707.02 Restabilization Reserve

Requirements

For all Tier 2 and Tier 3 Mortgage Loans, you must establish a Restabilization Reserve for an MAH Property with a HAP Contract if the HAP Contract term (excluding any annual or incremental government appropriation conditions) expires before the Mortgage Loan Maturity Date.

The Restabilization Reserve must:

- equal the monthly Mortgage Loan P&I, multiplied by the greater of
  - 6 months, or
  - the lease-up period determined by the market study per Part III, Chapter 7: Multifamily Affordable Housing Properties, Section 703.02B: Market Study; and
- remain in place until the
  - Property achieves underwritten occupancy for 90 days at market rate rents, or
  - HAP Contract is renewed with an expiration date after the Mortgage Loan Maturity Date.

You may eliminate the Restabilization Reserve for an MAH Property with a HAP Contract, whether or not it also has LIHTC units, if:

- the Sponsor has experience and success owning and operating properties with HAP Contracts;
- the MAH Property is located in a market or submarket with 90% or greater economic occupancy, both for market rate and affordable properties; and
- for an MAH Property with LIHTC, the weighted average rents of the LIHTC units are at least 10% below market.
