## Chapter 4 Asset Management: Loan Document Administration

### Section 401 Servicing Requirements

---

#### 401.01 General

This Chapter covers asset management of performing Mortgage Loans. This Chapter does not apply to Non-Performing Mortgage Loans, unless otherwise stated. For asset management of Non-Performing Mortgage Loans, the Servicer must comply with:

- Part VI, Chapter 1: Watchlist Management; and
- either:
  - Part VI, Chapter 3: Non-Performing Primary Risk Mortgage Loans; or
  - Part VI, Chapter 5: Non-Performing Secondary Risk Mortgage Loans.

This Chapter covers the Servicer's:

- administration of Loan Documents, including Collateral Agreements;
- review of a delegated and non-delegated Borrower request;
- approval of a delegated Borrower request;
- management of insurance matters;
- review of Transfer/Assumption requests; and
- administration of specialty product types.

The Servicer must submit all Borrower requests, along with any additional information and required documents, through the MAMP. If submitting through the MAMP is not feasible, overnight mail must be used and sent to:

Fannie Mae  
Attention: (Drawer AM, Structured AM, Seniors AM,  
or Assumption/Transfer)  
Mailstop 8V-21  
1100 15th Street, NW  
Washington, DC 20005.

Fannie Mae email addresses and contact information for notices

required in this Chapter are located in the Glossary.

## **401.02** Monitoring Compliance with Loan Documents

For each Mortgage Loan, the Servicer must monitor the Borrower's compliance with the terms and conditions of the Loan Documents, and facilitate compliance or take appropriate actions to address any instance of noncompliance. All Loan Documents and all other documents required to be retained by the Servicer must be maintained in accordance with the Program Rules.

**In the event of any conflict between or among the requirements of the Guide, the Disclosure Documents, the Lender Contract, and the Loan Documents, the governing priority shall be, in order:**

- **Loan Documents;**
- **Disclosure Documents;**
- **Lender Contract; and**
- **Guide.**

## **Section 402** Delegation of Decision-Making Authority; Retention of Outside Legal Counsel

### **402.01** Delegation of Decision-Making Authority

Fannie Mae delegates significant decision-making authority and responsibility to the Servicer to the extent specified in the Multifamily Asset Management Delegated Transaction Forms ([Form 4636 series](#)) (each, the "Delegated Transaction Form"), covering the following matters:

- Transfers/Assumptions ([Form 4636.TA](#));
- Commercial Leases ([Form 4636.CL](#));
- Condemnations ([Form 4636.C](#));
- Condominium/Cooperative Property Conversions ([Form 4636.CC](#));
- Easements ([Form 4636.E](#));
- Oil, Gas, or Mineral Rights Leases ([Form 4636.OGL](#));
- Partial Releases of Collateral ([Form 4636.PR](#));
- Property Management Changes ([Form 4636.PM](#)); and
- Use Conversions ([Form 4636.UC](#)).

The Servicer must follow the instructions in the Delegated Transaction Form, which will specify which matters are delegated and which are non-delegated. All delegated and non-delegated requests must be submitted through the MAMP, with the Delegated Transaction Form and the required supporting documents.

A transaction memo must be submitted for any unusual matters not covered in the Guide, or matters that could materially affect Fannie Mae's security interests, investment interests, or the interests of Investors in Securitized Mortgage Loans. Decision-making authority is more limited for Credit Facilities, Bulk Deliveries, and certain Seniors Housing Loan matters. Neither the Servicer nor Fannie Mae has the authority to waive any local, state, or federal law or regulation.

#### **402.02 Retention of Outside Legal Counsel**

Fannie Mae often retains outside legal counsel to review non-delegated matters or other matters that require Fannie Mae's legal review. In such instance, the Servicer must obtain the Borrower's written agreement to pay the reasonable legal fees and expenses of Fannie Mae's counsel before any legal work may commence.

If Fannie Mae outside counsel review is required or requested, the Borrower must pay the applicable legal fee, which will either be a fixed fee or an estimated fee depending on the type of request. For an estimated fee request, the Servicer must notify the Borrower that the actual legal fee may be higher or lower than the estimate, depending on the ultimate scope of the request, and the time needed to resolve the issue.

Fannie Mae will:

- apprise the Servicer of any likely increases in the estimated review fee;
- provide the Servicer the amount of the fee for any fixed fee request; and
- provide the Servicer a summary invoice directly from Fannie Mae's outside counsel.

Upon receipt of the invoice, the Servicer must arrange for payment of Fannie Mae's legal fees. The legal fee must be collected from the Borrower before engaging Fannie Mae outside counsel.

### **Section 403 Execution of Documents by Servicer – Limited Power of Attorney**

---

Fannie Mae may provide the Servicer with a Limited Power of Attorney conferring the right to execute certain documents as attorney-in-fact on behalf of Fannie Mae. If granted, the actions authorized in the Limited

Power of Attorney will be specifically limited, and allow the Servicer to execute only those documents listed in the Limited Power of Attorney. To exercise the Limited Power of Attorney the Servicer must execute documents as “[Name of Servicer], as Attorney-in-Fact for Fannie Mae”. The Servicer’s designation as attorney-in-fact will be subject to review and renewal, and the power granted under the Limited Power of Attorney may be revoked by Fannie Mae at any time. Requests for new and replacement Limited Power of Attorney should be submitted through the MAMP or as required by [Part V, Chapter 4: Asset Management: Loan Document Administration, Section 401.01: General](#). As each Limited Power of Attorney expires on a specified date according to its terms, the Servicer must monitor the expiration date and request a new Limited Power of Attorney at least 30 days prior to the expiration date.

## **Section 404** Execution of Documents by Fannie Mae

---

### **404.01** Submission of Documents to Fannie Mae

All documents requiring execution by Fannie Mae (clearly identified by Fannie Mae Loan Number) must be sent to Multifamily Asset Management. Fannie Mae will execute the documents without prior review if the Servicer provides the certifications described in this Section.

The Servicer must include directions for returning the documents, including:

- contact name;
- overnight delivery mailing address;
- phone number; and
- email address.

### **404.02** Servicer Certification When Fannie Mae Approval Is Not Required

For any document submitted to Fannie Mae for execution when the servicing decision has been delegated to the Servicer, the Servicer must provide written certification to Fannie Mae that:

- the Servicer has reviewed the proposed transaction, and approval by the Servicer is in compliance with the Guide, the Loan Documents, any Disclosure Documents, and the Lender Contract;
- the Servicer has approved the proposed transaction;
- no approval or waiver is required from Fannie Mae;
- Servicer’s legal counsel has reviewed and approved all relevant documents associated with the transaction, and

determined that those documents are sufficient to fully effectuate the transaction; and

- any material changes to Fannie Mae form Loan Documents have been approved by Fannie Mae.

#### **404.03** Servicer Certification When Fannie Mae Approval Is Required

For any document submitted to Fannie Mae for execution when the servicing decision has not been delegated to the Servicer, the Servicer must provide written certification to Fannie Mae that:

- the Servicer has reviewed the proposed transaction, and approval by the Servicer is not delegated under the Guide;
- the Servicer recommends approval by Fannie Mae of the proposed transaction;
- any required waivers have been submitted by the Servicer;
- Servicer's legal counsel has reviewed and approved all relevant documents associated with the transaction, and determined that those documents are sufficient to fully effectuate the transaction; and
- any material changes to Fannie Mae form Loan Documents have been approved by Fannie Mae.

### **Section 405** Fees Due to Fannie Mae

---

Certain fees may be due to Fannie Mae in connection with a Borrower servicing request. The specified fees are for typical requests; however, higher fees may be required for complicated or non-standard requests, or for other matters not specified in this Chapter. No later than 10 Business Days following receipt of any fee by the Servicer, the Servicer must remit to Fannie Mae, by wire transfer of immediately available funds, Fannie Mae's portion of the fee. The Servicer must submit the wire transfer confirmation number, wire date, and wire amount through the MAMP immediately following each funds transfer, as follows:

ABA Number: 021 039 500  
Telegraphic Abbreviation: FNMA/NYC  
Account Number: 169220242  
Note: Type of fee (e.g., Assumption/Transfer),  
Fannie Mae Loan Number and Property Name  
Attention: Trans code 507 - GL 747669921.

### **Section 406** Follow-Up Actions by the Servicer

---

The Servicer must take all applicable actions required to fully effectuate the

transaction, including:

- amending the recorded Security Instrument or filed Uniform Commercial Code (UCC) financing statements;
- updating the Property survey;
- obtaining an endorsement to the mortgagee's title insurance policy showing no impairment of Fannie Mae's Lien position, and dating down title to reflect any recorded amendment to the Security Instrument;
- recording all applicable documents, and sending the required documents through the MAMP;
- sending an executed original copy of any new or amended Loan Document to Multifamily Certification and Custody within 15 Business Days;
- following the requirements of [Part V, Chapter 3: Custodial Accounts, Section 301: Generally](#) if changes are required to any existing Collateral Agreement Custodial Account, or if any new Collateral Agreement Custodial Account must be established in connection with the transaction;
- retaining copies of all documents, correspondence, and any internal notes or analysis relating to the transaction in the Servicing File; and
- taking any other actions the Servicer or its legal counsel determines are necessary.

