.64
Variable Rate	4.50%
Amortization Term	294 months
Monthly Payment	\$12,799.71
Interest Payment	(4.50% / 360 months) x 30 days x UPB
Principal Payment	Monthly Payment Interest Payment
UPB at End of Month 72	\$2,251,786.15

	 Minimum Percentage Balance: PRF deposits accumulate until the balance is at least \$100,000 greater than 20% of the original Bond principal amount. Bonds eligible for redemption are redeemed in \$100,000 increments, but the redemption payments may not reduce the PRF balance below 20% of the original Bond principal amount.
PRF Deposit Amount	PRF deposits represent the principal amortization amount of the Credit Enhancement Mortgage Loan based on

• o • d	ocuments are: on acceptable forms; and delivered to Fannie Mae, including the - Interest Rate Cap Agreement, and - applicable Interest Rate Cap Reserve and ecurity Agreement (Form 6442 series).

Operating Procedures

Fannie Mae will engage outside counsel at your expense to review all Interest Rate Cap-related documents.

1907.04 Cap Strike Rate

Operating Procedures

The Borrower must purchase an Interest Rate Cap with a Cap Strike Rate that is determined

- for a Credit Enhancement Instrument, by Fannie Mae, or
- for an MBS for Bonds, per Part III, Chapter 12: Structured Adjustable Rate Mortgage (SARM) Loans, Section 1205.02: Determining the Cap Strike Rate.

1907.05 Cap Cost Factor Included in Maximum Note Rate

✓ Requirements

When determining the Maximum Note Rate used to calculate the minimum required Underwritten DSCR, you must include a cap cost factor based on the term of the

- Credit Enhancement Mortgage Loan, and
- initial Interest Rate Cap.

You do not need to include a cap cost factor if the initial Interest Rate Cap term equals the Credit Enhancement Mortgage Loan term.

Effective: 10/01/2025

You must ensure the cap cost factor equals the

- estimated cost of the replacement cap (when the term of the initial cap expires), divided by
- term of the initial cap.

Operating Procedures

For example, to calculate the cap cost factor assuming a 5-year Interest Rate Cap and 10-year Credit Enhancement Mortgage Loan term:

- You must include an annual cap cost factor in the Maximum Note Rate.
- If the Credit Enhancement Mortgage Loan term is 10 years and an initial cap is purchased for a 5-year term, the cap cost factor equals the estimated cost of a replacement cap divided by 5 (the number of years of the initial interest rate term).
- The replacement cap has a 5-year term and a Cap Strike Rate equal to that of the initial cap.
- If a 5-year Interest Rate Cap at the initial Cap Strike Rate costs 20 basis points, you must divide 20 by 5, then add the result (4 basis points) to the Maximum Note Rate.

1907.06 Interest Rate Cap Reserve

∇ Requirements

You must ensure the Borrower fully funds a cash reserve to purchase replacement Interest Rate Caps.

Coperating Procedures

- If the initial Interest Rate Cap Agreement term is 5 years, you must ensure the Borrower funds the cash reserve with each monthly Mortgage Loan payment during the term.
- Calculate the monthly reserve payments for the first 6 months using the estimated cost of a replacement Interest Rate Cap with a 5-year term and the initial Cap Strike Rate.
- If the initial Interest Rate Cap term is more than 5 years, you must ensure the Borrower's monthly reserve payments for the replacement cap begin no later than 5 years before the existing Interest Rate Cap expires.

For example, if

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 397 of 783

- a 5-year initial Interest Rate Cap is purchased with a 10-year term and a 6.00% Cap Strike Rate, and
- the cost of a replacement 5-year cap with a 6.00% Cap Strike Rate is \$140,000, then
- the monthly reserve for the first 6 months would be \$2,333.33 (\$140,000 cost ÷ 60 months).

1907.07 Interest Rate Cap Reserve Adjustments

✓ Requirements

You must evaluate the Interest Rate Cap reserve every 6 months. If the replacement Interest Rate Cap cost:

- increased, you must raise the monthly reserve payment to purchase the replacement Interest Rate Cap before the existing Interest Rate Cap expires; or
- decreased, do not adjust the reserve.

When a replacement Interest Rate Cap is purchased, the reserve cycle resets to match the term of the new Interest Rate Cap. Any amount remaining in the reserve after purchasing the replacement Interest Rate Cap must be used to fund the subsequent reserve.

1907.08 Interest Rate Cap Contract Documentation and Delivery

▼ Requirements

For credit enhancements using:

- an MBS, you must comply with Part III, Chapter 12: Structured Adjustable Rate Mortgage (SARM) Loans, Section 1205.04: Interest Rate Cap Contract Documentation and Delivery; or
- a Credit Enhancement Instrument, this Section applies.

	Only disburse a provider payment to the Borrower if	
	there is no Mortgage Loan default, and you received all payments due under the Indenture and Bonds for that month.	
	If the Borrower defaults under the Mortgage Loan or Reimbursement Agreement, you must

801.04 Rate Lock

Guidance

For Credit Enhancement Mortgage Loans, the interest rate is determined at Bond pricing.

At Bond pricing, the Bond Issuer and Bond underwriter or direct purchaser execute a Bond Purchase Agreement, setting the terms for the Bond underwriter or direct purchaser to purchase the Bonds on the issue date.

% Operating Procedures

Timing	Activity
At Bond pricing	Bond underwriter provides you the Bond interest rate, equaling: • the Gross Note Rate on the - Multifamily Bond Note, for a Credit
	 Enhancement Instrument, or Note, for an MBS for Bonds; minus the sum of:
	 - the applicable Credit Enhancement Fee or Guaranty Fee; - Servicing Fee; - any applicable PRF fee; and
	- for a Credit Enhancement Instrument, the Bond Issuer fee.

Effective: 10/01/2025

Timing	Activity
Before Bond Purchase Agreement is executed	• review the Bond underwriter's pricing information; • confirm, for any 12-month period, the actual maximum annual debt service on the Bond debt service schedule is less than or equal to the underwritten maximum annual debt service; • create a monthly payment schedule to be attached to the Note that, for each 12-month period, aggregates the exact amount of the Bond payments (plus any fees); and • for an MBS for Bonds: - confirm the Bond terms match the Credit Enhancement Mortgage Loan pass-through payments; and - if the actual maximum annual debt service is greater than the underwritten maximum annual debt service, then - reduce the actual Credit Enhancement Mortgage Loan amount (and corresponding Bond principal amount), and - the Borrower must identify a new financing source, acceptable to all parties, for the amount of the reduction in the Credit Enhancement Mortgage Loan amount.

Chapter 2 Reporting and Remitting

Section 201 Generally

This Chapter:

- outlines the reporting and account reconciliation policies and procedures for Mortgage Loans;
- applies to both Cash Mortgage Loans and Securitized Mortgage Loans, except where noted that a particular procedure is applicable only to one or the other execution;
- describes the methods for accounting for scheduled monthly payments, payment shortages, additional principal payments, repayments of advances, and payments in full; and
- describes Fannie Mae's remittance requirements, the method for remitting, and the format for reporting Mortgage Loan information on all transactions.

Fannie Mae purchases Mortgage Loans for cash or in exchange for the issuance of a Security. Fannie Mae reserves the right to later place any of the Mortgage Loans purchased for cash into a Security (e.g., PFP MBS). If Fannie Mae securitizes a Mortgage Loan, the Servicer may be required to make certain changes to its reporting and remitting procedures. If such an event occurs and changes to a Servicer's reporting and remitting procedures will be required, Fannie Mae will notify the Servicer in writing.

Fannie Mae reserves the right to modify its Remittance Accounting system and forms to accommodate future changes to its overall systems applicable to Mortgage Loans.

Section 202

Collection, Tracking and Reporting of Monthly P&I Payments and T&I Amounts

The Servicer is responsible for collecting monthly P&I payments from the Borrower in accordance with the terms of the Note executed by the Borrower. All P&I payments and T&I amounts collected by the Servicer in connection with Mortgage Loans must be deposited in the applicable P&I and T&I Custodial Accounts maintained in accordance with the requirements of Part V, Chapter 3: Custodial Accounts.

The Servicer must track and account separately for all P&I payment activity relating to each Mortgage Loan. The Servicer must report to Fannie Mae on the P&I payment activity relating to each Mortgage Loan as provided in this Chapter.

Effective: 10/01/2025

Section 203

Reporting Loan Activity and Security Balance

203.01 Use of Fannie Mae eServicing System

The Servicer must use Fannie Mae's eServicing System to report Mortgage Loan level information on all Cash Mortgage Loans and Securitized Mortgage Loans. The Servicer must register to use the eServicing System prior to use. Information regarding registering for the eServicing System can be found on

https://multifamily.fanniemae.com/applications-technology/eservicing. The Servicer must segregate its Cash Mortgage Loan servicing portfolio from its Securitized Mortgage Loan servicing portfolio for reporting purposes.

203.02 Reporting Specific Transactions

All reportable transactions will fall into one or more categories. Some transactions update the status of a Mortgage Loan or summarize collection activity, while others update the information in Fannie Mae's records (e.g., Property addresses, Servicer Mortgage Loan identification numbers, Mortgage Loan terms, subservicing status, etc.).

203.03 Monthly Activity Reporting

203.03A When to Begin Reporting

The Servicer must use the eServicing System to report its monthly Mortgage Loan activity to Fannie Mae following the end of each Reporting Period, commencing with the month following the:

- date Fannie Mae acquired the Cash Mortgage Loan or PFP Mortgage Loan; or
- Issue Date for Securitized Mortgage Loans (other than PFP MBS).

203.03B Cutoff Dates for Loan Activity Reporting

The following are the cutoff dates for activity reporting on Mortgage Loans:

Monthly Activity Cutoff Date	Monthly Activity Report Due Date
,	Not later than the second Business
date any day from the 25th of the	Day of the month following the cutoff
month to the last day of the month.	date for the Reporting Period.

Effective: 10/01/2025

203.04 Monthly Securitized Mortgage Loan Security Balance Reporting

203.04A Reporting Security Balances

For each Security Pool serviced by the Servicer, the Servicer must submit a monthly Security Balance report that references:

- the Security Balance; and
- the Security Pool number.

203.04B Same Month Pooling – Security Balance for First Reporting Cycle

For Same Month Pooling Mortgage Loans, the Borrower will have made no payment as the monthly debt service payment will not yet have come due. Because the Servicer's Security Balance report for the month following the Issue Date of the Security Pool under the Same Month Pooling Delivery option will not include an amount for principal curtailment for amortizing Mortgage Loans, the Servicer must report the Issue Date Principal Balance of the Mortgage Loan as the first reporting cycle Security Balance. As long as the Servicer reports the Issue Date Principal Balance of the Securitized Mortgage Loan in its first Security Balance report, there will be no impact on the Pool-to-Security balance reconciliation for that month.

203.04C Security Balances Due by Second Business Day

The Servicer must have transmitted all of its Security Balances (or corrections to balances reported in error) to Fannie Mae by 5:00 p.m. Eastern Time on the second Business Day of each month following the Reporting Period. If the Servicer anticipates a problem in meeting this reporting deadline or has a transmission problem that will result in late reporting, the Servicer must contact its Fannie Mae Representative.

203.04D Failure to Meet Reporting Deadline

If the Servicer fails to meet Fannie Mae's reporting deadline, Fannie Mae may estimate the Servicer's Security Balances so Fannie Mae can pass-through payments to Investors and publish Security Balances in a timely manner. When Fannie Mae does this, Fannie Mae's estimate will be both the published Security Balance, and the beginning Security Balance used for the next month's Security Balance report. Fannie Mae will send the Servicer written notification of any published estimated Security Balance within 10 days after publication by Fannie Mae.

203.05 Due Dates for Reports

The exact due date of the Servicer's submission of its reports depends on the type of transaction being reported.

203.05A Removal Transactions

The Servicer must report removal activity (e.g., payoff, repurchase,

Effective: 10/01/2025

liquidated-held for sale, and liquidated third-party sale/condemnation) by the second Business Day of the month following the cutoff date for the Reporting Period in which the activity occurred. The Servicer may correct any removal activity reporting error by resubmitting the corrected information in time to reach Fannie Mae by the second Business Day of the month following the Reporting Period. If the Servicer is unable to correct the error, the Servicer must notify its Fannie Mae Representative about the error.

203.05B All Other Transactions

The Servicer must make sure that all other transactions (which are the transactions that comprise the bulk of its reports) are transmitted in sufficient time for receipt by Fannie Mae by the second Business Day of the month following the cutoff date for the Reporting Period.

203.06 Mortgage Loan Activity Record

The Loan Activity Record is used to provide Mortgage Loan-level detail of amounts due to Fannie Mae or the Investor for each Mortgage Loan on the Servicer's trial balance.

203.06A Payment Collection

Payment collection relates to the receipt and application of the monthly payment. The information that must be reported includes:

- actual last paid installment ("LPI") date;
- actual UPB; and
- remittance amount (distributed between P&I).

Under the Same Month Pooling option, the Servicer must not report a principal distribution amount for the first reporting cycle following the Issue Date of the Security Pool because no payment will have come due from the Borrower. For the first reporting cycle, the actual UPB of the Mortgage Loan will equal the Issue Date principal balance, as no principal payment will be subtracted from the Security Balance or passed through to the Investor.

203.06B Fee Collection

Fee collection relates to any special fees that were collected from the Borrower during the Reporting Period.

203.06C Mortgage Loan Status

Mortgage Loan status relates to special actions that have occurred (e.g., a payoff or a repurchase). An action code and an action date

Effective: 10/01/2025

(specifying when the reported action occurred or will occur) must be reported. The User Manual for the eServicing System provides detailed information regarding action codes and action dates.

203.07 Fannie Mae-Generated Monthly Reports

203.07A MBS Mortgage Loan P&I Draft Report

On approximately the 10th day of the month, reports are available in the eServicing System for Servicers to verify the amount to be drafted on the Remittance Date, including P&I and Prepayment Premiums due to Fannie Mae or the MBS Investor.

203.07B Cash Mortgage Loan P&I Draft Reports

3 Business Days before the Remittance Date, reports are available in the Cash Loan Drafting Application for Servicers to review, update, and certify the amount to be drafted on the Remittance Date, including Prepayment Premiums due to Fannie Mae. Amounts must be reviewed, updated, and certified by 4:30 p.m. ET 1 Business Day before the Remittance Date.

203.07C Month-End Report

By the 23rd day of the month, the Summary of Processed Activity and other reports are available in the eServicing System for the Servicer to reconcile with its internal records.

203.08 Monthly MBS Mortgage Loan Reconciliations - Pool-to-Security Balance Reconciliations (Not Applicable to PFP MBS)

203.08A Reconciliation Required

At the end of each Reporting Period, the Servicer must reconcile the actual ending Mortgage Loan balance for the Mortgage Loan in any given Security Pool to the ending Security Balance for that Security Pool. To perform this reconciliation, the Lender must use the following calculation:

Function	Ending Principal Balance for the Mortgage Loan in Security Pool (from current month)
PLUS	Prepaid Principal (as of current month)
MINUS	Delinquent Principal (as of current month)
MINUS	Scheduled Principal (as of current month)

PLUS	Principal Portion of Last Installment for Liquidated Mortgage Loan (as of current month)
	Adjusted Principal Balance for Security Pool
MINUS	Ending Security Balance for Reporting Period
EQUALS	Difference

203.08B Rounding Adjustment

Because the total amount of the Mortgage Loan that is issued for a Security Pool is rounded down to the next lowest whole dollar amount of the actual "Issue Date Principal Balance of the Mortgage Loan", the Security Balance will be smaller than the actual UPB of the Mortgage Loan. The difference will never be greater than \$0.99 for a single Security Pool. The Servicer must adjust for this difference in the first monthly accounting report it submits after the Issue Date of the Security, classifying it as an "unscheduled" principal adjustment.

203.08C Required Annual Adjustment to Correct Principal Balance vs. Security Balance Difference

Other differences may arise in the reconciliation between the UPB of the Mortgage Loan in a Security Pool and the outstanding Security Balance. These differences cannot exceed more than \$0.25 for any Mortgage Loan in the Security Pool. At least once a year, the Servicer must make an adjustment to correct any differences.

1. If Security Balance is Greater than UPB

If the Security Balance is higher than the UPB of the Mortgage Loan, the Servicer must immediately deposit the funds in the "scheduled/scheduled" P&I Custodial Account for Security Pools so that the funds can be passed through to Fannie Mae (as an "unscheduled" principal collection) with the Servicer's next monthly remittance.

2. If Security Balance is Lower than UPB

If the Security Balance is lower than the UPB of the Mortgage Loan, the Servicer may adjust a subsequent pass-through amount that includes an "unscheduled" principal collection to correct for this difference.

203.08D Pool-to-Security Reconciliation Certification

The eServicing System produces a Pool-to-Security Reconciliation on a monthly basis to assist Servicers with review. Servicers are required to review and certify any pool-to-security difference each month by month end. Differences occur when the MBS pool security balance does not match the sum of the scheduled UPB of the Mortgage Loan. Fannie Mae calculates

pool-to-security differences after monthly Mortgage Loan and Security reporting is complete. For each pool with a difference, the Servicer must review the deficiency, research the difference, and determine the appropriate remedy. The Servicer's certification includes the identification and selection of a deficiency reason, and a statement of how it should be resolved.

Section 204 Calculation of Interest Due

204.01 Generally

Generally the Borrower's monthly payment consists of P&I and deposits for insurance, taxes, replacement reserves and replacement hedges or some combination of such items. In some instances, the payment may include additional funds to be applied toward the UPB or to repay funds advanced by the Servicer. The Servicer must account for each portion of the Borrower's monthly payment in the Servicer's records. The Servicer must track both actual and scheduled Mortgage Loan balances (a.k.a., Security Pool and Security balances) and reconcile any outstanding difference (e.g., the Servicer advances for insufficient Borrower payments).

204.02 Calculating Interest Due

The interest calculation method is generally specified in the Loan Documents. Servicers are required to calculate interest due for each Mortgage Loan as required by the Loan Documents. If the Loan Documents do not contain any information regarding the interest calculation method, then Servicers should assume a 30/360 accrual method.

204.02A Actual/360 Interest Calculation Method

Interest will accrue based upon the actual number of days in a calendar month and a 360-day year.

204.02B 30/360 Interest Calculation Method

Interest will accrue based upon a 30-day month and a 360-day year.

Section 205 ARM Loan Interest Rate and Monthly Payment Changes

205.01 Adjustable Rate Mortgage Loan Interest Rate Changes and Required Monthly Payments

The Servicer must enforce each Mortgage Loan in accordance with the terms of the executed Loan Documents. This includes making periodic interest rate and payment adjustments in connection with any type of Adjustable Rate Mortgage Loans. The Servicer must change the Mortgage

Effective: 10/01/2025

Loan interest rate and monthly payments to the fullest extent permitted or required, maintaining at all times the Mortgage Loan margin specified in the executed Loan Documents. Factors used to determine the new interest rate for ARM Loans include:

- the Index on which the rate is to be based;
- the "look back" period;
- any applicable interest rate change limitations; and
- the Mortgage Loan margin.

If the Servicer fails to make a timely interest rate or payment adjustment, the Servicer must use its own funds to satisfy any shortage.

205.01A The Adjustable Rate Mortgage Loan Index

The Servicer must determine the Index on which the rate is to be based as specified in the Loan Documents. To assist the Servicer in monitoring indexes, Fannie Mae offers an ARM Loan Index service through its website on https://multifamily.fanniemae.com. The Servicer must establish procedures to monitor the Index to assure that the Servicer uses the latest available Index to determine an interest rate change.

205.01B Determining the New Monthly Payment

Except for Fannie Mae Structured ARM Loans, a Required Monthly Payment change occurs at established intervals and corresponds to any change in the interest rate. The new monthly payment is calculated by determining the amount required to repay the UPB of the Mortgage Loan in substantially equal payments over the remaining amortization period of the Mortgage Loan at the interest rate in effect following the latest interest rate change utilizing the applicable Interest Calculation Method. If the Mortgage Loan is an interest-only Mortgage Loan, the new monthly payment is the monthly interest payment at the interest rate in effect following the latest interest rate change utilizing the applicable Interest Calculation Method. The new Required Monthly Payment becomes effective on the first day of the month following the month in which the interest Rate Change Date occurs.

205.02 Monthly Reporting for ARM Loan Payment/Rate Changes

Prior to the effective date of the Monthly Payment/Rate Change the Servicer must submit a Monthly Payment/Rate Change via the eServicing System. For assistance with rate and/or payment changes, the Servicer must contact its Fannie Mae Representative.

In order for Fannie Mae to account for ARM Loans on its books, Fannie Mae must receive the Monthly Payment/Rate Change on a timely basis.

205.03 Structured ARM Loans

Structured ARM Loans are subject to the same reporting and remittance requirements as other ARM Loans except for the differences described in this section.

The interest rate for Structured ARM Loans will be determined based on the applicable interest period (typically either 1-month or 3-months) for the applicable Index using a 1-Business Day look-back period per the Loan Documents and the requirements of the applicable Structured ARM Loan Plan Number. The applicable interest rate will be determined by adding the Mortgage Loan margin specified in the Loan Documents to the applicable Index value. No periodic or lifetime interest rate limitations apply to this computation.

Rate changes for Structured ARM Loans with a:

- 1-month interest period (Plan Numbers 03488 and 04932) will occur on the first payment date and the first day of each month thereafter until maturity as specified in the Loan Documents; and
- 3-month interest period (Plan Number 03487) will occur on the first day of the month which is the second month following the first payment date and the first day of every third month thereafter until maturity as specified in the Loan Documents.

The first payment date will be:

- the 1st day of the month following the Mortgage Loan Origination Date, if the Mortgage Loan Origination Date is the 1st calendar day of the month; or
- the 1st day of the second full calendar month following the Mortgage Loan Origination Date for all other Mortgage Loans.

For example, if the Mortgage Loan closes on June 15th, the First Payment Date is on August 1st, and if the Mortgage Loan closes on June 1st, the First Payment Date is on July 1st.

A Required Monthly Payment change occurs at established intervals and corresponds to any change in the interest rate, the number of days in an accrual period, or the UPB of the Mortgage Loan.

If the Mortgage Loan amortizes, the Required Monthly Payment is the sum of the monthly interest installment and the monthly principal installment. The monthly interest installment is calculated by multiplying the UPB of the Mortgage Loan by the interest rate in effect following the latest interest rate change utilizing an actual/360 interest accrual method. Equal monthly principal installments will be made over the term of the Mortgage Loan in the amount set forth in the Loan Documents.

If the Structured ARM Loan is interest-only, the Required Monthly Payment is the monthly interest payment which is calculated by multiplying the UPB of the Mortgage Loan by the interest rate in effect following the latest interest rate change utilizing an actual/360 interest accrual method as set forth in the Loan Documents. The new Required Monthly Payment becomes effective for Structured ARM Loans with a:

- 1-month interest period (Plan Numbers 03488 and 04932), on the 1st day of the month following the month in which the Rate Change Date occurs; or
- 3-month interest period (Plan Number 03487), on the 1st day of each month following any change in the interest rate or if the number of days in an accrual period is different from the prior month, as set forth in the Loan Documents.

