GLOSSARY 4

501.01E Payment of Premium

Requirements

Premiums for all required insurance policies must either be:

- paid in full annually; or
- payable in installments, for which you have receipts confirming timely payment.

Premium financing is permitted if the financing agreement has no negative impact on you, Fannie Mae, or the Mortgage Loan collateral, and does not include any conditions that could prevent you or Fannie Mae from receiving the insurance proceeds. If the Borrower finances premiums, you must review a copy of the financing agreement and confirm that timely payment of each premium has been made.

Guidance

You should attempt to reinstate the annual payment of premiums at renewal of any policy.

Any financing agreement should include a requirement that you receive a notice of cancellation for any nonpayment of premium.

Operating Procedures

For Mortgage Loans where no insurance escrows are being collected, you must obtain evidence annually that all policies have been paid in full.

If the Borrower finances premiums, you must retain a copy of the financing agreement in your Servicing File. You must also keep receipts confirming timely payments.
