Part V Section 414.04 Required Casualty Loss Property Inspection .....	3
GLOSSARY .....	4

#### 414.04 Required Casualty Loss Property Inspection

The Servicer must inspect the Property, take photographs of the damage, and complete a Multifamily Catastrophic Loss Inspection ([Form 4261](#)) if:

- the casualty loss is expected to exceed the lesser of (i) \$500,000, or (ii) 20% of the UPB of the Mortgage Loan as of the date of the casualty; or
- any of the following conditions exists:
  - a default has occurred and is continuing under the Loan Documents;
  - the combination of insurance proceeds and Borrower funds is insufficient to complete the necessary Property repairs for restoration to a condition fit for human habitation and meeting all applicable permitting requirements;
  - prior to the commencement of any restoration work, the Servicer determines that, upon completion of the repair and restoration work, the Property will not be capable of generating sufficient income to cover all operating expenses, required Replacement Reserve deposits, P&I on the Mortgage Loan, and required payments on any subordinate debt secured by the Property, or will not otherwise meet a DSCR or other test required by the Loan Documents; or
  - the repair and restoration work will not be completed by the earlier of (i) the Maturity Date, or (ii) within 1 year from the date of the casualty.

The Servicer may charge the Borrower for the cost of the inspection unless expressly prohibited by the Loan Documents.

An inspection by the Servicer is optional if the casualty loss is expected to be less than (i) \$500,000, or (ii) 20% of the UPB, and none of the above conditions exist. If the Servicer elects not to inspect the Property, the Servicer must confirm during the next Property inspection, and document in its Servicing File, that the repair and restoration work was satisfactorily completed. If the Servicer determines that the repair or restoration work was not satisfactorily completed, the Servicer must notify Multifamily Inspections and Multifamily Loss Mitigation) in writing, as required by [Part V, Chapter 5: Surveillance](#).

# Glossary

## B