Section 206 Application of Monthly Payments

206.01 Fannie Mae Form Loan Documents

For Mortgage Loans originated using Fannie Mae published Note forms, the Borrower's monthly payments must be applied in the following order:

- any delinquent interest (other than interest attributable to the default interest rate);
- any delinquent principal;
- interest for the current month at the Gross Note Rate:
- principal for the current month;
- reimburse the Servicer or Fannie Mae for any T&I payments;
- reimburse the Servicer or Fannie Mae for any delinquency resolution costs, attorney fees, Appraisal fees, environmental assessment costs, or PCA costs;
- reimburse the Servicer or Fannie Mae for any payments to protect the Property;
- late charges;
- default interest;
- T&I Custodial Account deposits; and
- Collateral Agreement Custodial Account deposits.

206.02 Non-Fannie Mae Form Loan Documents

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 533 of 783

For Mortgage Loans not originated using Fannie Mae published Note forms, the Servicer must apply monthly payments received from the Borrower as required by the relevant Loan Documents. If the Loans Documents do not provide for the order of application of monthly payments, then the Servicer must follow the requirements for the Fannie Mae Post-1998 Loan Documents as provided in Part V, Chapter 2: Reporting and Remitting, Section 206.01: Fannie Mae Form Loan Documents.

Section 207 Payment Shortages

When payments received from the Borrower are less than the total amount then due under the Mortgage Loan (including P&I and T&I, but may also include required deposits to the Replacement Reserve or other monies due as required in the Loan Documents), the Mortgage Loan is in default and the Servicer must follow the default procedures specified in:

- Part VI, Chapter 3: Non-Performing Primary Risk Mortgage Loans; or
- Part VI, Chapter 5: Non-Performing Secondary Risk Mortgage Loans.

The Servicer may not supplement partial payments received from the Borrower with funds from any Collateral Agreement Custodial Account without Fannie Mae's prior written consent.

Section 208 Delinquency and Servicing Advances

208.01 Generally

208.01A Applicability

This Section 208 shall apply to all loans purchased by Fannie Mae (i) under the DUS product line and (ii) under any contracts entered into after June 1, 2012, unless any such contract provides that this Section 208 shall not apply to such contract.

208.01B Delinquency Advances on a Mortgage Loan other than a Credit Enhancement Mortgage Loan

Whether or not the Borrower pays to the Lender the full amount due under a Mortgage Loan (other than a Credit Enhancement Mortgage Loan), the Lender will remit to Fannie Mae Delinquency Advances in an amount equal to all monthly P&I installments then owed under each Mortgage Loan, net of Servicing Fees, in the manner and at the time the Lender is required to make remittances under the Guide or the Lender's Contract. The Lender's agreement to make Delinquency Advances in respect of a Mortgage Loan constitutes a separate contractual obligation of

the Lender to Fannie Mae and is not a guaranty or surety of any obligation of the related Borrower. The Lender's obligation to fund Delinquency Advances, except in the case of Secondary Risk Mortgage Loans, is not intended to require advances of the principal balance due on the scheduled or accelerated maturity date for payment in full of a Mortgage Loan. The Lender's obligation to fund Delinquency Advances with respect to Secondary Risk Mortgage Loans shall include the obligation to fund the principal balance due on the scheduled or accelerated maturity date for payment in full of a Mortgage Loan.

208.01C Delinquency Advances on a Credit Enhancement Mortgage Loan

Whether or not the Borrower pays to the Lender the full amount due on a Credit Enhancement Mortgage Loan, and whether such amounts are payable under the Financing Agreement, the Note, the Reimbursement Agreement or other transaction documents, the Lender shall make Delinquency Advances in amounts as follows, each in the amount as required to be made under the Financing Agreement, the Note, the Reimbursement Agreement or other applicable transaction document, net of any Servicing Fee otherwise payable to the Lender:

- interest payments as required by the definition of Delinquency Advances, net of Servicing Fees;
- monthly installments of principal owed on the Credit Enhancement Mortgage Loan, or, if the transaction documents of the Credit Enhancement Mortgage Loan require the Borrower to make deposits to a PRF in lieu of amortizing the principal of the Credit Enhancement Mortgage Loan in whole or in part, deposit in a special custodial account meeting the requirements of the Guide ("Special Custodial Account") any amounts that the Borrower was obligated under the Note, the Reimbursement Agreement or other applicable transaction document to pay as deposits to the PRF and transfer such funds in the Special Custodial Account to the applicable Bond Trustee at such time as the funds are required for a mandatory payment of P&I under the Bonds;
- the annual or other periodic fee of the Issuer as a continuing fee for the issuance of the Bonds and the provision of the financing for the Property;
- the annual or other periodic continuing trust administration fee of the Bond Trustee;
- the annual or other periodic continuing fee of the rebate analyst, if any, for its rebate calculation services;

Effective: 10/01/2025

the annual or other periodic continuing fee of the remarketing agent, if any, for its remarketing services;

- the Credit Enhancement Fee:
- if the transaction documents of the Credit Enhancement Mortgage Loan require the Borrower to make deposits to a PRF in lieu of amortizing the principal of the Credit Enhancement Mortgage Loan in whole or in part, the PRF Fee; and
- if the Credit Enhancement Instrument contains a liquidity facility for the Bonds, the Liquidity Fee.

The Lender shall make such advances to the party, in the manner and at the time the Lender is required to make such remittances under the Guide. The Lender's agreement to make Delinquency Advances in respect of a Credit Enhancement Mortgage Loan constitutes a separate contractual obligation of the Lender to Fannie Mae and is not a guaranty or surety of any obligation of the related Borrower.

208.01D Servicing Advances on a Mortgage Loan other than a Credit Enhancement Mortgage Loan

Whether or not Borrower makes payments to the Lender, the Lender shall make Servicing Advances as and when such amounts constituting Servicing Advances are required to be paid.

208.01E Servicing Advances on a Credit Enhancement Mortgage Loan

Whether or not the Borrower makes payments to the Lender, the Lender shall make Servicing Advances on a Credit Enhancement Mortgage Loan as and when such amounts constituting Servicing Advances are required to be paid. For each Credit Enhancement Mortgage Loan, Servicing Advances shall include, in addition to those items set out in the definition of Servicing Advances, all fees, costs and expenses, whether recurring or non-periodic, not covered by a Delinquency Advance but necessary, as determined by Fannie Mae, to preserve or protect the Bonds or to exercise any legal or equitable remedies under the Bond Indenture, the Bonds or any of the other transaction documents (other than the Loan Documents).

208.02 Duration of Payment of Delinquency Advances or Servicing Advances

208.02A Obligation to Make Delinquency Advances

Unless the Lender's Contract expressly provides otherwise, the Lender must make Delinquency Advances until the earliest of:

- the Lender's purchase of the Mortgage Loan from Fannie Mae;
- the date on which Borrower cures the Mortgage Loan default;

Effective: 10/01/2025

- the date on which the Lender makes the fourth of four continuous months of Delinquency Advances;
- the Asset Valuation Date established in accordance with Section 6.02 of the Loss Sharing Addendum; or
- the date on which the Borrower pays off the Mortgage Loan.

Notwithstanding the foregoing, (i) for Securitized Mortgage Loans, the Lender must make Delinquency Advances to Fannie Mae as long as the Mortgage Loan is held by the trust established in connection with such securitization, and (ii) for Credit Enhancement Mortgage Loans, the Lender must make Delinquency Advances to Fannie Mae as long as the Bonds are outstanding. However, in either case, Lender will receive reimbursement for such Delinquency Advances upon request as required by Part V, Chapter 2: Reporting and Remitting, Section 208.02C: Reimbursement for Delinquency and Servicing Advances following the date on which Lender makes the fourth of four consecutive months of Delinquency Advances or, if earlier, immediately following the Maturity Date of the Mortgage Loan and, thereafter, the Lender will receive reimbursement for each Delinquency Advance upon request. If the Lender believes that Delinquency Advances with respect to a Mortgage Loan are no longer required to be made pursuant to this Section 208.02, the Lender shall notify Fannie Mae, in writing, and upon written confirmation by Fannie Mae that it concurs that no further Delinguency Advances are required, the Lender shall cease making Delinquency Advances with respect to such Mortgage Loan.

208.02B Obligation to Make Servicing Advances

Unless the Lender's Contract expressly provides otherwise, the Lender must make Servicing Advances until the earliest of:

- the Lender's purchase of the Mortgage Loan from Fannie Mae;
- the date on which the Borrower cures the Mortgage Loan default:
- the Asset Valuation Date related to a Foreclosure Event, a sale of the Property directed by a court of competent jurisdiction, a Discounted Loan Payoff, or Note Sale; or
- the date on which the Borrower pays off the Mortgage Loan.

The Lender shall not be required to make Servicing Advances to fund escrows or custodial accounts for taxes, assessments, and insurance premiums or to make payments to the accounts established for the Mortgage Loan; provided, however, that the Lender must apply any partial payments (including any Net Cash Flow from the Property that, under applicable state law, is then available for use by Fannie Mae) in the manner specified in the Loan Documents and the Guide.

208.02C Reimbursement for Delinquency and Servicing Advances

Upon the expiration of the Lender's obligation to make Delinquency Advances as provided above or, with respect to any Securitized Mortgage Loan, following the date on which the Lender makes the fourth of four consecutive months of Delinquency Advances, the Lender may, by written notice to Fannie Mae submitted on Fannie Mae Form 4828, together with any supporting documentation required by Fannie Mae, request reimbursement for any and all Delinquency Advances made by the Lender with respect to the Mortgage Loan.

Upon making a Servicing Advance with respect to a Mortgage Loan, Lender may, by written notice to Fannie Mae submitted on Fannie Mae Form 4829, together with any supporting documentation required by Fannie Mae, request reimbursement for such Servicing Advance.

Fannie Mae shall reimburse the Lender for such Delinquency Advances and Servicing Advances within 60 days following Fannie Mae's receipt and approval of the Lender's written request.

This Section 208.02.C shall not apply to Delinquency Advances or Servicing Advances made by the Lender with respect to any Non-Performing Mortgage Loan with a Last Paid Installment prior to March 1, 2012.

208.03 Repayment of Servicing Advances from Borrower

Unless otherwise directed in writing by Fannie Mae, the Lender must seek restitution of any Servicing Advances from the Borrower. For this repayment, the Lender may require the Borrower to make full restitution on the next occurring Mortgage Loan payment due date or may permit the Borrower to make restitution payments over several months. Amounts due from the Borrower for which a Servicing Advance was made may include default interest on the Servicing Advances as permitted in the Loan Documents. Interest must be calculated from and including the date the Servicing Advance is made to but excluding the date the repayment is received. If the Lender permits restitution over several months, such restitution payments will not be included in any required calculation of DSCR.

If the Lender has been reimbursed by Fannie Mae for any Servicing Advances and receives restitution of such Servicing Advances from the Borrower, the Lender shall promptly remit such amounts to Fannie Mae.

208.04 No Capitalization of Servicing Advances for Securitized Mortgage Loans

For the purpose of calculating monthly distributions to the Security certificate holders or other investors, Servicing Advances will not be added to the scheduled principal balance of the related Mortgage Loan, even

though the terms of the Mortgage Loan may permit increases to the outstanding principal balance of the Mortgage Loan for such advances and may permit Fannie Mae or the Lender, as applicable, to pursue recovery of those advances from the Borrower. Servicing Advances do not reduce or modify the Borrower's obligation under the Loan Documents.

208.05 Entitlement to Default Interest

Between Fannie Mae and the Lender, unless the Lender's Contract expressly provides otherwise, so long as the Lender is obligated to make or has made Delinquency Advances as provided in Part V, Chapter 2: Reporting and Remitting, Section 208.02A: Obligation to Make Delinquency Advances, the Lender is entitled to retain 50 percent of the default interest collected from or on behalf of the Borrower. The other 50 percent of such default interest, to the extent collected from or on behalf of the Borrower, is remitted to and retained by Fannie Mae. Notwithstanding anything in this Section 208.05 to the contrary, with respect to any Non-Performing Mortgage Loan with a Last Paid Installment prior to March 1, 2012, if the Lender is obligated to make Delinquency Advances then the Lender is entitled to all default interest collected from or on behalf of the Borrower with respect to such Mortgage Loan. If the Lender is not obligated to make any Delinquency Advances on a Non-Performing Mortgage Loan, all default interest shall be remitted to and retained by Fannie Mae. Without regard to whether the Lender is making Delinquency Advances, Fannie Mae is always entitled to the interest that accrues at the stated interest rate on the Mortgage Loan net of the Lender's Servicing Fee.

Section 209 Remittance Procedures

The Servicer must remit to Fannie Mae collections and other amounts due by the specified Remittance Date established for each product type.

209.01 Definitions

For purposes of this Section, the following terms shall have the definitions set forth below.

209.01A Interest Distribution Amount

For each Mortgage Loan, the interest portion, adjusted to the Pass-Through Rate of the monthly installment (without regard as to whether such amount was collected), due on the first day of the month in which a Remittance Date occurs or which becomes due at any time during the preceding month except the first day thereof.

Effective: 10/01/2025

209.01B Principal Distribution Amount

For each Mortgage Loan, the total of (1) the principal portion of the monthly installment due during the period beginning on the second day of the month preceding the month in which a Remittance Date occurs and ending on the first day of the month in which a Remittance Date occurs, without regard as to whether such amount was collected, and (2) any unscheduled principal recovery collected on a Mortgage Loan during the month preceding the month in which a Remittance Date occurs.

209.01C Monthly Remittance

The total of the Interest Distribution Amount and Principal Distribution Amount to be remitted to Fannie Mae on each Remittance Date.

209.02 Monthly P&I Remittance Due Dates for Cash and MBS Transactions

Monthly P&I remittances begin on the initial Remittance Date.

Mortgage Loan Type	Initial Remittance Date
Cash Mortgage Loans (including Mortgage Loans backing a PFP MBS)	The month after Fannie Mae purchased the Mortgage Loan.
Securitized Mortgage Loans	The month after the month the MBS was issued.

The final Remittance Date occurs:

- for Mortgage Loans paying off on the scheduled Maturity Date: in the month the Mortgage Loan matured and the security balance dropped to \$0.00 (e.g., if the Mortgage Loan pays off on its scheduled May 1 Maturity Date, the final Remittance Date will be May 18); or
- for Mortgage Loans being prepaid: in the month after the month the Mortgage Loan was prepaid (e.g., if the Mortgage Loan prepays anytime between May 2 and May 31, the final Remittance Date will be June 18).

209.03 Cash Remittance System

209.03A Drafting Account Use

The Servicer must make the monthly remittance funds available for drafting by ACH via the Cash Remittance System on the Business Day before the Remittance Date.

209.03B Drafting Account Setup

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 540 of 783

To set up a Drafting Account before the initial Remittance Date:

- Open a Drafting Account with an Eligible Depository per Part V, Chapter 3: Custodial Accounts, Section 301: Generally;
- Use the Cash Remittance System to designate the custodial bank and Drafting Account to be electronically debited or credited.

209.03C Remittance Transaction Codes

The Cash Remittance System uses remittance codes linked to the:

- Servicer's unique 9-digit Servicer number; and
- specific Drafting Account identified for the applicable product and execution.

Only 1 Drafting Account per remittance code is permitted, either

the:

- P&I Custodial Account for the Mortgage Loan category per Part V, Chapter 3: Custodial Accounts, Section 303.01: Accounts and Deposits; or
- consolidated Drafting Account.

The Servicer must ensure the:

- individual account drafting instructions, including assigned remittance codes, are coordinated with the Servicer's internal fund processing; and
- transmissions to Fannie Mae include all necessary detail to ensure timely and accurate processing.

209.04 Additional Requirements for Monthly Remittance for Security Transactions

209.04A Amount of Security Monthly Remittance

The Security monthly remittance is the total of the Security Interest Distribution and Security Principal Distribution Amounts. For each month, the Security monthly remittance must include the scheduled principal payment due on the first day of that month plus a full month's interest (calculated at the Security Pass-Through Rate) due in arrears for the previous month. It also may include unscheduled prepayments of principal.

The Servicer is required to pass through to Fannie Mae in each Security monthly remittance, the full scheduled amounts of P&I, regardless of whether such amounts actually have been collected from the Borrower. A

Effective: 10/01/2025

full month's interest (calculated at the Security Pass-Through Rate) must be included in each Security monthly remittance, regardless of whether there has been any partial or full prepayment during the month.

209.04B Security Interest Distribution Amount

The Security Interest Distribution Amount due is based on the Security Balance remaining after application of the scheduled Mortgage Loan payment due on the first of the previous month. For example, the Security Interest Distribution Amount due on November 18 would be based on the Security Balance remaining after application of the scheduled Mortgage Loan payment due on October 1 (not November 1).

209.05 Securitized Mortgage Loans – Remitting Fees to Fannie Mae

209.05A Guaranty Fee Due on 7th Calendar Day of Month

To compensate Fannie Mae for the liability it assumes in issuing the Security, Fannie Mae receives a Guaranty Fee. The Guaranty Fee is an obligation of the Servicer and must be paid in arrears on the 7th calendar day, or the preceding Business Day if the 7th calendar day is not a Business Day, of each month, even if there is no collection on the Mortgage Loan or the Mortgage Loan reaches its Maturity Date during the month. Payment of the Guaranty Fee begins with the month following the month in which the Security is issued. Fannie Mae will draft the Guaranty Fee from the Servicer's applicable designated P&I Custodial Accounts for Securitized Mortgage Loans.

The Guaranty Fee amount due Fannie Mae in any month is equal to either (a) for 30/360 interest accrual Mortgage Loans, one-twelfth of the annual Guaranty Fee rate times the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on the first day of the previous month, or (b) for actual/360 interest accrual Mortgage Loans, the annual Guaranty Fee rate divided by 360 times the number of days occurring in the month immediately preceding the Guaranty Fee payment date times the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on the first day of the previous month. For example, for Securitized Mortgage Loans the Guaranty Fee amount due to Fannie Mae on November 7 is calculated on the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on October 1.

209.05B Guaranty Fee Remittance

The monthly Guaranty Fee must be remitted as long as the Security is outstanding, even if there is no collection activity on the Mortgage Loan.

Effective: 10/01/2025

The Servicer must make funds available for the Guaranty Fee draft

on the 7th calendar day of the month, or the preceding Business Day if the 7th is not a Business Day.

Under this process, Fannie Mae will send an electronic notice (or "bill") on the 2nd or 3rd calendar day of each month. The draft notice will show the amount due for the Guaranty Fees. When the Servicer receives the transmission, the Servicer must review the draft notice for accuracy. If discrepancies are identified, the Servicer must contact Fannie Mae by the 5th calendar day of the month to provide details on the amount and nature of the discrepancy. Fannie Mae will then review its records to validate the discrepancy and make any necessary adjustments to the Guaranty Fee bill. On the 7th calendar day of the month, Fannie Mae will draft the Guaranty Fees from the Servicer's designated P&I Custodial Account for Securitized Mortgage Loans. If the 7th calendar day is not a Business Day, the draft will take place on the preceding Business Day.

209.05C Same Month Pooling – Interest and Guaranty Fee Remittance for First Reporting Cycle

The Servicer's first remittance to Fannie Mae for a Mortgage Loan submitted under the Same Month Pooling delivery option is an "interest-only" remittance because the Borrower will not have made the first payment. Accordingly, because the Borrower will not be required to send a monthly payment to the Servicer under Same Month Pooling until the month following the date the Servicer's first remittance is due to Fannie Mae, the Servicer will have to use some of its own funds to remit the interest that is "scheduled" to be passed through to Fannie Mae for the Mortgage Loan in that month and to make the first required Guaranty Fee remittance. The interest remittance will represent one month's full interest, and will be equal to the Issue Date principal balance of the Mortgage Loan times either (a) for 30/360 interest accrual Mortgage Loans, one-twelfth of the annual Pass-Through Rate of the Security, or (b) for actual/360 interest accrual Mortgage Loans, the annual Pass-Through Rate of the Security divided by 360 times the number of days occurring in the month of issuance of the Security. The Guaranty Fee payment will represent one month's full Guaranty Fee, and be calculated as provided in Part V, Chapter 2: Reporting and Remitting, Section 209.05A: Guaranty Fee Due on 7th Calendar Day of Month based on Issue Date principal balance of the Mortgage Loan.

Fannie Mae will not reimburse the Servicer for its interest or Guaranty Fee remittance. However, the Servicer must:

- receive a partial month's interest based on the Note Rate from the Borrower at closing (from the date of closing through the end of the month), and
- receive interest based on the Pass-Through Rate from the purchaser of the Security (from the first day of the month in which the Security is issued to the Book-Entry Delivery Date)

as part of the sales proceeds for the Security.

209.06 Notification to Fannie Mae if Unable to Have Funds Available on any Remittance Date

If, for any reason, the Servicer cannot make funds available for drafting on the Business Day prior to the designated Remittance Date, it must immediately notify Fannie Mae by calling the Servicer's Fannie Mae Representative. The Servicer must describe to Fannie Mae all circumstances and conditions that prevent the monthly remittance from being made on time.

Section 210 Full Prepayments

210.01 Review of Applicable Loan Documents Required

When the Servicer receives a Borrower's notification of intent to prepay the Mortgage Loan, it must examine the specific Note (including any applicable addendum, exhibit, modification, or amendment) and Security Instrument (and any applicable rider, exhibit, modification or amendment) to determine whether prepayment of the Mortgage Loan is permitted and, if so, under what conditions. The prepayment provisions of the actual Mortgage Loan Documents govern in each case.

210.02 Notification of Prepayment; Timing of Prepayment

210.02A Notice and Timing Consistent with Loan Documents

The Borrower's proposed prepayment date and the timing of its advance notification of its intent to prepay must be consistent with the provisions of the Loan Documents.

210.02B Borrower Notice Must Contain Date of Intended Prepayment and Comply with Notice Requirements of the Loan Documents

The Servicer must obtain from the Borrower the date on which the Borrower will prepay the Mortgage Loan. The Borrower must give the Servicer advance notice of its intent to make a full prepayment as required by the Loan Documents.

210.02C Loan Document Requirements for Payoff and Lockout Dates

If a Fannie Mae form Multifamily Note evidences the Mortgage Loan, a prepayment may be made only on the last Business Day before a scheduled Mortgage Loan payment date. Non-Fannie Mae form Notes may not contain the same requirement. Some Notes may contain lockout provisions that prohibit full prepayment for a specified period of time. The

Servicer must not permit a payoff that does not comply with the requirements contained in the Loan Document.