## **Section 407**      Subordinate Financing

---

### **407.01**      Non-Fannie Mae Subordinate Financing

A Subordinate Loan is generally not permitted unless it complies with Fannie Mae's requirements. Approval of any Subordinate Loan is not delegated to the Servicer and must be approved in advance by Fannie Mae. Additionally:

- with respect to any Subordinate Loan, the Servicer must abide by the terms and conditions of the Loan Documents, the Guide, and any Disclosure Documents, provided that the Loan Documents will control in the case of any conflict;
- unless the Loan Documents explicitly allow a Subordinate Loan, the Servicer must not permit the Borrower, without prior Fannie Mae approval, to incur the Subordinate Loan or allow a Lien securing the Subordinate Loan to be placed against the Property;
- if the Loan Documents explicitly allow a Subordinate Loan without the approval of the Lender, the consent of the Servicer or Fannie Mae is not required; however, notice of the

Subordinate Loan and a copy of any documents must be submitted through the MAMP;

- the Borrower and the subordinate lender must enter into and record the appropriate Subordination Agreement ([Form 6414](#) or [Form 6456](#) for the 6000 series Loan Documents; [Form 4503](#) or [Form 4507](#) for the 4000 Series Loan Documents); and
- the proceeds of the Subordinate Loan must benefit the Property (i.e., cash-out financing is not permitted).

The Servicer must immediately notify Multifamily Asset Management in writing upon learning of any unauthorized additional unsecured debt or indebtedness secured by a Lien on the Property or of any pledge of ownership interests that is not permitted by the Loan Documents, and send the Borrower a Reservation of Rights Letter ([Form 4804](#)) with a copy submitted through the MAMP. Fannie Mae will determine whether to approve the Subordinate Loan, or exercise its remedies.

#### **407.02 Prerequisite for Subordinate Financing**

[Part III, Chapter 14: Supplemental Mortgage Loans](#), contains the requirements for Supplemental Mortgage Loans, and [Part III, Chapter 7: Multifamily Affordable Housing Properties](#) contains additional requirements for subordinate financing with respect to a Multifamily Affordable Housing Property. The Servicer must ensure adherence to all applicable requirements.

#### **407.03 Fees for Subordinate Financing**

The Borrower must pay the Servicer a \$2,500 review fee. The Servicer may increase or decrease its fee at its discretion. No Fannie Mae review fees are due. The Servicer may also seek reimbursement from the Borrower for all reasonable out-of-pocket costs, including reasonable legal fees incurred by Servicer's counsel.

If Fannie Mae outside counsel is engaged, the Borrower must pay its fee, estimated at \$2,500 for Subordinate Financing requests. The actual legal fee may be higher or lower, depending on the ultimate scope of the request and the time necessary to resolve. The Servicer will receive a summary invoice directly from Fannie Mae outside counsel and must arrange for payment. The Servicer will be apprised of any likely increases in the estimated review fee. The estimated legal fee must be collected from the Borrower before engaging Fannie Mae outside counsel.

#### **407.04 Submitting the Request for Subordinate Financing**

Any Borrower request for approval of a Subordinate Loan must be

reviewed by the Servicer. If acceptable, the request must be submitted for approval through the MAMP in accordance with the following:

- the Servicer must submit the request to Fannie Mae at least 30 days before the projected closing date of the Subordinate Loan; and
- the submission must contain:
  - an Appraisal (obtained at the Borrower's cost), dated no earlier than 90 days prior to the date of the Borrower request for approval of the Subordinate Loan, that complies with [Part II, Chapter 2: Valuation and Income, Section 202: Appraisal and Valuation](#);
  - Servicer's underwriting spreadsheet showing the Subordinate Loan's effect on the Property's income, expenses, NCF, DSCR, and LTV;
  - a copy of the final, unsigned loan documents evidencing the Subordinate Loan, with the loan amount, interest rate, payment schedules, and all other transaction related information completed;
  - the MBA Standard Inspection Form documenting a physical inspection of the Property, performed at Borrower's expense, occurring no earlier than 90 days before the date of the Borrower request for the Subordinate Loan; provided that, if the Servicer's inspection of the Property reveals that the Property is not being properly maintained, the Borrower request will not be approved by Fannie Mae unless:
    - a Replacement Reserve is sufficiently funded; and
    - the Borrower makes any Immediate Repairs identified by the Servicer prior to the closing date of the Subordinate Loan; and
  - a title policy endorsement for the Property showing no unauthorized Liens or encumbrances of any nature against the Property.

For a Cooperative Property, the Subordinate Loan is unacceptable if the potential increase in the Cooperative Maintenance Fee necessary to cover P&I on the Subordinate Loan exceeds 10% of the current Cooperative Maintenance Fee.

#### **407.05 Fannie Mae Approval and Execution**

Fannie Mae will provide the Servicer with a written decision regarding the Borrower request, after which the Servicer must notify the

Borrower in writing and retain the notice in the Servicing File.

#### **407.06** Subsequent Servicer Actions

The Servicer must:

- not permit any changes to the form Subordination Agreement (Form 6414 or Form 6456 for the 6000 series Loan Documents; Form 4503 or Form 4507 for the 4000 series Loan Documents) without the prior written consent of Fannie Mae;
- obtain a satisfactory title policy endorsement effective as of the date of recordation of the subordinate security instrument that:
  - insures the Lien of the Security Instrument as senior to the Lien of the subordinate security instrument; and
  - reflects the recordation of the Subordination Agreement;
- submit a copy of the recorded Subordination Agreement through the MAMP; and
- send the original executed copy of the recorded Subordination Agreement and the title policy endorsement to Multifamily Certification and Custody within 15 Business Days, and retain copies of each in the Servicing File.

## **Section 408** Administration of Collateral Agreements

#### **408.01** General Administrative Requirements

##### **408.01A** Administration of Funds

The Servicer must:

- administer and manage funds or collateral under all Collateral Agreements; and
- ensure that any disbursements of funds, or other collateral releases or reductions, are:
  - approved only for valid reasons;
  - appropriately documented; and
  - consistent with the provisions of the Collateral Agreement and this Section.

##### **408.01B** Funds to be Held in a Custodial Account

The Servicer must deposit funds held under a Collateral Agreement in a Custodial Account that meets the requirements of [Part V, Chapter 3: Custodial Accounts](#).

#### **408.01C** Use of Funds

Funds must be used only for the purposes stated in the Collateral Agreement, and must not supplement a partial P&I payment or cover any other Borrower obligation unrelated to the primary purposes of the Collateral Agreement.

#### **408.01D** Funds as Additional Security for Mortgage Loan

All funds or other collateral held under a Collateral Agreement constitute additional security for the Borrower's obligations under the Note and the other Loan Documents. In the event of a default under the Loan Documents, Fannie Mae reserves the right to apply (or direct the Servicer to apply) the funds or other collateral held under any Collateral Agreement in any manner allowed under the terms of such Collateral Agreement. **Following a default, unless instructed by Fannie Mae, the Servicer must not:**

- **release any funds or other collateral held under a Collateral Agreement;**
- **apply any funds or collateral to the repayment of the Mortgage Loan; or**
- **reimburse itself from such funds or collateral for any expenses or losses incurred by the Servicer.**

#### **408.01E** Servicer's Fees and Costs

If the Collateral Agreement contemplates the payment of fees or costs by the Borrower, the Servicer may collect and retain such fees or costs for its own account, adhering to any specific billing provisions of the Collateral Agreement. Any fees or costs retained by the Servicer must be reasonable in relation to the nature and scope of the services provided by or on behalf of the Servicer. The Servicer must not use any of the funds or other collateral held under the Collateral Agreement to cover such fees or costs. However, the Servicer may deduct such fees or costs from any disbursement of funds to the Borrower, provided such disbursements, fees, and costs are permitted under the Collateral Agreement, or if the Borrower otherwise agrees in writing.

#### **408.01F** Waiver or Modification of Terms of Collateral Agreement

Except as noted in this Chapter, the Servicer must not waive or modify the terms of any Collateral Agreement.

## **408.02** Achievement Agreement or Other Agreement for Additional Collateral

### **408.02A** General

The provisions of this Section govern Achievement Agreements and all Collateral Agreements, other than:

- Multifamily Loan Agreements, including the Completion/Repair Schedule and Replacement Reserve Schedule;
- Security Instruments;
- Replacement Reserve Agreements; and
- Completion/Repair Agreements.

The Servicer must maintain an effective system for monitoring the expiration date of any Achievement Agreement or other Collateral Agreement, and ensure that all actions required to be taken pursuant to any such agreement have been timely performed and, if not timely performed, immediately notify Multifamily Asset Management.

### **408.02B** Releases or Reductions in Collateral

Any request for a release or reduction of collateral must be processed in accordance with this Section, unless these instructions conflict with the terms and conditions of the Achievement Agreement or other Collateral Agreement.

