### Operating Procedures

If the Property needs repairs or maintenance:

3	Set Rating	<p>Set the Property inspection overall rating to 4 (or 5 depending on the severity or other existing issues) if:</p> <ul style="list-style-type: none"><li>• 10% or more of the units are down for any reason; or</li><li>• there is casualty damage equal to<ul style="list-style-type: none"><li>- 25% of the current UPB, or</li><li>- \$1 million.</li></ul></li></ul>

### Guidance

Setting the Property inspection rating to 4 or 5 does not:

- add the Mortgage Loan to Fannie Mae's Watchlist;
- require an Action Plan; or
- require Replacement Reserves reinstatement if the rating is the result of a

casualty loss unless you

- identify other performance issues that increase credit risk, or
- expect insufficient funds or insurance proceeds to restore the Property to its original condition.
