GLOSSARY	4

504.01 Multifamily MBS Prospectus

➔ Guidance

For all MBS, Fannie Mae issues a Multifamily MBS Prospectus containing information for MBS Investors, including:

- a general description of Fannie Mae's multifamily mortgage business;
- disclosure of general MBS risk factors;
- property types securing multifamily mortgage loans; and
- specific Security, Mortgage Loan, and Property disclosure data.

Since different characteristics may affect the performance assumptions and risk factors associated with an MBS, Fannie Mae uses Additional Disclosure to inform all MBS Investors if any MBS Mortgage Loans have characteristics or terms that differ from those described in the standard Multifamily MBS Prospectus.

You may access Multifamily MBS Prospectus documents at www.fanniemae.com.

For MBS issued prior to December 2017, Fannie Mae prepared a Prospectus Supplement containing specific Mortgage Loan information in addition to the Multifamily MBS Prospectus. This Prospectus Supplement had 2 parts:

- The Prospectus Supplement Narrative (standard) was a transaction-specific disclosure describing the terms and structure of the Mortgage Loan.
- The Schedule of Pool and Loan Information, including:
 - Pool Statistics, providing Security-level disclosure data; and
 - Multifamily Schedule of Loan Information, including specific Mortgage Loan and Property disclosure data.

Glossary

A