#### **1. General**

If the Borrower has not satisfied the requirements for a release or reduction of collateral contained in the Achievement Agreement or other Collateral Agreement, the Servicer must not approve the Borrower request, and may decline the Borrower request without notice to Fannie Mae. If the Servicer determines that the Borrower has satisfied the requirements of the Achievement Agreement or other Collateral Agreement, the Servicer must recommend the release or reduction of collateral through the MAMP, accompanied by the supporting documentation listed below. Upon receipt and review of all pertinent information, Fannie Mae will approve or deny the request and notify the Servicer of its decision.

#### **2. Supporting Documentation and Analysis**

The following documentation must be submitted through the MAMP, and maintained in the Servicing File, in connection with each request for a release or reduction of collateral

##### **(a) Income and Expense Statements; Current Rent Roll**

Property income and expense statements and a current rent roll must be obtained from, and certified by, the Borrower. The statements must cover the applicable period required by the Achievement Agreement or other Collateral Agreement. Based on the Loan Documents, Parts I - III, the certified income and expense statements, and the current rent roll, the Servicer must develop a Net Cash Flow estimate to determine whether the release or reduction provisions of the applicable Achievement Agreement or other Collateral Agreement are satisfied. The income, vacancy, collection loss, and concession information should support the Effective Gross Income that the Servicer is relying on in assessing whether a release or reduction is warranted.

In deriving its estimate of Effective Gross Income, the Servicer must adjust for:

- income that was not allowed or recognized in the original underwriting;
- the effect of a partial year's performance when the shorter period reflects the short-term, positive impact from seasonal variations that do not reflect the Property's year-round performance; and
- non-monetary concessions, requiring the Servicer to deduct the pro-rata value of the concession from the monthly rent for the applicable unit.

The Servicer must ensure that all appropriate types of expenses, including underwritten Replacement Reserve deposits, are included, and that any inappropriate expenses (e.g., capital improvement costs, repair costs covered by funds set aside for Completion/Repairs, partnership costs, etc.) are excluded. To avoid unwarranted releases or reductions of collateral, the expense figures must reflect stabilized operating conditions, and must not be understated due to efficiencies or savings that could not be replicated by a different owner or manager, or that would not be recognized for underwriting purposes.

The Servicer must perform a line-by-line expense analysis, including a comparison of the original underwriting estimates with the actual expenses shown on the Borrower's income and expense statements. The Servicer must use the greater of the underwritten or the actual expense figure shown for each item on the Borrower's statement.

#### **(b) Servicer's Analysis**

The Servicer must provide an analysis and recommendation regarding the release or reduction of collateral, including any calculations required under the terms of the applicable Achievement Agreement or other Collateral Agreement.

### **(c) Correspondence**

The Servicer must provide any correspondence with the Borrower that pertains to the release or reduction request.

### **3. Property Inspection**

Before approving any request for a release or reduction of collateral, the Servicer must perform a physical inspection of the Property to verify that:

- no deferred maintenance exists;
- necessary capital improvements have been made; and
- the general management and operations are acceptable and characteristic of a stabilized project.

The Servicer's inspection must occur no more than 90 days prior to the date of the submission to Fannie Mae of the release or reduction request. The Servicer must document the results of its inspection by completing the MBA Standard Inspection Form.

## **408.02C** Draws on Letters of Credit or Application of Other Collateral

### **1. Draws Triggered by Adverse Events**

The Servicer must promptly notify Multifamily Asset Management when any of the following events occur, which could result in a draw on a Letter of Credit issued for an Achievement Agreement or other Collateral Agreement:

- a default under the Loan Documents, including the Achievement Agreement or other Collateral Agreement;
- the failure to renew or replace an expiring Letter of Credit at least 30 days prior to its expiration date, or other deadline specified in the Achievement Agreement or other Collateral Agreement; or
- the failure to replace a Letter of Credit by the replacement deadline when the Issuer is no longer acceptably rated.

The Servicer's notice to Fannie Mae must include a recommended course of action, and be accompanied by a copy of the executed Achievement Agreement or other Collateral Agreement.

## 2. Draw Resulting from Noncompliance with Issuer Rating Requirements or Expiration of Letter of Credit

If a draw on the Letter of Credit occurs due to noncompliance with the rating requirements for the Issuer or because of an imminent expiration of the Letter of Credit, Fannie Mae will hold the Letter of Credit proceeds in its designated account until the earliest of the following:

- the Borrower presents a replacement Letter of Credit and Fannie Mae agrees, in its sole discretion, to accept the Letter of Credit;  
(NOTE: Any agreement by Fannie Mae to accept a replacement Letter of Credit will be conditioned upon the Borrower's payment of all administrative and legal costs incurred by the Servicer and Fannie Mae in connection with the replacement of the Letter of Credit.)
- the release or reduction provisions of the applicable Achievement Agreement or other Collateral Agreement are satisfied; or
- the Borrower pays all amounts due and payable under the Loan Documents, including any required Prepayment Premium, and Fannie Mae releases the Lien of the Security Instrument.

## 3. Draws Occasioned by Borrower Request

If the Servicer receives a request from the Borrower to draw on the Letter of Credit and have the proceeds applied as a partial prepayment against the UPB, and the Loan Documents allow partial prepayments, the Servicer must immediately forward the request, along with an analysis and recommendation, including an estimate of the applicable Prepayment Premium, to Fannie Mae. If the Loan Documents do not allow partial prepayments, the Servicer must deny the Borrower request.

Fannie Mae will assess the Borrower request and determine if the proposed use of the Letter of Credit proceeds or other collateral would be in the best interest of Fannie Mae and/or the Investor in any Securitized Mortgage Loan. **Any decision to apply Letter of Credit proceeds or apply other collateral to a partial prepayment will be made by Fannie Mae in its sole discretion.** Fannie Mae will notify the Servicer of its determination and will provide appropriate follow-up instructions.

## 4. No Interest on Proceeds Held by Fannie Mae

Fannie Mae will not pay interest on the cash proceeds it holds resulting from a draw on a Letter of Credit.

## **408.02D** Releasing Additional Escrows for Principal and Interest, Taxes and Insurance, and Replacement Reserves

Notwithstanding anything contained in this Chapter, if no Event of Default has occurred and is continuing under any of the Loan Documents (including Forbearance), the Servicer is delegated the authority to waive any Loan Document requirement prohibiting the Servicer from immediately approving a partial or final disbursement request of Additional Escrows for P&I, T&I, and Replacement Reserves required by:

- **Form 6268** – Modifications to Multifamily Loan and Security Agreement (Additional Reserve Escrows);
- **Form 6640** – Amendment to Multifamily Loan and Security Agreement (Additional P&I Escrow Agreement); or
- **Form 6641** – Additional P&I Escrow Agreement (4000 series Loan Documents).

The Servicer is delegated the authority to:

- determine whether the waiver requires a Loan Document amendment; and
- document any amendment in any form the Servicer determines to be legally enforceable.

Servicers must document all disbursement requests, including any supporting documentation and analysis, in the Servicing File.

## **408.03** Completion/Repairs

### **408.03A** General

The Loan Documents for administering Completion/Repairs are:

- for Mortgage Loans documented with the 6000 series Loan Documents, the Multifamily Loan Agreement, plus the:
  - Completion/Repair Schedule;
  - Multifamily Loan Agreement and Modifications to Multifamily Loan and Security Agreement (Rehabilitation Reserve - Moderate Rehabilitation/Substantial Rehabilitation); or
  - another approved Modifications to Multifamily Loan and Security Agreement; and
- For Mortgage Loans documented with the 4000 series Loan Documents, the Completion/Repair Agreement.

The Servicer must administer the Loan Documents to ensure the timely implementation of all Completion/Repairs. Once the Completion/Repairs are completed and comply with the Guide, the Servicer must enter the final completion dates and close out the work items for the Mortgage Loan in the Completion/Repair module in the MAMP. Additional information may be required for any Mortgage Loan assigned to Loss Mitigation. If the Mortgage Loan does not have work items in the MAMP, no further action in the MAMP is required.

#### **408.03B** Extensions for Completion/Repairs

The Servicer is delegated the authority to extend the time limits for making Completion/Repairs if:

- the Completion/Repairs subject to the extension request do not involve life safety issues; and
- the Mortgage Loan does not have a Fannie Mae risk rating of Substandard or Doubtful.

Notwithstanding the above, the Servicer is delegated the authority to grant a one-time extension of 30 days for a life safety issue if the Borrower is diligently pursuing completion of the related Completion/Repair.

The duration of any permitted non-life safety extension may not exceed:

- 1 year past the original completion date specified in the Loan Documents for that Completion/Repair, for a Mortgage Loan without loss sharing; and
- 2 years past the original completion date specified in the Loan Documents for that Completion/Repair, for any Mortgage Loan with loss sharing.

The Servicer must submit a Non-Monetary Default Borrower Request in the MAMP if the required Completion/Repairs are not completed with this timeframe.

The Servicer is delegated the authority to grant a one-time extension of up to 90 days past the original completion date for any Completion/Repairs that are Efficiency Measures which the Borrower agreed to implement to qualify as a Green Rewards Mortgage Loan. The Servicer is not delegated the authority to extend the time limit beyond 90 days.

