107.01 Material Commercial Leases

107.01A Lease Review

Requirements

You must analyze all aspects of each Material Commercial Lease and the tenants. Tenant refers to each tenant, grantee, or other beneficiary of the Material Commercial Lease.

If Material Commercial Lease approval is required by the terms of Part II, Chapter 1: Attributes and Characteristics, Section 107.01B: Lease Approval you must:

- prepare a written summary of the material terms of the Material Commercial Lease; and
- keep a copy of your summary in your Servicing File.

Guidance

As you analyze the Material Commercial Lease, you should consider the following questions:

- Does each tenant have the ability to fulfill its financial and other performance obligations under the Material Commercial Lease?
- Are the insurance provisions of the Material Commercial Lease consistent with the insurance requirements in the applicable Loan Documents or otherwise prescribed by Fannie Mae?
- Is each tenant required to obtain the Lender's consent before making any assignment, sublease, subcontracting, or other transfer of the Material Commercial Lease?
- Does the tenant have early termination clauses and if so, what are the conditions under which the tenant can terminate? For example,
  - if there is a material casualty or condemnation, or
  - if the landlord cannot substantially restore the premises in a reasonable period of time following a casualty or condemnation.

Guidance

Material Commercial Lease Type

| Solar Power or Other Power Generation Lease                | You may underwrite and approve a solar power, thermal power generation, or co-power generation Material Commercial Lease and any related power purchase agreement. |

107.01C  Lease Modifications

☑️ Requirements

As you review each Material Commercial Lease modification, you must consider the following questions:

- Does it violate any of the requirements of this Section?
- Does it contain terms that are inconsistent with the Mortgage Loan?
- Does it present risks that are inappropriate for the Mortgage Loan?

If the answer to any of these questions is "yes", then you must:

- require the Borrower to modify the Material Commercial Lease appropriately; or
- address the items in the Tenant Estoppel Certificate (Form 6413) and/or the Subordination, Non-Disturbance, and Attornment Agreement (Form 6415).

107.01D  Tenant Estoppel Certificate

☑️ Requirements

You must obtain a Tenant Estoppel Certificate (Form 6413) for each Material Commercial Lease.
Subordination, Non-Disturbance and Attornment

☑️ Requirements

You must:

- evaluate whether an SNDA (Form 6415) is necessary to provide for subordination and attornment or would be beneficial for other reasons; and

- use Form 6415 if the Material Commercial Lease contains provisions for the Borrower to assume liability or other risks as landlord that would not be acceptable to the Lender in case of a Foreclosure Event.

You must ensure that each Material Commercial Lease (including any renewal or extension):

- is subordinate to the Lien of the Security Instrument; and

- requires the tenant to attorn to the Lender under the Mortgage Loan.
