209.05 Securitized Mortgage Loans – Remitting Fees to Fannie Mae

209.05A Guaranty Fee Due on 7th Calendar Day of Month

To compensate Fannie Mae for the liability it assumes in issuing the Security, Fannie Mae receives a Guaranty Fee. The Guaranty Fee is an obligation of the Servicer and must be paid in arrears on the 7th calendar day, or the preceding Business Day if the 7th calendar day is not a Business Day, of each month, even if there is no collection on the Mortgage Loan or the Mortgage Loan reaches its Maturity Date during the month. Payment of the Guaranty Fee begins with the month following the month in which the Security is issued. Fannie Mae will draft the Guaranty Fee from the Servicer's applicable designated P&I Custodial Accounts for Securitized Mortgage Loans.

The Guaranty Fee amount due Fannie Mae in any month is equal to either (a) for 30/360 interest accrual Mortgage Loans, one-twelfth of the annual Guaranty Fee rate times the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on the first day of the previous month, or (b) for actual/360 interest accrual Mortgage Loans, the annual Guaranty Fee rate divided by 360 times the number of days occurring in the month immediately preceding the Guaranty Fee payment date times the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on the first day of the previous month. For example, for Securitized Mortgage Loans the Guaranty Fee amount due to Fannie Mae on November 7 is calculated on the Security Balance remaining after application of the scheduled Mortgage Loan principal payment due on October 1.

209.05B Guaranty Fee Remittance

The monthly Guaranty Fee must be remitted as long as the Security is outstanding, even if there is no collection activity on the Mortgage Loan.

The Servicer must make funds available for the Guaranty Fee draft on the 7th calendar day of the month, or the preceding Business Day if the 7th is not a Business Day.

Under this process, Fannie Mae will send an electronic notice (or “bill”) on the 2nd or 3rd calendar day of each month. The draft notice will show the amount due for the Guaranty Fees. When the Servicer receives the transmission, the Servicer must review the draft notice for accuracy. If discrepancies are identified, the Servicer must contact Fannie Mae by the 5th calendar day of the month to provide details on the amount and nature of the discrepancy. Fannie Mae will then review its records to validate the discrepancy and make any necessary adjustments to the Guaranty Fee bill.

On the 7th calendar day of the month, Fannie Mae will draft the Guaranty Fees from the Servicer's designated P&I Custodial Account for Securitized Mortgage Loans. If the 7th calendar day is not a Business Day, the draft will take place on the preceding Business Day.

209.05C Same Month Pooling – Interest and Guaranty Fee Remittance for First Reporting Cycle

The Servicer's first remittance to Fannie Mae for a Mortgage Loan submitted under the Same Month Pooling delivery option is an "interest-only" remittance because the Borrower will not have made the first payment. Accordingly, because the Borrower will not be required to send a monthly payment to the Servicer under Same Month Pooling until the month following the date the Servicer's first remittance is due to Fannie Mae, the Servicer will have to use some of its own funds to remit the interest that is "scheduled" to be passed through to Fannie Mae for the Mortgage Loan in that month and to make the first required Guaranty Fee remittance. The interest remittance will represent one month's full interest, and will be equal to the Issue Date principal balance of the Mortgage Loan times either (a) for 30/360 interest accrual Mortgage Loans, one-twelfth of the annual Pass-Through Rate of the Security, or (b) for actual/360 interest accrual Mortgage Loans, the annual Pass-Through Rate of the Security divided by 360 times the number of days occurring in the month of issuance of the Security. The Guaranty Fee payment will represent one month's full Guaranty Fee, and be calculated as provided in [Part V, Chapter 2: Reporting and Remitting, Section 209.05A: Guaranty Fee Due on 7th Calendar Day of Month](#) based on Issue Date principal balance of the Mortgage Loan.

Fannie Mae will not reimburse the Servicer for its interest or Guaranty Fee remittance. However, the Servicer must:

- receive a partial month's interest based on the Note Rate from the Borrower at closing (from the date of closing through the end of the month), and
- receive interest based on the Pass-Through Rate from the purchaser of the Security (from the first day of the month in which the Security is issued to the Book-Entry Delivery Date) as part of the sales proceeds for the Security.