The Servicer is delegated the authority to:

- determine whether the extension requires an amendment to the Loan Documents; and
- document a required amendment in any form the Servicer

determines to be legally enforceable.

#### **408.03C** Completion/Repair Loan Document Amendments

Servicers are delegated the authority to move required Completion/Repairs from the Completion/Repair Schedule to the Replacement Reserve Schedule, or from the Completion/Repair Agreement to the Replacement Reserve Agreement, and the associated deposit from the Completion/Repair Escrow into the Replacement Reserve, provided:

- the Completion/Repair does not involve life safety issues;
- delaying the Completion/Repair will not materially negatively impact the Property; and
- the total amount of Completion/Repairs being transferred does not exceed the lesser of (i) 25% of the original Completion/Repair Escrow, or (ii) \$75,000.

Notwithstanding the above, the Servicer is not delegated the authority to move required Completion/Repairs to the Replacement Reserve Schedule for any Efficiency Measures that the Borrower agreed to implement in order to qualify as a Green Rewards Mortgage Loan.

The Servicer must:

- send the executed Loan Document amendment to Multifamily Certification and Custody within 15 Business Days;
- submit a copy of the Loan Document amendment through the MAMP for any Mortgage Loan with a Completion/Repair work item in the MAMP; and
- retain a copy in its Servicing File.

#### **408.03D** Servicer's Administrative Requirements

For all Completion/Repairs, the Servicer must:

- retain a copy of the executed Multifamily Loan Agreement and Completion/Repair Schedule or Completion/Repair Agreement in its Servicing File;
- hold all Completion/Repair Escrow funds in an account that meets the Custodial Account requirements of [Part V, Chapter 3: Custodial Accounts](#);
- ensure that all necessary permits are obtained, and that all required work is satisfactorily completed in a good and workmanlike manner by the completion dates stipulated in the

Loan Documents;

- for a Green Rewards Mortgage Loan, ensure all Efficiency Measures are completed in a timely manner and no later than:
  - 12 months after the Mortgage Loan Origination Date; or
  - any shorter time period per [Part II, Chapter 4: Inspections and Reserves, Section 403: Property Condition Assessment \(PCA\)](#) for capital improvements identified as Immediate Repairs by the PCA;
- process Borrower requisitions for funds in accordance with the terms and conditions of the Loan Documents;
- perform required inspections of completed work and, if appropriate, work in progress and, if necessary, arrange inspections by qualified professionals;
- ensure that the Completion/Repair work does not result in any mechanics' Liens, materialmen's Liens, or other Liens that have not been acceptably bonded over;
- promptly submit a Non-Monetary Default Borrower Request in the MAMP for any Completion/Repair Loan Document default;
- take appropriate steps to remedy or address any default under the Loan Documents for Completion/Repairs; and
- perform all other administrative duties required by the Loan Documents for Completion/Repairs.

## **408.03E** Processing Borrower Requisitions

### **1. General**

Completion/Repair Escrow funds are available to reimburse the Borrower for costs incurred for Completion/Repairs that are specifically identified in the Loan Documents. The Servicer may authorize the release of funds to cover the costs of other reasonable and necessary repairs, replacements, or improvements that are not specified in the Loan Documents only if the Loan Documents permit the disbursements, and all conditions are fully satisfied.

### **2. Required Documentation for Disbursement**

To obtain reimbursement, the Borrower must submit a written requisition specifying the Completion/Repairs for which reimbursement is being sought, including:

- the specific Completion/Repairs completed;
- the quantity and price of all materials (grouped by type

or category) or specific replacement items (e.g., appliances) purchased in connection with the Completion/Repairs; and

- the cost of all contracted labor or other services involved in completing the Completion/Repairs.

The Borrower requisition for the specified Completion/Repairs for which reimbursement is being sought must be accompanied by:

- a Borrower certification that the specific Completion/Repairs have been completed:
  - in a good and workmanlike manner;
  - in accordance with any plans and specifications previously approved by the Servicer; and
  - in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the Property; and
- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
  - a copy of the invoice detailing the covered materials, labor, or services;
  - payment evidence; and
  - a Lien release from each contractor, subcontractor, or materialman.

### **3. Disbursement of Funds (Excluding Final Disbursement)**

The Servicer may disburse funds to the Borrower only if it has received all required documentation and determined that all applicable conditions for disbursement have been met, including (but not limited to) the following:

- all Completion/Repairs covered by the requisition have been completed in a good and workmanlike manner, as evidenced by the Borrower's submission and, if appropriate, an inspection of the completed work (see guidance on inspections below);
- all related invoices for items and services covered by the requisition have been paid, unless the Borrower

has satisfied any applicable conditions of the Loan Documents for issuance of a joint check(s), made payable to the Borrower and the Person owed funds under such invoices;

- no mechanics' Liens, materialmen's Liens, or other Liens exist, unless acceptably bonded over;
- no default exists under any Loan Document;
- for each Green Rewards Efficiency Measure disbursement, the Efficiency Measure was reported as:
  - compliant on the Green Rewards Verification Inspection Form (Form 4221) per Part V, Chapter 4: Asset Management: Loan Document Administration, Section 408.03I: Green Rewards Efficiency Measure Verification; or
  - noncompliant, and Fannie Mae has approved and closed the remediation in DUS Property Monitor; and
- for a Green Rewards Mortgage Loan with a Solar PV System as an Efficiency Measure, Completion/Repair Escrow funds are only released after confirming commercial operation of the Solar PV System.

The amount disbursed to the Borrower for any requisition, other than the final requisition, may not exceed the actual cost of the Completion/Repairs, and may be less than the actual cost if, after disbursement, the amount of funds remaining in the Completion/Repair Escrow would be less than the anticipated cost of completing all remaining Completion/Repairs plus any holdback specified in the Loan Documents.

Notwithstanding the above, once 75% of the total dollar amount of Completion/Repairs is disbursed, the Servicer may release funds in the Completion/Repair Escrow, provided:

- funds are only released for Completion/Repairs that have been fully completed;
- the Servicer has complied with all other disbursement requirements;
- the Servicer completes an analysis showing that the remaining amount in the Completion/Repair Escrow is sufficient to complete all remaining

Completion/Repairs;

- the Borrower affirms in writing its obligation to complete the remaining Completion/Repairs by the required completion dates; and
- the Completion/Repair Escrow is not for a Green Rewards Efficiency Measure that must be released per [Part V, Chapter 4: Asset Management: Loan Document Administration, Section 408.03I: Green Rewards Efficiency Measure Verification](#).

For Green Rewards Efficiency Measures included in a Moderate Rehabilitation Mortgage Loan, funds may be periodically disbursed from the applicable Completion/Repair Escrow or Rehabilitation Reserve Escrow as with a non-Green Rewards Mortgage Loan, rather than only after a compliant verification inspection of Efficiency Measures.

#### **4. Final Disbursement of Funds**

Before making the final disbursement of funds from the Completion/Repair Escrow, the Servicer must confirm and document the absence of any mechanics' and materialmen's Liens by requiring the Borrower to obtain an updated title report or a title policy endorsement showing that no such Liens exist. The Servicer may waive the updated title report or endorsement when the total scope of work is less than \$75,000. If the Borrower fails to provide the required title documentation, the Servicer must obtain a title report or title policy endorsement, and may charge the Borrower for the cost.

The Servicer may make a final disbursement of all remaining funds upon satisfactory completion of all required Completion/Repairs, and satisfaction of all other applicable release conditions contained in the Loan Documents for Completion/Repairs.

#### **5. Maintenance of Servicing File**

The Servicer must document the action taken with respect to each Borrower requisition for funds from the Completion/Repair Escrow in its Servicing File.

### **408.03F** Inspections

#### **1. Use of Third Party**

The Servicer may inspect the Property, or have a qualified independent third party inspect the Property, to confirm that the Completion/Repairs covered by the requisition have been satisfactorily completed. The Servicer is responsible for monitoring the third-party's performance.

## 2. When Periodic Inspections Are Required

Periodic inspections must be performed as the work progresses if the Completion/Repairs:

- exceed in the aggregate the lesser of:
  - \$500,000, or 20% of the UPB for any Mortgage Loan with loss sharing; or
  - \$250,000, or 10% of the UPB for any Mortgage Loan without loss sharing; and
- are likely to require more than 6 months to complete.

Inspections must occur at least every 6 months, or more frequently at the Servicer's discretion.

## 3. When a Final Inspection Is Required

An inspection must be performed to ensure that all Completion/Repairs have been satisfactorily completed before approving and disbursing the final requisition when the Completion/Repairs exceed the lesser of:

- \$500,000, or 20% of the UPB for any Mortgage Loan with loss sharing; or
- \$250,000, or 10% of the UPB for any Mortgage Loan without loss sharing.

## 4. Confirming Completion/Repairs if Inspection Is Not Required

Even if an inspection is not required by this Section, the Borrower must provide evidence to the Servicer that all Completion/Repairs covered by the requisition have been satisfactorily completed. If not inspected sooner, the Servicer must confirm the satisfactory completion of the Completion/Repairs during the next regularly scheduled Property inspection.

