## ➔ Guidance

You may choose to pay the Property's initial ERS certification cost on behalf of the Borrower. Fannie Mae will reimburse you for the Property's initial ERS certification cost after Delivery per the [How to: Register, Quote, Close, and Deliver a Healthy Housing Rewards Mortgage Loan](#).

Stewards of Affordable Housing for the Future (SAHF) refers to the service provider certification as a CORES certification and the property-level certification as an Enhanced Resident Services Property certification.

To meet project timelines, you may permit the Borrower to obtain the

- service provider certification before identifying the property, and
- Property-level certification in conjunction with underwriting the Mortgage Loan.

Both existing and proposed new services may be included to meet certification requirements. If the Property offers sufficient existing services to receive the required certifications, the Borrower does not need to provide additional services.

## ✦ Operating Procedures

You calculate the Healthy Housing Rewards Enhanced Resident Services price reduction by multiplying the Mortgage Loan amount by the ERS price incentive granted by Fannie Mae.
