## 308.01 Account Analysis and Reconciliation

### Requirements

You must analyze and reconcile each Custodial Account and associated Clearing Accounts monthly.

### Operating Procedures

At a minimum, your reconciliation must include:

- a depository reconciliation;
- the cashbook balance composition; and
- an explanation of line items.

Fannie Mae may review your reconciliation including:

- an explanation of any adjustments you made;
- the specific cashbook balances; and
- any individual components.

While Fannie Mae does not prescribe a recordkeeping method to generate a cashbook balance, you must:

- maintain the integrity of the Custodial Account balances reported on your reconciliations;
- be able to substantiate each cashbook component; and
- retain sufficient detail to perform the following cashbook computation:

| Function | Beginning Cashbook Balance     |
|----------|--------------------------------|
| +        | Receipts                       |
| -        | Disbursements                  |
| +/-      | Cashbook Adjustments           |
| =        | <b>Ending Cashbook Balance</b> |

# Glossary

## C

### Custodial Account

Accounts established by the Servicer for depositing P&I payments, T&I funds, Collateral Agreement deposits, and other similar funds.

#### **Synonyms**

- Custodial Accounts