## 5. Documenting the Servicing File

In all instances, the Servicer must document in its Servicing File whether all work was satisfactorily completed.

### 408.03G Fees

Completion/Repair Escrow funds may not be used to cover any administrative or inspection fees due to the Servicer unless expressly permitted Loan Documents, or the Borrower agrees in writing. If permitted, the Servicer may charge the Borrower and deduct the following from any disbursement of funds:

- reasonable fees to cover the Servicer's costs of administering the Completion/Repairs; and
- additional fees to cover any reasonable inspection costs that are not adequately covered by general administrative fees collected from the Borrower.

#### **408.03H** Completion/Repair Defaults

##### **1. Notification of Default to Fannie Mae**

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP for any Completion/Repair Loan Document default.

##### **2. No Release of Funds to Borrower**

No funds may be released to the Borrower while the Borrower is in default under any of the Loan Documents.

#### **408.03I** Green Rewards Efficiency Measure Verification

For all Green Rewards Mortgage Loans, the Servicer must ensure a Green Rewards Verification inspection is performed for all Efficiency Measures to confirm correct installation, and identify any errors that may hinder the Property achieving the expected savings and benefits.

##### **1. Green Rewards Verification Inspection**

For a Green Rewards Verification inspection, the inspector must use the Green Rewards Verification Inspection Form ([Form 4221](#)) that is pre-populated with Property information and the Efficiency Measures identified as Green Rewards Repairs in the Completion/Repair Schedule. The Servicer must submit [Form 4221](#) within 60 days after the Green Rewards Verification inspection date, and timely resolve any issues identified by Fannie Mae.

##### **2. Minimum Inspector Qualifications**

Third-party or Servicer staff must attend Fannie Mae's Green Rewards Verification inspection training on the requirements, processes, and documentation before conducting Green Rewards Verification inspections.

The minimum inspector qualifications correspond to the applicable Efficiency Measure type, and may be held by the inspection project team, rather than by an individual inspector.

<b>Efficiency Measures</b>	<b>Description</b>	<b>Minimum Inspector Qualification</b>
----------------------------	--------------------	--

Basic	<p>Simple upgrades such as:</p> <ul style="list-style-type: none"> <li>• low-flow water fixtures; or</li> <li>• lighting improvements.</li> </ul>	<p>Servicer must ensure the inspector is either a qualified third-party or Servicer staff per Part V, Chapter 5: Surveillance, Section 502.03: Property Inspection Protocol and Part V, Chapter 5: Surveillance, Section 502.05A: Qualifications.</p>
Complex	<p>Upgrades and changes to building systems, such as:</p> <ul style="list-style-type: none"> <li>• heat recovery ventilation systems; or</li> <li>• boiler controls.</li> </ul>	<ul style="list-style-type: none"> <li>• For Solar PV System Efficiency Measures, the Servicer must retain a <ul style="list-style-type: none"> <li>- Solar Technical Consultant per Part III, Chapter 4: Green Mortgage Loans, Section 401.03: Technical Solar Report, or</li> <li>- qualified PCA High Performance Building Consultant per the Instructions for Performing a Multifamily Property Condition Assessment (Form 4099).</li> </ul> </li> <li>• For other Efficiency Measures, the Servicer must retain a qualified PCA High Performance Building Consultant per Form 4099.</li> </ul>

### 3. Unit Inspection

The inspector must inspect a minimum number of occupied and vacant units as follows:

Total number of units	Minimum number of units to be inspected
Less than 20	3 units
20 - 55	5 units
56 - 99	10% of total units
100 - 200	10 units
201 - 600	5% of total units

More than 600	30 units
---------------	----------

[Form 4221](#) calculates the required number of units and tracks the number of completed units based on the user's inputs. When unit inspections are required, the Servicer must:

- Determine the appropriate combination of vacant and occupied units for inspection.
- Determine which vacant and occupied units to inspect.
- Submit at least:
  - 1 representative photograph of each Efficiency Measure listed on [Form 4221](#); and
  - 1 photograph of each non-compliant Efficiency Measure.

For Partial Efficiency Measures, the Servicer must request a rent roll or other documentation identifying the units that received Partial Efficiency Measure installations, and conduct the Green Rewards Verification of those units.

#### **4. Determining Compliance**

An Efficiency Measure is compliant when the inspector:

- inspects each Efficiency Measure;
- verifies its proper installation within specifications using product information and field observation;
- confirms the Efficiency Measure installation meets the Multifamily Loan Agreement and Completion/Repair Schedule requirements; and
- documents it on [Form 4221](#).

#### **5. Remediating Noncompliance**

When an Efficiency Measure is noncompliant:

- The Servicer must:
  - provide a notice of the Efficiency Measure deficiencies to the Borrower and determine a course of action;
  - submit a remediation action plan through the DUS Property Monitor system that:
    - addresses the Property's Efficiency Measure deficiencies; and
    - provides a target date for remediation completion that

is no more than 60 days after the Borrower receives the notice of deficiencies.

- The Borrower must correct or complete the Efficiency Measure installation during the remediation period.
- Fannie Mae may require the Servicer to inspect the remediated Efficiency Measures based on the severity of noncompliance.

## 6. Verification Inspection Form Review

The Servicer must internally review all Green Rewards Verification Inspection Forms ([Form 4221](#)), whether prepared by a third party or by the Servicer before submission.

### 408.04 Replacement Reserve

#### 408.04A General

The Loan Documents for administering Replacement Reserves are:

- Multifamily Loan Agreement and Replacement Reserve Schedule, for Mortgage Loans documented with the 6000 series Loan Documents; and
- Replacement Reserve Agreement, for Mortgage Loans documented with the 4000 series Loan Documents.

The Replacement Reserve funds must be held by the Servicer in a Custodial Account, and are intended to pay for necessary replacements of capital items or major maintenance work to the Property over the term of the Mortgage Loan.

#### 408.04B Replacement Reserve Loan Document Amendments

If the Servicer's Limited Power of Attorney delegates the authority to amend the Loan Documents to revise the terms governing the Replacement Reserves, only the changes expressly permitted by this Section can be made, and the delegation does not expand the Servicer's ability to change or modify any other term of the Loan Documents.

The Servicer must send the executed Loan Document Amendment to Multifamily Certification and Custody within 15 Business Days, and retain a copy in its Servicing File.

#### 408.04C Servicer's Administrative Requirements

For all Replacement Reserves, the Servicer must:

- retain a copy of the executed Multifamily Loan Agreement and Replacement Reserve Schedule or Replacement Reserve Agreement in its Servicing File;
- unless the Borrower has requested in writing a non-interest bearing account, hold all funds in an interest-bearing Custodial Account that meets the requirements of [Part V, Chapter 3: Custodial Accounts](#) and the Loan Documents;
- ensure that all required deposits are made to the Replacement Reserve in accordance with the Loan Documents;
- process Borrower requisitions for funds in accordance with the terms and conditions of the Loan Documents;
- perform required inspections of completed work and, if appropriate, work in progress, and arrange, if necessary, for inspections by qualified professionals;
- ensure that work funded from the Replacement Reserve does not result in any mechanics' Liens, materialmen's Liens, or other Liens that have not been acceptably bonded over;
- promptly submit a Non-Monetary Default Borrower Request in the MAMP for any Replacement Reserve Loan Document default;
- take appropriate steps to remedy or address any default under the Loan Documents for Replacements, Repairs, or Restoration; and
- reassess the adequacy of the Replacement Reserve or the schedule of required deposits; and
- perform all other administrative duties required by the Loan Documents for the Replacement Reserve.

#### **408.04D** Modifications to Replacement Reserve Deposits

Based on the results of a Property inspection or a new Property Condition Assessment as required below, the Servicer may determine that the current level of Replacement Reserve funding and scheduled deposits will be insufficient to meet all projected capital item or major maintenance needs. The Servicer must then:

- adjust the Replacement Reserve Schedule or the Replacement Reserve Agreement and the Replacement Reserve funding to a sufficient level, if warranted, in accordance with the Loan Documents and Part III, by requiring the Borrower to:
  - deposit a lump sum into the Replacement Reserve; and/or

- increase the monthly Replacement Reserve deposit; and
- give the Borrower at least 30 days advance written notice prior to implementing any of the foregoing changes.

Based on the results of the new Property Condition Assessment obtained during the underwriting and delivery of a Supplemental Mortgage Loan, the Servicer may:

- adjust the Replacement Reserve funding, scheduled deposits, and Completion/Repair Schedule of all Pre-Existing Mortgage Loans to match the Supplemental Mortgage Loan underwriting; and
- amend the Loan Documents accordingly.

#### **408.04E** New Property Condition Assessments

##### **1. Timing and Waivers**

A new full PCA per [Form 4099](#) is required for:

- all MAH Properties every 5 years; or
- for any other Mortgage Loan with a term greater than 10 years, during the 10th Loan Year, and every 10 years thereafter, while the Mortgage Loan remains outstanding, or per the Loan Documents.