210.02D Notice to Fannie Mae of Proposed Payoff; Use of Fannie Mae Payoff Calculator

The Servicer must notify Fannie Mae, in writing or through the Fannie Mae Payoff Calculator, upon receiving notice from the Borrower of a planned prepayment. Notice of the planned prepayment must be received by Fannie Mae not later than 10 Business Days prior to the contemplated payoff date. The Fannie Mae Payoff Calculator may only be used when the Fannie Mae form Multifamily Note evidences the Mortgage Loan.

210.03 Timing of Confirmation of the Full Prepayment Payoff Amount

The Servicer must ensure that the payoff figure quoted to the Borrower is correct. Accordingly, before the Servicer advises the Borrower of the full prepayment payoff amount, the Servicer must confirm such amount with Fannie Mae. The Servicer's request for confirmation of the full prepayment payoff amount must be submitted to Fannie Mae at least 10 Business Days before the scheduled prepayment date. At least 5 Business Days prior to the scheduled prepayment date, the Servicer must provide the Borrower written confirmation of the amount required to pay off the Mortgage Loan in full.

210.04 Full Prepayment for Cash Transactions and PFP MBS

210.04A Confirming the Full Prepayment Payoff Amount

1. Calculating the Full Prepayment Payoff Amount

To obtain Fannie Mae's confirmation of the full prepayment payoff amount, the Servicer must either submit a written statement detailing all amounts that it believes will be due and payable by the Borrower on the prepayment date or submit the information through the Payoff Calculator, including:

- the UPB of the Mortgage Loan (as of the prepayment date);
- all accrued and to-be accrued interest, broken down into the net interest portion due to Fannie Mae (calculated at the Pass-Through Rate) and the portion to be retained by the Servicer as a Servicing Fee, calculated as if the payoff is occurring on the last day of the month in which the prepayment is occurring;
- any unpaid late fees, if applicable;
- any Prepayment Premium that is due in connection with the full prepayment, broken down into the portions due to Fannie Mae and the Servicer, respectively; and

Effective: 10/01/2025

any other amounts due under the Note, Security Instrument, or any other Mortgage Loan Document, including, if applicable, any unpaid fee due under any Collateral Agreement.

2. Fannie Mae Will Not Confirm Nor Is Responsible for Amounts Owing to Servicer

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the prepayment (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement must clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes any amounts that are owed exclusively to the Servicer, as Fannie Mae will not reimburse the Servicer for such amounts from any of the funds that the Borrower remits to cover the amounts confirmed as being due to Fannie Mae.

3. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Primary Risk Mortgage Loans

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond in writing to the Servicer's verification request. In its response, Fannie Mae will confirm the total payoff amount due to Fannie Mae, as well as the individual items comprising such total amount, including:

- the UPB of the Mortgage Loan;
- the net accrued interest due Fannie Mae:
- any applicable Prepayment Premium (broken down into the portions due to Fannie Mae and the Servicer); and
- any previously unpaid fees or other amounts owed to Fannie Mae.

Fannie Mae will provide any pertinent instructions for completing the prepayment payoff process, including any specific instructions that the Servicer must include in its payoff quote to the Borrower.

4. No Quote to Borrower until Fannie Mae Confirmation for Primary Risk Mortgage Loans

To ensure that the Borrower is quoted the correct payoff amount, including any applicable accrued interest, Prepayment Premium, late fees, or other amounts that might be owed under the terms of the Note, the Security Instrument, or the other Mortgage Loan Documents, the Servicer must not quote a final payoff amount to the Borrower without first obtaining Fannie Mae's confirmation of the accuracy of the Servicer's figures.

5. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Secondary Risk Mortgage Loans

Unless the Lender's Contract provides otherwise, Fannie Mae will not review the Servicer's payoff calculation for Secondary Risk Mortgage Loans. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes all amounts that are owed to Fannie Mae and to the Servicer.

6. Servicer Liability

Whether confirmed by Fannie Mae through the Payoff Calculator or the payoff calculation is performed by the Servicer, the Servicer is required to collect all amounts owing by the Borrower on a Mortgage Loan payoff. If Fannie Mae determines that Servicer has provided the Borrower incorrect information because of an error in the calculation of the payoff quote, the Servicer will be responsible for any shortfall and must remit all amounts due to Fannie Mae whether or not it has collected such amounts from the Borrower.

210.04B Reporting Full Prepayment Payoff Amount

1. Full Prepayment Payoff Amount Received on First Business Day of Month

Notwithstanding anything to the contrary above, any full prepayment of a Mortgage Loan from or on behalf of a Borrower that is received by the Servicer on the first Business Day of a month will be deemed received in the prior calendar month for purposes of reporting and remitting such full prepayment.

2. Full Prepayment Reported through the eServicing System Due By 2nd Day of Month

The full prepayment must then be reported electronically to Fannie Mae through the eServicing System. The report of the full payment must be transmitted in time to reach Fannie Mae by the 2nd calendar day of the month following the month of prepayment.

210.04C Remitting Full Prepayment Payoff Amount

1. Using Pass-Through Rate to Calculate Remittance to Fannie Mae

The Servicer must use the Pass-Through Rate to calculate its P&I remittance to Fannie Mae. After collecting payoff proceeds, calculated in the manner described above at the Gross Note Rate, the Servicer must subtract its Servicing Fee, calculated using a per diem rate based on the interest accrual method provided for in the Loan Documents.

Effective: 10/01/2025

2. Remittance Due on Remittance Date

The Servicer must remit the prepayment amount on the Remittance Date in the month after the prepayment occurs per the remittance requirements in this Chapter.

210.05 Full Prepayment for Securitized Transactions (Not Applicable to PFP MBS)

210.05A Confirming the Full Prepayment Payoff Amount

1. Calculating the Full Prepayment Payoff Amount

To obtain Fannie Mae's confirmation of the final payoff amount for a Securitized Mortgage Loan, the Servicer must submit a statement, detailing:

- All amounts that it has determined will be due and payable by the Borrower on the prepayment date, including:
 - the UPB of the loan (as of the prepayment date);
 - all accrued and to-be accrued interest, broken down into the net interest portion due to Fannie Mae (calculated at the Pass-Through Rate) and the portion to be retained by the Servicer as a Servicing Fee, calculated as if the payoff is occurring on the last day of the month in which the prepayment is occurring;
 - any unpaid late fees, if applicable;
 - any Prepayment Premium, if any, that is due in connection with the full prepayment specifying the respective portions due Fannie Mae, the Security certificate holder and Servicer; and
 - any other amounts due under the Note, Security Instrument, or any other Loan Document, including, if applicable, any unpaid fee due under any Collateral Agreement.
- All amounts that will be due and payable to Fannie Mae by the Servicer on the Remittance Date in the month following the month of prepayment, including:
 - the UPB of the loan;
 - a full month's accrued interest, calculated at the MBS Pass-Through Rate;
 - any applicable Prepayment Premium broken down into the portions due to the MBS investor, the Servicer, and Fannie Mae calculated in accordance with the Guide; and
 - any previously unpaid fees or other amounts owed to

Fannie Mae.

2. Fannie Mae Will Not Confirm Nor Is Responsible for Amounts Owing to Servicer

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the prepayment (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement must clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae, and the MBS investor, if applicable.

3. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Primary Risk Mortgage Loans

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies for Primary Risk Mortgage Loans. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond (in writing) to the Servicer's verification request. In its response, Fannie Mae will confirm the total payoff amount due to the Servicer from the Borrower, and will also separately confirm the amounts due to Fannie Mae from the Servicer, as well as individual items comprising such total amounts, including:

- the UPB of the Mortgage Loan; and
- accrued interest due:
 - to the Servicer from the Borrower;
 - a full month's accrued interest due Fannie Mae;
- any applicable Prepayment Premium (broken down into the portions due to Fannie Mae, the Servicer, and the MBS investor); and
- any previously unpaid fees or other amounts owed to Fannie Mae.

4. No Quote to Borrower Until Fannie Mae Confirmation for Primary Risk Mortgage Loans

To ensure that the Borrower is quoted the correct payoff amount, including any applicable accrued interest, Prepayment Premium, late fees, or other amounts that might be owed under the terms of the Note, the Security Instrument, or the other Mortgage Loan Documents, the Servicer must not quote a final payoff amount to the Borrower without first obtaining Fannie Mae's confirmation of the accuracy of the Servicer's figures.

Effective: 10/01/2025

5. Fannie Mae Confirmation of Full Prepayment Payoff Amount for Secondary Risk Mortgage Loans

Fannie Mae will not review the Servicer's payoff calculation for Secondary Risk Mortgage Loans. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes all amounts that are owed to Fannie Mae and to the Servicer.

6. Servicer Liability

Whether confirmed by Fannie Mae through the Payoff Calculator or the payoff calculation is performed by the Servicer, the Servicer is required to collect all amounts owing by the Borrower on a Mortgage Loan payoff. If Fannie Mae determines that Servicer has provided the Borrower incorrect information because it quotes a final payoff amount to the Borrower prior to Fannie Mae confirmation or has erred in its calculation of the payoff quote where Fannie Mae confirmation is not provided, the Servicer will be responsible for any shortfall and must remit all amounts due to Fannie Mae whether it has collected such amounts from the Borrower.

210.05B Reporting Full Prepayment Payoff Amount

1. Security Reporting

By the second Business Day of the month following the month of prepayment, the Servicer must report the amount of the Prepayment Premium collected to Fannie Mae via the eServicing System in accordance with the reporting requirements provided in this Chapter.

2. Mortgage Loan Reporting Requirements

The Servicer must report the prepayment amount, including any applicable Prepayment Premium, to Fannie Mae by the second Business Day of the month following the month in which the prepayment occurs in accordance with the reporting requirements provided in this Chapter.

210.05C Remitting Full Prepayment Payoff Amount

Under MBS, the Servicer must remit a full month's accrued interest (calculated at the MBS Pass-Through Rate) for each month that the MBS is outstanding, even if a full or partial prepayment occurs during that month. Any shortfall between the interest collected from the Borrower and the full month's interest that is due to Fannie Mae must be deposited in the Servicer's MBS P&I Custodial Account from the Servicer's own funds and remitted to Fannie Mae. The Servicer must also remit a full month's Guaranty Fee for each month that the MBS is outstanding, even if a full or partial prepayment occurs during that month.

The Servicer must remit the prepayment amount on the Remittance Date in the month after the payoff occurs per the remittance requirements in this Chapter.

Section 211 Partial Prepayments Not From Insurance or Condemnation Proceeds

211.01 Partial Prepayments Generally Prohibited

Partial prepayment of the outstanding balance of any Mortgage Loan is prohibited unless explicitly permitted in the Mortgage Loan Documents. Under certain circumstances, to the extent permitted in the Mortgage Loan Documents, the proceeds of a Letter of Credit held pursuant to an Achievement Agreement or deposits held under a Replacement Reserve Schedule or other Collateral Agreement may be applied as a partial prepayment of the Mortgage Loan.

211.02 Partial Prepayment Procedures

211.02A Servicer's Analysis of Loan Documents

Any request from the Borrower for permission to make a partial prepayment must be forwarded to the Servicer's Fannie Mae Representative, along with the Servicer's analysis and recommendation. The Servicer must carefully examine the Mortgage Loan Documents to determine if partial prepayments are permitted and, if so, under what conditions and whether a Prepayment Premium is required. The Servicer's analysis of the request must include information about:

- the event or condition precipitating the prepayment request;
- the amount of principal that would be prepaid;
- the estimated Prepayment Premium, if any, that would be due in connection with the partial prepayment;
- any proposed recasting of the Mortgage Loan or other modification of the repayment terms; and
- the proposed timing of the prepayment.

211.02B Fannie Mae Approval Required for Partial Prepayments

Unless the Loan Documents expressly permit partial prepayments, Fannie Mae's approval is required before any partial prepayment is made. If the Servicer's Fannie Mae Representative agrees to allow or requires a partial prepayment to be made, it will advise the Servicer in writing of any specific conditions that will apply to such partial prepayment. Such specific conditions may include:

- when and how the prepayment must occur;
- whether a Prepayment Premium must be paid; and

whether the Mortgage Loan repayment terms will be altered and, if so, how the Mortgage Loan Documents would have to be modified to reflect such alterations, etc.

Any decision to modify the Mortgage Loan repayment terms in connection with the partial prepayment will be made by Fannie Mae, in its sole and absolute discretion.

211.02C Prepayment Premium Due on Partial Prepayment

When a Prepayment Premium is required in connection with any partial prepayment, the Prepayment Premium is assessed on the amount of principal being prepaid and not on the outstanding UPB of the Mortgage Loan calculated and verified in the same manner as is required for full prepayments.

211.02D Reporting and Remitting Partial Prepayments When Not Permitted in Loan Documents

Partial prepayments must be reported in the same manner as is required for full prepayments. When Fannie Mae's approval is received, the proceeds representing the partial prepayment, including the Prepayment Premium (when required pursuant to the terms of the Loan Documents), must be remitted to Fannie Mae in the same manner and timeframe as required for full prepayments.

211.02E Reporting and Remitting Partial Prepayments When Permitted in Loan Documents

Fannie Mae approval is not required when the Loan Documents permit partial prepayments. Any such partial prepayments must be reported and remitted to Fannie Mae in the same manner and timeframe as is required for monthly remittances.

Section 212 Prepayments (Full or Partial) Involving Insurance Proceeds or Condemnation Awards

212.01 Partial Prepayments Generally Permitted

Partial prepayment of the Mortgage Loan is generally permitted for the application of the proceeds of an insurance claim or a condemnation award. Servicer must follow the requirements contained in the Loan Documents in connection with any such partial prepayment.

212.02 No Prepayment Premium Required

The Borrower is **not** required to pay a Prepayment Premium in

Effective: 10/01/2025

connection with any prepayment that occurs as a result of the application to the Mortgage Loan of insurance proceeds or condemnation award proceeds, regardless of when during the Mortgage Loan term such prepayment occurs.

212.03 Reporting and Remitting Partial Prepayments

The proceeds representing the partial prepayment must be reported and remitted to Fannie Mae in the same manner and timeframe as is required for monthly remittances.

Section 213 Prepayment Premium Sharing

213.01 General

The Lender Contract governs over the requirements of the Guide if it specifies whether the Lender or Servicer is entitled to retain a portion of any Prepayment Premium paid by the Borrower. If the Lender Contract provides that the Lender or Servicer is entitled to retain a portion of the Prepayment Premium, then the Servicer must calculate the applicable share of the Prepayment Premium owed to the Lender or Servicer, and remit to Fannie Mae that portion of the Prepayment Premium owed to Fannie Mae or the Investor. If the Lender Contract provides that the Lender or Servicer is not entitled to retain a portion of the Prepayment Premium, then the entire Prepayment Premium must be remitted to Fannie Mae.

If the Lender Contract does not specify whether the Lender or Servicer is entitled to retain a portion of any Prepayment Premium, then the Servicer is entitled to retain a portion of any Prepayment Premium only as provided below.

The Servicer must always remit the portion of the Prepayment Premium due to the Investor and to Fannie Mae with the final Mortgage Loan payment, retaining the balance of the Prepayment Premium due the Servicer as provided above. Upon receipt, Fannie Mae will pass through the portion of the Prepayment Premium due to the Investor.

213.02 Yield Maintenance Prepayment Premiums – Prepayment Occurs Before the Yield Maintenance Period End Date

213.02A Calculation of Total Prepayment Premium

For any prepayment that occurs before the Yield Maintenance Period End Date, the Servicer must first determine the total Prepayment Premium owing by the Borrower in accordance with the Loan Documents. The Loan Documents generally require the Borrower to pay a Prepayment Premium equal to the greater of (i) 1% of the UPB (the "Minimum 1% Prepayment Premium"), or (ii) yield maintenance.

Effective: 10/01/2025

213.02B Calculation of Investor's Share of Total Prepayment Premium for a Securitized Mortgage Loan

Fannie Mae does not guarantee payment of any portion of the Prepayment Premium to the Investor. The Investor only receives a share of any Prepayment Premium actually received from the Borrower. For a Securitized Mortgage Loan, the Servicer must calculate the Investor's share of the total Prepayment Premium as follows using the yield rate specified per the Loan Documents:

(Principal prepaid) x (Pass-Through Rate – yield rate) x (present value factor).

If the result is negative, the Investor receives no Prepayment Premium share.

213.02C Calculation of Fannie Mae's Share of Total Prepayment Premium

For both Securitized Mortgage Loans and Cash Mortgage Loans, the Servicer must calculate Fannie Mae's share of the total Prepayment Premium.

If the Prepayment Premium is greater than the Minimum 1% Prepayment Premium, the difference between the total Prepayment Premium and the Investor's portion will be shared between Fannie Mae and the Servicer.

Fannie Mae's share equals:

for Securitized Mortgage Loans:

(total Prepayment Premium - Investor's portion) x (Guaranty Fee / (Guaranty Fee + Servicing Fee)); and

for Cash Mortgage Loans:

total Prepayment Premium - Servicer's share (calculated per Part V, Chapter 2: Reporting and Remitting, Section 213.02D: Calculation of Servicer's Share of Total Prepayment Premium).

If the total Prepayment Premium equals the Minimum 1% Prepayment Premium, Fannie Mae's share equals the entire remaining Prepayment Premium above the Investor's portion.

213.02D Calculation of Servicer's Share of Total Prepayment Premium

The Servicer receives a portion of the Prepayment Premium only if the Prepayment Premium exceeds the Minimum 1% Prepayment Premium.

Effective: 10/01/2025

The Servicer's share equals:

for Securitized Mortgage Loans:

(total Prepayment Premium - Investor's portion) x (Servicing Fee / (Guaranty Fee + Servicing Fee)); and

for Cash Mortgage Loans:

total Prepayment Premium x (Servicing Fee / (Pass-Through Rate + Servicing Fee)).

213.03 Yield Maintenance Prepayment Premiums – Prepayment Occurs On or After the Yield Maintenance Period End Date

213.03A Prepayment On or After Yield Maintenance Period End Date

The Loan Documents may provide that any full prepayment that occurs on or after the Yield Maintenance Period End Date but before a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs), must be accompanied by a Prepayment Premium equal to a stated amount (usually 1% of the UPB of the Mortgage Loan). Neither the Investor nor the Servicer is entitled to any portion of any Prepayment Premium paid on or after the Yield Maintenance Period End Date. The entire Prepayment Premium must be remitted to Fannie Mae.

213.03B Prepayment During Open Period

The Loan Documents may provide that the Borrower is not required to pay any Prepayment Premium in connection with a full prepayment made on or after a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs).

213.04 Fixed Rate Mortgage Loans with Graduated Prepayment Premiums

For fixed rate Mortgage Loans where the Loan Documents require a graduated Prepayment Premium, the Servicer is not entitled to retain any portion of the Prepayment Premium. The entire Prepayment Premium must be remitted to Fannie Mae.

213.05 Prepayment Premiums for ARM Loans and Structured ARM Loans

Unless the prepayment of an ARM Loan that used Prepayment Option 1 or Prepayment Option 2, or of a Structured ARM Loan is the result

Effective: 10/01/2025

of a casualty or condemnation, any prepayment made before a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs) must include a Prepayment Premium that will be shared between Fannie Mae and the Servicer. The Investor is not entitled to receive any portion of the Prepayment Premium for either an ARM Loan or a Structured ARM Loan. In each case, Fannie Mae's share will be a percentage determined by the following formula:

For example, if the Guaranty Fee is 62.5 basis points and if the Servicing Fee is 45 basis points, then Fannie Mae's share will be:

<u>62.5</u>	or	58.14%.
(62.5 + 45)		

The Servicer must remit the portion of the Prepayment Premium due Fannie Mae with the final Mortgage Loan payment. The Servicer may retain the balance of the Prepayment Premium.

No Prepayment Premium is due in connection with an ARM Loan with a conversion option or with a Structured ARM Loan that is converting to a fixed rate Mortgage Loan.

213.06 Prepayment Premium Waivers; Servicer's Share of Prepayment Premium

The Servicer may not waive any portion of the Prepayment Premium due and owing under the Loan Documents, except as provided in Part III, Chapter 18: Choice Refinance Loans, Section 1803: Prepayment Premiums in connection with a Choice Refinance Loan.

No portion of the Servicer's share of the Prepayment Premium may

- waived by the Lender;
- used as a rebate to the Borrower, or any party related to the Borrower, for any purpose; or

Effective: 10/01/2025

used for the payment of any expenses related to any loan used to refinance the Mortgage Loan.

Section 214 Maturing Mortgage Loans/Payoffs

be:

214.01 Balloon Mortgage Loans

Fannie Mae expects any Borrower with a Balloon Mortgage Loan to refinance or otherwise pay off the Mortgage Loan in full on (or before) the scheduled Maturity Date. Failure to pay off the Mortgage Loan in full on (or before) the scheduled Maturity Date is a default and puts the Borrower at risk that Fannie Mae will exercise any available remedy under the Security Instrument and the other Loan Documents. Whenever a Borrower fails to pay off a Balloon Mortgage Loan on its Maturity Date, the Servicer must notify its Fannie Mae Representative of such failure as soon as possible, and must report the balloon payment default on the Multifamily Delinquency System®. Any acceptance of a payoff amount occurring after the Balloon Mortgage Loan's stated Maturity Date must be approved by Fannie Mae.

214.02 Servicer Notification of Payoff Amount to Borrower

At least 5 days prior to the scheduled Maturity Date of the Mortgage Loan, the Servicer must advise the Borrower in writing of the amount required to pay off the Mortgage Loan in full. The Servicer must ensure that the payoff figure quoted to the Borrower is correct.

214.03 Calculating and Obtaining Confirmation of Payoff Amount

214.03A Calculating the Full Payoff Amount

The Servicer's request for verification of the final payoff amount must be submitted to Fannie Mae at least 10 days before the scheduled Maturity Date. To obtain Fannie Mae's confirmation of the final payoff amount, the Servicer must submit a statement, detailing all amounts that it believes will be due and payable by the Borrower on the payoff date, including:

- the UPB of the Mortgage Loan (as of the payoff date);
- accrued interest, up to the payoff date, broken down into the net interest portion due to Fannie Mae (calculated at the Pass-Through Rate) and the portion to be retained by the Servicer as a Servicing Fee;
- any unpaid late fees, if applicable; and
- any other amounts due under the Note, Security Instrument, or any other Mortgage Loan Document, including, if applicable, any unpaid fee due under any Collateral Agreement.

214.03B Fannie Mae Will Not Confirm Nor Is Responsible for Amounts Owing to Servicer

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the payoff (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement must clearly denote any such amounts so

that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae. The Servicer is solely responsible for ensuring that any payoff quote given to the Borrower includes any amounts that are owed exclusively to the Servicer, as Fannie Mae will not reimburse the Servicer for such amounts from any of the funds that the Borrower remits to cover the amounts confirmed as being due to Fannie Mae.

