409.05B Interest Rate Swaps

The Servicer must monitor the Interest Rate Swap to ensure that all payments are made on a timely basis. All payments under an Interest Rate Swap must be made directly to the Servicer, which will:

- remit the amount received from the Borrower to the Interest Rate Swap provider; or
- remit the amount received from the Interest Rate Swap provider to the Borrower, but only after the Borrower has made the required monthly P&I payment on the Mortgage Loan.

Payments due on the Interest Rate Swap must match the payment dates on the Mortgage Loan or the Bonds, as applicable. The Servicer must advance Interest Rate Swap payments and Interest Rate Swap credit enhancement fees that are not made by the Borrower or the Interest Rate Swap provider, as applicable, on a timely basis. These payments and their duration will be treated as Delinquency Advances. The Servicer is not required to advance any termination payment due on the Interest Rate Swap.