Notwithstanding the above, the Servicer is delegated the authority to waive the new PCA for non-MAH Properties as follows:

<b>Remaining Loan Term</b>	<b>Servicer Delegation</b>
Less than 1 Year	The new PCA may be waived for a Mortgage Loan with a: <ul style="list-style-type: none"><li>• Pass rating;</li><li>• Property inspection less than 1 year old; and</li><li>• Property condition rating of 1, 2, or 3.</li></ul>

1 Year to 5 Years	The new PCA may be waived for a Mortgage Loan with a: <ul style="list-style-type: none"><li>• Pass rating;</li><li>• Property inspection report less than 1 year old;</li></ul> and <ul style="list-style-type: none"><li>• Property condition rating of 1 or 2.</li></ul>
More than 5 Years	The new PCA may be waived for 5 years for a Mortgage Loan with a: <ul style="list-style-type: none"><li>• Pass rating;</li><li>• Property Inspection report less than 1 year old;</li></ul> and <ul style="list-style-type: none"><li>• Property condition rating of 1 or 2.</li></ul>

After 5 years, a new PCA is required unless the Mortgage Loan continues to qualify for Servicer waiver delegation. A Property may only receive a PCA waiver twice (i.e., a Mortgage Loan with a 30-year term may obtain a PCA waiver after the 10th loan year and the 15th loan year, but a new PCA is required after the 20th loan year).

All PCA waivers must be documented in the Servicing File, and any PCA waiver may be rescinded by Fannie Mae or the Servicer at any time if the Property condition warrants a new PCA.

## **2. Delivery and Payment of Property Condition Assessment**

The Servicer must submit any new PCA to Fannie Mae through the MAMP and retain a copy in its Servicing File. Subject to the terms of the Loan Documents, the cost of the PCA may be paid from funds in the Replacement Reserve.

### **408.04F** When Replacement Reserve Funding Was Partially or Fully Waived

If Replacement Reserve funding was partially or fully waived at the Mortgage Loan Origination Date, the Servicer must monitor the condition of the Property to ensure the Borrower preserves and maintains the Property as required by the Loan Documents.

If the Servicer or Fannie Mae determines that the Borrower is not properly preserving and maintaining the Property, the Servicer must require the Borrower to begin making monthly deposits to the Replacement Reserve in accordance with either the funding schedule set forth in the Loan Documents, or an alternative funding schedule determined by the Servicer.

### **408.04G** Interest on Replacement Reserve Funds

If the Servicer holds the Replacement Reserve funds in an interest-

bearing Custodial Account, none of the interest earned on the Replacement Reserve funds may be retained by the Servicer. Unless the Mortgage Loan is in default, all interest must be:

- added to the balance of the Replacement Reserve; or
- paid to the Borrower if applicable law requires or the Servicer agrees.

#### **408.04H** Items Eligible for Funding from the Replacement Reserve

Replacement Reserve funds are available to reimburse the Borrower for costs incurred to replace capital items or maintain major items specifically identified in the Loan Documents.

Replacement Reserve funds also may be used for discretionary replacements of capital items or major maintenance items that are not specifically identified in the Loan Documents, but which the Servicer determines are intended to be covered by a Replacement Reserve Schedule, such as those that would:

- correct or forestall a problem that may adversely affect the physical condition, livability, marketability, or value of the Property;
- directly contribute to the maintenance or enhancement of the Property's physical condition, livability, marketability, or value; or
- likely be noted in an updated Property Condition Assessment.

If Replacement Reserve funds are used for purposes not originally contemplated in the Loan Documents, the Servicer must monitor and adjust the monthly reserve deposits to ensure sufficient funds are available to make timely replacements of capital items or major maintenance items in the manner contemplated in the Loan Documents and/or the PCA.

#### **408.04I** Items Not Eligible for Funding from the Replacement Reserve

The Servicer must not use Replacement Reserve funds to reimburse the Borrower for any item specifically identified for reimbursement as a Completion/Repair, or for any routine maintenance item, routine repair, or cosmetic repair that would normally be characterized as an operating expense. Replacement Reserve funds must never be used for P&I, T&I, or any other purpose not specifically permitted by the Loan Documents, or the Guide.

#### **408.04J** Processing Borrower Requisitions

##### **1. General**

The Loan Documents specify the frequency, timing, and size of disbursements from the Replacement Reserve.

## **2. Required Documentation**

Each Borrower requisition must be in writing and specify, at a minimum:

- the specific capital item replaced or major maintenance items for which reimbursement is being sought, and if any item is not specifically identified in the Loan Documents, an explanation of why the Replacement Reserve funds should be released for the item;
- the quantity and price of each type of capital item replaced (e.g., refrigerators);
- the quantity and price of all materials or parts (grouped by type or category) purchased; and
- the cost of all contracted labor or other services.

Each Borrower requisition submitted to the Servicer must be accompanied by:

- a Borrower certification that the capital item replacements or major maintenance items covered by the requisition have been completed in compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority, agency, or instrumentality having jurisdiction over the Property; and
- if the invoice exceeds the lesser of \$25,000 or 1% of the UPB:
  - a copy of the invoice detailing the covered materials, labor, or services;
  - payment evidence;
  - a Lien release from each contractor, subcontractor, or materialman; and
  - other relevant documentation required by the Loan Documents.

## **3. Disbursement of Funds**

The Servicer may release funds to the Borrower only if all required documentation is received, and all applicable release conditions have been met, including, but not limited to:

- all capital item replacements or major maintenance items

covered by the requisition have been completed in a good and workmanlike manner;

- all related invoices for capital items and services have been paid, unless the Borrower has satisfied any applicable conditions of the Loan Documents for issuance of a joint check, made payable to the Borrower and the Person owed funds;
- no mechanics' Liens, materialmen's Liens, or other Liens are outstanding that have not been acceptably bonded over; and
- the Borrower is not in default under any Loan Document.

The amount disbursed to the Borrower must not exceed the actual cost of the capital item replacements or major maintenance items covered by the Borrower's requisition.

#### **4. Maintenance of Servicing File**

The Servicer must ensure that the action taken with respect to each Borrower requisition for funds from the Replacement Reserve is appropriately documented in its Servicing File.

#### **408.04K** Inspections

The Servicer may use its discretion in deciding whether to conduct an on-site inspection before approving any specific requisition for Replacement Reserve funds. If the Servicer elects not to perform an on-site inspection when a requisition is submitted, the Servicer must inspect all capital item replacements or maintenance items covered by the requisition during its next scheduled Property inspection and confirm the satisfactory completion.

#### **408.04L** Fees

If the Loan Documents permit, the Servicer may collect and retain:

- a reasonable fee to cover the Servicer's routine costs of administering the Replacement Reserve; and
- additional fees to cover:
  - reasonable inspection costs, including the fees of any qualified professional used by the Servicer; and
  - any other reasonable costs incurred in connection with collecting, holding, investing, or disbursing Replacement Reserve funds but which are not adequately covered by the general administrative fees collected from the Borrower.

Subject to the Loan Documents, the Servicer may charge the Borrower a reasonable fee for any special inspection services provided in connection with a Replacement Reserve requisition; however, no fee may be charged if such inspection is made as part of a regularly scheduled Property inspection.

Replacement Reserve funds, including any interest, may not be used to cover fees due to the Servicer unless:

- the Loan Document specifically permits the Servicer to use Replacement Reserve funds to pay Servicer inspection fees; or
- the Borrower otherwise agrees in writing.

#### **408.04M** Replacement Reserve Defaults

##### **1. Notification of Default to Fannie Mae**

The Servicer must immediately submit a Non-Monetary Default Borrower Request in the MAMP for any Replacement Reserve Loan Document default.

##### **2. No Release of Funds to Borrower**

No funds may be released to the Borrower while the Mortgage Loan is in default.

#### **408.04N** Return of Replacement Reserve Funds to Borrower

No later than 30 days after the Mortgage Loan is paid in full, the Servicer must refund to the Borrower all remaining Replacement Reserve funds.

#### **408.04O** Alternative Funding of Replacement Reserves for Portfolio Mortgage Loans

The Servicer may amend existing the Schedule 5 to Multifamily Loan Agreement - Replacement Reserve Schedule or Replacement Reserve Agreement on Fannie Mae's behalf to match the alternative Replacement Reserve funding available for newly originated Mortgage Loans if the Borrower has a history of adequate property maintenance, and no other concerns are present (e.g., declining Property condition, declining rents, declining Net Cash Flow). The Servicer must send the executed Loan Document amendment revising the Replacement Reserve Schedule or Replacement Reserve Agreement to Multifamily Certification and Custody within 15 Business Days, and retain a copy in its Servicing File.

The Servicer must ensure the Property is properly maintained on an ongoing basis. If the Property is not being properly maintained, the Servicer must reinstate monthly deposits to the Replacement Reserve and the reimbursement requisition process.

## Section 409 Interest Rate Hedge Requirements

### 409.01 General

An acceptable Interest Rate Hedge must be in place and maintained at all times for:

- variable rate Credit Enhancement Mortgage Loans;
- Structured ARM Loans; and
- any Mortgage Loan where (i) the Borrower executed the Fannie Mae Interest Rate Cap Reserve and Security Agreement ([Form 6442 series](#)), or a similar agreement, allowing for a “springing” Interest Rate Cap under certain circumstances, and (ii) the requirement of the Borrower to acquire and pledge to the Lender an Interest Rate Cap has been triggered under the agreement.