214.03C Fannie Mae Confirmation of Full Payoff Amount

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond (in writing) to the Servicer's verification request. In its response, Fannie Mae will confirm the total payoff amount due to Fannie Mae, as well as the individual items comprising such total amount, including:

- the UPB of the Mortgage Loan;
- the net accrued interest due Fannie Mae;
- any applicable Prepayment Premium; and
- any previously unpaid fees or other amounts owed to Fannie Mae.

Fannie Mae also will provide any pertinent instructions for completing the payoff process, including any specific instructions that the Servicer must pass along to the Borrower with the payoff quote.

214.03D No Quote to Borrower Until Fannie Mae Confirmation

To ensure that the Borrower is quoted the correct payoff amount, including any applicable accrued interest, Prepayment Premium, late fees, or other amounts that might be owed under the terms of the Note, the Security Instrument, or the other Mortgage Loan Documents, the Servicer must not quote a final payoff amount to the Borrower without first obtaining Fannie Mae's confirmation of the accuracy of the Servicer's figures.

214.04 Reporting the Payoff and Remitting the Payoff Funds

214.04A Reporting Full Payoff Amount Through the eServicing System Due By 2nd Business Day of Month

The full payoff must be reported electronically to Fannie Mae through the eServicing System. The report of the full payment must be transmitted in time to reach Fannie Mae by the 2nd Business Day of the month following the month of payoff.

Effective: 10/01/2025

214.04B Remitting Full Payoff Amount

1. Using Pass-Through Rate to Calculate Remittance to Fannie Mae

The Servicer must use the Pass-Through Rate to calculate its P&I remittance to Fannie Mae. After collecting payoff proceeds, calculated in the manner described above at the Gross Note Rate, the Servicer must subtract its Servicing Fee, calculated using a per diem rate based on a 360-day year.

2. Remittance Due on Next Remittance Cycle for Cash Mortgage Loans and Securitized Mortgage Loans

For Cash Mortgage Loans and Securitized Mortgage Loans, the Servicer must follow the reporting and remitting procedures for monthly installment reporting and remitting.

Section 215 Post-Payoff Actions

215.01 Servicer Required Actions

215.01A General

To facilitate the return of release documents from Fannie Mae, at all times the Servicer must maintain on file with Fannie Mae a master file copy of the Custody Document Transmittal (Form 276) completed with the following information:

- the Lender's nine digit Servicer number;
- "MASTER FORM" entered for the Fannie Mae Loan Number;
- "Payoff" checked as the liquidation reason; and
- the Lender's mailing address.

The completed form must be sent to Multifamily Master Servicing. If the mailing information for the Lender changes at any time, the Lender must update the master file copy of the Custody Document Transmittal (Form 276) with Fannie Mae.

215.01B Individual Mortgage Loan Releases

For each Mortgage Loan, upon receipt of the payoff funds from the Borrower, the Servicer must:

- refund to the Borrower any T&I escrow funds and any Replacement Reserve funds still held by the Servicer in connection with the Mortgage Loan (must be accomplished within 30 days of the payoff); and
- send the following to Fannie Mae:
 - if the release documents are to be sent to a different

Effective: 10/01/2025

mailing address than that listed on the master file copy of the Custody Document Transmittal (Form 276) with Fannie Mae, a transaction-specific Custody Document Transmittal (Form 276), requesting Fannie Mae to return the original Note and indicating the different address to which the release documents for that specific Mortgage Loan should be sent;

- for all recorded Loan Documents (e.g., Security Instrument) that require a release, the appropriate release document for the state in which the Property is located; and
- a request to Multifamily Servicing to release any additional collateral still held by Fannie Mae in connection with the Mortgage Loan.

Fannie Mae will execute the necessary releases, and return them, along with the original Note (appropriately marked or stamped to evidence full satisfaction), to the Servicer. The Servicer must return the Note to the Borrower, file the appropriate UCC termination forms and arrange to have the release documents recorded. Fannie Mae will be responsible for returning any applicable Achievement Letter of Credit to the issuer for cancellation.

215.02 Post Payoff Document Retention Requirements

Following its return to the Servicer of the Note and the releases for all recorded Loan Documents, Fannie Mae will forward its file for the Mortgage Loan to the Servicer. The Servicer must retain the entire Mortgage Loan Servicing File for 7 years after a Mortgage Loan payoff.

Section 216

DUS Bond Credit Enhancement Transactions – Reporting and Remitting Requirements

The requirements of this Section are applicable to Bond Credit Enhancement Transactions only and the Servicer's reporting, collection, and remitting of prepayments must be done in accordance with the procedures described below.

216.01 Monthly Bond Credit Enhancement Reporting

For reporting purposes, the Servicer must segregate its DUS Bond Credit Enhancement portfolio into 2 groups:

 DUS Bond Credit Enhancement by Credit Enhancement Instrument and Collateral Agreement; or

Effective: 10/01/2025

DUS Bond Credit Enhancement by a Security.

The Servicer must electronically submit a Credit Enhancement Activity Report (Form 4090) using the Credit Enhancement Servicing and Investor Reporting System (CESIR) for each DUS Bond Credit Enhancement Mortgage Loan and Bond each month. The date that the Credit Enhancement Activity Report is due is dependent on whether the Mortgage Loan's monthly P&I payments are due on the first of the month or on the 15th of the month.

The Servicer must register to use CESIR prior to use. Information regarding registering for CESIR can be found on https://multifamily.fanniemae.com/applications-technology/cesir.

For most DUS Bond Credit Enhancements, the monthly reporting rule is applied as follows:

- If the Mortgage Loan payments are due on the first of the month, the report is due on the fourth calendar day of the month or the next Business Day if the fourth calendar day of the month is not a Business Day; or
- If the Mortgage Loan payments are due on the 15th day of the month, the report is due on the 15th calendar day of the same month or the next Business Day if such day is not a Business Day.

The monthly report must include:

- all scheduled Mortgage Loan payments to be made by the Borrower whether or not such payments are actually made by the Borrower; and
- bond redemptions reported by the Bond Trustee for the current calendar month.

216.02 Monthly Remittance Procedures

216.02A Monthly Remittances of Scheduled Payments to Bond Trustee

Monthly remittances to the Bond Trustee depend on the execution type for the transaction and applicable transaction requirements.

1. Standby Execution

For Standby executions, the Servicer must pay the Scheduled Payments (net of the Facility Fee) to the Bond Trustee. The Servicer must make the payment to the Bond Trustee by wire transfer of same day funds on or before the 5th Bond Business Day before the day on which the bond payment is due to be made by the Bond Trustee to the bondholders. Bond Business Day is determined under the Bond Indenture for each separate Bond transaction.

2. Direct Pay Execution

For direct pay executions, the Servicer must perform the following:

- a. The Servicer must pay to the Bond Trustee, by wire transfer of same day funds on the Bond Payment Date, the following components of the Scheduled Payment:
 - (1) the PRF deposit;
 - (2) the periodic fees payable to the Issuer, Bond Trustee, Rebate Analyst, any Compliance Monitor, Remarketing Agent and Tender Agent and any other similar person; and
 - (3) any other requirement, as specified in the Reimbursement Agreement.
- b. The Servicer must remit the following components of the Scheduled Payment to Fannie Mae in reimbursement of any related Advance under the credit enhancement as provided in this Section:
 - (1) the interest component; and
 - (2) any principal component which is to amortize immediately the Mortgage Loan and is not to be deposited into the PRF.
- c. For Direct Pay Weekly Variable Rate transactions where the Borrower is obligated to make its payments 2 Business Days prior to the 15th of each month and the bondholders must be paid on the 15th of each month, the Servicer must make its payments by wire transfer of same day funds on the 1st or 15th calendar day of each month. Other requirements may apply, as specified in the Reimbursement Agreement.

216.02B Replenishment of Withdrawals from the PRF

If the Borrower pays the Servicer any amount to replenish a withdrawal from the PRF, the Servicer shall pay such amount to the Bond Trustee not later than 2:00 p.m. Eastern Time, no later than the Business Day immediately after receipt of such monies from the Borrower.

216.02C Collection and Remittance of Borrower Reimbursement Obligations for Fannie Mae Advances

The Servicer must pay the following amounts to Fannie Mae:

1. The interest component of the Scheduled Payment and principal component of the Scheduled Payment which is to amortize immediately the Mortgage Loan and is not to be deposited into the PRF. Such amounts reimburse Fannie Mae for the related Advance under a Credit Enhancement Instrument or Collateral Agreement.

Effective: 10/01/2025

2. Any accrued and unpaid Activity Fee.

3. Any other amounts due to Fannie Mae under the Reimbursement Agreement other than the Facility Fee.

Fannie Mae will draft such amounts so as to be received by Fannie Mae no later than the Business Day immediately after the receipt of such monies from the Borrower.

The Servicer must also collect from the Borrower and remit to Fannie Mae any other fees, expenses or additional costs due from the Borrower to Fannie Mae under the Reimbursement Agreement. Fannie Mae and/or the Bond Trustee will notify the Servicer regarding any such amounts to be invoiced by the Servicer for payment by the Borrower under the Reimbursement Agreement, the Financing Agreement or other Transaction Document.

216.02D Monthly Remittance of Fees to Fannie Mae

Fannie Mae will draft the Facility Fee, net of the Servicer's Servicing Fee each month. Fannie Mae will draft such amounts 4 calendar days after such amount is scheduled to be paid by the Borrower under the applicable Transaction Document. If the fourth calendar day is not a Business Day, then such draft will be made on the next Business Day.

216.02E Notice and Collection of Other Fees and Expenses

At the written request of the Bond Trustee or if the Reimbursement Agreement or the Financing Agreement requires the Borrower to make such payments through the Servicer, the Servicer will invoice the Borrower for any fees and expenses payable by the Borrower to the (1) Issuer, (2) Bond Trustee, (3) Rating Agency, (4) Remarketing Agent, (5) Rebate Analyst, (6) Compliance Monitor or (7) Custodian.

The Servicer's invoice must require the Borrower to pay all such amounts to the Servicer not later than the earlier of ten days following the receipt of the invoice or the Business Day such amounts become due. The Servicer will remit all such payments received from the Borrower to the Bond Trustee, the Rating Agency, or Custodian, as applicable, and, if to the Rating Agency or Custodian, with notice to the Bond Trustee of such payment.

216.03 Prepayments – General Introduction

When a Borrower prepays a Mortgage Loan in a DUS Bond Credit Enhancement in whole or in part, the bonds also will be prepaid or redeemed in whole or in part on a corresponding basis. This is the starting point for the analysis of the obligations of the Borrower to account for any fees payable on account of the prepayment or redemption.

Effective: 10/01/2025

216.03A Bond Redemption Premiums Payable to Bondholders

All relevant rules regarding bond redemption premiums will be contained in the related Bond Indenture. The Borrower is obligated to pay any bond redemption premium. Fannie Mae does not provide credit enhancement for the bond redemption premium.

Not all types of bond redemptions are subject to redemption premiums and the Servicer must consult the related Bond Indenture documentation to determine whether a redemption premium is due. As a general rule, only bond redemptions initiated voluntarily or optionally by the Borrower will potentially have a redemption premium. Mandatory redemptions almost never have a redemption premium. Mandatory redemptions include redemptions paid from condemnation proceeds and insurance proceeds from casualty losses.

1. Variable Rate Bond Redemption

Weekly variable rate bonds may typically be redeemed at any time, or at least on any bond interest payment date, without restriction or redemption premium to the bondholders subject to the terms of the related Bond Indenture.

2. Fixed Rate Bond Redemption

Fixed rate bonds are typically restricted from optional or voluntary redemption by the Borrower for a specific period following the original bond issuance date, known as a lockout period. A lockout period may approximate 10 years from the initial bond issuance. Following the expiration of the lockout period, any voluntary redemption during the subsequent 3 to 5 year period typically requires the payment of a redemption premium to bondholders.

NOTE: Most transactions require the Borrower to pay the bond redemption premium with money that is not subject to being treated as a voidable preference under applicable bankruptcy and insolvency laws. This usually means the redemption premium cannot come from regular resources of the Borrower. The Bond Indenture must be consulted for requirements applicable to sources of payment of the Bond Redemption Premium and legal counsel should be consulted.

216.03B Termination Fee or Prepayment Premium Payable to Fannie Mae

Any Prepayment Premium payable to Fannie Mae on the credit enhancement is separate and distinct from any redemption premium payable to bondholders. This is true for all executions: Direct Pay, Standby and MBS.

In most instances, Fannie Mae requires the Borrower to pay a Prepayment Premium (or "Termination Fee" if required in the applicable documents) if the prepayment occurs within a certain number of years after original delivery of Fannie Mae's credit enhancement. In earlier Bond Credit Enhancement transactions, the premium will be called a Prepayment

Premium and will be addressed in the Note. In later transactions, the premium will be called a Termination Fee and will be addressed in the Reimbursement Agreement.

216.03C Termination When No Prepayment Occurs; Weekly Variable Rate Transactions

In DUS Variable Rate Credit Enhancements, there is the possibility that neither the Mortgage Loan nor the bonds are actually being prepaid, but only that the Borrower is replacing Fannie Mae as the provider of the credit enhancement and liquidity, terminating Fannie Mae's involvement in the transaction. For purposes of this section, that too is treated as a prepayment. In the event that the Mortgage Loan is being prepaid or Fannie Mae is being replaced as credit enhancer, the result is that the credit enhancement is being terminated. In recent years, to take this into account, the general term "Termination" has been used to refer to the events and "Termination Fee" to refer to the fee which may be payable on account of those events.

The Servicer must remit any Termination Fee due Fannie Mae in accordance with remittance requirements contained below in this Section by 2:00 p.m. Eastern Time on the next Business Day following the day on which the Borrower's termination of Fannie Mae's credit enhancement and liquidity is effective.

216.04 Prepayments – Processing

216.04A General

The Note requires the Borrower to give advance notice of a full or partial prepayment to the Servicer, the Bond Trustee, and, if a DUS Variable Rate Credit Enhancement, the Remarketing Agent. Any partial prepayment must be in an amount corresponding to an authorized denomination of the Bonds. Typically, Fannie Mae will require its consent to an optional redemption of Bonds.

The Servicer must always keep in mind that the date on which the Borrower must transfer money to the Servicer to initiate a prepayment may not be the day that the transfer of funds is treated as a prepayment under the governing documents. For example, under some documents the Borrower must make the prepayment not later than the last Business Day before the day the Bond Trustee, under the Bond Indenture, must have received funds for redemption of the Bonds. The Mortgage Loan prepayment will not be recognized until the Bonds are actually redeemed or deemed paid and no longer under the requirements of the Bond Indenture.

216.04B Prompt Notice of Intended Prepayment

The Servicer must promptly notify Fannie Mae (Multifamily Asset Management) and the Bond Trustee in writing upon receiving notice from the

Borrower of a planned prepayment. If the prepayment does not occur on such date, the Borrower may not subsequently prepay the Mortgage Loan in full without first giving the Servicer and all other parties to whom notice is required, a new notice of intent to prepay in accordance with the Loan Documents.

216.04C Critical Path Due Dates

The Servicer must ensure that the final prepayment amount quoted to the Borrower prior to prepayment is correct. Accordingly, before the Servicer advises the Borrower of the final prepayment amount, the Servicer must verify such amount with the Bond Trustee and Fannie Mae.

- 1. No less than 10 days prior to the scheduled prepayment date, the Servicer must obtain the Bond Trustee's written confirmation of all amounts due and payable in connection with the prepayment.
- 2. No less than 10 days prior to the scheduled prepayment date, and after verifying amounts due on the Bonds with the Bond Trustee, the Servicer must request verification of the full or partial prepayment amount from Fannie Mae.
- 3. No less than 5 days prior to the day the Borrower is required to initiate the prepayment, the Servicer must advise the Borrower in writing of the full amount necessary to make the prepayment.

NOTE: The day the Borrower is required to initiate the prepayment will be before the day the Bonds are to be redeemed.

4. For <u>weekly variable rate</u> bonds, immediately following the last day on which interest is determined on the Bonds before the scheduled redemption date of the bonds, the Servicer must re-verify the amount the Borrower must pay for the prepayment. The Servicer must immediately advise the Borrower of any correction required by the re-verification.

The Servicer should note that the transaction documents do not uniformly address the redemption premium, if any, payable to Bondholders and Prepayment Premium or termination fee, if any, payable to Fannie Mae on account of a prepayment of the Mortgage Loan. In some instances, the fee maintenance Prepayment Premium set out in the Note will be payable to Fannie Mae. In other instances, the Prepayment Premium payable under the Note must be remitted to the Bond Trustee for payment to bondholders as a redemption premium. In this case, the Borrower may be required to pay a Termination Fee to Fannie Mae pursuant to the Reimbursement Agreement. The Servicer must be alert to these requirements.

216.04D Fannie Mae's Confirmation Required

To obtain Fannie Mae's confirmation of the prepayment amount, the Servicer must submit a statement detailing the following:

- 1. the Fannie Mae Mortgage Loan number(s) and bond number(s), the Property name and address and the expected prepayment date;
- 2. all amounts that it has determined (and for such amounts due the Bondholders, confirmed with the Bond Trustee) will be due and payable by the Borrower on the prepayment date, including:
 - (a) the full or partial principal prepayment (as of the prepayment date) of the Note, separately specifying any amounts in the PRF expected to be applied to principal;
 - (b) accrued interest up to but not including the date of prepayment of the Note;
 - (c) any unpaid late fees (if applicable);
 - (d) any Prepayment Premium or Termination Fee required to be paid to the Bondholders or Fannie Mae, respectively, under the terms of the Note, the Financing Agreement, the Indenture or the Bonds:
 - (e) any termination fee payable to Fannie Mae pursuant to the Reimbursement Agreement;
 - (f) any other amounts due under the Loan Documents; and
 - (g) all other amounts due upon a redemption of Bonds under the Bond Documents, including any interest required to cover the gap between Mortgage Loan and Bond prepayment for which an escrow or collateral is not already provided. (The Servicer must request this information from the Bond Trustee.)
- 3. written confirmation from the Bond Trustee of all amounts due the Bondholders.
- 4. all amounts that will be due and payable to Fannie Mae on the day as required by this Section following prepayment, including:
 - (a) Credit Enhancement Fee and Liquidity Fee;
 - (b) any previously unpaid fees or other amounts owed to Fannie Mae; and
 - (c) any applicable Prepayment Premium or Termination Fee that is due, broken down into the portions due to the Servicer and Fannie Mae.

The Prepayment Premium or Termination Fee is a percentage (as specified in the Note or Reimbursement Agreement) multiplied by the UPB of the Mortgage Loan after crediting the scheduled payment due on the date regular mortgage loan payments are due (in some transactions, the first of the month and in others, the 15th of the month) in which a prepayment takes place.

Fannie Mae's share of the Prepayment Premium or

Termination Fee will be a percentage determined by dividing the sum of the Credit Facility Fee and the Liquidity Fee by the sum of the Credit Facility Fee, Liquidity Fee and the Servicing Fee.

No Prepayment Premium or Termination Fee is due in connection with an application of insurance proceeds or condemnation awards, a monthly deposit to the PRF, a redemption of Bonds from amounts transferred from the PRF to a redemption account, a reduction and amortization of the Mortgage Loan as a result of a Bond redemption, or an adjustment to a Reset Rate or a Fixed Rate.

For New Construction/Substantial Rehabilitation Mortgage Loans, other prepayment criteria may apply depending on the transaction structure.

Fannie Mae is not responsible for confirming any amounts owed to the Servicer at the time of the prepayment (e.g., any administrative fees due for services performed by the Servicer under a Collateral Agreement); however, the Servicer's payoff statement should clearly denote any such amounts so that Fannie Mae can distinguish them from amounts due exclusively to Fannie Mae and the Bond Trustee.

Fannie Mae will review the Servicer's figures and contact the Servicer to reconcile any discrepancies. Upon completion of its review and any necessary reconciliation, Fannie Mae will respond to the Servicer's verification request in writing. In its response, Fannie Mae will confirm the total payoff amount due to the Servicer from the Borrower, and will also separately confirm the amounts due to Fannie Mae from the Servicer, as well as individual items comprising such total amounts.

It is the Servicer's responsibility to prepare lien release documentation.

216.05 Prepayments: Prepayment Reporting

The Servicer must report the prepayment amount, including any applicable Prepayment Premium or Termination Fee due Fannie Mae and/or any redemption premium due the bondholders, to Fannie Mae in accordance with the reporting requirements contained in Part V, Chapter 2: Reporting and Remitting, Section 216.01: Monthly Bond Credit Enhancement Reporting. The date the report is due depends on the execution type of the underlying transaction.

- 1. If the Mortgage Loan payments are due on the first of the month, the report is due on the fourth calendar day of the month in which the prepayment occurs, or the next Business Day if the fourth is not a Business Day.
- 2. If the Mortgage Loan payments are due on the 15th of the month, the report is due on the 15th of the month or the next Business Day if such day is not a Business Day.

216.06 Prepayments: Remittances

The Servicer must remit any Prepayment Premium and/or Termination Fee due Fannie Mae by 2:00 p.m. Eastern Time, on the next Business Day following the day on which the Borrower's prepayment is received.

Depending on the execution and transaction type, the Servicer must also be concerned with invoicing, collecting and remitting the principal amount of the Mortgage Loan to be prepaid. In all cases, the Servicer must invoice and collect the principal amount being prepaid from the Borrower. No prepayment of Direct Pay Facilities will be allowed until Fannie Mae receives the necessary funds from the Borrower.

Any prepayment of principal on any Mortgage Loan received by the Servicer shall be paid, as follows:

- 1. <u>Standby Execution</u>: Prepayments shall be remitted to the Bond Trustee not later than the Bond Business Day immediately after the date of receipt such funds by the Servicer; or
- 2. <u>Direct Pay Execution</u>: Prepayments shall be remitted to Fannie Mae on the same day as the Fannie Mae Advance to the Bond Trustee funding the corresponding bond redemption associated with the prepayment.

216.07 Reporting on Delinquency Status

The Servicer must electronically submit to Fannie Mae using the Multifamily Delinquency Early Warning System (DEWS), or any successor system selected by Fannie Mae to do such reporting, the monthly delinquency status of the Mortgage Loan on the 17th calendar day of the month. If the 15th falls on a holiday or weekend, the System is available the next Business Day. The Servicer must plan around this one day window period for the purpose of reporting delinquencies. This rule applies to all execution and transaction types for DUS Bond Credit Enhancement.

Section 217 Mezzanine Loan Reporting and Remitting

NOTE: Except as otherwise required below, the reporting and remitting requirements for Cash Mortgage Loans provided in this Chapter apply to Mezzanine Loans.

217.01 Remitting DUS Plus Mezzanine Loans

For the DUS Plus Mezzanine Loan, the Servicer is required to remit to Fannie Mae via the Cash Remittance System. On each remittance date the amount representing P&I (adjusted to the Pass-Through Rate) actually collected from the Mezzanine Borrower must be remitted. The initial remittance date for any DUS Plus Mezzanine Loan is the 18th day of the

month following the month in which the DUS Plus Mezzanine Loan is purchased, with monthly remittances due on the 18th day of each month thereafter.

