Effective: 09/03/19  
Retired: 04/13/20

### Summary of Changes

#### HIGHLIGHTS

Effective for all commitments submitted on or after September 3, 2019, Fannie Mae is updating its Multifamily Additional Disclosure Guidance (Form 4098) to reflect

- new non-standard Mortgage Loan characteristics,
- updated Cross-Defaulted/Cross-collateralized language,
- an improved Other Prepayment Premium process for C&D Mortgage Loans, and
- removal of the Hybrid ARM Systems Additional Disclosure characteristic.

If a Mortgage Loan has non-standard characteristics

- it may require additions to the MBS Prospectus and/or accompanying Annex A, and
- you must check the Additional Disclosure Indicator and add Additional Disclosure Comments in the Commitment and Delivery (C&D) system.

This update includes:

- New non-standard Mortgage Loan characteristics:
  - **Participation Interests** - Applies to any pool that holds less than 100% participation interest in a Mortgage Loan.

  - **Multiple Series Limited Liability Company** - Applies if the Borrower is formed under a series LLC statute.
- Updated non-standard Mortgage Loan characteristics:
  - **Cross-Defaulted/Cross-Collateralized** – Any cross defaulted and/or cross collateralized mortgage loan that allows the release of the crossed property or has a due on sale clause requires Additional Disclosure (see Job Aid: Data Guidance for Cross-Defaulted and Cross-Collateralized Mortgage Loans for details).
  - Changed **Other Prepayment Premium** to **Declining Prepayment Premium, Other Year Schedule and Other Prepayment Premium** – If Declining Prepayment Premium schedules are not available as allowable values in C&D, use Declining Prepayment, Other Year Schedule.
  - Updated language for

- Mezzanine Financing or Preferred Equity,
- Senior Third Party Debt,