The Interest Rate Hedge may be either an Interest Rate Cap or Interest Rate Swap, although the prior approval of Fannie Mae is required before the Borrower may enter into an Interest Rate Swap.

Each Interest Rate Hedge Agreement and its collateral assignment must meet the requirements of [Part III, Chapter 12: Structured Adjustable Rate Mortgage \(SARM\) Loans](#).

Fannie Mae outside counsel must be engaged, at Borrower’s cost, to review the hedge bid package and documents, and prepare the amended Loan Documents for each hedge renewal. The Servicer must submit a completed Counsel Designation Request for Interest Rate Hedge Transactions ([Form 4625.A](#)).

### 409.02 Interest Rate Hedge Coverage

#### 409.02A Bond Credit Enhancement Transactions

For Bond Credit Enhancement Mortgage Loans, the Interest Rate Hedge must:

- be in place whenever the variable rate mode is in effect; and
- comply with the requirements of the Reimbursement Agreement and other Loan Documents.

Per the Interest Rate Cap Reserve and Security Agreement ([Form 6442 series](#)), the Servicer must evaluate the Interest Rate Cap reserve and determine if the cost of a replacement Interest Rate Cap has increased or decreased based on market conditions.

- If the estimated cost of a replacement cap has increased, the Servicer must increase the monthly reserve payment to ensure sufficient funds will be available to purchase the replacement cap by the end of the reserve period.
- If the estimated cost of a replacement cap has decreased, the Servicer must not adjust the reserve.

#### **409.02B** Structured Transactions

When required for a Structured Transaction, the Servicer must ensure that the Interest Rate Hedge conforms to the applicable Master Credit Facility Agreement, Bulk Delivery Agreement, and/or the other Loan Document requirements.

#### **409.02C** Adjusting Interest Rate Hedge Reserves for SARM Loans Using Form 6442 Series with an Effective Date Before May 2024

Per the Interest Rate Cap Reserve and Security Agreement ([Form 6442 series](#)), the Servicer must evaluate the Interest Rate Cap reserve and determine if the cost of a replacement Interest Rate Cap has increased or decreased based on market conditions.

- If the estimated cost of a replacement cap has increased, the Servicer must increase the monthly reserve payment to ensure that sufficient funds will be available to purchase the replacement cap by the end of the reserve period.
- If the estimated cost of a replacement cap has decreased, the Servicer may:
  - opt to not adjust the reserve; or
  - calculate and adjust the monthly escrow payments needed to purchase a replacement Interest Rate Cap based on 115% of the cost of an Interest Rate Cap with the term required by the Loan Documents, provided:
    - it is a Portfolio Mortgage Loan Delivered before January 1, 2023;
    - the Interest Rate Cap escrow payments are recalculated at least every 6 months;
    - it is not part of a Variable Rate Bond Credit Enhancement Transaction;
    - it does not have an existing Payment Default or Performance Default under the Loan Documents or a Borrower, Key Principal, or Principal on ACheck; and

- no other Portfolio Mortgage Loans in your Fannie Mae portfolio with that Sponsor have an existing Payment Default or Performance Default.

The Servicer may refund to the Borrower any amount left in the reserve account after purchasing the replacement Interest Rate Cap.

#### **409.02D** Adjusting Interest Rate Hedge Reserves for SARM Loans Using Form 6442 Series with an Effective Date of May 2024 or Later

Every 6 months the Servicer must adjust the required Interest Rate Cap escrow amount based on 110% of the current cost of the replacement Interest Rate Cap.

#### **409.03** Interest Rate Hedge Term

The Servicer must:

- monitor the term of each Interest Rate Hedge Agreement;
- hold all escrowed funds for an Interest Rate Hedge in an account meeting the Custodial Account requirements of [Part V, Chapter 3: Custodial Accounts](#);
- engage the Borrower prior to expiration of each Interest Rate Hedge to ensure that an acceptable replacement Interest Rate Hedge is in place prior to its expiration; and
- perform any required functions with respect to the Interest Rate Hedge Agreement.

#### **409.04** Lien Filings and Collateral

The Servicer must maintain all UCC filings, and ensure that Fannie Mae's Lien in the Interest Rate Hedge is maintained. The Servicer must not direct the investment, application, or release of the collateral under any Interest Rate Hedge Agreement, without express written authorization from Fannie Mae.

#### **409.05** Borrower Payments

##### **409.05A** Interest Rate Caps

Any payments by the Interest Rate Cap provider must be made to the Servicer and not to the Borrower. The disposition of funds depends on whether the Borrower is current on the Mortgage Loan and Reimbursement Agreement payment obligations (principal or PRF deposit, as applicable,

interest, any Interest Rate Cap escrow, and all other amounts then due) or any default exists under the Reimbursement Agreement or any other Loan Document.

If no default exists, the Servicer must remit the Interest Rate Cap provider's payment to the Borrower. If a default exists, the Servicer must retain the Interest Rate Cap provider's payment as additional collateral for the Borrower's obligations, to be held in accordance with the applicable agreements, and notify Multifamily Structured Asset Management of the receipt of the payment.

If the Bond Trustee or another third party is to receive any payments from the Interest Rate Cap provider, and the Borrower is not current on its payments or a default exists, then the Servicer must:

- notify the payee of the facts; and
- instruct the third party to withhold the payment to the Borrower, and make payment to the Servicer to be held as additional collateral for the Borrower's obligations.

#### **409.05B** Interest Rate Swaps

The Servicer must monitor the Interest Rate Swap to ensure that all payments are made on a timely basis. All payments under an Interest Rate Swap must be made directly to the Servicer, which will:

- remit the amount received from the Borrower to the Interest Rate Swap provider; or
- remit the amount received from the Interest Rate Swap provider to the Borrower, but only after the Borrower has made the required monthly P&I payment on the Mortgage Loan.

Payments due on the Interest Rate Swap must match the payment dates on the Mortgage Loan or the Bonds, as applicable. The Servicer must advance Interest Rate Swap payments and Interest Rate Swap credit enhancement fees that are not made by the Borrower or the Interest Rate Swap provider, as applicable, on a timely basis. These payments and their duration will be treated as Delinquency Advances. The Servicer is not required to advance any termination payment due on the Interest Rate Swap.

#### **409.06** Provider Ratings

Fannie Mae lists the credit agency rating requirements and the acceptable Interest Rate Hedge providers on [Cap/Swap Counterparties for Multifamily Transactions](#). If the rating of a provider declines to a level where termination and replacement of the outstanding Interest Rate Hedges with that provider is required, Fannie Mae will notify the affected servicers

and direct them to contact their Borrowers and work with them to effect the termination and replacement. Failure to replace any Interest Rate Hedge provider whose rating no longer meets the rating requirements is a default under the Loan Documents.

#### **409.07 Replacement Interest Rate Hedge and Notification**

If the current Interest Rate Hedge expires before the Mortgage Loan Maturity Date, at least 90 days before the Interest Rate Hedge terminates, the Servicer must obtain the Borrower's written intention to:

- purchase a replacement Interest Rate Hedge; or
- convert the interest rate on a variable rate;
  - Credit Enhancement Mortgage Loan to a Bond Reset Interest Rate; or
  - SARM Loan to a fixed rate.

If the Borrower elects to purchase a replacement Interest Rate Hedge, the Servicer must:

- confirm that the possible Interest Rate Hedge providers are all on the current list of approved [Cap/Swap Counterparties for Multifamily Transactions](#);
- review the Loan Documents for the replacement Interest Rate Hedge timing requirements; and
- for a replacement Interest Rate Cap, ensure the:
  - Borrower purchases a replacement Interest Rate Cap with a term equal to the lessor of the:
    - remaining Mortgage Loan term; or
    - term specified in the Loan Documents;
  - replacement Interest Rate Cap's notional amount:
    - equals the Mortgage Loan's UPB when the replacement Interest Rate Cap becomes effective; and
    - remains at that amount throughout the replacement Interest Rate Cap's term; and
  - Cap Strike Rate of the replacement Interest Rate Cap is equal to or less than the Cap Strike Rate required per the Loan Documents.

The Borrower may purchase a replacement Interest Rate Cap in

advance if the replacement Interest Rate Cap becomes effective on the initial Interest Rate Cap's Maturity Date.

If the Interest Rate Hedge expires and the Borrower failed to provide evidence of securing the replacement Interest Rate Hedge, the Servicer must notify Multifamily Structured Asset Management immediately. Fannie Mae will instruct the Servicer's action regarding the Borrower's default.

