Chapter 1 Student Housing Properties

Section 101 Description

101.01 Student Housing Property

Requirements

- A Student Housing Property is a multifamily rental property in which 40% or more, but less than 80%, of the units are leased to undergraduate or graduate students.
- A student with sufficient income to pay rent does not count toward the student unit concentration required for a Student Housing Property.

101.02 Dedicated Student Housing Property

Requirements

A Dedicated Student Housing Property is a multifamily rental property in which 80% or more of the units are leased to undergraduate or graduate students.

Guidance

A Dedicated Student Housing Property typically:

- caters to a student population due to its location;
- was specifically constructed as a student property or, although built as conventional multifamily housing, is now leased primarily to students; or
- is not readily rentable as conventional multifamily housing.

Section 102 Generally

Guidance

When underwriting a Student Housing Property or Dedicated Student Housing Property, you should consider the following questions:

- What percentage of units are leased to graduate students versus undergraduate students?
- Has the ratio of student to non-student tenants changed over the past several years?

- Is the Property marketable to non-student tenants, given the size, mix, and quality of the units?
- What is the rent structure? For example, are rents charged on a by unit basis or by bed basis?
- Who are the parties to the lease agreements? For example, are they typically signed by 1 tenant or all tenants, and/or co-signed by parents?
- What is the typical lease term?
- What is the enrollment outlook at the college/university?
- What is the student composition (i.e., full-time versus part-time) at the college/university?
- What are the current and forecasted supply and demand for student housing at the college/university? Will there be any college/university-sponsored construction?
- What is the Key Principal's experience with operating Student Housing Properties and Dedicated Student Housing Properties?
- What is the Property's proximity to campus? Can students walk to class and other campus locations?
- Is the Property conveniently located to a college/university-sponsored transportation line?
- Is the Property subject to a Ground Lease? If so, what are the structure and terms of the Ground Lease?

Requirements

If a Student Housing Property or Dedicated Student Housing Property is subject to a master lease, you must complete the Master Lease Review Checklist ([Form 6480](#)).

Section 103 Dedicated Student Housing Property

103.01 Eligible Property Characteristics

Requirements

You must ensure that a Dedicated Student Housing Property:

- caters to a campus with at least 10,000 students, the majority of whom are full-time students;

 - located within 2 miles of a campus boundary line, as determined by the local municipality, or

- near a college/university-sponsored transportation line; and
- has operated for at least 1 full school year (i.e., August/September through April/May).

Guidance

The Dedicated Student Housing Property should have stabilized occupancy no later than the month preceding the start of the first semester/quarter of the second full school year.

Requirements

You must ensure that a Dedicated Student Housing Property located on college/university land meets the following:

- the Borrower has control over all economic decisions affecting the Property (such as financing, leasing, and management);
- the Key Principal
 - has at least 5 years of operating experience with Dedicated Student

Housing, and

- operates at least 1 other Dedicated Student Housing Property located on college/university land; and
- any Ground Lease complies with [Part II, Chapter 1: Attributes and Characteristics, Section 105: Ground Leased Properties](#).
