Part V Section 213.05 Prepayment Premiums for ARM Loans and Structured ARM Loans .....	3
GLOSSARY .....	4

## 213.05 Prepayment Premiums for ARM Loans and Structured ARM Loans

Unless the prepayment of an ARM Loan that used Prepayment Option 1 or Prepayment Option 2, or of a Structured ARM Loan is the result of a casualty or condemnation, any prepayment made before a date specified in the Loan Documents (typically the last calendar day of the fourth month prior to the month in which the Maturity Date occurs) must include a Prepayment Premium that will be shared between Fannie Mae and the Servicer. The Investor is not entitled to receive any portion of the Prepayment Premium for either an ARM Loan or a Structured ARM Loan. In each case, Fannie Mae's share will be a percentage determined by the following formula:

<u>Guaranty Fee</u>
(Guaranty Fee + Servicing Fee)

For example, if the Guaranty Fee is 62.5 basis points and if the Servicing Fee is 45 basis points, then Fannie Mae's share will be:

<u>62.5</u>	or	58.14%.
(62.5 + 45)		

The Servicer must remit the portion of the Prepayment Premium due Fannie Mae with the final Mortgage Loan payment. The Servicer may retain the balance of the Prepayment Premium.

No Prepayment Premium is due in connection with an ARM Loan with a conversion option or with a Structured ARM Loan that is converting to a fixed rate Mortgage Loan.

# Glossary