For each DUS Plus Mezzanine Loan, the principal distribution amount remitted must include the sum of:

- the principal portion actually collected from the Mezzanine Borrower of the monthly installment due during the period beginning on the second day of the month preceding the month in which a remittance date occurs and ending on the first day of the month in which a remittance date occurs; and
- any unscheduled principal recovery collected on a DUS Plus Mezzanine Loan during the month preceding the month in which a remittance date occurs.

The interest distribution amount remitted includes the interest portion of the monthly installment (that portion actually collected from the Mezzanine Borrower), adjusted to the Pass-Through Rate, due on the first day of the month in which a remittance date occurs or due at any time (other than the first day) during the preceding month.

The Servicer must remit funds collected from the Mezzanine Borrower even if they do not represent a full payment. The Servicer may not deduct monthly Servicing Fees until the entire monthly payment has been collected from the Mezzanine Borrower.

The Servicer is not required to remit to Fannie Mae on the remittance date any amounts representing P&I that have not been received from the Mezzanine Borrower and are, therefore, delinquent. Any delinquent payment received after the 18th calendar day of the month in which it is due must be remitted to Fannie Mae by 1:00 p.m. ET within 24 hours of its receipt.

217.02 Payoffs

For DUS Plus Mezzanine Loans, proceeds for payments-in-full, including any applicable repayment fees, must be remitted directly to the mezzanine investor within 24 hours after receipt by the DUS Servicer. The full payment must be reported to Fannie Mae by the second Business Day of the month following the month in which the prepayment is received in accordance with Part V of this Guide.

Section 218 Defeasance

218.01 Mortgage Loan Documents Must Permit Defeasance

A Borrower may elect to defease its Mortgage Loan only if the Loan Documents permit defeasance. If the Borrower's Mortgage Loan

Documents do not permit defeasance, defeasance of the Mortgage Loan is not permitted.

218.02 Borrower's Election to Defease

Prior to the Mortgage Loan's Maturity Date and during the Mortgage Loan's Defeasance Period, the Borrower may defease the entire outstanding balance of the Mortgage Loan in accordance with the applicable terms and conditions of the Borrower's Loan Documents and the provisions of this Section.

218.03 Defeasance Option Procedures

To accomplish the defeasance, the following procedures must be followed:

218.03A Defeasance Documents

Servicer must obtain the most current Defeasance documents from the Fannie Mae website. The Defeasance documents consist of the Defeasance Notice (Form 4622) and other closing documents required by Fannie Mae in order for the defeasance to occur.

218.03B Defeasance Notice

The Servicer must complete the Defeasance Notice (Form 4622) after verifying the Mortgage Loan is eligible for defeasance and obtaining from the Borrower the date on which the Borrower desires to consummate the Defeasance. The Defeasance Close Date may not be more than 45 calendar days nor less than 30 calendar days after the date on which the Defeasance Notice is received by the Servicer. The Servicer must use the Defeasance Calculator application on the Fannie Mae web site to estimate the Defeasance Deposit and the estimated Defeasance Deposit must be inserted in the appropriate box in the Defeasance Notice. The information on the Defeasance Notice will not be final until it is confirmed by Fannie Mae. Until then, the Defeasance Deposit and other information are estimates. The Defeasance Notice will specify (a) whether a Fannie Mae debt instrument will be offered for use as the substitute collateral and, if not, that U.S. Treasury Securities will be the substitute collateral; and (b) whether the successor entity will be designated by Fannie Mae or Borrower, and (c) the amount of the Defeasance Commitment Fee.

To be effective, the Borrower must execute and send the Defeasance Notice to the Servicer so that the Servicer receives the Defeasance Notice no earlier than 11:00 a.m. and no later than 3:00 p.m. ET on a Business Day.

The Servicer must then sign and execute the Defeasance Notice and fax the Defeasance Notice and a copy of the Note to be defeased to its

Fannie Mae Representative.

Fannie Mae must receive the fax by 5:00 p.m. ET on the same day that the Defeasance Deposit was calculated for verification by Fannie Mae.

218.03C Defeasance Commitment Fee

A Defeasance Commitment Fee equal to 1% of the scheduled balance of the Mortgage Loan as of the Defeasance Close Date, must be paid by the Borrower to the Servicer no later than the date and time when the Servicer receives the executed Defeasance Notice from the Borrower. The Servicer must wire the Defeasance Commitment Fee to Fannie Mae within 24 hours after receipt of the Borrower's executed Defeasance Notice.

218.03D Verification of the Defeasance Notice

Fannie Mae will verify the Mortgage Loan information contained in the Defeasance Notice as well as the Mortgage Loan's eligibility for defeasance. After verification and within two (2) Business Days after the initial receipt of the Defeasance Notice from the Servicer, Fannie Mae will sign the Defeasance Notice and fax it back to the Servicer along with an Exhibit that details the monthly cash flows of the Fannie Mae debt instrument that will replace the Property as collateral for the Mortgage Loan.

The Servicer will then fax the verified Defeasance Notice to the Borrower on the same day that the Servicer receives the verified Defeasance Notice from Fannie Mae. In the event that Fannie Mae made changes to the Defeasance Notice, the Borrower must initial the changed portions of the Defeasance Notice and fax it back to the Servicer on that same day. The Servicer must then immediately fax the Borrower-initialed Defeasance Notice to Fannie Mae.

If the Servicer does not

- receive the Defeasance Commitment Fee, and
- provide confirmation of the Defeasance Notice to the Borrower,

then the Borrower's right to obtain Defeasance pursuant to that Defeasance Notice shall terminate. If the Borrower still wishes to defease the Mortgage Loan, the Borrower must submit a new Defeasance Notice and repeat the process outlined above.

218.03E Substitute Collateral

On or before the Defeasance Close Date, the Borrower must deliver to the Servicer a Defeasance Pledge Agreement (Form 4529), creating a perfected security interest in the substitute collateral in favor of Fannie Mae.

218.03F Assignment and Assumption

The Borrower must assign all its obligations and rights under the Note, together with the substitute collateral, to a successor entity designated by Fannie Mae or, if not so designated by Fannie Mae, designated by Borrower and acceptable to Fannie Mae. The Borrower and the successor entity shall execute and deliver to the Servicer a Defeasance Assignment and Assumption Agreement (Form 4528).

218.03G Closing Documents

The Servicer must deliver to Fannie Mae by no later than 10 a.m. ET, five (5) Business Days before the Defeasance Close Date, the following documents:

- a Borrower's Counsel Opinion Letter (Form 6618) affirming:
 - that each Defeasance Document constitutes the valid and legally binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms;
 - that the defeasance is not subject to avoidance under any applicable federal or state laws;
 - that, if the Note is held by a REMIC Trust, then the defeasance has been effected in such a way that does not adversely affect the REMIC Trust; and
 - such other opinions, certificates, documents or instruments as Servicer may reasonably request;
- the Defeasance Assignment and Assumption Agreement (Form 4528); and
- the Defeasance Pledge Agreement (Form 4529).

Transmittal of these documents shall be accompanied by a completed Multifamily Defeasance Transmittal Form (Form 4631).

218.03H Amounts Payable by Borrower

On or before the Defeasance Close Date, the Borrower must pay to the Servicer an amount equal to the sum of:

■ the next scheduled P&I payment due under the Note;

Effective: 10/01/2025

- all other sums then due and payable under the Note, the Security Instrument and any other Loan Document; and
- all costs and expenses incurred by the Servicer in connection with the defeasance, including any out-of-pocket fees and

disbursements of the Servicer's legal counsel.

218.03I Defeasance Deposit

If a Fannie Mae investment security will be the substitute collateral, then, on or before 3:00 p.m. ET on the Defeasance Close Date, the Borrower must pay the Defeasance Deposit (reduced by the Defeasance Commitment Fee) to the Servicer to be used by the Servicer, as the Borrower's agent, to purchase the Fannie Mae Investment Security.

The Borrower or Closing Agent must wire the Defeasance Deposit to Servicer by 3:00 p.m. ET on the Defeasance Closing Date. The Servicer must wire the Defeasance Deposit (reduced by the Defeasance Commitment Fee) to Fannie Mae for receipt by 5:00 p.m. ET on the Defeasance Closing Date.

218.03J Release

Upon the Borrower's compliance with the Defeasance requirements, the Property will be released from the lien of the Security Instrument. Upon release of the Property, the Note will be secured by the pledge of the Substitute Collateral.

218.03K Fannie Mae Security Liquidated Damages

If the Borrower timely pays the Defeasance Commitment Fee and the Servicer and the Borrower timely transmit a signed facsimile copy of the Defeasance Notice, but the Borrower fails to consummate the defeasance, Fannie Mae shall have the right to retain the Defeasance Commitment Fee as liquidated damages for the Borrower's default and, subject to the terms and conditions of the Note, the Borrower shall be released from all further obligation to defease the Note under the given Defeasance Notice.

218.03L Third-Party Costs

In the event that the Defeasance is not consummated on the Defeasance Closing Date for any reason, the Borrower must reimburse the Servicer for all third-party costs and expenses incurred by the Servicer in its reliance on the Defeasance Notice executed by the Borrower, within five (5) Business Days after the Borrower receives a written demand for this reimbursement.

218.03M Post Defeasance Closing Date

Fannie Mae will transfer the defeased Mortgage Loan from the Servicer's servicing portfolio effective on the first day of the second month following the Defeasance Closing Date. The Servicer will be required to report and remit payments for the next scheduled P&I payment collected as

part of the Defeasance Closing. Thereafter, the Servicer will no longer be required to perform other servicing requirements for the defeased Mortgage Loan. Beginning on the 18th calendar day of the second calendar month after the Defeasance Closing Date (or the next Business Day if such day is not a Business Day) until the maturity of the Mortgage Loan, the Servicer will receive the remaining scheduled servicing fee for the Mortgage Loan minus five (5) basis points provided the Authorization for ACH Remittance (Form 4630) has been submitted.

Section 219 Delinquency Reporting and Certification

On the 17th calendar day of each month, Servicers must take the following actions with respect to Mortgage Loans:

- Report all delinquent Mortgage Loans to Fannie Mae using the Delinquency Early Warning System ("DEWS"), which Servicers may access through the eServicing System. Delinquency reporting must include delinquencies for Mortgage Loans on Bond Credit Enhancements, even if the Servicer also elects to report these delinquencies through CESIR.
- Certify as to the delinquency status of all Mortgage Loans. If a Servicer's Mortgage Loan portfolio does not include any delinquent Mortgage Loans, the Servicer must certify to that effect.

Prior to the 17th calendar day of each month, Servicers may use the "Preliminary" Case Status indicator to set up initial delinquency cases in DEWS.

On the 17th calendar day of each month, Servicers must change all "Preliminary" Case Status indicators to "Open" for all Mortgage Loans still delinquent or delete remaining initial cases for all Mortgage Loans that have cured. No "Preliminary" Case Status cases can remain as of the 17th calendar day of each month.

If the 17th calendar day of a month falls on a weekend or holiday, the Servicer must report and certify on the next Business Day.

Servicers must complete the "comments section" in each report with important additional information regarding the delinquent Mortgage Loan including, at a minimum, the following:

- the Servicer's attempts to contact the delinquent Borrower;
- the cause for the missed payment(s);
- whether payment is expected before the end of the month;
- the likelihood of the Borrower making the next month's payment;

- if the payment will not be made before the end of the month of default, whether the Borrower will voluntarily turn over the monthly net operating income of the Property;
- the willingness of the Borrower to work with the Servicer to resolve the delinquency; and
- whether the Mortgage Loan is being Special Serviced by Fannie Mae's Special Asset Management (SAM) group (Primary Risk Mortgage Loans) or the Servicers' Special Servicing group (Secondary Risk Mortgage Loans).

Servicers must update at least once per week all delinquency reports with an "Open" status indicator.

Section 220 Reporting Collateral Balances in Custodial Accounts

Servicers must report, on a quarterly basis, the balances of Mortgage Loan collateral held by Servicers in their Custodial Accounts using Collateral Submission Report (Form 4813). Collateral balances that must be included in the quarterly reporting include balances for all Custodial Accounts whether the collateral is held as cash, securities or letters of credit.

220.01 P&I Custodial Accounts

Except as noted in Part V, Chapter 2: Reporting and Remitting, Section 220.04: What to Report, balances in P&I Custodial Accounts are excluded from this reporting requirement.

220.02 Letters of Credit as Collateral

Balances for any original Letters of Credit held by the Servicer must be reported. Balances for any original Letter of Credit held by Fannie Mae are not required to be reported.

220.03 Report on Fair Value Basis

If the form of collateral is securities or Letters of Credit, Servicers must report the balances on a fair value basis (the price that would be received to sell an asset in a transaction between market participants).

220.04 What to Report

Collateral that must be reported using the Collateral Submission Report (Form 4813) includes:

Effective: 10/01/2025

■ Short Term

- any Replacement Reserves or repair escrows;
- insurance proceeds held pending repair or damage to the Property; or
- condemnation proceeds received in a condemnation action related to the Property.

Long Term

- any operating deficit or debt service reserve; or
- NCF sweeps to the extent NCF exceeds monthly P&I remitted to Fannie Mae in the ordinary course.
- Balances in any T&I Custodial Account.
- Other
 - any other escrow, collateral or achievement funds governed by an agreement with the Borrower;
 - any holdback of Mortgage Loan proceeds; or
 - any tenant security deposits held by the Servicer.

220.05 When to Report

The Collateral Submission Report (Form 4813) must be submitted to Servicer's Fannie Mae Representative within thirty (30) days after the end of each calendar quarter.

Section 221 Internal Revenue Service Reporting Requirements

221.01 What to Report

The Servicer must comply with Internal Revenue Service reporting requirements for:

- reporting the receipt of \$600 or more of interest payments from any Borrower who is a natural person (IRS Form 1098);
- filing Statements for Recipients of Miscellaneous Income (IRS Form 1099-MISC) to report payments of fees and related expenses to attorneys and other third parties in connection with foreclosure or liquidation proceedings in connection with a Mortgage Loan and the related Property;
- filing notices of Acquisition or Abandonment of Secured Property (IRS Form 1099-A) to report the acquisition of a Property by foreclosure or acceptance of a deed-in-lieu or by a

Effective: 10/01/2025

Borrower's abandonment of a property; and

filing notices of Cancellation of Debt (IRS Form 1099-C) to report the cancellation of any part of a Borrower's indebtedness.

Should the Internal Revenue Service change the reporting requirements in connection with any of IRS Form 1098, IRS Form 1099-MISC, IRS Form 1099-A or IRS Form 1099-C, the Servicer must comply with those changed reporting requirements, notwithstanding anything to the contrary contained in this Chapter. The Servicer should contact Fannie Mae if it believes any portion of this Chapter to be in conflict with such Internal Revenue Service reporting requirements.

221.02 Filing IRS Form 1099 MISC

The Servicer must report all attorney (or trustee) fees paid by the Servicer to Servicer-retained attorneys or trustees or to Fannie Mae-retained attorneys or trustees for handling foreclosure proceedings, by filing Form 1099-MISC (Miscellaneous Income) with the Internal Revenue Service and other parties. This form must be filed in the Servicer's name, using its Internal Revenue Service tax identification number.

If the Servicer pays for any expenses authorized by Fannie Mae for the maintenance, repair, or marketing of an REO Property, or when the Servicer pays directly any business that is not a corporation for recurring maintenance costs, minor repair costs, or routine costs in connection with an REO Property, the Servicer must report such payments to the Internal Revenue Service. To accomplish this, the Servicer must prepare an IRS Form 1099-MISC (Miscellaneous Income) for the appropriate tax year and submit it to the Internal Revenue Service and to the individual payee. This form must be filed in the Servicer's name, using its Internal Revenue Service taxpayer identification number.

221.03 Notifying the Internal Revenue Service about Abandonments or Acquisitions (IRS Form 1099-A)

221.03A When Required

The Internal Revenue Service requires that information returns be filed when Fannie Mae (or a third party) acquires an interest in a Property in full or partial satisfaction of the Mortgage Loan or when Fannie Mae or the Servicer has reason to know that a Property has been abandoned. The Servicer must file these notices on Fannie Mae's behalf, using IRS Form 1099-A (Acquisition or Abandonment of Secured Property), for all applicable Mortgage Loans (including Mortgage Loan participations if Fannie Mae's percentage ownership of such Mortgage Loan is 50% or greater).

Effective: 10/01/2025

The Servicer must satisfy the reporting requirements for the "owner

of record" (instead of on Fannie Mae's behalf) when the Servicer purchased a delinquent Mortgage Loan from Fannie Mae before the Property was acquired by the Servicer in full or partial satisfaction of the Mortgage Loan.

For purposes of filing these reports:

- Fannie Mae (or the "owner of record") acquires an interest in the Property when any redemption period that follows a foreclosure sale ends without redemption rights being exercised (or when Fannie Mae accepts a deed-in-lieu of foreclosure);
- A third party acquires an interest in the Property at the foreclosure sale; and
- Abandonment occurs when Fannie Mae or the Servicer has "reason to know" from "all facts and circumstances concerning the status of the Property" that the Borrower intended to discard or has permanently discarded the Property from use. The Servicer, however, will have an additional three months before its reporting obligation arises if the Servicer expects foreclosure proceedings to begin within the three months after determination that abandonment has occurred.

After an event that triggers a reporting requirement occurs, IRS Form 1099-A must be filed on or before February 28 (or March 31 if filing electronically) of the year following the calendar year in which the event occurred. The Servicer also must furnish the Borrower with an information statement on or before January 31 of that year. The requirement for notifying the Borrower can be satisfied by sending Copy B of a completed IRS Form 1099-A to the Borrower's last known address. When the form is filed on Fannie Mae's behalf, it must show Fannie Mae's name, address, and federal identification number (52-0883107), and include a legend stating that the information is being reported to the Internal Revenue Service. If it is filed by the Servicer on its own behalf or for the "owner of record," the name, address, and identification number of the Servicer or owner of record, respectively, must be provided instead.

221.03B Preparing IRS Form 1099-A

The Servicer is responsible for completing the IRS Form 1099-A accurately, for filing it with the Internal Revenue Service, and for providing the information to the Borrower and to Fannie Mae by the required dates. If the Internal Revenue Service penalizes Fannie Mae because a Servicer failed to file a return or filed an incorrect return or late return, Fannie Mae will require the Servicer to reimburse Fannie Mae for any penalty fees the Internal Revenue Service assesses (unless the Servicer can document that it met the filing requirements).

Effective: 10/01/2025

Information that must be reported on IRS Form 1099-A includes:

- the Borrower's taxpayer identification number (the Social Security number if the borrower is a natural person);
- the date of acquisition of an interest in the Property or the date the Servicer acquired knowledge of the abandonment;
- the outstanding UPB of the Mortgage Loan;
- a general description of the Property; and
- whether the Borrower is personally liable for the debt and, if personally liable, the fair market value of the Property at the time of acquisition.

221.04 Notifying the Internal Revenue Service about Cancellations of Indebtedness (IRS Form 1099-C)

221.04A When Required

The Internal Revenue Service requires certain mortgage holders, including Fannie Mae, to file information returns when \$600 or more of a Mortgage Loan is cancelled. Except as provided in Part V, Chapter 2: Reporting and Remitting, Section 221.04D: Exceptions to IRS Form 1099-C Reporting, the Servicer must file these returns on Fannie Mae's behalf, using IRS Form 1099-C, for all applicable Mortgage Loans (including Mortgage Loan participations if Fannie Mae's percentage ownership of such Mortgage Loan is 50% or greater). If, in the same calendar year, a Mortgage Loan is canceled in connection with a foreclosure or abandonment of secured property, it is not necessary to file both Form 1099-A and Form 1099-C for the same Borrower. Only Form 1099-C need be filed, and the Form 1099-A filing requirement for the Borrower will be met by completing boxes 4, 5, and 7 on Form 1099-C.

221.04B Determining When a Debt Is Cancelled

A debt is cancelled (in whole or part) when any of the following occur:

- discharge in bankruptcy under Title 11 of the U.S. Code;
- receivership, foreclosure, or similar federal or state court proceeding makes the debt unenforceable;
- the statute of limitations applicable to collecting the debt expires (if so determined by a court and any appeal period has expired), or expiration of the statutory period for filing a claim or beginning a deficiency judgment proceeding;
- foreclosure remedies by law end or bar Fannie Mae's right to collect the debt (e.g., foreclosure by exercise of the "power of

Effective: 10/01/2025

sale" in the Security Instrument);

- probate or similar proceeding cancels or extinguishes the debt;
- Fannie Mae and the Borrower agree to cancel the debt at less than full consideration;
- a decision or defined policy of Fannie Mae causes collection activity to be discontinued and the debt to be cancelled; or
- expiration of a "non-payment testing period".

The Internal Revenue Service presumes that a debt is cancelled during a calendar year if no payment has been received on the Mortgage Loan during a period (the "non-payment testing period") of 36 months, plus the number of calendar months when collection activity was precluded by a stay in bankruptcy or similar bar under state or local law. The presumption may be rebutted, however, if there has been significant, bona fide collection activity at any time during the calendar year, or if facts and circumstances, existing as of January 31 of the calendar year following expiration of the 36-month period, indicate that the indebtedness has not been discharged.

221.04C Preparing IRS Form 1099-C

The Servicer is responsible for completing the Cancellation of Debt (IRS Form 1099-C) accurately, and for filing it with the Internal Revenue Service and providing the information to the Borrower and to Fannie Mae by the required dates. The form must be filed on or before February 28 (or March 31 if filing electronically) of the year following the calendar year in which the discharge of indebtedness occurs.

If the Internal Revenue Service penalizes Fannie Mae because the Servicer failed to file a return or filed an incorrect or late return, Fannie Mae will require the Servicer to reimburse Fannie Mae for any penalty fees the Internal Revenue Service assesses (unless the Servicer can document that it met the filing requirements).

The Servicer also must furnish the Borrower with an information statement before January 31 of that year. The requirement for notifying the Borrower can be satisfied by sending Copy B of a completed IRS Form 1099-C (or a substitute statement that complies with Internal Revenue Service requirements for substitute forms) to the Borrower's last known address, and the Servicer must send Copy C to those states that require it. When the form is filed on Fannie Mae's behalf, it must show Fannie Mae's name as the "Creditor," Fannie Mae's address and federal identification number (52-0883107), and include a legend identifying the statement as important tax information that is being furnished to the Internal Revenue Service.

Information that must be reported on IRS Form 1099-C includes:

the Borrower's name, address, and taxpayer identification

number (the Social Security number if the borrower is a natural person);

- the date the debt was cancelled:
- the amount of the cancelled debt, which does not include interest or any amount received in satisfaction of the debt from a foreclosure sale or other means;
- a description of the debt, such as "mortgage loan," and a description of the Property if a combined IRS Form 1099-C and 1099-A is filed;
- whether the Borrower is personally liable for the debt;
- whether the debt was cancelled in bankruptcy; and
- the fair market value of the Property if a combined IRS Form 1099-C and 1099-A is filed.