#### **409.08 Replacement Interest Rate Hedge Documents and Follow Up**

The Servicer must send to Multifamily Certification and Custody within 15 Business Days the original replacement Interest Rate Hedge documents, including the Interest Rate Cap Agreement or Interest Rate Swap Agreement, the Assignment of Hedge Interest or Supplemental Hedge Security Agreement, and UCC Financing Statements, and retain copies in the Servicing File. The Servicer must submit a copy of the new Interest Rate Cap Agreement or Interest Rate Swap Agreement through the MAMP, and provide the new Interest Rate Hedge information as follows:

- for Credit Enhancement Mortgage Loans – upload Hedge Delivery Information ([Form 4643](#)) into CESIR;
- for all Interest Rate Hedges in Credit Facility and Bulk Delivery transactions – update hedge data in MSFMS; or
- for Structured ARM Loans (except in Credit Facility and Bulk Delivery transactions) – submit [Form 4643](#) through the MAMP.

- if the Ground Lease payments are escrowed, collect monthly payments from the Borrower to ensure sufficient funds will be available to pay the ground rents and any special payments required by the Ground Lease; and
- hold any escrowed ground rent payments with the Borrower's other T&I escrow funds in a T&I Custodial Account or a separate Custodial Account that meets all requirements of [Part V, Chapter 3: Custodial Accounts](#).

violations of law.

Following any contact from a federal or state official, the Servicer must immediately contact Multifamily Asset Management and Multifamily Special Asset Management. The Servicer should describe in its communication the nature of the contact, the information requested, and any document or papers received by the Servicer in connection with the contact. #### 418.08 HAP Contract Approval and Releasing Restabilization Reserve

The Servicer is delegated the authority to:

- approve renewal of the HAP Contract during the Mortgage Loan term; and
- waive any Loan Document provision requiring the HAP Contract to be fully funded by HUD through the Mortgage Loan Maturity Date.

The Servicer must submit through the MAMP a copy of the renewed HAP Contract, and retain a copy in the Servicing File, together with any Borrower request for release of the Restabilization Reserve.

Most disbursements from a Restabilization Reserve require Fannie Mae's approval. The Servicer is delegated the authority to approve, without Fannie Mae's consent, a Borrower request for a final disbursement, provided:

- the Servicer has received written evidence that the HAP contract has been extended by HUD through the Maturity Date with no material changes to its terms;
- no default has occurred and is continuing under the Loan Documents; and
- the Loan Documents explicitly allow a final disbursement under these conditions.

### MH Communities with Tenant Site Lease Protections

---

A Mortgage Loan secured by an MH Community with Tenant Site Lease Protections requires additional monitoring. The Loan Documents

require the Borrower to annually provide:

- a certified copy of the current residential MH Site Lease form;
- a certified copy of the notice sent to all MH Site Lease tenants if the Tenant Site Lease Protections were implemented by the Rules and Regulations;
- copies of any actual MH Site Lease requested by Lender; and
- a certification of the actual percentage of MH Site Leases that include all required Tenant Site Lease Protections, and that no material changes have been made to the MH Community's rules and regulations or to the MH Site Lease form.

The Servicer must:

- confirm the Borrower's ongoing compliance with the Loan Documents;
- if the Tenant Site Lease Protections were implemented within the MH Community's rules and regulations, confirm:
  - the rules and regulations contain all Tenant Site Lease Protections and are publicly posted in the MH Community; and
  - each MH Site Lease tenant received written notice of all Tenant Site Lease Protections added to the rules and regulations;
- if the Tenant Site Lease Protections were implemented within the MH Site Lease:
  - confirm the MH Site Lease form includes:
    - all Tenant Site Lease Protections; and
    - the required percentage of MH Site Leases (i.e., 25%, 50%, or 100%) are covered by the Tenant Site Lease Protections; and
  - annually audit at least 25% of the minimum percentage of MH Site Leases required per the Loan Documents (i.e., 25%, 50%, or 100%) to ensure all Tenant Site Lease Protections are included;
- determine whether the Borrower complied with all terms of the Tenant Site Lease Protections (e.g., the Borrower only raised MH Site Lease rents after required notice);
- retain the review of the Borrower's certification and audit results in the Servicing File; and

- notify Multifamily Loss Mitigation if the Borrower fails to certify compliance, or the MH Site Lease audit discloses potential noncompliance.

## **Section 421**      Single Asset Entity Conversion

---

If the Loan Documents require the Borrower to convert into a single asset entity that complies with [Part I, Chapter 3: Borrower, Guarantor, Key Principals, and Principals, Section 302.01: Single-Asset Entity](#) by a certain date, the Servicer is delegated the authority to:

- grant a one-time extension of the date by up to 90 days;
- determine whether the extension requires an amendment to the Multifamily Loan Agreement; and
- document it in any form that the Servicer deems legally enforceable.

## **Section 422**      Loan Document Amendments

---

Provided the change does not violate the Disclosure Documents or the Fannie Mae Master Trust Agreement, the Servicer is delegated the authority to modify the Loan Documents for a Portfolio Mortgage Loan to:

- align with the approved terms for a Supplemental Mortgage Loan; or
- cross-default and/or cross-collateralize the Portfolio Mortgage Loan with a subsequent Mortgage Loan.

This delegated authority includes executing all Loan Document amendments related to:

- a subordinate lien, including any Mortgage Loan modification for a Supplemental Mortgage Loan with a confirmed Commitment;
- cross-collateralizing and/or cross-defaulting a Pre-Existing Mortgage Loan with a Supplemental Mortgage Loan with a confirmed Commitment; and
- cross-collateralizing and/or cross-defaulting a first Lien Mortgage Loan with another first Lien Mortgage Loan (e.g., for a phased property), provided that cross-collateralization and cross-default were contemplated in the Loan Documents for the Portfolio Mortgage Loan and there is a confirmed Commitment for the second first Lien Mortgage Loan.

## Section 423 Maturing Mortgage Loans

### 423.01 Written Policy

The Servicer must establish a written policy for maturing Mortgage Loans, including:

- overall monitoring responsibilities;
- criteria for handoffs between functional groups (e.g., Special Asset Management, Special Credits, etc.);
- Fannie Mae reporting;
- sending Borrower maturity notification letters; and
- determining the Mortgage Loan's refinance eligibility.

### 423.02 Refinance Eligibility

On a monthly basis, beginning at least 24 months before each Mortgage Loan's Maturity Date, the Servicer must evaluate the Property's operating performance to determine the likelihood that the Mortgage Loan UPB can be refinanced based on the current cap rate, and the DSCR and NCF from the Property's most recent annual financial statement.

Participants from the Servicer's underwriting, asset management, portfolio management, and finance teams must coordinate to categorize each Mortgage Loan as either:

- "Meets Criteria" = the Mortgage Loan qualifies for refinancing based on the currently published underwriting criteria of Fannie Mae or a third party; or
- "Does Not Meet Criteria" = the Mortgage Loan does not qualify for refinancing based on the currently published underwriting criteria of Fannie Mae or a third party.

For each Mortgage Loan categorized as "Does Not Meet Criteria", the Servicer must:

- review the Property's quarterly operating statements and analyze the operating expenses (especially repairs & maintenance and capital expenses) to assess whether the Borrower is prudently managing the Property; and
- work with the Borrower and Fannie Mae to ensure the Borrower has a reasonable payoff plan.

### 423.03 Borrower Communications

The Servicer must send the following maturity notification letters to the Borrower:

- 18 months before the Mortgage Loan Maturity Date, send the first maturity notification letter notifying the Borrower of the upcoming Maturity Date (18 Month Notice to Borrower – Choice Refinance Loans (Form 4217)).
- 12 months before the Mortgage Loan Maturity Date, send the applicable second maturity notification letter (12 Month Notice to Borrower Marketing Oriented – Choice Refinance Loans (Form 4218) or 12 Month Notice to Borrower – In Place Loans (Form 4219)):
  - notifying the Borrower of the upcoming Maturity Date;
  - providing Servicer contact information; and
  - requesting a detailed payoff plan.
- 6 months before the Mortgage Loan Maturity Date, send the 6 Month Notice to Borrower – In Place Loans (Form 4220):
  - notifying the Borrower of the upcoming Maturity Date;
  - requesting proof of a payoff plan (e.g., a commitment letter from another lender or sale contract); and
  - advising the Borrower that the Mortgage Loan will be in default if not paid off or refinanced.

Within 6 months of the Maturity Date, the Servicer must aggressively pursue a maturity solution for any Mortgage Loan that “Does Not Meet Criteria” until the Borrower provides written proof of a payoff plan, which may include a certified escrow letter, contact information for the new lender with appropriate follow-up by the Servicer, or other reasonable evidence.

#### **423.04 Fannie Mae Communications**

On the first Business Day of each month, the Servicer must submit a Maturing Loan Report using the mandated template to Multifamily Maturity Management with information on each Mortgage Loan maturing within the next 24 months (or advising that no Mortgage Loans are maturing within the next 24 months), and categorizing each as “Meets Criteria” or “Does Not Meet Criteria” in the Performance Rating column. The Servicer must also update the Maturing Loan Report as new information becomes available with each monthly submission.

The comments section of the Maturing Loan Report must include, at a minimum:

- a report of discussions with the Borrower (e.g., potential new lender, term of new loan, proof of payoff plan received);
- the anticipated payoff date; and
- whether the Mortgage Loan is likely or not to refinance, and the rationale.

All other Fannie Mae notices related to maturing Mortgage Loans, including default notices, must be sent to Multifamily Maturity Management.
