502.06E Collateral Analysis

Operating Procedures

If the Property needs repairs or maintenance:

Step	Activity	You must...
1	Notify Borrower	• Regardless of the property inspection rating, within 45 days after the inspection date, or within 30 days after you receive notice of a Fannie Mae reinspection: - identify the repair or maintenance issues; - include any photos; and - direct the Borrower to timely complete the work. • Use Form 4830 if the Property inspection rating is 3, 4, or 5.
2	Follow Up	• Follow up to ensure the Borrower responded and the work was successfully completed. If not: - notify the Borrower; - notify Multifamily Inspections; and - include your resolution recommendation. • Use Form 4831 or Form 4832 if the Property inspection rating is 3, 4, or 5.
3	Set Rating	Set the Property inspection overall rating to 4 (or 5 depending on the severity or other existing issues) if: • 10% or more of the units are down for any reason; or • there is casualty damage equal to - 25% of the current UPB, or - $1 million.

Guidance

Setting the Property inspection rating to 4 or 5 does not:

- add the Mortgage Loan to Fannie Maes Watchlist;

- require an Action Plan; or
- require Replacement Reserves reinstatement if the rating is the result of a casualty loss unless you
  - identify other performance issues that increase credit risk, or
  - expect insufficient funds or insurance proceeds to restore the Property to its original condition.

Glossary

A

Action Plan	Your report analyzing • the Mortgage Loan and Property issues, • your resolution strategy, and • related actions and outcomes. **Synonyms** • Action Plans

B