If the cancelled Mortgage Loan had an original principal amount of \$10,000 or more, was originated after 1994, and involves Borrowers who are jointly and severally liable for the debt, a separate information return for each Borrower must be filed, and each return must report the entire amount of the cancelled debt. If the Mortgage Loan was originated prior to January 1, 1995, or if the original principal amount of the cancelled Mortgage Loan was less than \$10,000, and if there are multiple Borrowers, reporting is required only with respect to the primary (or first-named) Borrower. In addition, only one information return is required, regardless of the origination date or the original principal amount, if the Servicer knows, or has reason to know, that co-Borrowers were husband and wife living at the same address when the Mortgage Loan was originated, and does not know or have reason to know that such circumstances have changed when the Mortgage Loan is cancelled.

221.04D Exceptions to IRS Form 1099-C Reporting

Interest. Interest need not be reported. If it is reported as part of the cancelled debt, the IRS Form 1099-C instructions require that it be shown in a separate box on the form.

Non-principal amounts. Cancellation of amounts other than stated principal, including penalties, fines, fees, and administrative costs charged to the Borrower, need not be reported.

Release of a co-Borrower. IRS Form 1099-C need not be filed when one Borrower is released from a Mortgage Loan as long as the remaining Borrowers are liable for the full UPB of the Mortgage Loan.

Guarantor or surety. A guarantor or surety (i.e., any Guarantor or Key Principal executing a Non-Recourse Guaranty or a Payment Guaranty) is not a Borrower for purposes of the debt cancellation reporting

Effective: 10/01/2025

requirements, so IRS Form 1099-C is never required.

221.04E Coordination with Reporting Abandonments or Acquisitions

If, in the same calendar year, the Mortgage Loan is cancelled in connection with the acquisition or abandonment of the same Property securing the Mortgage Loan, filing a timely and accurate IRS Form 1099-C will satisfy the requirement to file an IRS Form 1099-A.

221.05 Reporting via Magnetic Media

The Servicer must report IRS Forms 1099-C and 1099-A information on magnetic media and must do so on Fannie Mae's behalf. Even though the Servicer reports to the Internal Revenue Service on magnetic media, it is still responsible for providing a hard copy of the IRS Forms 1099-C or 1099-A, as applicable, to the Borrower (Copy B) and to those states that require it (Copy C). Copy B must be sent to the Borrower no later than January 31.

The Servicer must review each Borrower's Form W-9 for validity and request a new Form W-9 if any form is invalid. A valid W-9 will include the Borrower's name, tax identification number, date, and signature. In preparing Forms 1099-C or 1099-A, the Servicer must (i) utilize the IRS TIN Matching program and perform tax identification number matching for all United States non-exempt Borrowers in all circumstances, (ii) notify Fannie Mae of any Borrower that is identified as an unsuccessful TIN Match prior to preparing Form 1099, and (iii) follow up with any Borrower whose name and tax identification number combination fail the IRS TIN Match. The Servicer should also provide to Fannie Mae its TCC (Transmittal Control Code) at the beginning of each year, which will allow Fannie Mae to communicate to the Servicer any errors on its 1099 filings.

The Servicer does not need to send Fannie Mae a copy of the magnetic media filed by the Servicer with the Internal Revenue Service. However, to ensure that Fannie Mae can identify the Servicer and the loan number for a specific Mortgage Loan should the Internal Revenue Service contact Fannie Mae for additional information or clarification, the Servicer must:

- insert the following header information when the IRS Form 1099-C or 1099-A, as applicable, is filed on Fannie Mae's behalf:
 - Fannie Mae on the first "Payer" line; and
 - the Fannie Mae loan number for the related Mortgage Loan on the line for the "Payer's account number for Payee"; and
- within thirty (30) days after filing with the Internal Revenue Service, send an email to Fannie Mae at

Effective: 10/01/2025

multifamily_1099_reporting@fanniemae.com, containing a summary of IRS Forms 1099-C or 1099-A, as applicable, to notify Fannie Mae what the Servicer reported to the Internal Revenue Service on magnetic media.

After adjusting the Borrower's future deposits, you may use those funds for a shortfall in either taxes or insurance.

- itemized list of specific T&I Impositions and other charges (e.g., real estate taxes, insurance premiums, etc.) you paid with the withdrawals;
- Borrower's fund balance at the end of the year; and
- amount of interest, if any, paid or credited to the Borrower on their funds.

Chapter 4 Asset Management: Loan Document Administration

Section 401 Servicing Requirements

401.01 General

This Chapter covers asset management of performing Mortgage Loans. This Chapter does not apply to Non-Performing Mortgage Loans, unless otherwise stated. For asset management of Non-Performing Mortgage Loans, the Servicer must comply with:

- Part VI, Chapter 1: Watchlist Management; and
- either:
 - Part VI, Chapter 3: Non-Performing Primary Risk Mortgage Loans; or
 - Part VI, Chapter 5: Non-Performing Secondary Risk Mortgage Loans.

This Chapter covers the Servicer's:

- administration of Loan Documents, including Collateral Agreements;
- review of a delegated and non-delegated Borrower request;
- approval of a delegated Borrower request;
- management of insurance matters;
- review of Transfer/Assumption requests; and
- administration of specialty product types.

The Servicer must submit all Borrower requests, along with any additional information and required documents, through the MAMP. If submitting through the MAMP is not feasible, overnight mail must be used and sent to:

Fannie Mae
Attention: (Drawer AM, Structured AM, Seniors AM, or Assumption/Transfer)
Mailstop 8V-21
1100 15th Street, NW
Washington, DC 20005.

Fannie Mae email addresses and contact information for notices required in this Chapter are located in the Glossary.

Effective: 10/01/2025

401.02 Monitoring Compliance with Loan Documents

For each Mortgage Loan, the Servicer must monitor the Borrower's compliance with the terms and conditions of the Loan Documents, and facilitate compliance or take appropriate actions to address any instance of noncompliance. All Loan Documents and all other documents required to be retained by the Servicer must be maintained in accordance with the Program Rules.

In the event of any conflict between or among the requirements of the Guide, the Disclosure Documents, the Lender Contract, and the Loan Documents, the governing priority shall be, in order:

- Loan Documents;
- **■** Disclosure Documents;
- Lender Contract; and
- Guide.

Section 402

Delegation of Decision-Making Authority; Retention of Outside Legal Counsel

402.01 Delegation of Decision-Making Authority

Fannie Mae delegates significant decision-making authority and responsibility to the Servicer to the extent specified in the Multifamily Asset Management Delegated Transaction Forms (Form 4636 series) (each, the "Delegated Transaction Form"), covering the following matters:

- Transfers/Assumptions (Form 4636.TA);
- Commercial Leases (Form 4636.CL);
- Condemnations (Form 4636.C);
- Condominium/Cooperative Property Conversions (Form 4636.CC);
- Easements (Form 4636.E);
- Oil, Gas, or Mineral Rights Leases (Form 4636.OGL);
- Partial Releases of Collateral (Form 4636.PR);
- Property Management Changes (Form 4636.PM); and
- Use Conversions (Form 4636.UC).

The Servicer must follow the instructions in the Delegated

Transaction Form, which will specify which matters are delegated and which are non-delegated. All delegated and non-delegated requests must be submitted through the MAMP, with the Delegated Transaction Form and the required supporting documents.

A transaction memo must be submitted for any unusual matters not covered in the Guide, or matters that could materially affect Fannie Mae's security interests, investment interests, or the interests of Investors in Securitized Mortgage Loans. Decision-making authority is more limited for Credit Facilities, Bulk Deliveries, and certain Seniors Housing Loan matters. Neither the Servicer nor Fannie Mae has the authority to waive any local, state, or federal law or regulation.

402.02 Retention of Outside Legal Counsel

Fannie Mae often retains outside legal counsel to review nondelegated matters or other matters that require Fannie Mae's legal review. In such instance, the Servicer must obtain the Borrower's written agreement to pay the reasonable legal fees and expenses of Fannie Mae's counsel before any legal work may commence.

If Fannie Mae outside counsel review is required or requested, the Borrower must pay the applicable legal fee, which will either be a fixed fee or an estimated fee depending on the type of request. For an estimated fee request, the Servicer must notify the Borrower that the actual legal fee may be higher or lower than the estimate, depending on the ultimate scope of the request, and the time needed to resolve the issue.

Fannie Mae will:

- apprise the Servicer of any likely increases in the estimated review fee;
- provide the Servicer the amount of the fee for any fixed fee request; and
- provide the Servicer a summary invoice directly from Fannie Mae's outside counsel.

Upon receipt of the invoice, the Servicer must arrange for payment of Fannie Mae's legal fees. The legal fee must be collected from the Borrower before engaging Fannie Mae outside counsel.

Section 403

Execution of Documents by Servicer – Limited Power of Attorney

Fannie Mae may provide the Servicer with a Limited Power of Attorney conferring the right to execute certain documents as attorney-in-fact on behalf of Fannie Mae. If granted, the actions authorized in the Limited Power of Attorney will be specifically limited, and allow the Servicer to

execute only those documents listed in the Limited Power of Attorney. To exercise the Limited Power of Attorney the Servicer must execute documents as "[Name of Servicer], as Attorney-in-Fact for Fannie Mae". The Servicer's designation as attorney-in-fact will be subject to review and renewal, and the power granted under the Limited Power of Attorney may be revoked by Fannie Mae at any time. Requests for new and replacement Limited Power of Attorney should be submitted through the MAMP or as required by Part V, Chapter 4: Asset Management: Loan Document Administration, Section 401.01: General. As each Limited Power of Attorney expires on a specified date according to its terms, the Servicer must monitor the expiration date and request a new Limited Power of Attorney at least 30 days prior to the expiration date.

Section 404 Execution of Documents by Fannie Mae

404.01 Submission of Documents to Fannie Mae

All documents requiring execution by Fannie Mae (clearly identified by Fannie Mae Loan Number) must be sent to Multifamily Asset Management. Fannie Mae will execute the documents without prior review if the Servicer provides the certifications described in this Section.

The Servicer must include directions for returning the documents, including:

- contact name;
- overnight delivery mailing address;
- phone number; and
- email address.

404.02 Servicer Certification When Fannie Mae Approval Is Not Required

For any document submitted to Fannie Mae for execution when the servicing decision has been delegated to the Servicer, the Servicer must provide written certification to Fannie Mae that:

- the Servicer has reviewed the proposed transaction, and approval by the Servicer is in compliance with the Guide, the Loan Documents, any Disclosure Documents, and the Lender Contract;
- the Servicer has approved the proposed transaction;
- no approval or waiver is required from Fannie Mae;
- Servicer's legal counsel has reviewed and approved all relevant documents associated with the transaction, and determined that those documents are sufficient to fully

effectuate the transaction; and

any material changes to Fannie Mae form Loan Documents have been approved by Fannie Mae.

404.03 Servicer Certification When Fannie Mae Approval Is Required

For any document submitted to Fannie Mae for execution when the servicing decision has not been delegated to the Servicer, the Servicer must provide written certification to Fannie Mae that:

- the Servicer has reviewed the proposed transaction, and approval by the Servicer is not delegated under the Guide;
- the Servicer recommends approval by Fannie Mae of the proposed transaction;
- any required waivers have been submitted by the Servicer;
- Servicer's legal counsel has reviewed and approved all relevant documents associated with the transaction, and determined that those documents are sufficient to fully effectuate the transaction; and
- any material changes to Fannie Mae form Loan Documents have been approved by Fannie Mae.

Section 405 Fees Due to Fannie Mae

Certain fees may be due to Fannie Mae in connection with a Borrower servicing request. The specified fees are for typical requests; however, higher fees may be required for complicated or non-standard requests, or for other matters not specified in this Chapter. No later than 10 Business Days following receipt of any fee by the Servicer, the Servicer must remit to Fannie Mae, by wire transfer of immediately available funds, Fannie Mae's portion of the fee. The Servicer must submit the wire transfer confirmation number, wire date, and wire amount through the MAMP immediately following each funds transfer, as follows:

ABA Number: 021 039 500

Telegraphic Abbreviation: FNMA/NYC

Account Number: 169220242

Note: Type of fee (e.g., Assumption/Transfer), Fannie Mae Loan Number and Property Name Attention: Trans code 507 - GL 747669921.

Section 406 Follow-Up Actions by the Servicer

The Servicer must take all applicable actions required to fully effectuate the transaction, including:

Effective: 10/01/2025

- amending the recorded Security Instrument or filed Uniform Commercial Code (UCC) financing statements;
- updating the Property survey;
- obtaining an endorsement to the mortgagee's title insurance policy showing no impairment of Fannie Mae's Lien position, and dating down title to reflect any recorded amendment to the Security Instrument;
- recording all applicable documents, and sending the required documents through the MAMP;
- sending an executed original copy of any new or amended Loan Document to Multifamily Certification and Custody within 15 Business Days;
- following the requirements of Part V, Chapter 3: Custodial Accounts, Section 301: Generally if changes are required to any existing Collateral Agreement Custodial Account, or if any new Collateral Agreement Custodial Account must be established in connection with the transaction:
- retaining copies of all documents, correspondence, and any internal notes or analysis relating to the transaction in the Servicing File; and
- taking any other actions the Servicer or its legal counsel determines are necessary.

Section 407 Subordinate Financing

407.01 Non-Fannie Mae Subordinate Financing

A Subordinate Loan is generally not permitted unless it complies with Fannie Mae's requirements. Approval of any Subordinate Loan is not delegated to the Servicer and must be approved in advance by Fannie Mae. Additionally:

- with respect to any Subordinate Loan, the Servicer must abide by the terms and conditions of the Loan Documents, the Guide, and any Disclosure Documents, provided that the Loan Documents will control in the case of any conflict;
- unless the Loan Documents explicitly allow a Subordinate Loan, the Servicer must not permit the Borrower, without prior Fannie Mae approval, to incur the Subordinate Loan or allow a Lien securing the Subordinate Loan to be placed against the Property;
- if the Loan Documents explicitly allow a Subordinate Loan without the approval of the Lender, the consent of the Servicer or Fannie Mae is not required; however, notice of the Subordinate Loan and a copy of any documents must be

submitted through the MAMP;

- the Borrower and the subordinate lender must enter into and record the appropriate Subordination Agreement (Form 6414 or Form 6456 for the 6000 series Loan Documents; Form 4503 or Form 4507 for the 4000 Series Loan Documents); and
- the proceeds of the Subordinate Loan must benefit the Property (i.e., cash-out financing is not permitted).

The Servicer must immediately notify Multifamily Asset Management in writing upon learning of any unauthorized additional unsecured debt or indebtedness secured by a Lien on the Property or of any pledge of ownership interests that is not permitted by the Loan Documents, and send the Borrower a Reservation of Rights Letter (Form 4804) with a copy submitted through the MAMP. Fannie Mae will determine whether to approve the Subordinate Loan, or exercise its remedies.

407.02 Prerequisite for Subordinate Financing

Part III, Chapter 14: Supplemental Mortgage Loans, contains the requirements for Supplemental Mortgage Loans, and Part III, Chapter 7: Multifamily Affordable Housing Properties contains additional requirements for subordinate financing with respect to a Multifamily Affordable Housing Property. The Servicer must ensure adherence to all applicable requirements.

407.03 Fees for Subordinate Financing

The Borrower must pay the Servicer a \$2,500 review fee. The Servicer may increase or decrease its fee at its discretion. No Fannie Mae review fees are due. The Servicer may also seek reimbursement from the Borrower for all reasonable out-of-pocket costs, including reasonable legal fees incurred by Servicer's counsel.

If Fannie Mae outside counsel is engaged, the Borrower must pay its fee, estimated at \$2,500 for Subordinate Financing requests. The actual legal fee may be higher or lower, depending on the ultimate scope of the request and the time necessary to resolve. The Servicer will receive a summary invoice directly from Fannie Mae outside counsel and must arrange for payment. The Servicer will be apprised of any likely increases in the estimated review fee. The estimated legal fee must be collected from the Borrower before engaging Fannie Mae outside counsel.

407.04 Submitting the Request for Subordinate Financing

Any Borrower request for approval of a Subordinate Loan must be reviewed by the Servicer. If acceptable, the request must be submitted for

approval through the MAMP in accordance with the following:

- the Servicer must submit the request to Fannie Mae at least 30 days before the projected closing date of the Subordinate Loan; and
- the submission must contain:
 - an Appraisal (obtained at the Borrower's cost), dated no earlier than 90 days prior to the date of the Borrower request for approval of the Subordinate Loan, that complies with Part II, Chapter 2: Valuation and Income, Section 202: Appraisal and Valuation;
 - Servicer's underwriting spreadsheet showing the Subordinate Loan's effect on the Property's income, expenses, NCF, DSCR, and LTV;
 - a copy of the final, unsigned loan documents evidencing the Subordinate Loan, with the loan amount, interest rate, payment schedules, and all other transaction related information completed;
 - the MBA Standard Inspection Form documenting a physical inspection of the Property, performed at Borrower's expense, occurring no earlier than 90 days before the date of the Borrower request for the Subordinate Loan; provided that, if the Servicer's inspection of the Property reveals that the Property is not being properly maintained, the Borrower request will not be approved by Fannie Mae unless:
 - a Replacement Reserve is sufficiently funded; and
 - the Borrower makes any Immediate Repairs identified by the Servicer prior to the closing date of the Subordinate Loan; and
 - a title policy endorsement for the Property showing no unauthorized Liens or encumbrances of any nature against the Property.

For a Cooperative Property, the Subordinate Loan is unacceptable if the potential increase in the Cooperative Maintenance Fee necessary to cover P&I on the Subordinate Loan exceeds 10% of the current Cooperative Maintenance Fee.

407.05 Fannie Mae Approval and Execution

Fannie Mae will provide the Servicer with a written decision regarding the Borrower request, after which the Servicer must notify the Borrower in writing and retain the notice in the Servicing File.

407.06 Subsequent Servicer Actions

The Servicer must:

- not permit any changes to the form Subordination Agreement (Form 6414 or Form 6456 for the 6000 series Loan Documents; Form 4503 or Form 4507 for the 4000 series Loan Documents) without the prior written consent of Fannie Mae;
- obtain a satisfactory title policy endorsement effective as of the date of recordation of the subordinate security instrument that:
 - insures the Lien of the Security Instrument as senior to the Lien of the subordinate security instrument; and
 - reflects the recordation of the Subordination Agreement;
- submit a copy of the recorded Subordination Agreement through the MAMP; and
- send the original executed copy of the recorded Subordination Agreement and the title policy endorsement to Multifamily Certification and Custody within 15 Business Days, and retain copies of each in the Servicing File.

Section 408 Administration of Collateral Agreements

408.01 General Administrative Requirements

408.01A Administration of Funds

The Servicer must:

- administer and manage funds or collateral under all Collateral Agreements; and
- ensure that any disbursements of funds, or other collateral releases or reductions, are:
 - approved only for valid reasons;
 - appropriately documented; and
 - consistent with the provisions of the Collateral Agreement and this Section.

408.01B Funds to be Held in a Custodial Account

The Servicer must deposit funds held under a Collateral Agreement in a Custodial Account that meets the requirements of Part V,

Chapter 3: Custodial Accounts.

408.01C Use of Funds

Funds must be used only for the purposes stated in the Collateral Agreement, and must not supplement a partial P&I payment or cover any other Borrower obligation unrelated to the primary purposes of the Collateral Agreement.

408.01D Funds as Additional Security for Mortgage Loan

All funds or other collateral held under a Collateral Agreement constitute additional security for the Borrower's obligations under the Note and the other Loan Documents. In the event of a default under the Loan Documents, Fannie Mae reserves the right to apply (or direct the Servicer to apply) the funds or other collateral held under any Collateral Agreement in any manner allowed under the terms of such Collateral Agreement.

Following a default, unless instructed by Fannie Mae, the Servicer must not:

- release any funds or other collateral held under a Collateral Agreement;
- apply any funds or collateral to the repayment of the Mortgage Loan; or
- reimburse itself from such funds or collateral for any expenses or losses incurred by the Servicer.

408.01E Servicer's Fees and Costs

If the Collateral Agreement contemplates the payment of fees or costs by the Borrower, the Servicer may collect and retain such fees or costs for its own account, adhering to any specific billing provisions of the Collateral Agreement. Any fees or costs retained by the Servicer must be reasonable in relation to the nature and scope of the services provided by or on behalf of the Servicer. The Servicer must not use any of the funds or other collateral held under the Collateral Agreement to cover such fees or costs. However, the Servicer may deduct such fees or costs from any disbursement of funds to the Borrower, provided such disbursements, fees, and costs are permitted under the Collateral Agreement, or if the Borrower otherwise agrees in writing.

408.01F Waiver or Modification of Terms of Collateral Agreement

Except as noted in this Chapter, the Servicer must not waive or modify the terms of any Collateral Agreement.

408.02 Achievement Agreement or Other Agreement for Additional Collateral

408.02A General

The provisions of this Section govern Achievement Agreements and all Collateral Agreements, other than:

- Multifamily Loan Agreements, including the Completion/Repair Schedule and Replacement Reserve Schedule;
- Security Instruments;
- Replacement Reserve Agreements; and
- Completion/Repair Agreements.

The Servicer must maintain an effective system for monitoring the expiration date of any Achievement Agreement or other Collateral Agreement, and ensure that all actions required to be taken pursuant to any such agreement have been timely performed and, if not timely performed, immediately notify Multifamily Asset Management.

408.02B Releases or Reductions in Collateral

Any request for a release or reduction of collateral must be processed in accordance with this Section, unless these instructions conflict with the terms and conditions of the Achievement Agreement or other Collateral Agreement.

1. General

If the Borrower has not satisfied the requirements for a release or reduction of collateral contained in the Achievement Agreement or other Collateral Agreement, the Servicer must not approve the Borrower request, and may decline the Borrower request without notice to Fannie Mae. If the Servicer determines that the Borrower has satisfied the requirements of the Achievement Agreement or other Collateral Agreement, the Servicer must recommend the release or reduction of collateral through the MAMP, accompanied by the supporting documentation listed below. Upon receipt and review of all pertinent information, Fannie Mae will approve or deny the request and notify the Servicer of its decision.

2. Supporting Documentation and Analysis

The following documentation must be submitted through the MAMP, and maintained in the Servicing File, in connection with each request for a release or reduction of collateral

Effective: 10/01/2025

(a) Income and Expense Statements; Current Rent Roll

Property income and expense statements and a current rent roll must be obtained from, and certified by, the Borrower. The statements must cover the applicable period required by the Achievement Agreement or other Collateral Agreement. Based on the Loan Documents, Parts I - III, the certified income and expense statements, and the current rent roll, the Servicer must develop a Net Cash Flow estimate to determine whether the release or reduction provisions of the applicable Achievement Agreement or other Collateral Agreement are satisfied. The income, vacancy, collection loss, and concession information should support the Effective Gross Income that the Servicer is relying on in assessing whether a release or reduction is warranted

In deriving its estimate of Effective Gross Income, the Servicer must adjust for:

- income that was not allowed or recognized in the original underwriting;
- the effect of a partial year's performance when the shorter period reflects the shortterm, positive impact from seasonal variations that do not reflect the Property's year-round performance; and
- non-monetary concessions, requiring the Servicer to deduct the pro-rata value of the concession from the monthly rent for the applicable unit.

