### 413.03 Flood Map Changes; Obtaining Flood Insurance

The Servicer must monitor all flood map and community status changes, and take appropriate action when changes affecting Mortgage Loans it services occur as required by [Part II, Chapter 5: Property and Liability Insurance](#). When a Property is remapped into a Special Flood Hazard Area, the Servicer must require the Borrower to obtain flood insurance, regardless of whether the community is “participating” in the National Flood Insurance Program. The flood insurance policy must be in place within 45 days after the effective date of the remapping. If the Borrower refuses to obtain the required coverage or pay a disputed premium, the Servicer must obtain the required coverage. The Servicer must contact Multifamily Insurance if:

- a Property is in a Special Flood Hazard Area;
- the community in which the Property is located does not participate in the National Flood Insurance Program; and
- the Borrower cannot obtain the required flood insurance.
