Part V Section 414.09A Fannie Mae Determination Required 3

GLOSSARY 4

414.09A Fannie Mae Determination Required

If any of the following conditions exist, Fannie Mae will determine, in its sole discretion, whether to require the insurance loss proceeds to be (i) applied to the UPB, or (ii) used to repair and restore the Property:

- a default has occurred and is continuing under the Loan Documents;
- the combination of insurance proceeds and Borrower funds is insufficient to complete the necessary Property repairs for restoration to a condition fit for human habitation and meeting all applicable permitting requirements;
- prior to the commencement of any restoration work, the Servicer determines that, upon completion of the repair and restoration work, the Property will not be capable of generating sufficient income to cover all operating expenses, required Replacement Reserve deposits, P&I on the Mortgage Loan, and required payments on any subordinate debt secured by the Property, or will otherwise meet a DSCR or other test required by the Loan Documents; or
- the repair and restoration work will not be completed by the earlier of (i) the Maturity Date, or (ii) within 1 year from the date of the casualty loss.