The Servicer must ensure that all appropriate types of expenses, including underwritten Replacement Reserve deposits, are included, and that any inappropriate expenses (e.g., capital improvement costs, repair costs covered by funds set aside for Completion/Repairs, partnership costs, etc.) are excluded. To avoid unwarranted releases or reductions of collateral, the expense figures must reflect stabilized operating conditions, and must not be understated due to efficiencies or savings that could not be replicated by a different owner or manager, or that would not be recognized for underwriting purposes.

The Servicer must perform a line-by-line expense analysis, including a comparison of the original underwriting estimates with the actual expenses shown on the Borrower's income and expense statements. The Servicer must use the greater of the underwritten or the actual expense figure shown for each item on the Borrower's statement.

(b) Servicer's Analysis

The Servicer must provide an analysis and recommendation regarding the release or reduction of collateral, including any calculations required under the terms of the applicable Achievement Agreement or other Collateral Agreement.

(c) Correspondence

The Servicer must provide any correspondence with the Borrower that pertains to the release or reduction request.

3. Property Inspection

Before approving any request for a release or reduction of collateral, the Servicer must perform a physical inspection of the Property to verify that:

- no deferred maintenance exists;
- necessary capital improvements have been made; and
- the general management and operations are acceptable and characteristic of a stabilized project.

The Servicer's inspection must occur no more than 90 days prior to the date of the submission to Fannie Mae of the release or reduction request. The Servicer must document the results of its inspection by completing the MBA Standard Inspection Form.

408.02C Draws on Letters of Credit or Application of Other Collateral

1. Draws Triggered by Adverse Events

The Servicer must promptly notify Multifamily Asset
Management when any of the following events occur, which could result
in a draw on a Letter of Credit issued for an Achievement Agreement or
other Collateral Agreement:

- a default under the Loan Documents, including the Achievement Agreement or other Collateral Agreement;
- the failure to renew or replace an expiring Letter of Credit at least 30 days prior to its expiration date, or other deadline specified in the Achievement Agreement or other Collateral Agreement; or
- the failure to replace a Letter of Credit by the replacement deadline when the Issuer is no longer acceptably rated.

The Servicer's notice to Fannie Mae must include a recommended course of action, and be accompanied by a copy of the executed Achievement Agreement or other Collateral Agreement.

Effective: 10/01/2025

2. Draw Resulting from Noncompliance with Issuer Rating Requirements or Expiration of Letter of Credit

If a draw on the Letter of Credit occurs due to noncompliance with the rating requirements for the Issuer or because of an imminent expiration of the Letter of Credit, Fannie Mae will hold the Letter of Credit proceeds in its designated account until the earliest of the following:

- the Borrower presents a replacement Letter of Credit and Fannie Mae agrees, in its sole discretion, to accept the Letter of Credit;
 - (NOTE: Any agreement by Fannie Mae to accept a replacement Letter of Credit will be conditioned upon the Borrower's payment of all administrative and legal costs incurred by the Servicer and Fannie Mae in connection with the replacement of the Letter of Credit.)
- the release or reduction provisions of the applicable Achievement Agreement or other Collateral Agreement are satisfied; or
- the Borrower pays all amounts due and payable under the Loan Documents, including any required Prepayment Premium, and Fannie Mae releases the Lien of the Security Instrument.

3. Draws Occasioned by Borrower Request

If the Servicer receives a request from the Borrower to draw on the Letter of Credit and have the proceeds applied as a partial prepayment against the UPB, and the Loan Documents allow partial prepayments, the Servicer must immediately forward the request, along with an analysis and recommendation, including an estimate of the applicable Prepayment Premium, to Fannie Mae. If the Loan Documents do not allow partial prepayments, the Servicer must deny the Borrower request.

Fannie Mae will assess the Borrower request and determine if the proposed use of the Letter of Credit proceeds or other collateral would be in the best interest of Fannie Mae and/or the Investor in any Securitized Mortgage Loan. Any decision to apply Letter of Credit proceeds or apply other collateral to a partial prepayment will be made by Fannie Mae in its sole discretion. Fannie Mae will notify the Servicer of its determination and will provide appropriate follow-up instructions.

4. No Interest on Proceeds Held by Fannie Mae

Fannie Mae will not pay interest on the cash proceeds it holds resulting from a draw on a Letter of Credit.

408.02D Releasing Additional Escrows for Principal and Interest, Taxes and Insurance, and Replacement Reserves

Notwithstanding anything contained in this Chapter, if no Event of Default has occurred and is continuing under any of the Loan Documents (including Forbearance), the Servicer is delegated the authority to waive any Loan Document requirement prohibiting the Servicer from immediately approving a partial or final disbursement request of Additional Escrows for P&I, T&I, and Replacement Reserves required by:

- Form 6268 Modifications to Multifamily Loan and Security Agreement (Additional Reserve Escrows);
- Form 6640 Amendment to Multifamily Loan and Security Agreement (Additional P&I Escrow Agreement); or
- Form 6641 Additional P&I Escrow Agreement (4000 series Loan Documents).

The Servicer is delegated the authority to:

- determine whether the waiver requires a Loan Document amendment; and
- document any amendment in any form the Servicer determines to be legally enforceable.

Servicers must document all disbursement requests, including any supporting documentation and analysis, in the Servicing File.

408.03 Completion/Repairs

408.03A General

The Loan Documents for administering Completion/Repairs are:

- for Mortgage Loans documented with the 6000 series Loan Documents, the Multifamily Loan Agreement, plus the:
 - Completion/Repair Schedule;
 - Multifamily Loan Agreement and Modifications to Multifamily Loan and Security Agreement (Rehabilitation Reserve - Moderate Rehabilitation/Substantial Rehabilitation); or
 - another approved Modifications to Multifamily Loan and Security Agreement; and
- For Mortgage Loans documented with the 4000 series Loan Documents, the Completion/Repair Agreement.

Effective: 10/01/2025

The Servicer must administer the Loan Documents to ensure the timely implementation of all Completion/Repairs. Once the Completion/Repairs are completed and comply with the Guide, the Servicer must enter the final completion dates and close out the work items for the Mortgage Loan in the Completion/Repair module in the MAMP. Additional information may be required for any Mortgage Loan assigned to Loss Mitigation. If the Mortgage Loan does not have work items in the MAMP, no further action in the MAMP is required.

408.03B Extensions for Completion/Repairs

The Servicer is delegated the authority to extend the time limits for making Completion/Repairs if:

- the Completion/Repairs subject to the extension request do not involve life safety issues; and
- the Mortgage Loan does not have a Fannie Mae risk rating of Substandard or Doubtful.

Notwithstanding the above, the Servicer is delegated the authority to grant a one-time extension of 30 days for a life safety issue if the Borrower is diligently pursuing completion of the related Completion/Repair.

The duration of any permitted non-life safety extension may not exceed:

- 1 year past the original completion date specified in the Loan Documents for that Completion/Repair, for a Mortgage Loan without loss sharing; and
- 2 years past the original completion date specified in the Loan Documents for that Completion/Repair, for any Mortgage Loan with loss sharing.

The Servicer must submit a Non-Monetary Default Borrower Request in the MAMP if the required Completion/Repairs are not completed with this timeframe.

The Servicer is delegated the authority to grant a one-time extension of up to 90 days past the original completion date for any Completion/Repairs that are Efficiency Measures which the Borrower agreed to implement to qualify as a Green Rewards Mortgage Loan. The Servicer is not delegated the authority to extend the time limit beyond 90 days.

The Servicer is delegated the authority to:

- determine whether the extension requires an amendment to the Loan Documents; and
- document a required amendment in any form the Servicer

Effective: 10/01/2025

determines to be legally enforceable.

408.03C Completion/Repair Loan Document Amendments

Servicers are delegated the authority to move required Completion/Repairs from the Completion/Repair Schedule to the Replacement Reserve Schedule, or from the Completion/Repair Agreement to the Replacement Reserve Agreement, and the associated deposit from the Completion/Repair Escrow into the Replacement Reserve, provided:

- the Completion/Repair does not involve life safety issues;
- delaying the Completion/Repair will not materially negatively impact the Property; and
- the total amount of Completion/Repairs being transferred does not exceed the lesser of (i) 25% of the original Completion/Repair Escrow, or (ii) \$75,000.

Notwithstanding the above, the Servicer is not delegated the authority to move required Completion/Repairs to the Replacement Reserve Schedule for any Efficiency Measures that the Borrower agreed to implement in order to qualify as a Green Rewards Mortgage Loan.

The Servicer must:

- send the executed Loan Document amendment to Multifamily Certification and Custody within 15 Business Days;
- submit a copy of the Loan Document amendment through the MAMP for any Mortgage Loan with a Completion/Repair work item in the MAMP; and
- retain a copy in its Servicing File.

408.03D Servicer's Administrative Requirements

For all Completion/Repairs, the Servicer must:

- retain a copy of the executed Multifamily Loan Agreement and Completion/Repair Schedule or Completion/Repair Agreement in its Servicing File;
- hold all Completion/Repair Escrow funds in an account that meets the Custodial Account requirements of Part V, Chapter 3: Custodial Accounts;
- ensure that all necessary permits are obtained, and that all required work is satisfactorily completed in a good and workmanlike manner by the completion dates stipulated in the

Effective: 10/01/2025

Loan Documents:

- for a Green Rewards Mortgage Loan, ensure all Efficiency Measures are completed in a timely manner and no later than:
 - 12 months after the Mortgage Loan Origination Date; or
 - any shorter time period per Part II, Chapter 4: Lease Audits, Inspections, and Reserves, Section 404: Property Condition Assessment (PCA) for capital improvements identified as Immediate Repairs by the PCA;
- process Borrower requisitions for funds in accordance with the terms and conditions of the Loan Documents;
- perform required inspections of completed work and, if appropriate, work in progress and, if necessary, arrange inspections by qualified professionals;
- ensure that the Completion/Repair work does not result in any mechanics' Liens, materialmen's Liens, or other Liens that have not been acceptably bonded over;
- promptly submit a Non-Monetary Default Borrower Request in the MAMP for any Completion/Repair Loan Document default;
- take appropriate steps to remedy or address any default under the Loan Documents for Completion/Repairs; and
- perform all other administrative duties required by the Loan Documents for Completion/Repairs.

408.03E Processing Borrower Requisitions

1. General

Completion/Repair Escrow funds are available to reimburse the Borrower for costs incurred for Completion/Repairs that are specifically identified in the Loan Documents. The Servicer may authorize the release of funds to cover the costs of other reasonable and necessary repairs, replacements, or improvements that are not specified in the Loan Documents only if the Loan Documents permit the disbursements, and all conditions are fully satisfied.

2. Required Documentation for Disbursement

To obtain reimbursement, the Borrower must submit a written requisition specifying the Completion/Repairs for which reimbursement is being sought, including:

- the specific Completion/Repairs completed;
- the quantity and price of all materials (grouped by type

or category) or specific replacement items (e.g., appliances) purchased in connection with the Completion/Repairs; and

the cost of all contracted labor or other services involved in completing the Completion/Repairs.

The Borrower requisition for the specified Completion/Repairs for which reimbursement is being sought must be accompanied by:

- a Borrower certification that the specific Completion/Repairs have been completed:
 - in a good and workmanlike manner;
 - in accordance with any plans and specifications previously approved by the Servicer; and
 - in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the Property; and
- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
 - a copy of the invoice detailing the covered materials, labor, or services;
 - payment evidence; and
 - a Lien release from each contractor, subcontractor, or materialman.

3. Disbursement of Funds (Excluding Final Disbursement)

The Servicer may disburse funds to the Borrower only if it has received all required documentation and determined that all applicable conditions for disbursement have been met, including (but not limited to) the following:

- all Completion/Repairs covered by the requisition have been completed in a good and workmanlike manner, as evidenced by the Borrower's submission and, if appropriate, an inspection of the completed work (see guidance on inspections below);
- all related invoices for items and services covered by the requisition have been paid, unless the Borrower

has satisfied any applicable conditions of the Loan Documents for issuance of a joint check(s), made payable to the Borrower and the Person owed funds under such invoices;

- no mechanics' Liens, materialmen's Liens, or other Liens exist, unless acceptably bonded over;
- no default exists under any Loan Document;
- for each Green Rewards Efficiency Measure disbursement, the Efficiency Measure was reported as:
 - compliant on the Green Rewards Verification Inspection Form (Form 4221) per Part V, Chapter 4: Asset Management: Loan Document Administration, Section 408.03I: Green Rewards Efficiency Measure Verification; or
 - noncompliant, and Fannie Mae has approved and closed the remediation in DUS Property Monitor; and
- for a Green Rewards Mortgage Loan with a Solar PV System as an Efficiency Measure, Completion/Repair Escrow funds are only released after confirming commercial operation of the Solar PV System.

The amount disbursed to the Borrower for any requisition, other than the final requisition, may not exceed the actual cost of the Completion/Repairs, and may be less than the actual cost if, after disbursement, the amount of funds remaining in the Completion/Repair Escrow would be less than the anticipated cost of completing all remaining Completion/Repairs plus any holdback specified in the Loan Documents.

Notwithstanding the above, once 75% of the total dollar amount of Completion/Repairs is disbursed, the Servicer may release funds in the Completion/Repair Escrow, provided:

- funds are only released for Completion/Repairs that have been fully completed;
- the Servicer has complied with all other disbursement requirements;
- the Servicer completes an analysis showing that the remaining amount in the Completion/Repair Escrow is sufficient to complete all remaining

Completion/Repairs;

- the Borrower affirms in writing its obligation to complete the remaining Completion/Repairs by the required completion dates; and
- the Completion/Repair Escrow is not for a Green Rewards Efficiency Measure that must be released per Part V, Chapter 4: Asset Management: Loan Document Administration, Section 408.03I: Green Rewards Efficiency Measure Verification.

For Green Rewards Efficiency Measures included in a Moderate Rehabilitation Mortgage Loan, funds may be periodically disbursed from the applicable Completion/Repair Escrow or Rehabilitation Reserve Escrow as with a non-Green Rewards Mortgage Loan, rather than only after a compliant verification inspection of Efficiency Measures.

4. Final Disbursement of Funds

Before making the final disbursement of funds from the Completion/Repair Escrow, the Servicer must confirm and document the absence of any mechanics' and materialmen's Liens by requiring the Borrower to obtain an updated title report or a title policy endorsement showing that no such Liens exist. The Servicer may waive the updated title report or endorsement when the total scope of work is less than \$75,000. If the Borrower fails to provide the required title documentation, the Servicer must obtain a title report or title policy endorsement, and may charge the Borrower for the cost.

The Servicer may make a final disbursement of all remaining funds upon satisfactory completion of all required Completion/Repairs, and satisfaction of all other applicable release conditions contained in the Loan Documents for Completion/Repairs.

5. Maintenance of Servicing File

The Servicer must document the action taken with respect to each Borrower requisition for funds from the Completion/Repair Escrow in its Servicing File.

408.03F Inspections

1. Use of Third Party

The Servicer may inspect the Property, or have a qualified independent third party inspect the Property, to confirm that the Completion/Repairs covered by the requisition have been satisfactorily completed. The Servicer is responsible for monitoring the third-party's performance.

2. When Periodic Inspections Are Required

Periodic inspections must be performed as the work progresses if the Completion/Repairs:

- exceed in the aggregate the lesser of:
 - \$500,000, or 20% of the UPB for any Mortgage Loan with loss sharing; or
 - \$250,000, or 10% of the UPB for any Mortgage Loan without loss sharing; and
- are likely to require more than 6 months to complete.

Inspections must occur at least every 6 months, or more frequently at the Servicer's discretion.

3. When a Final Inspection Is Required

An inspection must be performed to ensure that all Completion/Repairs have been satisfactorily completed before approving and disbursing the final requisition when the Completion/Repairs exceed the lesser of:

- \$500,000, or 20% of the UPB for any Mortgage Loan with loss sharing; or
- \$250,000, or 10% of the UPB for any Mortgage Loan without loss sharing.

4. Confirming Completion/Repairs if Inspection Is Not Required

Even if an inspection is not required by this Section, the Borrower must provide evidence to the Servicer that all Completion/Repairs covered by the requisition have been satisfactorily completed. If not inspected sooner, the Servicer must confirm the satisfactory completion of the Completion/Repairs during the next regularly scheduled Property inspection.

5. Documenting the Servicing File

In all instances, the Servicer must document in its Servicing File whether all work was satisfactorily completed.

408.03G Fees

Completion/Repair Escrow funds may not be used to cover any administrative or inspection fees due to the Servicer unless expressly permitted Loan Documents, or the Borrower agrees in writing. If permitted, the Servicer may charge the Borrower and deduct the following from any disbursement of funds:

- reasonable fees to cover the Servicer's costs of administering the Completion/Repairs; and
- additional fees to cover any reasonable inspection costs that are not adequately covered by general administrative fees collected from the Borrower.

408.03H Completion/Repair Defaults

1. Notification of Default to Fannie Mae

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP for any Completion/Repair Loan Document default.

2. No Release of Funds to Borrower

No funds may be released to the Borrower while the Borrower is in default under any of the Loan Documents.

408.03I Green Rewards Efficiency Measure Verification

For all Green Rewards Mortgage Loans, the Servicer must ensure a Green Rewards Verification inspection is performed for all Efficiency Measures to confirm correct installation, and identify any errors that may hinder the Property achieving the expected savings and benefits.

1. Green Rewards Verification Inspection

For a Green Rewards Verification inspection, the inspector must use the Green Rewards Verification Inspection Form (Form 4221) that is pre-populated with Property information and the Efficiency Measures identified as Green Rewards Repairs in the Completion/Repair Schedule. The Servicer must submit Form 4221 within 60 days after the Green Rewards Verification inspection date, and timely resolve any issues identified by Fannie Mae.

2. Minimum Inspector Qualifications

Third-party or Servicer staff must attend Fannie Mae's Green Rewards Verification inspection training on the requirements, processes, and documentation before conducting Green Rewards Verification inspections.

The minimum inspector qualifications correspond to the applicable Efficiency Measure type, and may be held by the inspection project team, rather than by an individual inspector.

Efficiency		Minimum Inspector
Measures	Description	Qualification

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 624 of 783

Basic	Simple upgrades such as: • low-flow water fixtures; or • lighting improvements.	Servicer must ensure the inspector is either a qualified third-party or Servicer staff per Part V, Chapter 5: Surveillance, Section 502.03: Property Inspection Protocol and Part V, Chapter 5: Surveillance, Section 502.05A: Qualifications.
Complex	Upgrades and changes to building systems, such as: • heat recovery ventilation systems; or • boiler controls.	 For Solar PV System Efficiency Measures, the Servicer must retain a Solar Technical Consultant per Part III, Chapter 4: Green Mortgage Loans, Section 401.03: Technical Solar Report, qualified PCA High Performance Building Consultant per the Instructions for Performing a Multifamily Property Condition Assessment (Form 4099). For other Efficiency Measures, the Servicer must retain a qualified PCA High Performance Building Consultant per Form 4099.

3. Unit Inspection

The inspector must inspect a minimum number of occupied and vacant units as follows:

Total number of units	Minimum number of units to be inspected
Less than 20	3 units
20 - 55	5 units
56 - 99	10% of total units
100 - 200	10 units
201 - 600	5% of total units

Form 4221 calculates the required number of units and tracks the number of completed units based on the user's inputs. When unit inspections are required, the Servicer must:

- Determine the appropriate combination of vacant and occupied units for inspection.
- Determine which vacant and occupied units to inspect.
- Submit at least:
 - 1 representative photograph of each Efficiency Measure listed on Form 4221; and
 - 1 photograph of each non-compliant Efficiency Measure.

For Partial Efficiency Measures, the Servicer must request a rent roll or other documentation identifying the units that received Partial Efficiency Measure installations, and conduct the Green Rewards Verification of those units.

4. Determining Compliance

An Efficiency Measure is compliant when the inspector:

- inspects each Efficiency Measure;
- verifies its proper installation within specifications using product information and field observation;
- confirms the Efficiency Measure installation meets the Multifamily Loan Agreement and Completion/Repair Schedule requirements; and
- documents it on Form 4221.

5. Remediating Noncompliance

When an Efficiency Measure is noncompliant:

- The Servicer must:
 - provide a notice of the Efficiency Measure deficiencies to the Borrower and determine a course of action;
 - submit a remediation action plan through the DUS Property Monitor system that:
 - addresses the Property's Efficiency Measure deficiencies; and

Effective: 10/01/2025

provides a target date for remediation completion that

is no more than 60 days after the Borrower receives the notice of deficiencies.

- The Borrower must correct or complete the Efficiency Measure installation during the remediation period.
- Fannie Mae may require the Servicer to inspect the remediated Efficiency Measures based on the severity of noncompliance.

6. Verification Inspection Form Review

The Servicer must internally review all Green Rewards Verification Inspection Forms (Form 4221), whether prepared by a third party or by the Servicer before submission.

408.04 Replacement Reserve

are:

408.04A General

The Loan Documents for administering Replacement Reserves

- Multifamily Loan Agreement and Replacement Reserve Schedule, for Mortgage Loans documented with the 6000 series Loan Documents; and
- Replacement Reserve Agreement, for Mortgage Loans documented with the 4000 series Loan Documents.

The Replacement Reserve funds must be held by the Servicer in a Custodial Account, and are intended to pay for necessary replacements of capital items or major maintenance work to the Property over the term of the Mortgage Loan.

408.04B Replacement Reserve Loan Document Amendments

If the Servicer's Limited Power of Attorney delegates the authority to amend the Loan Documents to revise the terms governing the Replacement Reserves, only the changes expressly permitted by this Section can be made, and the delegation does not expand the Servicer's ability to change or modify any other term of the Loan Documents.

The Servicer must send the executed Loan Document Amendment to Multifamily Certification and Custody within 15 Business Days, and retain a copy in its Servicing File.

408.04C Servicer's Administrative Requirements

For all Replacement Reserves, the Servicer must:

© 2025 Fannie Mae. Trademarks of Fannie Mae. Effective: 10/01/2025 627 of 783

- retain a copy of the executed Multifamily Loan Agreement and Replacement Reserve Schedule or Replacement Reserve Agreement in its Servicing File;
- unless the Borrower has requested in writing a non-interest bearing account, hold all funds in an interest-bearing Custodial Account that meets the requirements of Part V, Chapter 3: Custodial Accounts and the Loan Documents;
- ensure that all required deposits are made to the Replacement Reserve in accordance with the Loan Documents;
- process Borrower requisitions for funds in accordance with the terms and conditions of the Loan Documents:
- perform required inspections of completed work and, if appropriate, work in progress, and arrange, if necessary, for inspections by qualified professionals;
- ensure that work funded from the Replacement Reserve does not result in any mechanics' Liens, materialmen's Liens, or other Liens that have not been acceptably bonded over;
- promptly submit a Non-Monetary Default Borrower Request in the MAMP for any Replacement Reserve Loan Document default:
- take appropriate steps to remedy or address any default under the Loan Documents for Replacements, Repairs, or Restoration; and
- reassess the adequacy of the Replacement Reserve or the schedule of required deposits; and
- perform all other administrative duties required by the Loan Documents for the Replacement Reserve.

