703.03 Monetary or Payment Defaults

Payments under the Note evidencing the Mortgage Loan are due on the first day of the month or such other date as may be specified in the Note. Typically, there is no grace period for making payments and payments made after the scheduled due date are past due even if late charges do not attach until some days later. If the Borrower fails to pay monies when due, whether the obligation arises under the Note or other Loan Document, a Monetary or Payment Default has occurred.