408.04D Modifications to Replacement Reserve Deposits

Based on the results of a Property inspection or a new Property Condition Assessment as required below, the Servicer may determine that the current level of Replacement Reserve funding and scheduled deposits will be insufficient to meet all projected capital item or major maintenance needs. The Servicer must then:

- adjust the Replacement Reserve Schedule or the Replacement Reserve Agreement and the Replacement Reserve funding to a sufficient level, if warranted, in accordance with the Loan Documents and Part III, by requiring the Borrower to:
 - deposit a lump sum into the Replacement Reserve; and/or

- increase the monthly Replacement Reserve deposit; and
- give the Borrower at least 30 days advance written notice prior to implementing any of the foregoing changes.

Based on the results of the new Property Condition Assessment obtained during the underwriting and delivery of a Supplemental Mortgage Loan, the Servicer may:

- adjust the Replacement Reserve funding, scheduled deposits, and Completion/Repair Schedule of all Pre-Existing Mortgage Loans to match the Supplemental Mortgage Loan underwriting; and
- amend the Loan Documents accordingly.

408.04E New Property Condition Assessments

1. Timing and Waivers

A new full PCA per Form 4099 is required for:

- all MAH Properties every 5 years; or
- for any other Mortgage Loan with a term greater than 10 years, during the 10th Loan Year, and every 10 years thereafter, while the Mortgage Loan remains outstanding, or per the Loan Documents.

Notwithstanding the above, the Servicer is delegated the authority to waive the new PCA for non-MAH Properties as follows:

Remaining Loan Term	Servicer Delegation
Less than 1 Year	The new PCA may be waived for a Mortgage Loan with a: Pass rating; Property inspection less than 1 year old; and most recent Property Condition Rating of 1, 2, or 3.

Effective: 10/01/2025

The new PCA may be waived for a Mortgage Loan with a:
 Pass rating; Property inspection report less than 1 year old; and most recent Property Condition Rating of 1 or 2.
The new PCA may be waived for 5 years for a Mortgage Loan with a:
 Pass rating; Property Inspection report less than 1 year old; and most recent Property Condition Rating of 1 or 2.

After 5 years, a new PCA is required unless the Mortgage Loan continues to qualify for Servicer waiver delegation. A Property may only receive a PCA waiver twice (i.e., a Mortgage Loan with a 30-year term may obtain a PCA waiver after the 10th loan year and the 15th loan year, but a new PCA is required after the 20th loan year).

All PCA waivers must be documented in the Servicing File, and any PCA waiver may be rescinded by Fannie Mae or the Servicer at any time if the Property condition warrants a new PCA.

2. Delivery and Payment of Property Condition Assessment

The Servicer must submit any new PCA to Fannie Mae through the MAMP and retain a copy in its Servicing File. Subject to the terms of the Loan Documents, the cost of the PCA may be paid from funds in the Replacement Reserve.

408.04F When Replacement Reserve Funding Was Partially or Fully Waived

If Replacement Reserve funding was partially or fully waived at the Mortgage Loan Origination Date, the Servicer must monitor the condition of the Property to ensure the Borrower preserves and maintains the Property as required by the Loan Documents.

If the Servicer or Fannie Mae determines that the Borrower is not properly preserving and maintaining the Property, the Servicer must require the Borrower to begin making monthly deposits to the Replacement Reserve in accordance with either the funding schedule set forth in the Loan Documents, or an alternative funding schedule determined by the Servicer.

Effective: 10/01/2025

408.04G Interest on Replacement Reserve Funds

If the Servicer holds the Replacement Reserve funds in an interest-

bearing Custodial Account, none of the interest earned on the Replacement Reserve funds may be retained by the Servicer. Unless the Mortgage Loan is in default, all interest must be:

- added to the balance of the Replacement Reserve; or
- paid to the Borrower if applicable law requires or the Servicer agrees.

408.04H Items Eligible for Funding from the Replacement Reserve

Replacement Reserve funds are available to reimburse the Borrower for costs incurred to replace capital items or maintain major items specifically identified in the Loan Documents.

Replacement Reserve funds also may be used for discretionary replacements of capital items or major maintenance items that are not specifically identified in the Loan Documents, but which the Servicer determines are intended to be covered by a Replacement Reserve Schedule, such as those that would:

- correct or forestall a problem that may adversely affect the physical condition, livability, marketability, or value of the Property;
- directly contribute to the maintenance or enhancement of the Property's physical condition, livability, marketability, or value;
- likely be noted in an updated Property Condition Assessment.

If Replacement Reserve funds are used for purposes not originally contemplated in the Loan Documents, the Servicer must monitor and adjust the monthly reserve deposits to ensure sufficient funds are available to make timely replacements of capital items or major maintenance items in the manner contemplated in the Loan Documents and/or the PCA.

408.04I Items Not Eligible for Funding from the Replacement Reserve

The Servicer must not use Replacement Reserve funds to reimburse the Borrower for any item specifically identified for reimbursement as a Completion/Repair, or for any routine maintenance item, routine repair, or cosmetic repair that would normally be characterized as an operating expense. Replacement Reserve funds must never be used for P&I, T&I, or any other purpose not specifically permitted by the Loan Documents, or the Guide.

Effective: 10/01/2025

408.04J Processing Borrower Requisitions

1. General

The Loan Documents specify the frequency, timing, and size of disbursements from the Replacement Reserve.

2. Required Documentation

Each Borrower requisition must be in writing and specify, at a minimum:

- the specific capital item replaced or major maintenance items for which reimbursement is being sought, and if any item is not specifically identified in the Loan Documents, an explanation of why the Replacement Reserve funds should be released for the item;
- the quantity and price of each type of capital item replaced (e.g., refrigerators);
- the quantity and price of all materials or parts (grouped by type or category) purchased; and
- the cost of all contracted labor or other services.

Each Borrower requisition submitted to the Servicer must be accompanied by:

- a Borrower certification that the capital item replacements or major maintenance items covered by the requisition have been completed in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the Property; and
- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
 - a copy of the invoice detailing the covered materials, labor, or services;
 - payment evidence;
 - a Lien release from each contractor, subcontractor, or materialman; and
 - other relevant documentation required by the Loan Documents.

3. Disbursement of Funds

The Servicer may release funds to the Borrower only if all required documentation is received, and all applicable release conditions have been met, including, but not limited to:

Effective: 10/01/2025

all capital item replacements or major maintenance items

covered by the requisition have been completed in a good and workmanlike manner;

- all related invoices for capital items and services have been paid, unless the Borrower has satisfied any applicable conditions of the Loan Documents for issuance of a joint check, made payable to the Borrower and the Person owed funds:
- no mechanics' Liens, materialmen's Liens, or other Liens are outstanding that have not been acceptably bonded over; and
- the Borrower is not in default under any Loan Document.

The amount disbursed to the Borrower must not exceed the actual cost of the capital item replacements or major maintenance items covered by the Borrower's requisition.

4. Maintenance of Servicing File

The Servicer must ensure that the action taken with respect to each Borrower requisition for funds from the Replacement Reserve is appropriately documented in its Servicing File.

408.04K Inspections

The Servicer may use its discretion in deciding whether to conduct an on-site inspection before approving any specific requisition for Replacement Reserve funds. If the Servicer elects not to perform an on-site inspection when a requisition is submitted, the Servicer must inspect all capital item replacements or maintenance items covered by the requisition during its next scheduled Property inspection and confirm the satisfactory completion.

408.04L Fees

If the Loan Documents permit, the Servicer may collect and retain:

 a reasonable fee to cover the Servicer's routine costs of administering the Replacement Reserve; and

- additional fees to cover:
 - reasonable inspection costs, including the fees of any qualified professional used by the Servicer; and
 - any other reasonable costs incurred in connection with collecting, holding, investing, or disbursing Replacement Reserve funds but which are not adequately covered by the general administrative fees collected from the Borrower.

Subject to the Loan Documents, the Servicer may charge the Borrower a reasonable fee for any special inspection services provided in connection with a Replacement Reserve requisition; however, no fee may be charged if such inspection is made as part of a regularly scheduled Property inspection.

Replacement Reserve funds, including any interest, may not be used to cover fees due to the Servicer unless:

- the Loan Document specifically permits the Servicer to use Replacement Reserve funds to pay Servicer inspection fees; or
- the Borrower otherwise agrees in writing.

408.04M Replacement Reserve Defaults

1. Notification of Default to Fannie Mae

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP for any Replacement Reserve Loan Document default.

2. No Release of Funds to Borrower

No funds may be released to the Borrower while the Mortgage Loan is in default.

408.04N Return of Replacement Reserve Funds to Borrower

No later than 30 days after the Mortgage Loan is paid in full, the Servicer must refund to the Borrower all remaining Replacement Reserve funds.

408.040 Alternative Funding of Replacement Reserves for Portfolio Mortgage Loans

The Servicer may amend existing the Schedule 5 to Multifamily Loan Agreement - Replacement Reserve Schedule or Replacement Reserve Agreement on Fannie Mae's behalf to match the alternative Replacement Reserve funding available for newly originated Mortgage Loans if the Borrower has a history of adequate property maintenance, and no other concerns are present (e.g., declining Property condition, declining rents, declining Net Cash Flow). The Servicer must send the executed Loan Document amendment revising the Replacement Reserve Schedule or Replacement Reserve Agreement to Multifamily Certification and Custody within 15 Business Days, and retain a copy in its Servicing File.

The Servicer must ensure the Property is properly maintained on an ongoing basis. If the Property is not being properly maintained, the Servicer must reinstate monthly deposits to the Replacement Reserve and the reimbursement requisition process.

Section 409 Interest Rate Hedge Requirements

409.01 General

An acceptable Interest Rate Hedge must be in place and maintained at all times for:

- variable rate Credit Enhancement Mortgage Loans;
- Structured ARM Loans; and
- any Mortgage Loan where (i) the Borrower executed the Fannie Mae Interest Rate Cap Reserve and Security Agreement (Form 6442 series), or a similar agreement, allowing for a "springing" Interest Rate Cap under certain circumstances, and (ii) the requirement of the Borrower to acquire and pledge to the Lender an Interest Rate Cap has been triggered under the agreement.

The Interest Rate Hedge may be either an Interest Rate Cap or Interest Rate Swap, although the prior approval of Fannie Mae is required before the Borrower may enter into an Interest Rate Swap.

Each Interest Rate Hedge Agreement and its collateral assignment must meet the requirements of Part III, Chapter 12: Structured Adjustable Rate Mortgage (SARM) Loans.

Fannie Mae outside counsel must be engaged, at Borrower's cost, to review the hedge bid package and documents, and prepare the amended Loan Documents for each hedge renewal. The Servicer must submit a completed Counsel Designation Request for Interest Rate Hedge Transactions (Form 4625.A).

409.02 Interest Rate Hedge Coverage

409.02A Bond Credit Enhancement Transactions

For Bond Credit Enhancement Mortgage Loans, the Interest Rate Hedge must:

- be in place whenever the variable rate mode is in effect; and
- comply with the requirements of the Reimbursement Agreement and other Loan Documents.

Per the Interest Rate Cap Reserve and Security Agreement (Form 6442 series), the Servicer must evaluate the Interest Rate Cap reserve and determine if the cost of a replacement Interest Rate Cap has increased or decreased based on market conditions.

- If the estimated cost of a replacement cap has increased, the Servicer must increase the monthly reserve payment to ensure sufficient funds will be available to purchase the replacement cap by the end of the reserve period.
- If the estimated cost of a replacement cap has decreased, the Servicer must not adjust the reserve.

409.02B Structured Transactions

When required for a Structured Transaction, the Servicer must ensure that the Interest Rate Hedge conforms to the applicable Master Credit Facility Agreement, Bulk Delivery Agreement, and/or the other Loan Document requirements.

409.02C Adjusting Interest Rate Hedge Reserves for SARM Loans Using Form 6442 Series with an Effective Date Before May 2024

Per the Interest Rate Cap Reserve and Security Agreement (Form 6442 series), the Servicer must evaluate the Interest Rate Cap reserve and determine if the cost of a replacement Interest Rate Cap has increased or decreased based on market conditions.

- If the estimated cost of a replacement cap has increased, the Servicer must increase the monthly reserve payment to ensure that sufficient funds will be available to purchase the replacement cap by the end of the reserve period.
- If the estimated cost of a replacement cap has decreased, the Servicer may:
 - opt to not adjust the reserve; or
 - calculate and adjust the monthly escrow payments needed to purchase a replacement Interest Rate Cap based on 115% of the cost of an Interest Rate Cap with the term required by the Loan Documents, provided:
 - it is a Portfolio Mortgage Loan Delivered before January 1, 2023;
 - the Interest Rate Cap escrow payments are recalculated at least every 6 months;
 - it is not part of a Variable Rate Bond Credit Enhancement Transaction;

Effective: 10/01/2025

 it does not have an existing Payment Default or Performance Default under the Loan Documents or a Borrower, Key Principal, or Principal on ACheck; and

 no other Portfolio Mortgage Loans in your Fannie Mae portfolio with that Sponsor have an existing Payment Default or Performance Default.

The Servicer may refund to the Borrower any amount left in the reserve account after purchasing the replacement Interest Rate Cap.

409.02D Adjusting Interest Rate Hedge Reserves for SARM Loans Using Form 6442 Series with an Effective Date of May 2024 or Later

Every 6 months the Servicer must adjust the required Interest Rate Cap escrow amount based on 110% of the current cost of the replacement Interest Rate Cap.

409.03 Interest Rate Hedge Term

The Servicer must:

- monitor the term of each Interest Rate Hedge Agreement;
- hold all escrowed funds for an Interest Rate Hedge in an account meeting the Custodial Account requirements of Part V, Chapter 3: Custodial Accounts;
- engage the Borrower prior to expiration of each Interest Rate Hedge to ensure that an acceptable replacement Interest Rate Hedge is in place prior to its expiration; and
- perform any required functions with respect to the Interest Rate Hedge Agreement.

409.04 Lien Filings and Collateral

The Servicer must maintain all UCC filings, and ensure that Fannie Mae's Lien in the Interest Rate Hedge is maintained. The Servicer must not direct the investment, application, or release of the collateral under any Interest Rate Hedge Agreement, without express written authorization from Fannie Mae.

409.05 Borrower Payments

409.05A Interest Rate Caps

Any payments by the Interest Rate Cap provider must be made to the Servicer and not to the Borrower. The disposition of funds depends on whether the Borrower is current on the Mortgage Loan and Reimbursement Agreement payment obligations (principal or PRF deposit, as applicable,

Effective: 10/01/2025

interest, any Interest Rate Cap escrow, and all other amounts then due) or any default exists under the Reimbursement Agreement or any other Loan Document.

If no default exists, the Servicer must remit the Interest Rate Cap provider's payment to the Borrower. If a default exists, the Servicer must retain the Interest Rate Cap provider's payment as additional collateral for the Borrower's obligations, to be held in accordance with the applicable agreements, and notify Multifamily Structured Asset Management of the receipt of the payment.

If the Bond Trustee or another third party is to receive any payments from the Interest Rate Cap provider, and the Borrower is not current on its payments or a default exists, then the Servicer must:

- notify the payee of the facts; and
- instruct the third party to withhold the payment to the Borrower, and make payment to the Servicer to be held as additional collateral for the Borrower's obligations.

409.05B Interest Rate Swaps

The Servicer must monitor the Interest Rate Swap to ensure that all payments are made on a timely basis. All payments under an Interest Rate Swap must be made directly to the Servicer, which will:

- remit the amount received from the Borrower to the Interest Rate Swap provider; or
- remit the amount received from the Interest Rate Swap provider to the Borrower, but only after the Borrower has made the required monthly P&I payment on the Mortgage Loan.

Payments due on the Interest Rate Swap must match the payment dates on the Mortgage Loan or the Bonds, as applicable. The Servicer must advance Interest Rate Swap payments and Interest Rate Swap credit enhancement fees that are not made by the Borrower or the Interest Rate Swap provider, as applicable, on a timely basis. These payments and their duration will be treated as Delinquency Advances. The Servicer is not required to advance any termination payment due on the Interest Rate Swap.

409.06 Provider Ratings

Fannie Mae lists the credit agency rating requirements and the acceptable Interest Rate Hedge providers on Cap/Swap Counterparties for Multifamily Transactions. If the rating of a provider declines to a level where termination and replacement of the outstanding Interest Rate Hedges with that provider is required, Fannie Mae will notify the affected servicers

and direct them to contact their Borrowers and work with them to effect the termination and replacement. Failure to replace any Interest Rate Hedge provider whose rating no longer meets the rating requirements is a default under the Loan Documents.

409.07 Replacement Interest Rate Hedge and Notification

If the current Interest Rate Hedge expires before the Mortgage Loan Maturity Date, at least 90 days before the Interest Rate Hedge terminates, the Servicer must obtain the Borrower's written intention to:

- purchase a replacement Interest Rate Hedge; or
- convert the interest rate on a variable rate;
 - Credit Enhancement Mortgage Loan to a Bond Reset Interest Rate; or
 - SARM Loan to a fixed rate.

If the Borrower elects to purchase a replacement Interest Rate Hedge, the Servicer must:

- confirm that the possible Interest Rate Hedge providers are all on the current list of approved Cap/Swap Counterparties for Multifamily Transactions;
- review the Loan Documents for the replacement Interest Rate Hedge timing requirements; and
- for a replacement Interest Rate Cap, ensure the:
 - Borrower purchases a replacement Interest Rate Cap with a term equal to the lessor of the:
 - remaining Mortgage Loan term; or
 - term specified in the Loan Documents;
 - replacement Interest Rate Cap's notional amount:
 - equals the Mortgage Loan's UPB when the replacement Interest Rate Cap becomes effective; and
 - remains at that amount throughout the replacement Interest Rate Cap's term; and
 - Cap Strike Rate of the replacement Interest Rate Cap is equal to or less than the Cap Strike Rate required per the Loan Documents.

The Borrower may purchase a replacement Interest Rate Cap in

Effective: 10/01/2025

advance if the replacement Interest Rate Cap becomes effective on the initial Interest Rate Cap's Maturity Date.

If the Interest Rate Hedge expires and the Borrower failed to provide evidence of securing the replacement Interest Rate Hedge, the Servicer must notify Multifamily Structured Asset Management immediately. Fannie Mae will instruct the Servicer's action regarding the Borrower's default.

409.08 Replacement Interest Rate Hedge Documents and Follow Up

The Servicer must send to Multifamily Certification and Custody within 15 Business Days the original replacement Interest Rate Hedge documents, including the Interest Rate Cap Agreement or Interest Rate Swap Agreement, the Assignment of Hedge Interest or Supplemental Hedge Security Agreement, and UCC Financing Statements, and retain copies in the Servicing File. The Servicer must submit a copy of the new Interest Rate Cap Agreement or Interest Rate Swap Agreement through the MAMP, and provide the new Interest Rate Hedge information as follows:

- for Credit Enhancement Mortgage Loans upload Hedge Delivery Information (Form 4643) into CESIR;
- for all Interest Rate Hedges in Credit Facility and Bulk Delivery transactions – update hedge data in MSFMS; or
- for Structured ARM Loans (except in Credit Facility and Bulk Delivery transactions) – submit Form 4643 through the MAMP.

Section 410 Ground Leases

If the Borrower owns a Leasehold interest in the Property, the Servicer must:

- ensure that the Borrower complies with all provisions of the Loan Documents that relate to the Ground Lease;
- if the Ground Lease payments are escrowed, collect monthly payments from the Borrower to ensure sufficient funds will be available to pay the ground rents and any special payments required by the Ground Lease; and
- hold any escrowed ground rent payments with the Borrower's other T&I escrow funds in a T&I Custodial Account or a separate Custodial Account that meets all requirements of Part V, Chapter 3: Custodial Accounts.

- notify Multifamily Loss Mitigation if the Borrower fails to certify compliance, or the MH Site Lease audit discloses potential noncompliance.

If the Loan Documents require the Borrower to convert into a single asset entity that complies with Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity by a certain date, the Servicer is delegated the authority to:

- determine whether the extension requires an amendment to the Multifamily Loan Agreement; and
- document it in any form that the Servicer deems legally enforceable.

Section 422 Loan Document Amendments

Provided the change does not violate the Disclosure Documents or the Fannie Mae Master Trust Agreement, the Servicer is delegated the authority to modify the Loan Documents for a Portfolio Mortgage Loan to:

- align with the approved terms for a Supplemental Mortgage Loan; or

- sending Borrower maturity notification letters; and
- determining the Mortgage Loan's refinance eligibility.

423.02 Refinance Eligibility

On a monthly basis, beginning at least 24 months before each Mortgage Loan's Maturity Date, the Servicer must evaluate the Property's operating performance to determine the likelihood that the Mortgage Loan UPB can be refinanced based on the current cap rate, and the DSCR and NCF from the Property's most recent annual financial statement.

Participants from the Servicer's underwriting, asset management, portfolio management, and finance teams must coordinate to categorize each Mortgage Loan as either:

- "Meets Criteria" = the Mortgage Loan qualifies for refinancing based on the currently published underwriting criteria of Fannie Mae or a third party; or
- "Does Not Meet Criteria" = the Mortgage Loan does not qualify for refinancing based on the currently published underwriting criteria of Fannie Mae or a third party.

For each Mortgage Loan categorized as "Does Not Meet Criteria", the Servicer must:

work with the Borrower and Fannie Mae to ensure the Borrower has a reasonable payoff plan.

423.03 Borrower Communications

The Servicer must send the following maturity notification letters to the Borrower:

Within 6 months of the Maturity Date, the Servicer must aggressively pursue a maturity solution for any Mortgage Loan that "Does Not Meet Criteria" until the Borrower provides written proof of a payoff plan, which may include a certified escrow letter, contact information for the new lender with appropriate follow-up by the Servicer, or other reasonable evidence.

423.04 Fannie Mae Communications

On the first Business Day of each month, the Servicer must submit a Maturing Loan Report using the mandated template to Multifamily Maturity

Effective: 10/01/2025

Management with information on each Mortgage Loan maturing within the next 24 months (or advising that no Mortgage Loans are maturing within the next 24 months), and categorizing each as "Meets Criteria" or "Does Not Meet Criteria" in the Performance Rating column. The Servicer must also update the Maturing Loan Report as new information becomes available with each monthly submission.
